Report of the Trustees for the year ended 30 June 2025

The Trustees present their Annual Report and the audited financial statements for the year ended 30 June 2025 for The Rugby School General Charitable Trust ("the Charity").

The financial statements comply with the Charity's trust deed, with current statutory requirements, with applicable accounting standards in the United Kingdom, with the Charities Statement of Recommended Practice (the Charities SORP (FRS 102)) and with the Charities Act 2011.

PRINCIPAL ACTIVITIES AND OBJECTIVES

The Trust was established to raise and apply funds for the benefit of such charitable purposes connected with Rugby School as the Trustees shall in their discretion determine. Provided that the requirements of Rugby School have been considered first, funds may also be applied for such other charitable purposes as the Trustees shall decide. As noted in the section on "Structure, Governance and Management", most of the fundraising for scholarships and bursaries at Rugby School is undertaken by the Arnold Foundation.

PUBLIC BENEFIT OBJECTIVES

In setting the Trust's objectives and planning its activities the Trustees have given careful consideration to the Charity Commission's general guidance on public benefit and in particular to its supplementary public benefit guidance on advancing education.

REVIEW OF OPERATIONS

In accordance with the objects of the Trust, total net income of £356,764 (2024: £22,763) received during the year (as set out in the statement of financial activities) is payable to the Governing Body of Rugby School for specific projects to be undertaken at Rugby School. The net income is volatile from year to year and simply reflects amounts received which depends upon whether a fund-raising campaign has been run or not in the period concerned.

The main campaign run by the Charity during the year was for funding towards the Temple Reading Room (TRR) Development project. There were also smaller donations for Rugby School's bursary funds.

Potential donors to the Trust are regularly referred by the Development Team at Rugby School when a donor indicates a desire to pass on a gift, however the Trust does not otherwise use professional fundraisers or commercial participators. The Charity was not subject to a scheme or undertaking in relation to regulating fund-raising. Rugby School's Development team takes due care to ensure that fundraising is undertaken in a sensitive and appropriate manner and there were no complaints made during the year. The Trust had no other fund-raising activities requiring disclosure under s162A of the Charities Act 2011.

Report of the Trustees for the year ended 30 June 2025 *(continued)*

RESERVES POLICY

The Trust has no unrestricted reserves available for the general purpose of the Charity as all incoming resources are gifted to the Governing Body of Rugby School in the period.

REVIEW OF ACHIEVEMENTS AND PERFORMANCE

During the year the majority of the donations were to the TRR Development project.

FUTURE PLANS

The Charity's plans for 2025/26 are the continuing activities and objectives as described above. The Charity will undertake future capital fund raising projects for Rugby School.

FINANCIAL REVIEW

With minimal expenditure for bank charges most of the income of £357,651 was represented in the grant made to Rugby School for the year of £356,764. Of this, £352,431 and £5,095 were recognised as restricted funds for the TRR Development project and Bursary Funds, respectively.

PRINCIPAL RISKS AND UNCERTAINTIES

The main risk remains that insufficient funds are received to enable the TRR Development project to go ahead. This project is subject to further fundraising targets in the coming years. In this situation it may be that, subject to consultation with the donors, donations will need to be refunded.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Rugby School General Charitable Trust is constituted by a trust deed dated 19th January 1971 and is a registered charity (number 528756).

Prior to the incorporation, in 2002, of the Arnold Foundation for Rugby School (a charity which has the principal object of widening access to Rugby School by raising funds for more scholarships and bursaries) the General Charitable Trust was engaged in raising funds from supporters of the School. Since the establishment of the Arnold Foundation, activity in the General Charitable Trust has been limited to receipt of income from covenants and legacies that were established before the Arnold Foundation's existence and to assistance with fund raising for specific events or named capital projects.

Report of the Trustees for the year ended 30 June 2025 *(continued)*

Trustees

The Trust is managed by Trustees who meet to ensure that the business of the Trust is carried out in accordance with its objects. The Trustees who served the Trust during the year were:

N Bacon	Chairman
AS Habib	Ex-Officio (until 20 November 2024)
J Maddocks	Ex-Officio (from 20 November 2024)
G Parker-Jones	Ex-Officio
P A Nicholls	Ex-Officio (Secretary) (until 31 August 2024)
D J White	Ex-Officio (Secretary) (from 20 November 2024)

Other than A Habib and J Maddocks, who were appointed by virtue of their role as President of the Rugbeian Society, the ex-officio Trustees are employees of Rugby School. All Trustees are nominated by the Governing Body of Rugby School.

