REPORT OF THE DIRECTORS AND TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2022

The Directors (who are also the Trustees of the Charitable Company and whose details are shown in the reference and administrative section of this report) are pleased to present their Annual Report together with the Financial Statements of the Charitable Company for the year ended 31 March 2022.

The Financial Statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

The Charitable Company is a Public Benefit Entity.

OBJECTIVES AND ACTIVITIES

Our Mission

Peasholme Charity has a mission to end homelessness, and a vision that everyone has access to the right help at the right time to prevent the escalation of crisis situations.

Peasholme Charity works with disadvantaged and socially excluded people, in particular those who are homeless or at risk of losing their home.

We address social exclusion and poverty by providing support services for people in or heading towards crisis – the Charitable Company defines ‘crisis’ as lacking security, shelter or an ability to sustain oneself.

Aims and Objectives

Peasholme Charity's purpose was set out in its objects in the company's Articles of Memorandum of Association:

“the relief of poverty, suffering and distress of persons in or about the City of York who are in need and in particular, but without prejudice to the generality of the foregoing, the relief of such of the beneficiaries who are homeless, rootless, or socially isolated for whatever reason as deemed by law to be charitable.”

Our strategic aim is that people are empowered, realise their aspirations, and achieve their full potential.

Our specific aims are to:

- Reduce social exclusion, homelessness, and risk of becoming homeless.
- Enable people to obtain and maintain a tenancy.
- Enable people to engage in meaningful occupation, such as work, volunteering, education and training, and hobbies, or other recreational pursuits.
- Increase individual motivation, self-efficacy and self-esteem.
- Facilitate access to ‘specialist’ services that meet identified needs and personal aspirations.

Our aims fully reflect the purpose that the Charitable Company was set up to further.

FOR THE YEAR ENDED 31 MARCH 2022

OBJECTIVES AND ACTIVITIES - CONTINUED

The focus of our work

Our main objectives and activities for the year was the provision of good quality community-based support services for disadvantaged and socially excluded people.

This was achieved through:

- the provision of a financial capability support and advice service.
- the provision of accessible community based drop-in activities delivering information and advice aiming to prevent the escalation of crisis situations.
- the provision of a one-to-one support service for people with complex needs who are either rough sleeping or insecurely housed.
- partnership working that ensures a comprehensive range of support services are available for vulnerable and excluded people.

Our Services

My Money. My Life...

My Money. My Life...' is a financial capability advice and support service that offers a pathway from financial instability and crisis to a more secure and stable position. The service offers a range of interventions from brief advice to community drop-ins and long term supported learning aiming to provide individuals with the skills to prevent the reoccurrence of crisis situations.

During the year 232 individuals / families were supported by the Financial Capability Coach, representing an 8% increase in the number of people accessing the service as compared to the previous year. While this is a lower increase in service uptake than previous years, the Charitable Company believes that this represents the upper limit of capacity that a single worker can carry. The evidence for this lies with longer waiting periods for initial appointments and a higher number of referrals being signposted to other advice services.

The Charitable Company continued to offer altered services because of the pandemic but restarted face-to-face drop-in activities within venues assessed as safe working environments using Covid 19 risk processes.

During the reporting period, 66 individuals were signed off the service having achieved the following positive outcomes:

- 30% achieved outcomes under the heading 'keeping track of your money'
- 53% achieved outcomes under the heading 'making ends meet'
- 45% achieved outcomes under the heading 'planning for the future'
- 8% achieved outcomes under the heading 'buying financial products'
- 9% achieved outcomes under the heading 'staying informed regarding financial matters'

REPORT OF THE DIRECTORS AND TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2022

OBJECTIVES AND ACTIVITIES - CONTINUED

The Charitable Company is committed to adding resources to this service; it acknowledges that the service has reached its capacity.

The Charitable Company was approached by the York Clinical Commissioning group (CCG) to discuss a possible extension of the service to meet the needs of people with complex mental health needs.

The CCG had noticed a need for effective financial capability advice and support for this specific group who were leaving hospital with high levels of debt, difficulty accessing benefits and housing related needs. The Charitable Company was recruiting into this new position at the end of the reporting period.

Next Steps – intensive support for rough sleepers

The service provides intensive outreach support for individuals with complex needs who are rough sleeping or insecurely housed; enabling people to move from crisis situations to a place of security.

The service supported 74 individuals, representing a 57% increase from the previous reporting period; the Charitable Company has maintained the increased resources within the housing team.

