**Report of the Trustees  
FOR THE YEAR ENDED 31 MARCH 2022**

---

The trustees present their report with the financial statements of the charity for the year ended 31 March 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

**OBJECTIVES AND ACTIVITIES**

**Objectives and aims**

The Charity's object and principal activity is the provision of items, services and facilities for the Academy called The Grammar School of King Edward VI at Stratford-Upon-Avon.

The object of the KES Trustees Ltd, a company included within the consolidated financial statements was to preserve and maintain the property known as Shakespeare's Schoolroom and Guildhall, Church Street, Stratford-upon-Avon, Warwickshire which is of particular historical and architectural interest; and establish and maintain a museum in the property. If profits are generated they are donated to the holding entity (a registered charity), subject to the retention of a sufficient level of working capital within the company.

At 31 March 2022, the trading activity and assets of KES Trustees Ltd were transferred to a newly formed Charitable Incorporated Organisation (CIO), Shakespeare's Schoolroom Trust. The CIO is not under control of the charity however it operates closely with the charitable group and has similar objectives of KES Trustees Ltd - to preserve and maintain the Shakespeare's Schoolroom and Guildhall. In addition, the CIO aims to be proactive and utilise resources available to the entity which was restricted to the trading subsidiary. The donation of assets and trade was made by the charitable group in hope that the CIO meets their objectives and aims which in turn will benefit the charity from a reputational stand point whilst providing the security to the charitable group by eliminating the trading risk once in KES Trustees Limited.

**Public benefit**

The Trustees have considered the Charity Commission Guidance on Public Benefit in accordance with the Charities Act 2011.

In order to fulfil its charitable purpose the site owned by this Charity must be occupied by a school as defined by the Education Acts.

The Charity carries out this object by:

Providing funding directly to the Academy to support the operational finances of the School. As a small school with few economies of scale this funding:

1. Sustains the School as a viable 3-form entry organisation.
2. Enables the School to operate an extended Key Stage 4 provision in which students start GCSEs in Year 9 and are able to receive a broader education in a greater range of subjects than would ordinarily be possible.
3. Enables the continued provision of a broad curriculum at Key Stage 5.
4. Allows students to perform music at events in and beyond the School for public benefit.

Commissioning and or contributing to large scale projects some of which sit beyond the scope of public funding, all of which are beneficial to the School and its students, as follows:

1. Heritage Lottery Funding, augmented by additional funds from the Charity, was secured in 2015 to enable the refurbishment of the historic Shakespeare's Schoolroom and Guildhall. This enabled it to open to the paying public in 2016 as an attraction providing support to sustain the future of the School's historic buildings. The wider public benefit of access to, and learning about, the early life and education of William Shakespeare in the year of the 400th anniversary of his death cannot be underestimated.

**OBJECTIVES AND ACTIVITIES**

2. The Dyson Science Building was entirely funded by a 20-year loan negotiated and resourced by the Trustee body in 2008 and provides exemplar science facilities for the 21st century.

3. In light of the School being unsuccessful in bidding for Academies Capital Maintenance Funds for sixth form expansion, the Charity negotiated and is funding the lease of space in an adjacent District Council building in order to accommodate sixth form teaching and study for which the existing school site has no capacity. This extra space is fundamentally important in advance of a new bid for Condition Improvement Funding.

4. In recent years the Charity has also underwritten other projects to deliver a new Drama Studio, create a new Food Technology space and to purchase a temporary library all of which have enhanced the School significantly.

Supporting other smaller scale projects or reactive repairs required by the School with wider public benefit.

**ACHIEVEMENT AND PERFORMANCE**

**Charitable activities**

The Schoolroom and Guildhall were opened to the public in April 2016. This was funded by HLF Grant funding of £1,787,402, together with other grants obtained by the Charity and the Charity's own funds. Feedback on the quality of the restoration and the visitor experience as a whole has been very positive. It is now one of the leading tourist attractions in Stratford-upon-Avon. The project was completed in 2017.

2021/2022 saw the charity and its trading subsidiaries facing continued challenges from the Covid-19 pandemic. The charity continued to support the school in every way throughout this difficult time. The trading subsidiary received grants in all three rounds of the Cultural Recovery Fund, enabling safeguarding of jobs, maintenance of the Guildhall and new research including the discovery of a Last Supper painting by Dr Jonathan Foyle which is of national significance. The Schoolroom re-opened just for the summer months of 2021 and made plans to re-open fully from April 2022.

