The Jarvis Educational Foundation

Report of the Trustees for the Year Ended 31 December 2024

The trustees present their report with the financial statements of the charity for the year ended 31 December 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

The Educational Foundation Charity has evolved from a charity first set up using the money left by George Jarvis (1704-1793) to help the poor of Bredwardine, Staunton-on-Wye and Letton. The charity was started in 1803 providing help during illness, and food, heating, clothes and education for the poor of the parishes. In 1852 the Jarvis Charity Act allowed the Governors to purchase land for the building of elementary schools in the three villages and also a boarding school in Staunton-on-Wye. As well as the schools, two blocks of almshouses were built in 1858/9 on land acquired when planning the building of the boarding school.

In 1904 the charity was split into the Jarvis Educational Foundation Charity and the Jarvis Eleemosynary Charity. The Jarvis Educational Foundation Charity covered running all the schools owned by the charity and providing for the education needs of the children in the villages including apprenticeships and help with further education. The local authority took over the day-to-day running of the schools in 1920. In the 1940's the schools changed from elementary schools to primary schools in accordance to the general change of school structure in the country. The Staunton primary school was relocated to a new site in the village and the old school was sold in 2015.

When the schools in Bredwardine and in Letton were deemed by the local authority as being no longer needed these were sold by the charity and the money invested for the endowment of the charity.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objective of the charity is to promote the education of persons under the age of 25 years who are residents in the County of Herefordshire and who are in need of financial assistance (preference being given to persons who are resident in the area of the parishes of Staunton-on-Wye, Bredwardine and Letton).

The current activity is to support the primary school in the village of Staunton-on-Wye and to provide grants to young people in Herefordshire with preference being given to those in Staunton-on-Wye, Bredwardine and Letton to further their education.

Funding on new school

The charity has contributed the sum of £731,000 towards the cost of the new school. The cost of the new school can be seen in the tangible fixed asset note. A further £60,000 was donated to the school in 2020 towards the building of the new annex.

Public benefit

In drafting this report, the Governors have complied with the duty in Section 4 of the Charities Act 2006, to have due regard to public benefit guidance published by the Charity Commission.

ACHIEVEMENT AND PERFORMANCE

The governors are committed to maintaining and supporting the school at Staunton-on-Wye.

During the year education support grants have been paid to 5 successful applicants (2023: 5 grants).

6 Co-opted Trustees, each appointed for a term of 5 years;

A special meeting can be summoned at any time by the Chairman or any two Trustees with not less than 4 days' notice being given to the other Trustees of the matters being discussed. The special meeting may take place immediately after an ordinary meeting. Four Trustees constitute a quorum.

Every matter is determined by the majority of the votes of the Trustees present and voting on the question. Each Trustee has one vote, and the Chairman has a casting vote.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The Jarvis Educational Foundation

Notes to the Financial Statements for the Year Ended 31 December 2024

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Going Concern

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. The trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the company has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the charity's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

The cost of repairs and maintenance is charged against the income and expenditure account as incurred.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Staunton-on-Wye Primary School - Straight line over 50 years

In accordance with relevant accounting legislation, the investment properties which comprise land and buildings owned by the charity are not subject to any depreciation charge and are shown at the governors market valuation in the accounts.

Investment property

Investment properties are valued every 5 years based on their fair value.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

The unrestricted fund is maintained for the day-to-day running of the charity.

The Jarvis Educational Foundation

Notes to the Financial Statements - continued
for the Year Ended 31 December 2024

1. ACCOUNTING POLICIES - continued

Fund accounting

The restricted fund is held for the purpose of funding major repair work.

The endowment fund consists of Staunton-on-Wye School together with other land, buildings and investments.

Fixed asset investments

Investments are stated at market value as at the balance sheet date. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

Gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value (purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and opening market value (or purchase date if later). Realised and unrealised gains are not separated in the Statement of Financial Activities.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

The Jarvis Educational Foundation

Report of the Trustees for the Year Ended 31 December 2023

The trustees present their report with the financial statements of the charity for the year ended 31 December 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

The Educational Foundation Charity has evolved from a charity first set up using the money left by George Jarvis (1704-1793) to help the poor of Bredwardine, Staunton-on-Wye and Letton. The charity was started in 1803 providing help during illness, and food, heating, clothes and education for the poor of the parishes. In 1852 the Jarvis Charity Act allowed the Governors to purchase land for the building of elementary schools in the three villages and also a boarding school in Staunton-on-Wye. As well as the schools, two blocks of almshouses were built in 1858/9 on land acquired when planning the building of the boarding school.

