Objects, Organisation and Activities

The Foundation's activities are restricted to the town of Pickering and the parishes of Sinnington and Thornton le Dale in North Yorkshire. All of its property and investments, except Designated Funds, are permanent endowment. Apart from a sum of £410, the income from which is used for the Daniel Warin Memorial Prize, all the Foundation's funds are unrestricted.

The Foundation was established to provide financial assistance to Lady Lumley's School, Pickering and to beneficiaries residing in the area of its activities. Out of the annual income certain payments, termed Statutory Payments in the Accounts, are made to almshouses foundations in Thornton Dale, Aldgate and Bishopgate (London) and to NACRO as successor to York Debtors' Prison. The amount of these payments is fixed by the Charitable Scheme. A further payment is made to Sinnington School Charity. This amount is fixed by the Governors and is currently £500 per annum.

The Charitable Scheme provides that the net income of the Foundation be applied in any one or more of the following ways:-

- (i) in providing special benefits of any kind not normally provided by the LEA for Lady Lumley's School;
- (ii) in awarding to beneficiaries Scholarships, Bursaries or Maintenance Allowances tenable at any School, University or other place of learning;
- (iii) in providing financial assistance, outfits, clothing, tools, instruments or books to enable beneficiaries on leaving school, university or other educational establishment to prepare for, or to assist their entry into, a profession, trade or calling;
- (iv) in awarding Scholarships or Maintenance Allowances to enable beneficiaries to travel abroad to pursue their education;
- (v) in providing, or assisting the provision of, facilities, of any kind not normally provided by the LEA, for recreation and social and physical training, including coaching in athletics, sports and games, for beneficiaries who are receiving primary, secondary or further education; and
- (vi) in providing financial assistance to enable beneficiaries to study music or other arts.

"Beneficiaries" are defined as persons who have not attained the age of twenty-five years who, or whose parents, are resident in the Urban District of Pickering or in either of the Parishes of Thornton le Dale and Sinnington, or who are attending or have attended as pupils at Lady Lumley's School, and who, in the opinion of the Governors, are in need of financial assistance.

The Foundation is run by the Governors who meet at least three times a year assisted by the part-time Clerk. At their meetings the Governors make decisions on the management of the Foundation's property and investments and resolve on applications for grant aid.

By a separate charitable scheme, known as “The Sinnington School Charity” the Governors of the Foundation are also the Trustees of this charity and when appropriate resolve on business relating to it.

Review of Progress, Achievements and Financial Activities

Governors learnt during the past year that The Coast and Vale Learning Trust that the school had recently joined, was in negotiations with Delta Trust, a large multi-academy trust based in Knottingly, West Yorkshire. The Trust operates 57 academy schools in West, East and South Yorkshire, Lincolnshire and Nottinghamshire. A formal transfer of undertakings has started and is expected to be concluded by the start of September this year. The School has been well supported through Delta enabling it to value the School’s traditions but take advantage of the support and resources of a systems led trust.

There is still no news about when or even if the School’s bid to the DfE School’s Re-building Programme will be finalised.

During the year Governors awarded 42 grants to individual beneficiaries totalling £11,483.50, compared with 32 grants awarded last year to a total of £9,733.

The grants applied for covered many different areas: books and equipment for higher and further education courses; travel grants to further beneficiaries’ education; tools for those students entering apprenticeships; assistance with the cost of Duke of Edinburgh expeditions and residential courses; and educational trips organised through the school.

The Foundation provides three minibuses for the use of the school and assists with the running costs – road fund licence; insurance; MOT tests; etc.

In anticipation of the Clerk’s retirement at the end of July 2025, the post of Assistant Clerk was advertised and Ms. Megan Curtis was appointed from the 1st July 2024 to work alongside the Clerk with a view to taking over upon his retirement.

Public Benefit

The objects of the Foundation are the promotion of education and assisting young people into work. The area of benefit is defined in the Charitable Scheme which governs the Foundation. The Trustees have referred to the Charity Commission guidance on public benefit when reviewing the aims and objectives of the charity and when awarding grants to beneficiaries.

Risk Management

The Governors actively review the major risks that may affect the Foundation on a regular basis and believe that maintaining reserves at current levels, combined with an annual review of financial controls, will provide sufficient resources in the event of adverse conditions.