**Fundraising activities**

During the course of the year the Trustees were delighted and very grateful to receive a generous grant from the following donor :-

\* William Tyler Charity

From time to time the Charity receives donations from former pupils of the school but is not actively fundraising to solicit donations.

**FINANCIAL REVIEW**

**Financial position**

Following refurbishment of 17a Church Street the property has been let to teaching staff at the School via the offices of the Headmaster.

As the properties are now considered essential for the administration of the School the Trustees have considered the value of the properties and deemed them to be held at fair value as per the Charity SORP. The previously used informal valuation of £930,000 (2021 - £845,000) has therefore been retained in these accounts.

Cash reserves of £905,350 (2021 - £940,136) have been deposited with stockbrokers for investment pending their use on capital projects. Income received from these funds is as follows: UK investments £28,194 (2021 - £25,438), interest on cash held £nil (2021 - £6).

A summary of the investments can be found on note 19 to the Accounts.

**FINANCIAL REVIEW**

The Trustees were pleased to report a surplus for the charity for the year of £197,863 (2021 – deficit of £330,992) and a consolidated surplus of £247,429 (2021 deficit of £22,850).

Income receivable from the Guild Estate for 2022 was £601,565 (2021 - £275,735).

The trade and assets of KES Trustees Ltd were transferred to a newly formed CIO, Shakespeare's Schoolroom Trust on 31 March 2022. This included fixed assets (£2,153), stock (£13,511) and grant income (£68,954).

**Investment policy and objectives**

Funds have been placed with an investment manager under a discretionary agreement with an investment strategy for capital growth and moderate risk.

**Reserves policy**

The Trustees objective is to maintain cash and readily realisable investments of £1m in order to finance the Dyson building loan repayments. Free reserves are measured as general reserves after excluding fixed assets relating to the building and related loans. At the year end there were free reserves of £1,114,818 (2021 - £961,608).

It is appreciated by the Trustees that this figure may significantly reduce whilst the projects are proceeding. The Trustees receive quarterly accounting reports to enable them to monitor this.

The stocks and shares held are considered to be short term investments being held while finance is obtained for capital projects.

The Trustees aim to ensure that sufficient funds are retained from income arising to meet the annual administration expenses of the Trust including the financing of the loan repayments, thereafter ensuring all income is utilised in furtherance of the Trust objective.

The Charity's total consolidated reserves were £10,137,837 as at 31 March 2022 (2021 - £9,890,408). Of these reserves £1,302,523 are restricted to support the restoration of Guildhall and Shakespeare's Schoolroom (2021 - £1,343,153). In addition, £4,759,270 of the total reserves are held in an Endowment fund relating to land and property held in Stratford-Upon-Avon (2021 - £4,674,270).

**FUTURE PLANS**

The Charity continues to work closely with the school to improve the School Estate and facilities and is exploring the possibility of selling land in order to fund improved sports facilities.

New Science Block

With monthly donations of only £5 now being received no further large repayments are expected to be made other than from the Trustees own resources.

Further Development of the School's Facilities

At the 31 March 2022, the Trustees consider that their financial resources are sufficient to enable them to meet the commitments they have made to develop the facilities of the school.

In July 2014, the Trustees entered into a 7 year lease with Stratford on Avon District Council to rent offices from the council to provide additional teaching accommodation for the pupils of the School. The lease was terminated in July 2019.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Governing document**

The charity is controlled by its governing document, a deed of trust, and constitutes an unincorporated charity.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Charity constitution**

The Charity was constituted on the 20th November 1998 in accordance with the Charity Commissioners' Scheme. The Charity is to be administered in accordance with the scheme, which replaces the former trusts of the Charity.

**Recruitment and appointment of new trustees**

Appointment and removal of Trustees is governed by the Scheme of the Charity dated 20th November 1998.

**Organisational structure**

The Trustees' body administers the charity. The Trustees usually meet quarterly. The principal matters of the Charity continue to be outsourced to outside providers. The providers report directly to the Chairman and appropriate Trustees.

**Decision making**

With one trustee also serving as a Governor of the School there is a close working relationship with the Governors ensuring that their ideas and requirements are taken into account, subject to any financial restraints, when considering how the funds available should be spent for the benefit of the School and its pupils.

