## **Trustees' Report**

**For the year ended 31 December 2023**

---

The trustees present their report and financial statements for the year ended 31 December 2023.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

### **Objectives and activities**

The charity assists persons resident in the town of Warwick under the age of 25 years who are preparing for, entering upon or engaged in any occupation, by providing them with outfits, tools or books, or payment of fees, travelling or maintenance expenses or by such other means for their advancement in life to enable them to earn their own living. The charity also provides relief for persons either generally or individually who (except in special cases to be approved by the Trustees) are resident in the town of Warwick and who are in a state of need, hardship or distress.

### **Public Benefit**

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake in order to fulfil this requirement. Eligible members of the public are able to apply for assistance from the Charity and the Trustees believe that by making grants available to them they are providing life improving benefits to the public.

### **Procedures and policy for grant making**

In accordance with the Trust Deed the trustees apply the income of the charity as follows:

- For the "advancement of life", that is assisting persons resident in the town of Warwick (under 25 years of age) who are preparing for, entering upon, or engaged in any profession, trade, occupation or service by providing them with outfits, tools or books, or by payments of fees, travelling or maintenance expenses or by such other means for their advancement in life to enable them to earn their own living as the Trustees see fit.
- For the "relief in need", that is, relieving either generally or individually persons resident in the town of Warwick who are in conditions of need, hardship or distress by making grants of money or providing or paying for items, services or facilities calculated to reduce the need, hardship or distress of such persons.
- In exceptional cases the trustees may grant relief to persons otherwise eligible who are resident outside the town of Warwick, but who in the trustees opinion ought to be treated as if they were resident or who are temporarily located in Warwick.

Applications for grants or assistance should be made in writing to the Clerk. Applications are reviewed at the Trustees' ordinary meetings.

### **Achievements and performance**

During the year the charity approved 49 advancement in life awards to individuals totalling £47,907 (2022: 48 - totalling £52,350).

### **Financial review**

General and designated funds at the year end stood at £177,619 (2022: £162,159). Permanent endowment funds stood at £961,332 (2022: £960,289). No restricted funds balances were held at the Balance Sheet date. The Trustees consider that free liquid funds should be maintained at a level which cover the annual administrative cost of the charity and approximately half the annual grant payments made by the charity, (as the Trustees meet bi-annually to allocate grant payments). At 31 December 2023 the unrestricted funds were slightly in excess of this target. In addition, having reviewed the adequacy of the designated fund to cover emergency repairs and tenancy voids, a transfer to that fund amounting to £68,853 has been reflected in the year.

### **Investment policy**

The Trustees have considered the most appropriate policy for investing funds and in conjunction with the Funds policy adopted to maintain net current assets at around £40,000. The balance of the charity's funds has been invested in investments as advised by the charity's brokers.

### Trustees' Report (Continued)

For the year ended 31 December 2023

#### Risk review

The charity Trustees have considered the major risks to which the charity is exposed and have reviewed these risks and established systems and procedures to manage these risks. External risks have been minimised by ensuring that the charity's properties are adequately maintained and appropriately insured. The Trustees have also designated a fund to cover emergency repairs and potential void cost which could arise as a result of losing tenants from their investment properties. The charity employs the services of a broker to manage its investment portfolio. Internal risks are minimised by implementing procedures for authorising transactions. The Trustees are mindful that their ability to maintain the current level of grants is much dependent on the support provided by other local charities which have shown their wish to assist the objectives of the charity.

The economic situation has put pressure on the value of the charity's investments albeit that the Trustees remain reassured that they currently hold a healthy level of assets which they continue to monitor and give consideration to when making decisions on grant applications.

#### Structure, governance and management

The charity is an unincorporated Trust constituted under a scheme dated 28th November 1930 as revised in October 1981.

The Trustee Board may comprise 12 people being 3 ex-officio trustees, 3 nominated trustees and 6 co-optative Trustees.

Nominative trustees are appointed by the Town Council of Warwick and serve for 4 years. Co-optative trustee are persons who through residence, occupation or employment or otherwise have special knowledge of Warwick. Such Trustees hold office for 5 years.

Trustees are required to hold at least two ordinary meetings a year, the Trustees met on two occasions during the year to approve the allocation of grants and review the funding of the charity.

The Trustees keep the skill requirements of the trustee body under review in the event that a new Trustee is required or an existing Trustee retires.

Where a vacancy occurs for a new Co-optative Trustee, it is discussed by the Trustees at a meeting and nominations are invited. If more than one nomination is received, such nomination are voted upon. Trustees are nominated having regard to their knowledge, suitability and availability to serve.

The induction process for a new Trustees is as follows. The Chairman will meet with the new Trustee to explain all aspects of the Charity and to provide all relevant information regarding it. The Clerk to the Trustees will write to the new Trustee with a copy of the scheme governing the Charity and a copy of the last set of accounts. The Chairman and the Clerk to the Trustee will also provide all assistance and information necessary for the new Trustees to become familiar with the workings of the Charity and charitable regulations applicable.

The Trustees' report was approved by the Board of Trustees.

## Independent Examiner's Report

### To the trustees of the apprenticing and relief in need charities

---

I report to the trustees on my examination of the financial statements of The Apprenticing and Relief in Need Charities (the charity) for the year ended 31 December 2023.

#### Responsibilities and basis of report

As the Trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### Independent examiner's statement

Your attention is to drawn to the fact that the charity has prepared the accounts (financial statements) in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has since been withdrawn.

We understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

## Notes To The Financial Statements

For the year ended 31 December 2023

### 1 Accounting policies

#### Charity information

The Apprenticing and Relief in Need Charities is an unincorporated Trust constituted under a scheme dated 28th November 1930 as revised in October 1981 (Charity No 528745).

#### 1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

#### 1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Designated funds comprise funds which have been set aside at the discretion of the trustees for specific purposes. The purpose and use of the funds is set out in the notes to the financial statements.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

#### 1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Notes To The Financial Statements (Continued)  
For the year ended 31 December 2023**

---

**1 Accounting policies**

**(continued)**

Grants received are shown on the basis of amounts receivable.

Income from endowment funds are treated as unrestricted and is transferred to unrestricted funds at the end of the year.

All investment income excluding deposit interest is shown on the basis of amounts receivable in the year and includes any tax credit or income tax which is recoverable by the charity. Deposit interest is shown on the basis of amounts credited in the year.

**1.5 Resources expended**

Expenditure is accounted for on an accruals basis. Grants are paid out in accordance with the charity's stated objects and are recognised when payment is approved by the Board of Trustees.

**1.6 Investment properties**

Investment property, which is property held to earn rentals and/or for capital appreciation, is initially recognised at cost, which includes the purchase cost and any directly attributable expenditure. Subsequently it is measured at fair value at the reporting end date. The surplus or deficit on revaluation is recognised in the Statement of Financial Activities.

**1.7 Fixed asset investments**

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred and offset against the value of the movement in fair value for the year.

All profits and losses on disposal of investments are taken to the Endowment Fund relating to the Investment.

**1.8 Cash and cash equivalents**

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts.

**1.9 Financial instruments**

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

**Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

**Notes To The Financial Statements (Continued)**  
**For the year ended 31 December 2023**

**1 Accounting policies**

**(continued)**

***Basic financial liabilities***

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

***Derecognition of financial liabilities***

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.
