Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The income of the charity shall be applied to promote education, including social and physical training, for persons under the age of 25 who are residents of the town of Thorne or its surrounding area and who are in need of financial assistance. This is done by providing grants to the local primary schools and Sea Cadets.

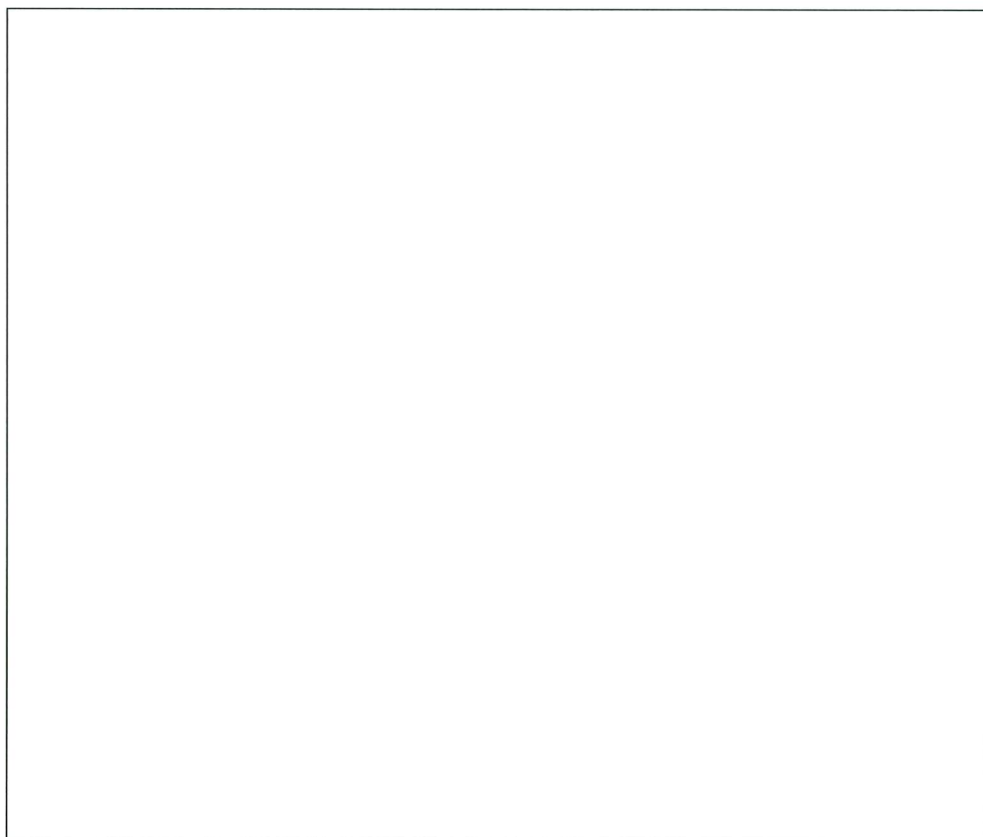

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

We were unable to provide grants to local primary schools this year due to costs associated with selling land. Once the sale is complete, we anticipate being able to offer increased funding compared to previous years to support our local schools and sea cadets.

Section E Financial review

Brief statement of the charity's policy on reserves

The charity does not have significant ongoing expenses, which allows us to allocate funds to providing grants for local schools each year. We aim to maintain a reserve to ensure financial stability, while prioritising the distribution of funds to support educational initiatives in our community.

Details of any funds materially in deficit

The charity has no funds that are materially in deficit.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.