**Induction and training of new trustees**

Trustees are encouraged to consider the relevant Charity Commission publications where these will facilitate the undertaking of their role.

**Related parties**

The charity has two wholly owned subsidiaries. KES Trustees Ltd which was established to operate Shakespeare's Schoolroom as a tourist attraction and KES (Shakespeare's School) International Limited which was formed to promote 'Shakespeare's School' internationally. Profits from these subsidiaries will be donated to the charity.

None of the Trustees receive remuneration or other benefit from their work with the Charity. Any connection between a trustee or senior manager of the charity with a supplier or visitors of the Charity must be disclosed to the full board of trustees in the same way as any other contractual relationship with a related party. In the current year no such related party transactions were reported.

**Risk management**

The Trustees have assessed the major risks to which the Charity is exposed, in particular those related to the operations and finances of the Charity and are satisfied that systems are in place to mitigate their exposure to the major risks.

**STATEMENT OF TRUSTEES RESPONSIBILITIES**

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of trustees on 31 January 2023 and signed on its behalf by:

**Report of the Independent Auditors to the Trustees of  
The Trustees of The Grammar School  
of King Edward VI at  
Stratford Upon Avon**

---

**Opinion**

We have audited the financial statements of The Trustees of The Grammar School of King Edward VI at Stratford Upon Avon (the 'parent charity') and its subsidiaries (the 'group') for the year ended 31 March 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In our opinion the financial statements:

- give a true and fair view of the state of the group's and parent charity's affairs as at 31 March 2022, and of the group's incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group and parent charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the group's or parent charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue

**Other information**

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements ; or
- sufficient accounting records have not been kept; or
- the parent charity's financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

**Report of the Independent Auditors to the Trustees of  
THE TRUSTEES OF THE GRAMMAR SCHOOL  
OF KING EDWARD VI AT  
STRATFORD UPON AVON**

---

**Responsibilities of trustees**

As explained more fully in the Statement of Trustees Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the group's and parent charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the group or the parent charity or to cease operations, or have no realistic alternative but to do so.

**Our responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- o Identifying and assessing the controls management has in place to prevent and detect fraud;
- o Understanding how those charged with governance considered and addressed the potential for override of controls or other inappropriate influence over the financial reporting process;
- o Challenging assumptions and judgments made by management in its significant accounting estimates and judgments,
- o Identifying and testing journal entries, in particular journal entries posted with unusual account combinations; and
- o Assessing the extent of compliance with the relevant laws and regulations.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Report of the Independent Auditors.

**Use of our report**

This report is made solely to the charity's trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and regulations made under Section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

**Notes to the Financial Statements  
FOR THE YEAR ENDED 31 MARCH 2022**

---

**1. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention with the exception of investments which are included at market value.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2015 which has since been withdrawn.

The financial statements are prepared in sterling which is the functional currency of the charity and are rounded to the nearest £.

**Going Concern**

The Trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

**Income**

**Recognition of Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

**Offsetting**

There has been no offsetting of assets and expenses, unless required or permitted by the FRS 102 SORP.

**Grants and donations**

Grants and donations are only included in the SOFA when the general income recognition criteria are met (5.10 - 5.12 FRS 102 SORP).

**1. ACCOUNTING POLICIES - continued**

**Turnover**

Ticket and retail sales are recognised on a cash received basis.

**Income from interest and dividends**

This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.

**Investment gains and losses**

This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

**Expenditure**

**Liability Recognition**

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

**Governance and support costs**

Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources.

**Grants payable without performance conditions**

Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation is recognised.

**Deferred income**

The Charity recognises grant income at fair value when the Charity has entitlement after any performance conditions have been met, it is probable that the income will be received and the amount can be measured reliably. If entitlement is not met, then these amounts are deferred.

KES Trustees Ltd, a subsidiary of the charity, recognises income for future group bookings on the date of the visit.

**Creditors**

The Charity has creditors which are measured at settlement amounts less any trade discounts.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

**Pension costs and other post-recruitment benefits**

KES Trustees Ltd, a subsidiary of the charity, operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

**1. ACCOUNTING POLICIES - continued**

**Tangible fixed assets charity**

Freehold land is not depreciated.

