

TREASURER

TRUSTEE ACCOUNT REPORT

Bakewell and District Friday Group

Registered Charity No. 702226

Year 2021-22

The year was still badly affected by the Covid Pandemic and we were not able to attend until later in the period.

The income and expenditure was typical until we received a legacy from Betty Robinson's estate of £22,000 which was part of the amount we are due. This has been a boon for the club and we are very glad of the stability this has brought.

The Group voted to spend some of this money on a dishwasher to be sited at the Medway Centre so that the helpers are given an easier job.

Now that Covid seems to be receding we hope that our meetings will take place normally from now on.

End.