The Governors have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

Reserves Policy

It is the policy of the Foundation to maintain unrestricted funds at a level which equates to approximately 12 months unrestricted expenditure. This provides sufficient funds to cover management and administration and grant costs. Unrestricted funds are maintained at least to this level throughout the year.

Data Protection

Governors considered the implications of the new data protection regulations (GDPR) and ensured that the Foundation was compliant with these.

Statement of Governors' Responsibilities

The law applicable to charities in England and Wales requires the Governors to prepare financial statements for each financial year which give a true and fair view of the Foundation's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements, the Governors are required to:

- a) select suitable accounting policies and apply them consistently;
- b) observe the methods and principles in the Charities SORP
- c) make judgements and estimates that are reasonable and prudent;
- d) state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- e) prepare the financial statements on a going concern basis unless it is inappropriate to presume that the Foundation will continue in operation.

The Governors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the Foundation and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the Foundation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The Governors have complied with the duty in section 4 of the 2011 Charities Act to have due regard to guidance published by the Charity Commission, including public benefit guidance.

Approval

This report was approved by the Governors on the 5 November 2025 and signed on their behalf.

Objects, Organisation and Activities

The Foundation's activities are restricted to the town of Pickering and the parishes of Sinnington and Thornton le Dale in North Yorkshire. All of its property and investments, except Designated Funds, are permanent endowment. Apart from a sum of £410, the income from which is used for the Daniel Warin Memorial Prize, all the Foundation's funds are unrestricted.

The Foundation was established to provide financial assistance to Lady Lumley's School, Pickering and to beneficiaries residing in the area of its activities. Out of the annual income certain payments, termed Statutory Payments in the Accounts, are made to almshouses foundations in Thornton Dale, Aldgate and Bishopgate (London) and to NACRO as successor to York Debtors' Prison. The amount of these payments is fixed by the Charitable Scheme. A further payment is made to Sinnington School Charity. This amount is fixed by the Governors and is currently £500 per annum.

The Charitable Scheme provides that the net income of the Foundation be applied in any one or more of the following ways:-

- (i) in providing special benefits of any kind not normally provided by the LEA for Lady Lumley's School;
- (ii) in awarding to beneficiaries Scholarships, Bursaries or Maintenance Allowances tenable at any School, University or other place of learning;
- (iii) in providing financial assistance, outfits, clothing, tools, instruments or books to enable beneficiaries on leaving school, university or other educational establishment to prepare for, or to assist their entry into, a profession, trade or calling;
- (iv) in awarding Scholarships or Maintenance Allowances to enable beneficiaries to travel abroad to pursue their education;
- (v) in providing, or assisting the provision of, facilities, of any kind not normally provided by the LEA, for recreation and social and physical training, including coaching in athletics, sports and games, for beneficiaries who are receiving primary, secondary or further education; and
- (vi) in providing financial assistance to enable beneficiaries to study music or other arts.

"Beneficiaries" are defined as persons who have not attained the age of twenty-five years who, or whose parents, are resident in the Urban District of Pickering or in either of the Parishes of Thornton le Dale and Sinnington, or who are attending or have attended as pupils at Lady Lumley's School, and who, in the opinion of the Governors, are in need of financial assistance.

The Foundation is run by the Governors who meet at least three times a year assisted by the part-time Clerk. At their meetings the Governors make decisions on the management of the Foundation's property and investments and resolve on applications for grant aid.

By a separate charitable scheme, known as "The Sinnington School Charity" the Governors of the Foundation are also the Trustees of this charity and when appropriate resolve on business relating to it.

Review of Progress, Achievements and Financial Activities

Governors learnt that following the discovery of RAAC in many schools in the UK, it is unlikely that the School's bid for funding from the Department of Education School Re-building Programme will be finalised in the near future. Governors were disappointed but look forward to hearing a favourable outcome in due course.

During the year Governors awarded 32 grants to individual beneficiaries totalling £9,733, compared with 50 grants awarded last year to a total of £11,473. Following the retirement of the School's Finance Officer and the introduction of a different system for dealing with grants delegated to the School, this year's figure is lower than last year as it does not include a number of grants awarded but not paid in the financial period covered by this report.

The grants applied for covered many different areas: books and equipment for higher and further education courses; travel grants to further beneficiaries' education; tools for those students entering apprenticeships; assistance with the cost of Duke of Edinburgh expeditions and residential courses; and educational trips organised through the school.

