REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31st MARCH 2025 continued

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

Dales-care is a private Company limited by guarantee, incorporated in England and Wales, and governed by its Memorandum and Articles of Association dated 13th October 1988. It is registered as a Charity with the Charity Commission. Members undertake to contribute £1.00 to the Company's assets should it be wound up.

Appointment of Trustees

The Trustees are appointed by the members in accordance with the terms of the Memorandum and Articles and Association. Trustees are formally appointed at the Annual General Meeting. Each Trustee automatically retires every third year and is available for reappointment if they so wish.

Trustee Qualification

Trustees are chosen from individuals with appropriate experience, ensuring a wide range of skills and experience are brought to the governing body.

Organisation

The Board of Trustees meet on a regular basis to administer the Charity. A Finance Sub-Committee meets on a regular basis to consider the Charity's financial issues including planning and review.

Risk Management

The Trustees have assessed the major risks to which the Charity is exposed and are satisfied that systems are in place to mitigate and control those risks.

OBJECTIVES AND ACTIVITIES

The objects of the Charity are to promote the relief of the elderly in a manner in which now or hereafter may be deemed to be charitable within the Northallerton Health Authority district or such successor body.

Achievements and Performances

The Centre continued to provide its services during the year and were encouraged by the numbers attending, including new clients, who were able to take advantage of the facilities.

The Trustees would like to thank the staff and volunteers for their continued commitment throughout this year.

How our Activities deliver Public Benefit

The Trustees have had regard to the Charity Commission guidance on public benefit. The Trustees believe that the provision of facilities, social interaction, care and services for not only the independent older people in the area, but also those who are less able, through infirmity or other difficulties is of benefit not only to the Charity's numerous clients but to the community as a whole.

DALES-CARE

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31st MARCH 2025 continued

FINANCIAL REVIEW

The Trustees are grateful to individuals, local organisations and others who have supported Dales-Care with fundraising activities. During the year, after expenses, £6,409 was raised. The “Friends of Dales-Care” provided help and, together with the other unpaid volunteers, the Trustees would sincerely like to express their gratitude for their continued support. The important role they play is essential to the function and the future wellbeing of the Dales-Care Centre.

The charity’s results show a net deficit in the year of £15,819 compared with a net deficit of £13,647 in the previous year. During the year the balance due on the completion of the new Flood Doors of £5,267 was paid. As a result of grants received in the previous year there was a balance of £1,733 in Restricted funds. The resulting balance of £3,534 has been funded from the Charity’s general fund. Despite the deficit the Trustees are confident the Charity can continue with the services provided.

The charity, is fully aware of the issues surrounding the continuing increase in running costs, and are looking at ways to increase income to cover the additional costs, by fund raising.

RESERVES POLICY

The Trustees readily acknowledge the need for ongoing financial support to enable it not only to achieve its objects but also to meet its commitments and become sustainable into the future and have the reserves to meet the requirements of the changing needs of the independent elderly person.

INVESTMENT POLICY

The Trustees have adopted a prudent attitude to investments and risks and believe that, by the utilisation of interest bearing investment accounts, they maximise the income available and protect the capital investment. Investment performance is reviewed regularly.

PLANS FOR FUTURE PERIOD

The Trustees, are continually looking at ways to ensure the Centre is used to its maximum, within the objects of the Charity.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

Dales-care is a private Company limited by guarantee, incorporated in England and Wales, and governed by its Memorandum and Articles of Association dated 13th October 1988. It is registered as a Charity with the Charity Commission. Members undertake to contribute £1.00 to the Company's assets should it be wound up.

Appointment of Trustees

The Trustees are appointed by the members in accordance with the terms of the Memorandum and Articles and Association. Trustees are formally appointed at the Annual General Meeting. Each Trustee automatically retires every third year and is available for reappointment if they so wish.

Trustee Qualification

Trustees are chosen from individuals with appropriate experience, ensuring a wide range of skills and experience are brought to the governing body.

Organisation

The Board of Trustees meet on a regular basis to administer the Charity. A Finance Sub-Committee meets on a regular basis to consider the Charity's financial issues including planning and review.

Risk Management

The Trustees have assessed the major risks to which the Charity is exposed and are satisfied that systems are in place to mitigate and control those risks.

