REPORT AND FINANCIAL STATEMENTS

Year ended 31st May 2025

NEW SIGHT INTERNATIONAL
Report of the trustees for the year ended 31st May 2025

The trustees present their annual report and financial statements of the charity for the year ended 31st May 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's Trust Deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities.

Objectives and activities for the public benefit.

The purposes of the trust during the year were:

The advancement of the Christian faith locally and globally by any means whatsoever including the preaching and proclamation of the Christian gospel, the teaching of Christian doctrine and principles, the pastoral care of Christian people and the printing and distribution of the bible and Christian literature.

The relief of persons who are in conditions of need, hardship or distress or who are aged and sick.

The provision of instruction in the principles of the Christian faith at any educational establishment and also the provision of a day/ or boarding school/ college for the general education of male and female persons of any age and for the instruction of such pupils in the Christian faith.

The trustees confirm that they have referred to the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion.

The trustees benefit the public by separate strategies aimed at those who do not have a relationship with Jesus Christ and those who have already accepted Jesus Christ as their Lord and Saviour.

Non believers are targeted by various outreach activities based either in the local community or further afield.

For believers, the trustees endeavour to create an environment where a person's faith can be increased and matured by access to:

Regular biblical teaching	Provision of pastoral work
Praise. worship and prayer meetings	Regular People and Growth Groups

NEW SIGHT INTERNATIONAL
Report of the trustees for the year ended 31st May 2025

All meetings are open to the public with no admission fees.

The teaching and impartations from Congress WBN and the ministry's Senior Elder and Eldership Team has continued to equip members and visitors alike.

Financial review

The work of the trust is entirely dependent on the voluntary offerings of people attending the various meetings that have taken place during the year.

The income of the year increased by 14% to £54,003 (2024 = £47,360). This includes amounts received under the Gift Aid system.

Risk management

The main risks faced by the trust are as follows:

a. Financial

This includes a serious decrease in the amount of income received and thereby causing the trust to be unable to meet its financial commitments. This has been mitigated by the trustees receiving regular financial updates and the close monitoring of the bank accounts.

b. Reputational

The trustees are aware that the main reputational risks stem from adverse publicity affecting the charity and those associated with it.
Although there could be many reasons for this to occur, the trustees seek to ensure that all aspects of the charity are regularly reviewed to ensure that they are being run accurately and effectively.
Particular attention is always paid to the varied works involving the children who attend meetings and the trustees ensure that people who lead these groups have the necessary qualifications and accountability.

NEW SIGHT INTERNATIONAL
Report of the trustees for the year ended 31st May 2025

Reserves policy

The trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately one month of unrestricted charitable expenditure. The trustees consider that this level will provide sufficient funds to enable financial commitments to be met and also give them enough time to review and revise ongoing commitments should a long term decrease in income be recognised.

At the 31st May 2025, the average expenditure for one month was £4,275
The net unrestricted assets of the charity were £2,393

Although substantial progress has been made, the present policy has not been achieved and the Trustees continue to strategise on this aspect.

Structure, governance and management

The trust is a registered charity, number 702150 and is constituted under a Deed of Trust dated 25th May 1989.
The trust does not raise funds from the public and seeks to continue its charitable works through the careful stewardship of the donations from members.

New trustees are appointed by the existing trustees.

There are regular meetings of the trustees where they agree on the future broad strategy and areas of activity.
They also review the level of reserves, risk management policies etc. The day to day leading of the charity is delegated to the elders.

New trustees are chosen from the membership after showing continuous integrity and faithfulness to the charity. Before accepting the position, the potential trustee is given copies of the Trust Deed, previous financial statements and meets with the existing trustees for an overview of the plans of the charity for the future. Any training requests are quantified and arranged as necessary.

Key management personnel remuneration.

The trustees consider the Board of Trustees and the Elders as comprising the key management personnel of the charity in charge of directing and controlling the charity and running and operating the charity on a day to day basis. All trustees give their time freely and no trustee remuneration was paid in the year. Any related party transactions are detailed in the notes.

Key management personnel remuneration. (Contd)

Trustees are required to disclose all relevant interests and are required to withdraw from decisions where a conflict of interest arises.

The amounts paid to the Senior Elder and others are reviewed regularly by the Board of Trustees.

Trustees' responsibilities in relation to the financial statements

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements in each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing the financial statements, the trustees are required to:

* select suitable accounting policies and then apply them consistently;
* observe the methods and principles in the applicable Charities SORP;
* make judgments and estimates that are reasonable and prudent;
* state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
* prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent Examiner's Report to the Trustees of:

NEW SIGHT INTERNATIONAL

I report on the accounts for the trust for the year ended 31st May 2025 which are set out on pages 7 to 11 .

