TRUSTEES' REPORT

The trustees present their annual report and accounts for the year ended 31st December 2022.

The directors of the charitable company (the charity) are its trustees for the purpose of charity law and throughout this report are collectively referred to as the trustees.

The responsibilities include all the responsibilities of the directors under the Companies Act and of trustees under the Charities Act

The accounts have been prepared in accordance with the accounting policies set out in Note 1 to the accounts and comply with the charity's Memorandum and Articles of Association, the Companies Act 2006 and the Statement of Recommended Practice.

OBJECTIVES AND ACTIVITIES

A summary of the objects of the charity as set out in its governing document

The principal activity of the charity for the year under review was to promote all research necessary to find the cause, cure and prevention of multiple sclerosis and to aid and to improve the condition of those suffering from it.

An explanation of the charity's main objectives for the year

The charity's main objectives are to maintain and offer support and therapies to sufferers of Multiple Sclerosis including Hyperbaric Oxygen, Physiotherapy, Counselling and any other complimentary therapies as deemed suitable.

An explanation of the charity's strategies for achieving its stated objectives

In order to meet the aims and objectives of the charity the following services and activities were delivered. The charity provides therapy for sufferers in the form of:

- a) Dives - therapy sessions in a decompression chamber
- b) Physiotherapy

The objects of the company are maintained by the policies set by the trustees and enacted by the staff. There have been no material changes during the year.

ACHIEVEMENTS AND PERFORMANCE

A review of charitable activities undertaken by the charity.

The financial position of the charity shows a deficit for the year of £8,210 (2021 - deficit £29,848). The total reserves stand at £351,930 (2021 - £360,140) these are all free reserves.

Investment performance achieved against investment objectives set

This is governed by the Memorandum and Article of Association, which permits the trustees to invest surplus funds as they shall consider appropriate. The current policy of the trustees is to invest in short term accounts, such as building society and bank deposit accounts, so that they are readily available for the charity to use as and when necessary and to invest in replacing and updating its facilities where necessary to provide the best quality service.

Summary of the main achievements of the Charity during the year

The charity maintained its existing services throughout the year.

FINANCIAL REVIEW**Policies on reserves**

The board of trustees has examined the charity's requirements for reserves in light of the main risks to the organisation. It has established a policy whereby the unrestricted funds not committed should be nine to twelve months of the expenditure. Reserves needed should be approximately £160,000 and are currently held at approximately £350,000. Given the specialist nature of the equipment, the complexity of the physical requirements of the building in which the charity operates and the past experience of needing to relocate, the trustees consider it necessary to additionally retain approximately £200,000 in order to facilitate relocation if the current premises become unsuitable for any reason. This figure will be reviewed annually. The reserves are needed to meet the working capital requirements of the charity and the trustees are confident that at this level they would be able to continue the current activities of the charity in the event of a significant drop in funding.

STRUCTURE, GOVERNANCE AND MANAGEMENT**Nature of the Governing Document and constitution of the charity**

The charity is constituted as a company limited by guarantee and is therefore governed by Memorandum and Articles of Association. The charity is run by the Committee of Management, who hold ultimate responsibility for the strategic direction and policy decisions. The Committee of Management delegates the day to day running of the charity to the Centre Manager who reports regularly to the trustees and members.

Any member appointed shall remain a member of the committee until the next Annual General Meeting but shall then be eligible for re-election.

The methods adopted for the recruitment and appointment of new trustees

People can be put forward to join the committee as a trustee by submission of their curriculum vitae which will be discussed by the committee.

The charity aims to recruit trustees who are known and involved with the centre and will uphold the ethos of the centre. No outside party can appoint trustees.

The major risks to which the charity is exposed and reviews and systems to mitigate risks

The charity has made, and has put in place, procedures to review any factors which may affect its continuation or running of its services. These include implementation of information technologies to reliability and sustainability of funding sources. It is also committed to reviewing its governing documents to ensure they are relevant to the developing organisation.

The members of the Board of Trustees of the Charity during the year ended 31st December 2021 were:

The trustees, who are also directors for the purpose of company law, who served during the year were:

L Toothill
J L Goodwin
D A Greaves
A J Walker

All the directors of the company are also trustees of the charity and their responsibilities include all the responsibilities of directors under the Companies Acts and of trustees under the Charities Act. The directors are members of the company.

This report has been prepared in accordance with the Charities Statement of Recommended Practice (FRS 102) and in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small entities.

This report was approved by the Board on 13th October 2023

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
WEST YORKSHIRE M.S. THERAPY CENTRE**

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31st December 2022.

This report is made solely to the charity, as a body. My reporting work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for my work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purpose of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act;
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report to enable a proper understanding of the accounts to be reached.

WEST YORKSHIRE M.S. THERAPY CENTRE
NOTES TO THE ACCOUNTS AS AT 31ST DECEMBER 2022

1. ACCOUNTING POLICIES

Basis of accounting

The accounts have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and with the Charities Act 2011.

Incoming Resources

Voluntary incoming and donations are included in full in the statement of Financial Activities when they are receivable.

Investment income

Bank interest is included in the income and expenditure account on a receivable basis.

Resources Expended

Resources expended are included in the Statement of Financial Activities on an accruals basis, inclusive of any VAT which cannot be recovered. In particular the policy for including items within costs of generating funds, charitable activities and other costs, which is attributable to specific activities, has been included in these cost categories. Where costs are attributable to more than one activity they have been apportioned across the cost categories on a basis consistent with the use of these resources.

Cost of raising funds

Comprise the costs associated with attracting voluntary income and the costs of trading for fund raising purposes.

Charitable activities

Comprise those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Other costs

Include those costs associated with meeting the constitutional and statutory requirements of the charity and include accountancy fees and costs linked to the strategic management of the charity.

Fixed assets and depreciation

All tangible fixed assets are stated at cost less depreciation. Depreciation has been provided at the following rates in order to write off the assets (less their estimated residual value) over their estimated useful economic lives.

| | |
|-----------------------|-------------------|
| Building improvements | 5% straight line |
| Fixtures & fittings | 6% straight line |
| Motor vehicles | 25% straight line |
| Therapy equipment | 10% straight line |

Taxation

As a registered charity, the company is exempt from income and corporation tax to the extent that its income and gains are applicable to charitable purposes only. Value Added Tax is not recoverable by the company and it is therefore included in the relevant costs in the Statement of Financial Activities.

Finance and operating leases

Rentals payable in respect of operating leases where substantially all the benefits and risks of ownership remain with the lessor are charged to the Statement of Financial Activities as incurred.