OBJECTIVES AND ACTIVITIES

The objects of the Charity are to promote the relief of the elderly in a manner in which now or hereafter may be deemed to be charitable within the Northallerton Health Authority district or such successor body.

Achievements and Performances

The Centre continued to provide its services during the year and were encouraged by the numbers attending, including new clients, who were able to take advantage of the facilities. The Trustees would like to thank the staff and volunteers for their continued commitment throughout this year.

How our Activities deliver Public Benefit

The Trustees have had regard to the Charity Commission guidance on public benefit. The Trustees believe that the provision of facilities, social interaction, care and services for not only the independent older people in the area, but also those who are less able, through infirmity or other difficulties is of benefit not only to the Charity's numerous clients but to the community as a whole.

DALES-CARE

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31st MARCH 2024 continued

FINANCIAL REVIEW

The Trustees are grateful to individuals, local organisations and others who have supported Dales-Care with fundraising activities. During the year, after expenses, £8,806 was raised. The "Friends of Dales-Care" continue to provide help and, together with the other unpaid volunteers, the Trustees would sincerely like to express their gratitude for their continued support. The important role they play is essential to the function and the future wellbeing of the Dales-Care Centre.

The charity's results show a net deficit in the year of £13,647 compared with a net deficit of £10,626 in the previous year. During the year the Centre was flooded again and for a number of weeks had to use the facilities at Wycar Methodist Church, for which the Trustees would like to acknowledge their help and support during this period. As a result, the decision was taken to invest in Flood Doors to mitigate the impact of flooding in the future. The total cost of this work was £10,533. A 50% deposit was required when the order was placed and the balance on completion. The Charity received grants totalling £7,000 towards the project. At the year end, only the deposit had been paid and the balance held in grants of £1,733 has been shown in Restricted funds. The doors were fitted in June 2024. Despite the deficit the Trustees are confident the Charity is in a good position to continue the services provided.

The charity, is fully aware of the issues surrounding the continuing increase in light and heat costs, and are looking at ways to increase income to cover the additional costs, by fund raising and unfortunately increasing the price of the meals provided.

RESERVES POLICY

The Trustees readily acknowledge the need for ongoing financial support to enable it not only to achieve its objects but also to meet its commitments and become sustainable into the future and have the reserves to meet the requirements of the changing needs of the independent elderly person.

INVESTMENT POLICY

The Trustees have adopted a prudent attitude to investments and risks and believe that, by the utilisation of interest bearing investment accounts, they maximise the income available and protect the capital investment. Investment performance is reviewed regularly.

PLANS FOR FUTURE PERIOD

The Trustees, are continually looking at ways to ensure the Centre is used to its maximum, within the objects of the Charity.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

Dales-care is a private Company limited by guarantee, incorporated in England and Wales, and governed by its Memorandum and Articles of Association dated 13th October 1988. It is registered as a Charity with the Charity Commission. Members undertake to contribute £1.00 to the Company's assets should it be wound up.

Appointment of Trustees

The Trustees are appointed by the members in accordance with the terms of the Memorandum and Articles and Association. Trustees are formally appointed at the Annual General Meeting.

Each Trustee automatically retires every third year and is available for reappointment if they so wish.

Trustee Qualification

Trustees are chosen from individuals with appropriate experience, ensuring a wide range of skills and experience are brought to the governing body.

Organisation

The Board of Trustees meet on a regular basis to administer the Charity. A Finance Sub-Committee meets on a regular basis to consider the Charity's financial issues including planning and review.

Risk Management

The Trustees have assessed the major risks to which the Charity is exposed and are satisfied that systems are in place to mitigate and control those risks.

OBJECTIVES AND ACTIVITIES

The objects of the Charity are to promote the relief of the elderly in a manner in which now or hereafter may be deemed to be charitable within the Northallerton Health Authority district or such successor body.

Achievements and Performances

The Centre continued to provide its services during the year and were encouraged by the numbers attending, including new clients, who were able to take advantage of the facilities.

The Trustees would like to thank the staff and volunteers for their continued commitment throughout this year.