In 1904 the charity was split into the Jarvis Educational Foundation Charity and the Jarvis Eleemosynary Charity. The Jarvis Educational Foundation Charity covered running all the schools owned by the charity and providing for the education needs of the children in the villages including apprenticeships and help with further education. The local authority took over the day-to-day running of the schools in 1920. In the 1940's the schools changed from elementary schools to primary schools in accordance to the general change of school structure in the country. The Staunton primary school was relocated to a new site in the village and the old school was sold in 2015.

When the schools in Bredwardine and in Letton were deemed by the local authority as being no longer needed these were sold by the charity and the money invested for the endowment of the charity.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objective of the charity is to promote the education of persons under the age of 25 years who are residents in the County of Herefordshire and who are in need of financial assistance (preference being given to persons who are resident in the area of the parishes of Staunton-on-Wye, Bredwardine and Letton).

The current activity is to support the primary school in the village of Staunton-on-Wye and to provide grants to young people in Herefordshire with preference being giving to those in Staunton-on-Wye, Bredwardine and Letton to further their education.

Funding on new school

The charity has contributed the sum of £731,000 towards the cost of the new school. The cost of the new school can be seen in the tangible fixed asset note. A further £60,000 was donated to the school in 2020 towards the building of the new annex.

Public benefit

In drafting this report, the Governors have complied with the duty in Section 4 of the Charities Act 2006, to have due regard to public benefit guidance published by the Charity Commission.

ACHIEVEMENT AND PERFORMANCE

The governors are committed to maintaining and supporting the school at Staunton-on-Wye.

During the year education support grants have been paid to 5 successful applicants (2022: 8 grants).

Recruitment and appointment of new trustees

The board consists of up to 10 Trustees:

3 Nominative Trustees - 1 appointed by the Wyeside Parish Council, 1 appointed by Staunton-on-Wye Parish Council, 1 appointed by Kinnersley and District Parish Council

6 Co-opted Trustees, each appointed for a term of 5 years;

1 local clergy as ex-officio member - the Rector of the Parishes of Staunton-on-Wye and Letton.

Notes: Co-opted Trustees are people who through residence, occupation or employment, have special knowledge of the area in which the parishes lie.

At the end of the year there were 7 trustees.

Trustees are provided with a copy of the Scheme (constitution/Governing document: dated 21 September 1976, as amended by scheme dated 27 September 2002), together with a map of the properties held. When appropriate, they are taken to visit the property housing the school. Trustees are encouraged to attend appropriate courses.

Organisational structure

Four quarterly meetings are held each year. At the first ordinary meeting in each year the Trustees elect a Chairman for the year. The Chairman is always eligible for re-election. If at any meeting the Chairman is not present within 10 minutes of the appointed time the Trustees present choose one of their number to be Chairman for the meeting. A special meeting can be summoned at any time by the Chairman or any two Trustees with not less than 4 days' notice being given to the other Trustees of the matters being discussed. The special meeting may take place immediately after an ordinary meeting. Four Trustees constitute a quorum.

Every matter is determined by the majority of the votes of the Trustees present and voting on the question. Each Trustee has one vote, and the Chairman has a casting vote.

Related parties

The Jarvis Eleemosynary Charity is a related charity. Details of transactions can be found in the note to the accounts.

The Jarvis Educational Charity can appoint up to 7 governors of Staunton-on-Wye primary school and considers the school to be a related party.

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements - continued

1. ACCOUNTING POLICIES - continued

Fixed asset investments

Investments are stated at market value as at the balance sheet date. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

Gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value (purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and opening market value (or purchase date if later). Realised and unrealised gains are not separated in the Statement of Financial Activities.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

The Jarvis Educational Foundation

Report of the Trustees for the Year Ended 31 December 2022

The trustees present their report with the financial statements of the charity for the year ended 31 December 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

History

The Educational Foundation Charity has evolved from a charity first set up using the money left by George Jarvis (1704-1793) to help the poor of Bredwardine, Staunton-on-Wye and Letton. The charity was started in 1803 providing help during illness, and food, heating, clothes and education for the poor of the parishes. In 1852 the Jarvis Charity Act allowed the Governors to purchase land for the building of elementary schools in the three villages and also a boarding school in Staunton-on-Wye. As well as the schools, two blocks of almshouses were built in 1858/9 on land acquired when planning the building of the boarding school.

