LEUKAEMIA UNIT APPEAL FUND

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2025

The trustees present their annual report and financial statements for the year ended 31 March 2025.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's constitution, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

Objectives and activities

The charity's objective continues to be the promotion of care in comfortable surroundings for patients receiving treatment for haematological malignancies and those receiving chemotherapy for solid tumours. The charity has provided for the construction and expansions to the Georgina Unit in the Metropolitan Borough of Dudley. These objectives are met by a number of activities which assist in the maintenance of the care environment by assisting the welfare of patients, families and staff.

- Purchase of consumables, games, furnishings and other items to improve the quality of life for those who work and stay in the Unit.
- Contributions towards the upkeep of the Unit.
- Contributions towards the purchase of equipment for the Unit.
- Provision of respite accommodation for patients and their families.
- Provision of scholarships to nurses and other hospital staff to assist with their training and education in cancer care.

The charity formed a wholly owned trading subsidiary called LUAF Ltd on 7th February 2013. The trading activity of LUAF Ltd is the sale of donated goods in charity shops. Profits from this company are transferred to the charity via the provisions of gift aid at the end of each financial year.

Public benefit

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Activities

In addition to assisting the Georgina Unit with general purchases of consumables, the fund has continued to finance large items of expenditure by earmarking monies to be spent on specific items which will benefit the Unit, the staff and the patients. Details of these are given in Note 18 of the financial statements.

The fund has continued to support the maintenance of the holiday homes, support of education and training for Haemato/Oncology staff and patient support. The fund has also been able to help patients with special events in their lives.

The respite accommodation allows the units patients and families to enjoy a holiday when treatment allows and also allows for bereaved families to take time away in a comfortable environment. The respite accommodation consists of two chalets and a family caravan.

The Trustees pay a tribute to the invaluable work undertaken by the many people who have volunteered their time, in assisting with the fund-raising events and helping to maintain the chalets, log cabin and caravan.

Therefore, taking into account the difficult economic climate, 2024/25 has been an encouraging year with the generous support from many people. This has allowed the fund to support the Georgina Unit in all its activities.

The success of the fund also brings additional responsibilities to the Trustees to ensure the money is spent appropriately.

Financial review

Income totalling £61,629 was received in the year and expenditure totalling £239,874. The unrestricted funds at the year end were £1,061,120.

LEUKAEMIA UNIT APPEAL FUND

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2025

Reserves policy

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The trustees have built up reserves to meet the ongoing changes within the Leukaemia and cancer care environment. The trustees have funds designated for the purchase of specialist equipment and the cost of educational scholarships. Other designated funds are for the support of salaries for specialised staff.

Major risks

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

The charity was established by a charitable trust deed on 27 February 1989.

The trustees who served during the year and up to the date of signature of the financial statements were:

Lee Jenkins
Roslyne Bratt-Wyton
Pauline Jenkins
Ken Winning
David Bareford
Christine Protheroe
Angela Watts

Recruitment and appointment of trustees

Prospective new Trustees are nominated by Board members.

The trustees' report was approved by the Board of Trustees.

LEUKAEMIA UNIT APPEAL FUND

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF LEUKAEMIA UNIT APPEAL FUND

I report to the trustees on my examination of the financial statements of Leukaemia Unit Appeal Fund (the charity) for the year ended 31 March 2025.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011.

I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the Charities Act 2011.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared the financial statements in accordance with the relevant version of the Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn. I understand that this has been done in order for the financial statements to provide a true and fair view in accordance with UK Generally Accepted Accounting Practice.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the Charities Act 2011.
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a true and fair view, which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

LEUKAEMIA UNIT APPEAL FUND

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2025

1 Accounting policies

Charity information

Leukaemia Unit Appeal Fund is a registered charity in England and Wales. The principal address is 38 Strathern Drive, Coseley, West Midlands, WV14 9HE.

1.1 Accounting convention

The accounts have been prepared in accordance with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

1 Accounting policies

(Continued)

1.5 Resources expended

Expenditure is included on an accruals basis, when incurred.

Charitable Activities

These are purchases of goods and services which relate directly to the provision of the charitable activities. Grants payable are accounted for once approved by the trustees.

Support Costs

These are incurred directly in support of the charitable activities. They are allocated equally to the two main charitable activities (supporting the patients and carers at the Leukaemia Unit at Russells Hall Hospital and respite accommodation for patients and families).

Governance

These are costs incurred in connection with administration of the charity and compliance with constitutional and statutory requirements.

1.6 Property, plant and equipment

Property, plant and equipment are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is calculated to write off the cost less estimated residual value of fixed assets on a straight line basis over their estimated useful lives.

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Non-current investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.9 Fund accounting

The charity's general reserves consists of funds which the charity will use for the purpose of supporting the specialist cancer unit in the Metropolitan Borough of Dudley (the Georgina Unit) for the treatment of cancer patients with a Haematological malignancy that are cared for on the Georgina Unit, and any other related expenditure (at the discretion of the trustees).

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes.