The Foundation provides three minibuses for the use of the school and assists with the running costs – road fund licence; insurance; MOT tests; etc.

The Clerk to the Governors announced his intention to retire in July 2025 when he will have completed forty years in the role. Steps to recruit a replacement were commenced with a view to them being in place in July 2024 to work alongside the Clerk before taking over in 2025.

Public Benefit

The objects of the Foundation are the promotion of education and assisting young people into work. The area of benefit is defined in the Charitable Scheme which governs the Foundation. The Trustees have referred to the Charity Commission guidance on public benefit when reviewing the aims and objectives of the charity and when awarding grants to beneficiaries.

Risk Management

The Governors actively review the major risks that may affect the Foundation on a regular basis and believe that maintaining reserves at current levels, combined with an annual review of financial controls, will provide sufficient resources in the event of adverse conditions.

The Governors have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

Reserves Policy

It is the policy of the Foundation to maintain unrestricted funds at a level which equates to approximately 12 months unrestricted expenditure. This provides sufficient funds to cover management and administration and grant costs. Unrestricted funds are maintained at least to this level throughout the year.

Data Protection

Governors considered the implications of the new data protection regulations (GDPR) and ensured that the Foundation was compliant with these.

Statement of Governors' Responsibilities

The law applicable to charities in England and Wales requires the Governors to prepare financial statements for each financial year which give a true and fair view of the Foundation's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements, the Governors are required to:

- a) select suitable accounting policies and apply them consistently;
- b) observe the methods and principles in the Charities SORP
- c) make judgements and estimates that are reasonable and prudent;
- d) state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- e) prepare the financial statements on a going concern basis unless it is inappropriate to presume that the Foundation will continue in operation.

The Governors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the Foundation and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the Foundation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The Governors have complied with the duty in section 4 of the 2011 Charities Act to have due regard to guidance published by the Charity Commission, including public benefit guidance.

Objects, Organisation and Activities

The Foundation's activities are restricted to the town of Pickering and the parishes of Sinnington and Thornton le Dale in North Yorkshire. All of its property and investments, except Designated Funds, are permanent endowment. Apart from a sum of £410, the income from which is used for the Daniel Warin Memorial Prize, all the Foundation's funds are unrestricted.

The Foundation was established to provide financial assistance to Lady Lumley's School, Pickering and to beneficiaries residing in the area of its activities. Out of the annual income certain payments, termed Statutory Payments in the Accounts, are made to almshouses foundations in Thornton Dale, Aldgate and Bishopgate (London) and to NACRO as successor to York Debtors' Prison. The amount of these payments is fixed by the Charitable Scheme. A further payment is made to Sinnington School Charity. This amount is fixed by the Governors and is currently £500 per annum.

The Charitable Scheme provides that the net income of the Foundation be applied in any one or more of the following ways:-

- (i) in providing special benefits of any kind not normally provided by the LEA for Lady Lumley's School;
- (ii) in awarding to beneficiaries Scholarships, Bursaries or Maintenance Allowances tenable at any School, University or other place of learning;
- (iii) in providing financial assistance, outfits, clothing, tools, instruments or books to enable beneficiaries on leaving school, university or other educational establishment to prepare for, or to assist their entry into, a profession, trade or calling;

- (v) in providing, or assisting the provision of, facilities, of any kind not normally provided by the LEA, for recreation and social and physical training, including coaching in athletics, sports and games, for beneficiaries who are receiving primary, secondary or further education; and
- (vi) in providing financial assistance to enable beneficiaries to study music or other arts.

"Beneficiaries" are defined as persons who have not attained the age of twenty-five years who, or whose parents, are resident in the Urban District of Pickering or in either of the Parishes of Thornton le Dale and Sinnington, or who are attending or have attended as pupils at Lady Lumley's School, and who, in the opinion of the Governors, are in need of financial assistance.

The Foundation is run by the Governors who meet at least three times a year assisted by the part-time Clerk. At their meetings the Governors make decisions on the management of the Foundation's property and investments and resolve on applications for grant aid.

By a separate charitable scheme, known as "The Sinnington School Charity" the Governors of the Foundation are also the Trustees of this charity and when appropriate resolve on business relating to it.

Review of Progress, Achievements and Financial Activities

The new Charitable Scheme still awaits the approval of both the Charity Commission and the Governors. It is hoped it will be finalised in the next year.