Organisational Management

The day-to-day running of the Trust is delegated to the Head Master and Chief Operating Officer of Rugby School, as Key Management Personnel.

No remuneration has been paid by the Trust to the Key Management Personnel.

STATEMENT OF TRUSTEES' RESPONSIBILITIES IN RESPECT OF THE ANNUAL REPORT AND THE FINANCIAL STATEMENTS

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources of the Charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions, disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the Charity's constitution. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Crowe U.K. LLP has indicated its willingness to be reappointed as statutory auditors.

Independent Auditor's Report to the Trustees of the Rugby School General Charitable Trust

Opinion

We have audited the financial statements of The Rugby School General Charitable Trust for the year ended 30 June 2025 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Charity's affairs as at 30 June 2025 and of its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustee's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information

The Trustees are responsible for the other information contained within the annual report. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

Independent Auditor's Report to the Trustees of the Rugby School General Charitable Trust *(continued)*

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the Trustees' report; or
- sufficient and proper accounting records have not been kept by the Charity; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Trustees

As explained more fully in the Trustees' responsibilities statement set out on page 6, the Trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011, and report in accordance with the Acts and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Details of the extent to which the audit was considered capable of detecting irregularities, including fraud and non-compliance with laws and regulations are set out below.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We identified and assessed the risks of material misstatement of the financial statements from irregularities, whether due to fraud or error, and discussed these between our audit team members. We then designed and performed audit procedures responsive to those risks, including obtaining audit evidence sufficient and appropriate to provide a basis for our opinion.

Independent Auditor's Report to the Trustees of the Rugby School General Charitable Trust *(continued)*

We obtained an understanding of the legal and regulatory frameworks within which the Charity operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were the Charities Act 2011 together with the Charities SORP (FRS 102). We assessed the required compliance with these laws and regulations as part of our audit procedures on the related financial statement items.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which might be fundamental to the Charity's ability to operate or to avoid a material penalty. We also considered the opportunities and incentives that may exist within the Charity for fraud. The laws and regulations we considered in this context was the General data Protection Regulation (GDPR).

Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of the Trustees and other management and inspection of regulatory and legal correspondence, if any.

We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be within the override of controls by management. Our audit procedures to respond to these risks included enquiries of management, the Finance, Audit & Estates Committee about their own identification and assessment of the risks of irregularities, sample testing on the posting of journals, reviewing accounting estimates for biases, reviewing regulatory correspondence with the Charity Commission, and reading minutes of meetings of those charged with governance.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

Use of our report

This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the Charity's Trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the Financial Statements for the year ended 30 June 2025

1. PRINCIPAL ACCOUNTING POLICIES

Legal Status of the Fund

The Trust is a charity, registered in England and Wales (charity number 528756), operating from premises at the Bursary, Rugby School, Rugby, Warwickshire.

Basis of Accounting

The Financial Statements have been prepared under the historical cost convention in accordance with applicable accounting standards in the United Kingdom, the Charities Statement of Recommended Practice (the Charities SORP (FRS 102)) and the Charities Act 2011. A summary of the principal accounting policies, which have been applied consistently, are set out below.

The financial statements have been prepared on the going concern basis, under the historical cost convention and in accordance with FRS 102 given the absence of liabilities of the Charity and the strength of the School standing behind the Charity. The Charity is expected by the Trustees to continue to receive donations from supporters of Rugby School.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and republic of Ireland (FRS 102) issued on 16 July 2015 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Donations, Gifts and Legacies

Donations and gifts are credited to revenue when received. Legacies are accounted for on receipt of payment from the personal representative.

It is the policy of the Trustees that any shares or other securities that are donated to the Trust be converted to cash as soon as possible.

Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Recognition of Liabilities

Liabilities are recognised when an obligation arises to transfer economic benefits as a result of past transactions or events.

Notes to the Financial Statements for the year ended 30 June 2025 *(continued)***Taxation**

The Trust is a registered charity and, as such, is entitled to certain tax exemptions on income.

Financial Instruments

The Trust only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Key Judgements and Assumptions

Estimated, judgements and assumptions are made based on a combination of past experience, professional expert advice and other reasonable factors relevant to the circumstances. There are no estimates and assumptions that have a significant risk of causing a material adjustment to the carrying value of assets and liabilities within the next financial year.