The service signed off 26 people during the reporting period;

- 10 people were permanently housed.
- 8 were housed by the local authority.
- 4 threats to homelessness were resolved allowing people to stay in their own homes.
- 2 individuals were supported to relocate to another area, either to find employment or return to previous accommodation and specialist support services.
- 1 person was helped to access private rented accommodation.
- 1 person were helped to relocate to another home in York through a private swap.

The service works closely with other community partners, peer-led groups, and publicly funded services to ensure people experiencing or facing homelessness can access the right advice and support. The Housing Link Worker is present at Carecent, a breakfast club for vulnerable people, and conducts daily street walks to build good relationships with those experiencing rough sleeping.

The Charitable Company was approached by Cllr. Michael Pavlovic during the reporting period; he was looking for a charitable organisation with experience in the support of vulnerable people with complex needs to help establish a peer led project in Tang Hall Park. He proposed using part of a derelict building for a woodworking project delivered by people with a history of homelessness. The Charitable Company is currently fundraising to deliver this activity.

Community Advice Service

Peasholme Charity and York Foodbank continue to work in partnership at weekly sessions; the Advice Worker and volunteers work together to identify people in crisis for whom additional support would have a positive impact on their situation.

PEASHOLME CHARITY
(formerly known as The Peasholme Centre York)

REPORT OF THE DIRECTORS AND TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2022

OBJECTIVES AND ACTIVITIES - CONTINUED

The Charitable Company continued to offer an altered service in partnership with York Foodbank, the crisis phoneline supported in-person service delivery in venues. The service helped 208 individuals / families during the reporting period: representing a 26% increase in service utilisation on the previous year.

The service continued to offer follow-up additional support activities with 158 individuals / families engaging with this element of service provision.

In total the Community Advice Worker delivered:

- 692 support sessions.
- 90 referrals to specialist agencies, including in-house referrals for housing and financial capability support.
- £5,237 additional financial gain for people through charitable and local authority grant applications.

The Board of Trustees are very thankful to York Foodbank Trustees, management, and volunteers for their continued support of this partnership project, which included developing a multi-year fundraising application from the Trussell Trust which, if successful, would secure the service until 2025.

Demand for high quality advice and support continues to grow within York Foodbank, the Charitable Company is committed to ensuring sufficient resources are allocated to this project to meet the demands of the cost-of living crisis.

Covid-19 pandemic – ongoing activities and learning

The Covid-19 pandemic challenged the Charitable Company to consider its working model, including reviewing risk assessment processes and creating strategies that allowed front line decision making in real time.

The team developed assessment tools that helped decide whether ‘home visits or a remote service offer would best support people. The team used risk tools to consider safe working practises for delivery of services within community spaces. They used information sharing processes that allowed for the needs of those in crisis to be shared within the whole team.

This devolved and flexible decision-making model continues to support the team to offer highly effective good quality advice, information, and support for the increased volume of people approaching the organisation for help.

The Charitable Company increased front-line resources to meet the challenges of the pandemic; these increased resources will be maintained as the team continue to meet the challenges of the cost-of-living crisis.

The staff team work together to support each other’s wellbeing when dealing with people experiencing hardship and destitution; making effective use of staff training and external supervision.

The Board of Trustees are very proud of the work delivered by the team with the pandemic and are extremely thankful to the staff team for their hard work and dedication to meeting the needs of vulnerable people in York. The trustees acknowledge that they have shown flexibility and resilience in how they responded to the ongoing crisis; including how they remained focused on meeting the needs of the people we serve.

OBJECTIVES AND ACTIVITIES - CONTINUED

How our activities deliver public benefit

Peasholme Charity's principle activities are to provide services for disadvantaged and socially excluded people in York; to prevent those in danger of losing their tenancies, from becoming homeless and, for those who have become homeless, to help them settle back into accommodation in a sustainable way.

We have referred to the Charity Commission's guidance on public benefit when undertaking review and planning future activities.

Who uses and benefits from our services?

Peasholme Charity aims to be accessible to anyone in housing need and therefore does not operate any excluding eligibility criteria. Our services are primarily accessed by those presenting with multiple complex needs who need additional support to access mainstream services, including mental health and substance misuse services, and / or statutory services.

We aim to meet people at their point of need; facilitating self-referral and family signposting, home visits, working within community venues and specialist service providers to remain accessible, reduce barriers to engagement and reach those most in need.

FINANCIAL REVIEW

The Charitable Company has been able to fulfil all its commitments and submits a satisfactory financial report.

Principal Funding Sources

The Charitable Company was funded through a mix of multiple year and small grants, local authority contracts and donations, this totalled £154,265.