Governors learnt that the School had been successful in its bid for funding from the Department for Education School Re-Building Programme. Details of the extent of the works to be funded and when the money will be available are awaited. Governors are looking forward to being able to assist the School in this exciting project.

During the year Governors awarded 50 grants to individual beneficiaries totalling £11,473, compared with 29 grants awarded last year to a total of £7,484. Governors noted a large increase in applications for assistance with educational trips organised through the school presumably through parents/ carers finding it difficult to fund these in the current economic situation. The grants applied for covered many different areas: books and equipment for higher and further education courses; travel grants to further beneficiaries' education; tools for those students entering apprenticeships; assistance with the cost of Duke of Edinburgh expeditions and residential courses; and educational trips organised through the school.

The School had carried out some much-needed alterations which had waited a long time to be done. A grant of £54,864 had been made to the school for these.

The Foundation provides three minibuses for the use of the school and assists with the running costs – road fund licence; insurance; MOT tests; etc.

Public Benefit

The objects of the Foundation are the promotion of education and assisting young people into work. The area of benefit is defined in the Charitable Scheme which governs the Foundation. The Trustees have referred to the Charity Commission guidance on public benefit when reviewing the aims and objectives of the charity and when awarding grants to beneficiaries.

Risk Management

The Governors actively review the major risks that may affect the Foundation on a regular basis and believe that maintaining reserves at current levels, combined with an annual review of financial controls, will provide sufficient resources in the event of adverse conditions.

The Governors have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

Reserves Policy

It is the policy of the Foundation to maintain unrestricted funds at a level which equates to approximately 12 months unrestricted expenditure. This provides sufficient funds to cover management and administration and grant costs. Unrestricted funds are maintained at least to this level throughout the year.

Data Protection

Governors considered the implications of the new data protection regulations (GDPR) and ensured that the Foundation was compliant with these.

Statement of Governors' Responsibilities

The law applicable to charities in England and Wales requires the Governors to prepare financial statements for each financial year which give a true and fair view of the Foundation's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements, the Governors are required to:

- a) select suitable accounting policies and apply them consistently;
- b) observe the methods and principles in the Charities SORP
- c) make judgements and estimates that are reasonable and prudent;
- d) state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- e) prepare the financial statements on a going concern basis unless it is inappropriate to presume that the Foundation will continue in operation.

The Governors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the Foundation and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the Foundation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The Governors have complied with the duty in section 4 of the 2011 Charities Act to have due regard to guidance published by the Charity Commission, including public benefit guidance.

In common with many other charities of our size and nature, the Charity uses its auditors to assist with the preparation of the financial statements.

LADY LUMLEY'S EDUCATIONAL FOUNDATION
INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF
LADY LUMLEY'S EDUCATIONAL FOUNDATION

Opinion

We have audited the financial statements of Lady Lumley's Educational Foundation for the year ended 31st March 2023 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102; The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31st March 2023 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charities' ability to continue as a going concern for a period of at least 12 months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF
LADY LUMLEY'S EDUCATIONAL FOUNDATION

(CONTINUED)

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the Trustees' Annual Report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustees' Responsibilities Statement, the trustees are responsible for the preparation of financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material

LADY LUMLEY'S EDUCATIONAL FOUNDATION

LADY LUMLEY'S EDUCATIONAL FOUNDATION

misstatements in respect or irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the trustees' annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materiality inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies, we consider the implications for our report.

Use of our report

This report is made solely to the Charity's trustees, as a body, in accordance with sections 144 of the Charities Act 2011 and the regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the Charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

All income is recognised once the charity has entitlement to the income.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Objects, Organisation and Activities

The Foundation's activities are restricted to the town of Pickering and the parishes of Sinnington and Thornton le Dale in North Yorkshire. All of its property and investments, except Designated Funds, are permanent endowment. Apart from a sum of £410, the income from which is used for the Daniel Warin Memorial Prize, all the Foundation's funds are unrestricted.

The Foundation was established to provide financial assistance to Lady Lumley's School, Pickering and to beneficiaries residing in the area of its activities. Out of the annual income certain payments, termed Statutory Payments in the Accounts, are made to almshouses foundations in Thornton Dale, Aldgate and Bishopgate (London) and to NACRO as successor to York Debtors' Prison. The amount of these payments is fixed by the Charitable Scheme. A further payment is made to Sinnington School Charity. This amount is fixed by the Governors and is currently £500 per annum.