Fixtures & Fittings are depreciated on a straight line basis over a 10 year period.

Office Equipment is depreciated on a straight line basis over a 3 year period.

School Buildings

Due to the historic origins of many of the buildings they have to be maintained in good working order. Because of this they are considered to have indefinite useful lives and as such they have not been depreciated, but annual impairment reviews are undertaken to ensure their service potential remains undiminished.

To provide for the eventual replacement of other school buildings the Trustees have decided to introduce a policy of writing off the construction costs of the buildings over the period of their expected useful lives. The charge in the Statement of Financial Activities is calculated on a straight line basis as follows;

To be written off over 60 years following the end of the financial year in which construction was completed

	Completed in the year ended 31st March
Fitzmaurice Building	1987
New Arts Block	1995
Levi Fox Hall	1998
Denis Dyson Science Building	2008

Investments

Residential properties 17A, 17B and 18 Church Street, Stratford-upon-Avon.

The above properties are now being used to provide accommodation for teaching staff in addition to the on-site school caretaker.

The original acquisition dates and costs of the properties are not known.

Due to the residential nature and location of the properties it is considered the properties have indefinite useful lives and as such they have not been depreciated from the last valuation figure obtained for them. The valuation figure of £930,000 is considered not to exceed the market value of the properties.

Annual impairment reviews are undertaken to ensure the properties remain fit for purpose.

**Tangible fixed assets subsidiaries**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Website development	-	33% on cost
Plant and machinery	-	25% on cost
Fixtures and fittings	-	25% on cost
Computer equipment	-	33% on cost

**Intangible fixed assets charity**

It is the policy of the Charity to capitalise expenditure on establishing a market position for providing a service which is open to the general public.

These are valued at cost and will be written off over three years.

**1. ACCOUNTING POLICIES - continued**

**Intangible fixed assets subsidiaries**

Intangible assets are initially measured at cost. After initial recognition, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

Patents and licences are being amortised evenly over their estimated useful life of ten years.

**Investments**

Fixed asset investment in the subsidiaries are valued at cost.

**Stocks**

Stocks are stated at the lower of cost and net realisable value. Cost comprises direct materials and where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition.

Net realisable value is the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

**Financial instruments**

A financial asset or a financial liability is recognised only when the charity becomes party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of future payments discounted at a market rate of interest for a similar debt instrument.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

**Cash at bank and in hand**

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**Debtors**

Debtors are measured on initial recognition and measured at the cash or other consideration expected to be received.

**Current asset investments**

The Charity has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date of less than one year. These include cash on deposit and cash equivalents with a maturity date of less than one year held for investment purposes rather than to meet short term cash commitments as they fall due. They are valued at fair value as provided by the stockbroker.

STRATFORD UPON AVON**

**Notes to the Financial Statements - continued  
FOR THE YEAR ENDED 31 MARCH 2022**

**1. ACCOUNTING POLICIES - continued**

**Taxation**

The charity is exempt from tax on its charitable activities.

**Fund accounting**

Unrestricted funds are those funds which the Trustees are free to use for any purpose in furtherance of the charitable objects.

Restricted funds are funds that are to be used in accordance with specific restrictions imposed by donors.

Under the scheme set up in November 1998 the land belonging to the Charity and specified as to "School Site and Buildings in Church Street Stratford-upon-Avon" must be retained by the Trustees for the use as a school within the meaning of the Education Acts. This is held in the permanent endowment fund. Income arising thereon is released for general purposes within the Trust.

**Incoming resources**

The contribution from the Trustees of the Guild Estate is a percentage of the annual income of that Charity. During the year the Trustees receive an account of their entitlement, with a balancing payment being made once the annual Accounts of the Guild Estate have been prepared. The financial statements are prepared on the basis of funds actually received from the Guild Estate with provision for any outstanding amounts due from the Charity at its year end.

No provision is made for any additional income over and above the payments on account due for the period from 1st January to 31st March 2022.

Contributions from the Trustees of the William Tyler Charity are for that Charity's year ending on 31st December prior to the preparation of these financial statements. As the figures for this contribution are not currently available, the value has been estimated in line with previous years.

Voluntary income and donations are accounted for as received by the Charity.

Income from investments and from rental income is included in the Statement of Financial Activities (SOFA) in the year in which it is receivable.