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

* examine the accounts under section 145 of the Charities Act
* follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the Charities Act, and
* to state whether particular matters have come to my attention

Basis of independent examiner's report

My examination was carried out in accordance with the General Direction given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees on any such matters. The procedures undertaken do not provide all the evidence that would be required by an audit, and consequently no opinion is given as to whether the accounts present a "true and fair" view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements

to keep accounting records in accordance with section

130 of the Charities Act, and

to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the Charities Act

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The provision of instruction in the principles of the Christian faith at any educational establishment and also the provision of a day/ or boarding school/ college for the general education of male and female persons of any age and for the instruction of such pupils in the Christian faith.

The trustees confirm that they have referred to the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion.

The trustees benefit the public by separate strategies aimed at those who do not have a relationship with Jesus Christ and those who have already accepted Jesus Christ as their Lord and Saviour.

Non believers are targeted by various outreach activities based either in the local community or further afield.

For believers, the trustees endeavour to create an environment where a person's faith can be increased and matured by access to:

Regular biblical teaching	Provision of pastoral work
Praise. worship and prayer meetings	Regular People and Growth Groups

NEW SIGHT INTERNATIONAL
Report of the trustees for the year ended 31st May 2023

All meetings are open to the public with no admission fees.

This has been a significant year for the charity with a new regular meeting place being secured. This has enabled meetings to be advertised and many new connections being made.

The teaching and impartations from Congress WBN and the ministry's Senior Elder and Eldership Team has continued to equip members and visitors alike.

There has also been a significant expansion of our global podcasts enabling the present speaking of God to be received by many more people.

Financial review

The work of the trust is entirely dependent on the voluntary offerings of people attending the various meetings that have taken place during the year.

The income of the year decreased by 11% to £55,603 (2022 = £62,760). This includes amounts received under the Gift Aid system.

Risk management

The main risks faced by the trust are as follows:

a. Financial

This includes a serious decrease in the amount of income received and thereby causing the trust to be unable to meet its financial commitments. This has been mitigated by the trustees receiving regular financial updates and the close monitoring of the bank accounts.

b. Reputational

The trustees are aware that the main reputational risks stem from adverse publicity affecting the charity and those associated with it.
Although there could be many reasons for this to occur, the trustees seek to ensure that all aspects of the charity are regularly reviewed to ensure that they are being run accurately and effectively.
Particular attention is always paid to the varied works involving the children who attend meetings and the trustees ensure that people who lead these groups have the necessary qualifications and accountability.

NEW SIGHT INTERNATIONAL
Report of the trustees for the year ended 31st May 2023

Reserves policy

The trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately one month of unrestricted charitable expenditure. The trustees consider that this level will provide sufficient funds to enable financial commitments to be met and also give them enough time to review and revise ongoing commitments should a long term decrease in income be recognised.

At the 31st May 2023, the average expenditure for one month was £4,600

The net unrestricted assets of the charity were £353

The above policy has therefore not been achieved at the year end and the trustees are taking measures to correct this.

Structure, governance and management

The trust is a registered charity, number 702150 and is constituted under a Deed of Trust dated 25th May 1989.
The trust does not raise funds from the public and seeks to continue its charitable works through the careful stewardship of the donations from members.

New trustees are appointed by the existing trustees.

There are regular meetings of the trustees where they agree on the future broad strategy and areas of activity.
They also review the level of reserves, risk management policies etc. The day to day leading of the charity is delegated to the elders.

New trustees are chosen from the membership after showing continuous integrity and faithfulness to the charity. Before accepting the position, the potential trustee is given copies of the Trust Deed, previous financial statements and meets with the existing trustees for an overview of the plans of the charity for the future. Any training requests are quantified and arranged as necessary.

Key management personnel remuneration.

The trustees consider the Board of Trustees and the Elders as comprising the key management personnel of the charity in charge of directing and controlling the charity and running and operating the charity on a day to day basis. All trustees give their time freely and no trustee remuneration was paid in the year. Any related party transactions are detailed in the notes.

Trustees are required to disclose all relevant interests and are required to withdraw from decisions where a conflict of interest arises.

The amounts paid to the Senior Elder and others are reviewed regularly by the Board of Trustees.

Trustees' responsibilities in relation to the financial statements

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements in each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing the financial statements, the trustees are required to:

* select suitable accounting policies and then apply them consistently;
* observe the methods and principles in the applicable Charities SORP;
* make judgments and estimates that are reasonable and prudent;
* state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
* prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

In connection with my examination, no matter has come to my attention:

NEW SIGHT INTERNATIONAL

REPORT AND FINANCIAL STATEMENTS

Year ended 31st May 2021

NEW SIGHT INTERNATIONAL
Report of the trustees for the year ended 31st May 2021

The trustees present their annual report and financial statements of the charity for the year ended 31st May 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities.

Objectives and activities for the public benefit.

The purposes of the trust during the year were:

The advancement of the Christian faith locally and globally by any means whatsoever including the preaching and proclamation of the Christian gospel, the teaching of Christian doctrine and principles, the pastoral care of Christian people and the printing and distribution of the bible and Christian literature.

The relief of persons who are in conditions of need, hardship or distress or who are aged and sick.

The provision of instruction in the principles of the Christian faith at any educational establishment and also the provision of a day/ or boarding school/ college for the general education of male and female persons of any age and for the instruction of such pupils in the Christian faith.