In 1904 the charity was split into the Jarvis Educational Foundation Charity and the Jarvis Eleemosynary Charity. The Jarvis Educational Foundation Charity covered running all the schools owned by the charity and providing for the education needs of the children in the villages including apprenticeships and help with further education. The local authority took over the day-to-day running of the schools in 1920. In the 1940's the schools changed from elementary schools to primary schools in accordance to the general change of school structure in the country. The Staunton primary school was relocated to a new site in the village and the old school was sold in 2015.

When the schools in Bredwardine and in Letton were deemed by the local authority as being no longer needed these were sold by the charity and the money invested for the endowment of the charity.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objective of the charity is to promote the education of persons under the age of 25 years who are residents in the County of Herefordshire and who are in need of financial assistance (preference being given to persons who are resident in the area of the parishes of Staunton-on-Wye, Bredwardine and Letton).

The current activity is to support the primary school in the village of Staunton-on-Wye and to provide grants to young people in Herefordshire with preference being giving to those in Staunton-on-Wye, Bredwardine and Letton to further their education.

Funding on new school

The charity has contributed the sum of £731,000 towards the cost of the new school. The cost of the new school can be seen in the tangible fixed asset note. A further £60,000 was donated to the school in 2020 towards the building of the new annex.

Public benefit

In drafting this report, the Governors have complied with the duty in Section 4 of the Charities Act 2006, to have due regard to public benefit guidance published by the Charity Commission.

ACHIEVEMENT AND PERFORMANCE

The governors are committed to maintaining and supporting the school at Staunton-on-Wye.

During the year education support grants have been paid to 4 successful applicants.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

Regulation scheme dated 21 September 1976, as amended by scheme dated 27 September 2002.

Recruitment and appointment of new trustees

The board consists of up to 10 Governors:

3 Nominative Governors - 1 appointed by the Wyese Parish Council, 1 appointed by Staunton-on-Wye Parish Council, 1 appointed by Kinnersley and District Parish Council

6 Co-opted Governors, each appointed for a term of 5 years;

1 local clergy as ex-officio member - the Rector of the Parishes of Staunton-on-Wye and Letton.

Notes: Co-opted Governors are people who through residence, occupation or employment, have special knowledge of the area in which the parishes lie.

At the end of the year there were 8 governors.

Governors are provided with a copy of the Scheme (constitution/Governing document: dated 21 September 1976, as amended by scheme dated 27 September 2002), together with a map of the properties held. When appropriate, they are taken to visit the property housing the school. Governors are encouraged to attend appropriate courses.

Organisational structure

Four quarterly meetings are held each year. At the first ordinary meeting in each year the Governors elect a Chairman for the year. The Chairman is always eligible for re-election. If at any meeting the Chairman is not present within 10 minutes of the appointed time the Governors present choose one of their number to be Chairman for the meeting. A special meeting can be summoned at any time by the Chairman or any two Governors with not less than 4 days' notice being given to the other Governors of the matters being discussed. The special meeting may take place immediately after an ordinary meeting. Four Governors constitute a quorum.

Every matter is determined by the majority of the votes of the Governors present and voting on the question. Each Governor has one vote, and the Chairman has a casting vote.

Related parties

The Jarvis Eleemosynary is a related charity. Details of transactions can be found in the note to the accounts.

I report to the charity trustees on my examination of the accounts of The Jarvis Educational Foundation (the Trust) for the year ended 31 December 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Going Concern

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. The trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the company has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the charity's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

The cost of repairs and maintenance is charged against the income and expenditure account as incurred.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Staunton-on-Wye Primary School - Straight line over 50 years

In accordance with relevant accounting legislation, the investment properties which comprise land and buildings owned by the charity are not subject to any depreciation charge and are shown at the governors market valuation in the accounts.

Investment property

Investment properties are valued every 5 years based on their fair value.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

The unrestricted fund is maintained for the day-to-day running of the charity.

The restricted fund is held for the purpose of funding major repair work.

The endowment fund consists of Staunton-on-Wye School together with other land, buildings and investments.

Notes to the Financial Statements - continued
for the Year Ended 31 December 2022

1. ACCOUNTING POLICIES - continued

Fixed asset investments

Investments are stated at market value as at the balance sheet date. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

Gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value (purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and opening market value (or purchase date if later). Realised and unrealised gains are not separated in the Statement of Financial Activities.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

The Jarvis Educational Foundation

Report of the Trustees for the Year Ended 31 December 2021

The trustees present their report with the financial statements of the charity for the year ended 31 December 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

History

The Educational Foundation Charity has evolved from a charity first set up using the money left by George Jarvis (1704-1793) to help the poor of Bredwardine, Staunton-on-Wye and Letton. The charity was started in 1803 providing help during illness, and food, heating, clothes and education for the poor of the parishes. In 1852 the Jarvis Charity Act allowed the Governors to purchase land for the building of elementary schools in the three villages and also a boarding school in Staunton-on-Wye. As well as the schools, two blocks of almshouses were built in 1858/9 on land acquired when planning the building of the boarding school.