The Charitable Scheme provides that the net income of the Foundation be applied in any one or more of the following ways:-

- (i) in providing special benefits of any kind not normally provided by the LEA for Lady Lumley's School;
- (ii) in awarding to beneficiaries Scholarships, Bursaries or Maintenance Allowances tenable at any School, University or other place of learning;
- (iii) in providing financial assistance, outfits, clothing, tools, instruments or books to enable beneficiaries on leaving school, university or other educational establishment to prepare for, or to assist their entry into, a profession, trade or calling;
- (iv) in awarding Scholarships or Maintenance Allowances to enable beneficiaries to travel abroad to pursue their education;
- (v) in providing, or assisting the provision of, facilities, of any kind not normally provided by the LEA, for recreation and social and physical training, including coaching in athletics, sports and games, for beneficiaries who are receiving primary, secondary or further education; and
- (vi) in providing financial assistance to enable beneficiaries to study music or other arts.

"Beneficiaries" are defined as persons who have not attained the age of twenty-five years who, or whose parents, are resident in the Urban District of Pickering or in either of the Parishes of Thornton le Dale and Sinnington, or who are attending or have attended as pupils at Lady Lumley's School, and who, in the opinion of the Governors, are in need of financial assistance.

The Foundation is run by the Governors who meet at least three times a year assisted by the part-time Clerk. At their meetings the Governors make decisions on the management of the Foundation's property and investments and resolve on applications for grant aid.

By a separate charitable scheme, known as "The Sinnington School Charity" the Governors of the Foundation are also the Trustees of this charity and when appropriate resolve on business relating to it.

Review of Progress, Achievements and Financial Activities

After virtual meetings in July and November Governors were pleased to resume face-to-face meetings in March

Lady Lumley's School, the major beneficiary of the Foundation, formally became an academy in April 2021 becoming part of the Scalby Learning Trust which was subsequently renamed Coast and Vale Learning Trust. The Local Governing Body, which replaces the former School Governing Body, was set up and two of the three nominated governors were appointed to the Foundation Board of Governors. Unfortunately, one had to resign on health grounds after only one meeting.

Guidance was sought from the Charity Commission on amending the Charitable Scheme but this turned out only to be possible by making a new scheme and at the end of the year of this report this was still pending.

A new Charitable Scheme for the Sinnington School Charity will also have to be drafted following that Schools joining a learning trust.

Following clarification of the funding mechanism for Lady Lumley's School through the learning trust, Governors decided to re-start grants to the school in the form of the recurring educational benefits and departmental requests. Future major expenditure was also resolved upon.

A meeting was held with the learning trust's financial officer so that each party could understand the position of the other.

Governors look forward to working with the learning trust to provide benefits for all students.

During the year Governors awarded 29 grants to individual beneficiaries totalling £7,484, compared with 19 grants awarded last year to a total of £6,965. Grants applied for covered many different areas: books and equipment for higher and further education courses; travel grants to further beneficiaries' education; tools for those students entering apprenticeships; assistance with the cost of Duke of Edinburgh expeditions and residential courses; and educational trips organised through the school.

The Foundation provides three minibuses for the use of the school and assists with the running costs – road fund licence; insurance; MOT tests; etc.

Public Benefit

The objects of the Foundation are the promotion of education and assisting young people into work. The area of benefit is defined in the Charitable Scheme which governs the Foundation. The Trustees have referred to the Charity Commission guidance on public benefit when reviewing the aims and objectives of the charity and when awarding grants to beneficiaries.

Risk Management

The Governors actively review the major risks that may affect the Foundation on a regular basis and believe that maintaining reserves at current levels, combined with an annual review of financial controls, will provide sufficient resources in the event of adverse conditions.

The Governors have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

Reserves Policy

It is the policy of the Foundation to maintain unrestricted funds at a level which equates to approximately 12 months unrestricted expenditure. This provides sufficient funds to cover management and administration and grant costs. Unrestricted funds are maintained at least to this level throughout the year.

Data Protection

Governors considered the implications of the new data protection regulations (GDPR) and ensured that the Foundation was compliant with these.