The trustees confirm that they have referred to the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion.

The trustees benefit the public by separate strategies aimed at those who do not have a relationship with Jesus Christ and those who have already accepted Jesus Christ as their Lord and Saviour.

Non believers are targeted by various outreach activities based either in the local community or further afield.

For believers, the trustees endeavour to create an environment where a person's faith can be increased and matured by access to:

Regular biblical teaching	Provision of pastoral work
Praise. worship and prayer meetings	Regular People and Growth Groups

All meetings are open to the public with no admission fees.

Due to the global pandemic, all meetings have continued virtually via Zoom and Growth Groups/People Groups have been introduced for women (Accord) and men (Hebron). In addition, there have been meetings with Kingdom Impact, Netherlands. An evolution Group has been started for the older children and Core Club continued for the younger children.
Accord has expanded and grown considerably during the year with a new website going live in November, a Youtube channel and the team moving into a studio in February 2021.
Study journals were launched in July with weekly zoom meetings, in addition to the the daily teachings on Facebook. A monthly Book Nook Club online meeting was also launched.

Financial review

The work of the trust is entirely dependent on the voluntary offerings of people attending the various meetings that have taken place during the year.

The income of the year decreased by 24% to £58,714 (2020: £77,806). This includes amounts received under the Gift Aid system.

Risk management

The main risks faced by the trust are as follows:

a. Financial

This includes a serious decrease in the amount of income received and thereby causing the trust to be unable to meet its financial commitments. This has been mitigated by the trustees receiving regular financial updates and the close monitoring of the bank accounts.

b. Reputational

The trustees are aware that the main reputational risks stem from adverse publicity affecting the charity and those associated with it.
Although there could be many reasons for this to occur, the trustees seek to ensure that all aspects of the charity are regularly reviewed to ensure that they are being run accurately and effectively.
Particular attention is always paid to the varied works involving the children who attend meetings and the trustees ensure that people who lead these groups have the necessary qualifications and accountability.

Reserves policy

The trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately one month of unrestricted charitable expenditure. The trustees consider that this level will provide sufficient funds to enable financial commitments to be met and also give them enough time to review and revise ongoing commitments should a long term decrease in income be recognised.

At the 31st May 2021, the average expenditure for one month was £4,900.

The net unrestricted assets of the charity were £6,991.

The above policy has therefore been achieved at the year end.

Plans for the future

"In-person" Sunday meetings will be re-introduced as soon as the pandemic allows, together with the continuation of virtual links for those who cannot attend in person. Also, plans are in place for the necessary personal alignment process to take place prior to Congress WBN's Knock#3.
Accord will continue to expand and develop as the membership grows with bible studies and a daily devotional being launched.
It is anticipated that further input and oversight will be given to Kingdom Impact, Netherlands and the Kingdom Communities in Indonesia.

Structure, governance and management

The trust is a registered charity, number 702150 and is constituted under a Deed of Trust dated 25th May 1989.
The trust does not raise funds from the public and seeks to continue its charitable works through the careful stewardship of the donations from members.

New trustees are appointed by the existing trustees.

There are regular meetings of the trustees where they agree on the future broad strategy and areas of activity.
They also review the level of reserves, risk management policies etc. The day to day leading of the charity is delegated to the elders.

Structure, governance and management (Contd)

New trustees are chosen from the membership after showing continuous integrity and faithfulness to the charity. Before accepting the position, the potential trustee is given copies of the Trust Deed, previous financial statements and meets with the existing trustees for an overview of the plans of the charity for the future. Any training requests are quantified and arranged as necessary.

Key management personnel remuneration.

The trustees consider the Board of Trustees and the Elders as comprising the key management personnel of the charity in charge of directing and controlling the charity and running and operating the charity on a day to day basis. All trustees give their time freely and no trustee remuneration was paid in the year. Any related party transactions are detailed in the notes.

Trustees are required to disclose all relevant interests and are required to withdraw from decisions where a conflict of interest arises.

The amounts paid to the Senior Elder and others are reviewed regularly by the Board of Trustees.

Trustees' responsibilities in relation to the financial statements

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements in each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing the financial statements, the trustees are required to:

* select suitable accounting policies and then apply them consistently;
* observe the methods and principles in the applicable Charities SORP;
* make judgments and estimates that are reasonable and prudent;
* state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
* prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent Examiner's Report to the Trustees of:

I report on the accounts for the trust for the year ended 31st May 2021 which are set out on pages 8 to 12 .

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

* examine the accounts under section 145 of the Charities Act
* follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the Charities Act, and
* to state whether particular matters have come to my attention

Basis of independent examiner's report

My examination was carried out in accordance with the General Direction given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees on any such matters. The procedures undertaken do not provide all the evidence that would be required by an audit, and consequently no opinion is given as to whether the accounts present a "true and fair" view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements

to keep accounting records in accordance with section 130 of the Charities Act, and

to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the Charities Act

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