Peasholme Charity is a small charity that relies on the support of local churches, organisations and our individual donors, we are very grateful for their loyalty and continued support.

FUTURE PLANS

The Charitable Company will secure sufficient funds to continue the development and delivery of current services.

The Charitable Company will review its business plan focusing on the following key areas:

1. Develop a succession plan for the Charity Manager position, as Yvonne Morrissey has indicated to the Board that she will be leaving the organisation in 2023.
2. Funding – develop multiple year funding streams that can sustain existing services and develop new areas of work. This will include adding capacity within existing services so they can continue to meet increased levels of need resulting from the cost-of-living crisis.
3. Recruit new Trustees with specific skills to strengthen the Board and its ability to meet their responsibilities.

REPORT OF THE DIRECTORS AND TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2022

STRUCTURE, GOVERNANCE AND MANAGEMENT - CONTINUED

Policies and procedures to ensure the health and safety of staff, volunteers and visitors to the Charitable Company's premises have been reviewed and revised. Controls and procedures are in place for the authorisation of all transactions and projects.

The continued fulfilment of the objects of the Charitable Company remains dependent upon the continuation of an acceptable level of funding. Trustees have identified the risk to the Charitable Company in this area and are working with the Charity Manager to ensure sufficient funding levels are achieved.

Investment Policy

Under the Memorandum and Articles of Association, the Charitable Company has the power to make any investments which the Trustees see fit.

Peasholme Charity holds an instant access high interest account with its bankers to maximise its income.

Reserves Policy

The Board has reviewed its reserves policy and has examined the Charitable Company's requirements for reserves in the light of the main risks to the organisation.

The Charitable Company aims to hold unrestricted reserves at 30% of income in order to achieve the following aims:

1. to support the costs of winding down the Charitable Company, including meeting the costs of staff redundancies and contract liabilities.
2. to ensure sufficient cash is available to meet the costs of running the Charitable Company, including managing any gaps between funding and activity.

In the current year, this would be in the order of £39,000. The unrestricted reserve increased during the financial year to £66,422. The Trustees consider this to be a satisfactory level, higher than the target unrestricted reserves which is largely due to unrestricted grant funding received to cover into the next accounting period. There are sufficient unrestricted funds to continue with its plans over the next year.

Restricted funds totalling £15,687 were held at the end of the year. This is made up of funds to provide bond money for clients to secure tenancies, and to support service delivery over the coming years.

Responsibilities of the Board

Company and charity law require the directors and trustees respectively to prepare financial statements which give a true and fair view of the Charitable Company's state of affairs at the end of the year and of its financial activities for that year.

In preparing those financial statements the directors and trustees are required to:

- select suitable accounting policies and then apply them consistently.

To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charitable company, the charitable company's members as a body and the charitable company's trustees as a body for my independent examiner's work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the Charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022

1. ACCOUNTING POLICIES

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Peasholme Charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s). The financial statements are prepared in sterling which is the functional currency of the charitable company.

The charitable company is a private company limited by guarantee, incorporated in England. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity. The address of the registered office is: 25 Micklegate, York, YO1 6JH.

b) Preparation of the accounts on a going concern basis

The directors/trustees have a reasonable expectation that the charity has adequate resources to continue in existence for the foreseeable future. They continue to believe the going concern basis of accounting is appropriate in preparing the financial statements.

c) Income recognition

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

d) Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Costs of charitable activities include those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. Costs relating to a particular activity are allocated directly; others are apportioned on an appropriate basis as set out in note 6.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include back office costs, finance, personnel, payroll and governance costs which support the charity's activities. These costs have been allocated to expenditure on charitable activities. The bases on which support costs have been allocated are set out in note 6.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022

1. ACCOUNTING POLICIES (continued)

e) Fund accounting

Restricted funds are funds which are used in accordance with specific restrictions imposed by donors.

Unrestricted funds are funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Designated funds are funds set aside by trustees out of unrestricted general funds for specific future purposes or projects.

f) Tangible fixed assets and depreciation

Tangible fixed assets are included in the financial statements at their historical cost (in the case of donated assets, at their fair value at the date of acquisition).

Depreciation of tangible fixed assets is provided at the following annual rates in order to write off each asset over its estimated useful life:

Office equipment, fixtures and fittings	over 4 years
Computer equipment	over 3 years

g) Pension scheme

The charity pays defined contributions into personal pension plans for its employees. The assets of the schemes are held separately from those of the charity. Pension costs are charged in the Statement of Financial Activities and represent the contributions payable by the charity in the year.

h) Operating leases

i) Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

l) Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.