How our Activities deliver Public Benefit

The Trustees have had regard to the Charity Commission guidance on public benefit. The Trustees believe that the provision of facilities, social interaction, care and services for not only the independent older people in the area, but also those who are less able, through infirmity or other difficulties is of benefit not only to the Charity's numerous clients but to the community as a whole.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31st MARCH 2023 continued

FINANCIAL REVIEW

The Trustees are grateful to individuals, local organisations and others who have supported Dales-Care with fundraising activities. During the year, after expenses, £10,387 was raised. The “Friends of Dales-Care” continue to provide help and, together with the other unpaid volunteers, the Trustees would sincerely like to express their gratitude for their continued support. The important role they play is essential to the function and the future wellbeing of the Dales-Care Centre.

The charity’s results show a net deficit in the year of £10,626 compared with a net deficit of £6,923 in the previous year. Despite the deficit the Trustees are confident the Charity is in a good position to continue the services provided.

The charity, is fully aware of the issues surrounding the increase in light and heat costs, and are looking at ways to increase income to cover the additional costs, by fund raising and unfortunately increasing the price of the meals provided.

RESERVES POLICY

The Trustees readily acknowledge the need for ongoing financial support to enable it not only to achieve its objects but also to meet its commitments and become sustainable into the future and have the reserves to meet the requirements of the changing needs of the independent elderly person.

INVESTMENT POLICY

The Trustees have adopted a prudent attitude to investments and risks and believe that, by the utilisation of interest bearing investment accounts, they maximise the income available and protect the capital investment. Investment performance is reviewed regularly.

PLANS FOR FUTURE PERIOD

The Trustees, are continually looking at ways to ensure the Centre is used to its maximum, within the object of the Charity.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF DALES-CARE

I report on the accounts for the year ended 31st March 2023 which are set out on pages 8 to 15.

Respective responsibilities of Trustees and Examiner

The Trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to an audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act, and
- state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared accounts in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice which is referred to in the extant regulations but has not been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1st January 2020.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF DALES-CARE

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that, in any material respect, the requirements:
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006, with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The Trustees would like to thank the staff and volunteers for their commitment throughout this year which again has seen difficulties due to continued Covid infection rates.

How our Activities deliver Public Benefit

The Trustees have had regard to the Charity Commission guidance on public benefit. The Trustees believe that the provision of facilities, social interaction, care and services for not only the independent older people in the area, but also those who are less able, through infirmity or other difficulties is of benefit not only to the Charity's numerous clients but to the community as a whole.

DALES-CARE

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31st MARCH 2022 continued

FINANCIAL REVIEW

The Trustees are grateful to individuals, local organisations and others who have supported Dales-Care with fundraising activities. During the year, after expenses, £14,267 was raised. The "Friends of Dales-Care" continue to provide help and, together with the other unpaid volunteers, the Trustees would sincerely like to express their gratitude for their continued support. The important role they play is essential to the function and the future wellbeing of the Dales-Care Centre.

During the year the Trustees were grateful for the grants received from all Government Bodies in relation to Covid-19 support, which totalled £10,622. Without this support the Charity would have struggled to survive the pandemic.

The charity's results show a net deficit in the year of £6,923 compared with a net surplus of £7,483 in the previous year. Despite the deficit the Trustees are confident the Charity is in a good position to continue the services provided.

RESERVES POLICY

The Trustees readily acknowledge the need for ongoing financial support to enable it not only to achieve its objects but also to meet its commitments and become sustainable into the future and have the reserves to meet the requirements of the changing needs of the independent elderly person.

INVESTMENT POLICY

The Trustees have adopted a prudent attitude to investments and risks and believe that, by the utilisation of interest bearing investment accounts, they maximise the income available and protect the capital investment. Investment performance is reviewed regularly.

PLANS FOR FUTURE PERIOD

The Trustees, are continually looking at ways to ensure the Centre is used to its maximum, within the object of the Charity.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF DALES-CARE

I report on the accounts for the year ended 31st March 2022 which are set out on pages 8 to 15.

Respective responsibilities of Trustees and Examiner

The Trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to an audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act, and
- state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared accounts in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice which is referred to in the extant regulations but has not been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1st January 2020.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that, in any material respect, the requirements:
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006, with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

Dales-care is a private Company limited by guarantee, incorporated in England and Wales, and governed by its Memorandum and Articles of Association dated 13th October 1988. It is registered as a Charity with the Charity Commission. Members undertake to contribute £1.00 to the Company's assets should it be wound up.