In 1904 the charity was split into the Jarvis Educational Foundation Charity and the Jarvis Eleemosynary Charity. The Jarvis Educational Foundation Charity covered running all the schools owned by the charity and providing for the education needs of the children in the villages including apprenticeships and help with further education. The local authority took over the day-to-day running of the schools in 1920. In the 1940's the schools changed from elementary schools to primary schools in accordance to the general change of school structure in the country. The Staunton primary school was relocated to a new site in the village and the old school was sold in 2015.

When the schools in Bredwardine and in Letton were deemed by the local authority as being no longer needed these were sold by the charity and the money invested for the endowment of the charity.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objective of the charity is to promote the education of persons under the age of 25 years who are residents in the County of Herefordshire and who are in need of financial assistance (preference being given to persons who are resident in the area of the parishes of Staunton-on-Wye, Bredwardine and Letton).

The current activity is to support the primary school which is housed in a new building within the village of Staunton-on-Wye and to provide grants to young people in Herefordshire with preference being giving to those in Staunton-on-Wye, Bredwardine and Letton to further their education.

Funding on new school

The charity has contributed the sum of £731,000 towards the cost of the new school. The cost of the new school can be seen in the tangible fixed asset note. A further £60,000 was donated to the school in 2020 towards the building of the new annex.

Public benefit

In drafting this report, the Governors have complied with the duty in Section 4 of the Charities Act 2006, to have due regard to public benefit guidance published by the Charity Commission.

ACHIEVEMENT AND PERFORMANCE

The governors are committed to maintaining and supporting the school at Staunton-on-Wye.

During the year education support grants have been paid to 4 successful applicants.

Governing document

Regulation scheme dated 21 September 1976, as amended by scheme dated 27 September 2002.

Recruitment and appointment of new trustees

The board consists of up to 11 Governors:

4 Nominative Governors - 1 appointed by the Wyese Parish Council, 1 appointed by Staunton-on-Wye Parish Council, 1 appointed by Kinnersley and District Parish Council and 1 appointed by Herefordshire Council;
6 Co-opted Governors, each appointed for a term of 5 years;
1 local clergy as ex-officio member - the Rector of the Parishes of Staunton-on-Wye and Letton.

When appropriate, they are taken to visit the property housing the school. Governors are encouraged to attend appropriate courses.

Organisational structure

Four quarterly meetings are held each year. At the first ordinary meeting in each year the Governors elect a Chairman for the year. The Chairman is always eligible for re-election. If at any meeting the Chairman is not present within 10 minutes of the appointed time the Governors present choose one of their number to be Chairman for the meeting. A special meeting can be summoned at any time by the Chairman or any two Governors with not less than 4 days' notice being given to the other Governors of the matters being discussed. The special meeting may take place immediately after an ordinary meeting. Four Governors constitute a quorum.

Every matter is determined by the majority of the votes of the Governors present and voting on the question. Each Governor has one vote, and the Chairman has a casting vote.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Going concern and COVID 19

The Trustees have considered the future of the organisation in light of the world-wide pandemic and feel that due to its nature, the income will not be adversely affected, however if it were, savings in expenditure can be made in the short to medium term.

Due to these factors, the Trustees believe the organisation is a going concern for the foreseeable future of at least twelve months from date of signing these financial statements.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

The cost of repairs and maintenance is charged against the income and expenditure account as incurred.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Staunton-on-Wye Primary School - Straight line over 50 years

In accordance with relevant accounting legislation, the investment properties which comprise land and buildings owned by the charity are not subject to any depreciation charge and are shown at the governors market valuation in the accounts.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

The unrestricted fund is maintained for the day-to-day running of the charity.

The restricted fund is held for the purpose of funding major repair work.

The endowment fund consists of Staunton-on-Wye School together with other land, buildings and investments.

Notes to the Financial Statements - continued
for the Year Ended 31 December 2021

1. ACCOUNTING POLICIES - continued

Fixed asset investments

Investments are stated at market value as at the balance sheet date. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

Gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value (purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and opening market value (or purchase date if later). Realised and unrealised gains are not separated in the Statement of Financial Activities.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.
