THE RATCLIFFIAN ASSOCIATION AND CUNNINGHAM FUND

TRUSTEES REPORT

FOR THE YEAR ENDED 31 MARCH 2024

The trustees present their annual report and financial statements for the year ended 31 March 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's trust deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

The charity's objectives are the provision of education to children attending Ratcliffe College, Leicester with preference given to children of former pupils of Ratcliffe College and children of poor Irish parents.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Grant making policy

The Trustees review new applications for grants towards the provision of education to children in accordance with the objectives of the charity. All grants have for many years been based on financial need as against scholastic ability and the Trustees have endeavoured wherever possible to fund pupils whose parents are unable to complete their studies as a result for instance of the loss of a job or redundancy.

The Trustees have had due regard to guidance issued by the Charity Commission on public benefit and consider that the activities of the charity meet the requirements of the guidance.

The Trustees policy also necessitates review of all grants where the grantee has reached year eight at Ratcliffe College and is proceeding to GCSE. Grantees who have completed GCSE courses and are continuing to A level courses are also reviewed.

Achievements and performance

During the current financial year the fund paid £39,000 in grants for attendance at Ratcliffe College.

Financial markets have seen some volatility as a result of the economic impact of the pandemic and the war in Ukraine. The Fund is still in a healthy position with over £2.0m invested with our Fund Managers, James Hambro Partners, at 31st March 2024. This is a similar position to 31st March 2022 and 31st March 2023 despite taking additional cash away from the Fund Managers during the year to pay for the grants and paid out over £176,000 over the last three years.

The charity retains approximately one year's grants in bank balances and the Trustees believe that in the event of any further reduction in the fund's investments the charity will remain a going concern and be able to cover its liabilities. The Trustees will continue to closely monitor the situation, with quarterly and ad hoc reports from their professional financial advisor.

Financial review

The results for the year are shown on pages 5 to 12 of the financial statements. The charity has incurred a deficit of £15,731 before investment gains of £148,544.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The total unrestricted reserves at the year-end stood at £209,883 (2023: £193,434) Endowment funds totalled £1,849,007 (2023: £1,732,643). The Trustees have agreed a policy whereby unrestricted funds not committed or invested in tangible fixed assets or investments held by the charity should be maintained at approximately a year's outgoings on scholarship awards.

Additional surplus income has been invested to provide additional income.

This policy allows for a possible reduction in the more stable parts of income and so would allow the charity to continue its activities at the current level for some years.

The Trustees have considered the risks to which the charity is exposed and have established monitoring processes to understand and mitigate those risks. Strategic and shorter-term plans are reviewed regularly, and funding obtained from a number of sources. Internal risks are minimised by implementing procedures for authorising transactions, grants etc, and to ensure consistent quality of delivery for all operational aspects of the charity.

The Trustees review these procedures periodically.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF THE RATCLIFFIAN ASSOCIATION AND CUNNINGHAM FUND

I report to the trustees on my examination of the financial statements of The Ratcliffian Association and Cunningham Fund (the charity) for the year ended 31 March 2024.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

Charity information

The Ratcliffian Association and Cunningham Fund is a charity, registered with the Charity Commission for England and Wales and is regulated by the Trust Deed dated 7 January 1998.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's trust deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Designated funds comprise funds which have been set aside at the discretion of the trustees for specific purposes. The purposes and uses of the designated funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Income tax recoverable in relation to donations received under Gift Aid is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected.

1 Accounting policies (Continued)

1.5 Expenditure

Expenditure on grants is recorded once the Trust has made an unconditional commitment to pay the grant and this is communicated to the beneficiary or the grant has been paid, whichever is the earlier.

Other expenditure is included in the accounts on the accruals basis. Irrecoverable VAT is charged to the SOFA as incurred.

The cost of managing investments is split 25:75 between administration fees charged to raising funds and endowment investment fees charged to unrealised gains on investments.

1.6 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.7 Cash and cash equivalents

Cash and cash equivalents include deposits held at call with banks, other short-term liquid investments with original maturities of three months or less.

1.8 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial instruments are initially recognised at transaction value and subsequently measured at amortised cost. Financial assets comprise cash at bank together with other debtors. Cash at bank is defined as all cash held in instant access bank accounts and used as working capital. Investments are held at fair value at the balance sheet date, with gains and losses being recognised within income and expenditure. Financial liabilities held at amortised cost comprise all creditors.