Appointment of Trustees

The Trustees are appointed by the members in accordance with the terms of the Memorandum and Articles and Association. Trustees are formally appointed at the Annual General Meeting.

Each Trustee automatically retires every third year and is available for reappointment if they so wish.

Trustee Qualification

Trustees are chosen from individuals with appropriate experience, ensuring a wide range of skills and experience are brought to the governing body.

Organisation

The Board of Trustees meet on a regular basis to administer the Charity. A Finance Sub-Committee meets on a regular basis to consider the Charity's financial issues including planning and review.

Risk Management

The Trustees have assessed the major risks to which the Charity is exposed and are satisfied that systems are in place to mitigate and control those risks.

OBJECTIVES AND ACTIVITIES

The objects of the Charity are to promote the relief of the elderly in a manner in which now or hereafter may be deemed to be charitable within the Northallerton Health Authority district or such successor body.

Achievements and Performances

Due to the national lockdowns as a result of Covid-19 the Centre was only open for a very short period during the year. The Trustees and staff also provided a Christmas and Easter Lunch for the clients as a meals on wheels service. The aim continues to be that of combatting loneliness and social isolation within the local community. It provides a warm welcoming environment, a two course lunch, tea and coffee and activities but above all company, which is even more important as a result of the lockdowns.

Prior to re-opening after the first national lockdown the centre had to be made Covid-19 secure with various measures to ensure the safety of staff and clients in what were unprecedented times. Hand sanitisers were required, perspex screens, changing facilities for staff, PPE including tunics for all staff and volunteers. The Trustees would like to thank the staff and volunteers for their commitment throughout these difficult times.

How our Activities deliver Public Benefit

The Trustees have had regard to the Charity Commission guidance on public benefit. The Trustees believe that the provision of facilities, social interaction, care and services for not only the independent older people in the area, but also those who are less able, through infirmity or other difficulties is of benefit not only to the Charity's numerous clients but to the community as a whole.

DALES-CARE

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31st MARCH 2021 continued

FINANCIAL REVIEW

The Trustees are grateful to individuals, local organisations and others who have supported Dales-Care with fundraising activities. During the year, after expenses, £3,465 was raised. The “Friends of Dales-Care” continue to provide help and, together with the other unpaid volunteers, the Trustees would sincerely like to express their gratitude for their continued support. The important role they play is essential to the function and the future wellbeing of the Dales-Care Centre.

During the year the Trustees were grateful for the grants received from all Government Bodies in relation to Covid-19 support, which totalled £34,982. Without this support the Charity would have struggled to survive the pandemic.

The charity’s results show a net surplus in the year of £7,483 compared with a net deficit of £20,895 in the previous year. The trustees are pleased with the results achieved especially with the pandemic and lockdowns.

RESERVES POLICY

The Trustees readily acknowledge the need for ongoing financial support to enable it not only to achieve its objects but also to meet its commitments and become sustainable into the future and have the reserves to meet the requirements of the changing needs of the independent elderly person.

INVESTMENT POLICY

The Trustees have adopted a prudent attitude to investments and risks and believe that, by the utilisation of interest bearing investment accounts, they maximise the income available and protect the capital investment. Investment performance is reviewed regularly.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF DALES-CARE

I report on the accounts for the year ended 31st March 2021 which are set out on pages 8 to 15.

Respective responsibilities of Trustees and Examiner

The Trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to an audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act, and
- state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared accounts in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice which is referred to in the extant regulations but has not been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1st January 2019.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that, in any material respect, the requirements:
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006, with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The accounts have been prepared in accordance with the charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1st January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The company has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

- When donors specify that donations and grants given to the Charity must be used in future accounting periods, the income is deferred until those periods.
- When donors impose conditions which have to be fulfilled before the Charity becomes entitled to use such income, the income is deferred and not included in incoming resources until the pre-conditions for use have been met.

When donors specify that donations and grants, including capital grants, are for particular restricted purposes, which do not amount to pre-conditions regarding entitlement, this income is included in incoming resources of restricted funds when receivable.

Interest Receivable

Interest is included when receivable by the Charity.