Statement of Governors' Responsibilities

The law applicable to charities in England and Wales requires the Governors to prepare financial statements for each financial year which give a true and fair view of the Foundation's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements, the Governors are required to:

- a) select suitable accounting policies and apply them consistently;
- b) observe the methods and principles in the Charities SORP
- c) make judgements and estimates that are reasonable and prudent;
- d) state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- e) prepare the financial statements on a going concern basis unless it is inappropriate to presume that the Foundation will continue in operation.

The Governors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the Foundation and enable them to ensure that the financial statements comply with the Charities Act 2011. LADY LUMLEY'S EDUCATIONAL FOUNDATION
INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF
LADY LUMLEY'S EDUCATIONAL FOUNDATION

We have audited the financial statements of Lady Lumley's Educational Foundation for the year ended 31st March 2022 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102; The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Charity's trustees, as a body, in accordance with sections 144 of the Charities Act 2011 and the regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the Charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Respective Responsibilities of Trustees and Auditors

As explained more fully in the Trustees' Responsibilities Statement, the trustees are responsible for the preparation of financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors, including APB Ethical Standard – Provisions Available for Small Entities.

Scope of the Audit of the Financial Statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the trustees' annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materiality inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies, we consider the implications for our report.

- have been prepared in accordance with the requirements of the Charities Act 2011.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

Objects, Organisation and Activities

The Foundation's activities are restricted to the town of Pickering and the parishes of Sinnington and Thornton le Dale in North Yorkshire. All of its property and investments, except Designated Funds, are permanent endowment. Apart from a sum of £410, the income from which is used for the Daniel Warin Memorial Prize, all the Foundation's funds are unrestricted.

The Foundation was established to provide financial assistance to Lady Lumley's School, Pickering and to beneficiaries residing in the area of its activities. Out of the annual income certain payments, termed Statutory Payments in the Accounts, are made to almshouses foundations in Thornton Dale, Aldgate and Bishopgate (London) and to NACRO as successor to York Debtors' Prison. The amount of these payments is fixed by the Charitable Scheme. A further payment is made to Sinnington School Charity. This amount is fixed by the Governors and is currently £500 per annum.

The Charitable Scheme provides that the net income of the Foundation be applied in any one or more of the following ways:-

- (i) in providing special benefits of any kind not normally provided by the Local Education Authority for Lady Lumley's School;
- (ii) in awarding to beneficiaries Scholarships, Bursaries or Maintenance Allowances tenable at any School, University or other place of learning;
- (iii) in providing financial assistance, outfits, clothing, tools, instruments or books to enable beneficiaries on leaving school, university or other educational establishment to prepare for, or to assist their entry into, a profession, trade or calling;
- (iv) in awarding Scholarships or Maintenance Allowances to enable beneficiaries to travel abroad to pursue their education;
- (v) in providing, or assisting the provision of, facilities, of any kind not normally provided by the Local Education Authority, for recreation and social and physical training, including coaching in athletics, sports and games, for beneficiaries who are receiving primary, secondary or further education; and
- (vi) in providing financial assistance to enable beneficiaries to study music or other arts.

"Beneficiaries" are defined as persons who have not attained the age of twenty-five years who, or whose parents, are resident in the Urban District of Pickering or in either of the Parishes of Thornton le Dale and Sinnington, or who are attending or have attended as pupils at Lady Lumley's School, and who, in the opinion of the Governors, are in need of financial assistance.

The Foundation is run by the Governors who meet at least three times a year assisted by the part-time Clerk. At their meetings the Governors make decisions on the management of the Foundation's property and investments and resolve on applications for grant aid.

By a separate charitable scheme, known as "The Sinnington School Charity" the Governors of the Foundation are also the Trustees of this charity and when appropriate resolve on business relating to it.

Review of Progress, Achievements and Financial Activities

This was an eventful year for the Foundation. As well as having to cope with the restrictions imposed by the Coronavirus Pandemic, Lady Lumley's School, the main beneficiary of the charity's grant giving, was found to be inadequate by OFSTED following an inspection and an appeal. The School was required to become an academy with the immediate removal of the School's Governing Body and consequently, the loss of three Governors nominated by that body. Until more was known about the future of the school, the Governors decided that there would be a moratorium on grants to the School but grants to individual beneficiaries would continue. The funds allocated in this financial year to the recurring grants to the School were held in abeyance to be paid once the outcome of the academisation was known

The Government restrictions meant that the July meeting also had to be cancelled and consideration of applications for grants from individuals was delegated to the Chair of Governors.

A virtual Annual Meeting of Governors was held in November when, along with normal business, the appointment of a Governor following a retirement was dealt with and also the appointment of a broker/ investment advisor to the Foundation. The Governors were also updated on the academisation of the School by the Acting Head Teacher.

At a subsequent meeting, Brewin Dolphin plc were appointed new broker/ investment advisor.

Owing to the renewed regulations imposed by Government, the March meeting was cancelled.

Grant applications during the year were greatly reduced but Governors awarded 19 grants to individuals totalling £6,695. Because of the increase in on-line teaching in both school and higher education institutions, many of the applications this year were for equipment to allow this. Other grants were made to an increasing number of beneficiaries who were undertaking apprenticeships. As the School was closed for a lot of the year and school trips and work experience were cancelled, there were no applications for individuals through the School.

The only grant made to the School in this year was to assist students with the cost of attending interviews, auditions etc. in connection with further education.

Public Benefit

The objects of the Foundation are the promotion of education and assisting young people into work. The area of benefit is defined in the Charitable Scheme which governs the Foundation. The Trustees have referred to the Charity Commission guidance on public benefit when reviewing the aims and objectives of the charity and when awarding grants to beneficiaries.

Risk Management

The Governors actively review the major risks that may affect the Foundation on a regular basis and believe that maintaining reserves at current levels, combined

with an annual review of financial controls, will provide sufficient resources in the event of adverse conditions.

The Governors have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

Reserves Policy

It is the policy of the Foundation to maintain unrestricted funds at a level which equates to approximately 12 months unrestricted expenditure. This provides sufficient funds to cover management and administration and grant costs. Unrestricted funds are maintained at least to this level throughout the year.

Data Protection

Governors considered the implications of the new data protection regulations (GDPR) and ensured that the Foundation was compliant with these.

Statement of Governors' Responsibilities

The law applicable to charities in England and Wales requires the Governors to prepare financial statements for each financial year which give a true and fair view of the Foundation's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements, the Governors are required to:

- a) select suitable accounting policies and apply them consistently;
- b) observe the methods and principles in the Charities SORP
- c) make judgements and estimates that are reasonable and prudent;
- d) state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- e) prepare the financial statements on a going concern basis unless it is inappropriate to presume that the Foundation will continue in operation.

The Governors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the Foundation and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the Foundation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The Governors have complied with the duty in section 4 of the 2011 Charities Act to have due regard to guidance published by the Charity Commission, including public benefit guidance.

In common with many other charities of our size and nature, the Charity uses its auditors to assist with the preparation of the financial statements.

As explained more fully in the Trustees' Responsibilities Statement, the trustees are responsible for the preparation of financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors, including APB Ethical Standard – Provisions Available for Small Entities.

Scope of the Audit of the Financial Statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the trustees' annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materiality inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies, we consider the implications for our report.

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF
LADY LUMLEY'S EDUCATIONAL FOUNDATION
(CONTINUED)

Opinion on Financial Statements

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31st March 2021 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Trustees' Annual Report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31st MARCH 2021

1. ACCOUNTING POLICIES

1.1 Basis of Preparation and Assessment of Going Concern

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) with FRS102 and with the requirements of the Charities Act 2011.

The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern. There are no material uncertainties affecting the current year's accounts.

1.2 Income Recognition

All income is recognised once the charity has entitlement to the income.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

1.3 Expenditure Recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure.

All expenditure is accounted for on an accruals basis.

Grants payable are payments made to third parties in the furtherance of the charitable objects of the Trust. Provisions for grants are made when the intention to make a grant has been communicated to the recipient.

1.4 Fixed Asset Investments

Investments are included at closing market value using the bid price at the balance sheet date. Gains and losses on disposal and revaluation of investments are charged or credited to the SOFA.

1.5 Investment Property and Income

Investment property is shown at the most recent valuation. Any aggregate surplus or deficit arising from the changes in market value is transferred to the endowment fund.

Investment Income is accounted for in the period in which the charity is entitled to receipt.

1.6 Value Added Tax

Value Added Tax is not recoverable by the charity, and as such, is included in the relevant costs in the Statement of Financial Activities.
