Trustees' Report for the year ended 30 September 2022

Review of Activities and Performance

On 16 February 2022 Peak Rail unexpectedly suffered the loss of their long -time Managing Director: Mrs Jackie Statham. Mrs Statham had already appointed Mr Mark Sealey to help her run Peak Rail, however, rather than helping, Mr Sealey became the new Managing Director.

As with any change of this magnitude the dynamics have changed, so incurring a new rental agreement being proposed by Peak Rail to The South Yorkshire Railway Co. Ltd - Heritage Shunters Trust, this being the sum of £200 a month, which would commence sometime in 2023.

Mr Sealey did inform our organisation that they would allow us more access to run locomotives on Peak Rail's line to generate extra income, to offset this extra outgoing, given that we meet the necessary safety criteria.

A very labour-intensive repair on the Company's 09 Locomotive may preclude this at the present time due to the amount of time and labour being spent on the 09's repair. The restoration of 03180 which is privately owned is also the other major project being undertaken in this period, this restoration is being privately funded. One Gala was run in 2022, the footfall was down on our usual Galas, most probably due to the excessive rises in the cost of living.

Financial Review

The charity reports a surplus of £23,610 (2021: Surplus £4,346) after charging depreciation of £7,911 (2021: £7,434), for the year under review. Unrestricted reserves amount to £172,241 (2021: £148,631) at the year-end.

Investment powers and policy

In accordance with the charity's Memorandum and Articles of Association, the trustees have the power to borrow and invest in any way they so wish.

Reserves Policy

It is the policy of the charity to maintain unrestricted funds which are free reserves of the charity which can be used in furtherance of its objectives. This provides sufficient funds to cover the management, administration and support costs and to respond to other projects which the charity may wish to support in the future. The free reserves of the charity are its unrestricted funds excluding those in the form of fixed costs. Free reserves at 30 September 2022 were £30,932 compared to £21,003 at the end of the previous year.

The trustees have assessed the major risks to which the charity is exposed and are satisfied that systems are in place to mitigate exposure to these risks.

Going concern

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. In view of this expectation, the trustees continue to adopt the going concern basis for preparing the financial statements.

Statement of trustees' responsibilities

The trustees (who are also directors of The South Yorkshire Railway Company Limited for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and regulations.

The South Yorkshire Railway Company Limited
(A company limited by guarantee)

Trustees' Report for the year ended 30 September 2021

Company law requires the trustees to prepare financial statements for each financial year. Under that law the Trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

2.7. Financial instruments

Financial instruments are classified and accounted for, according to the substance of contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

2.8 Impairment losses

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

3 Trustees' remuneration and related party transactions

- a) No remuneration was paid to any trustee in their capacity as a trustee.
- b) During the year under review, the costs of certain repairs, small items of equipment, stationery and other expenses were paid for by trustees using their own funds on behalf of the charity and subsequently reimbursed. Trustees' Report for the year ended 30 September 2021

Review of Activities and Performance

As expected, due to the Covid pandemic, an incredibly quiet year for our Charity. Due to the new regulations no events have been hosted, and neither have we had the opportunity to source any income, from potential visitors. We have maintained a limited presence at Rowsley for preventative maintenance and frost precaution measures, all permissible under the latest covid regulations, as set out by the Government. This has also entailed purchasing further intelligent battery chargers

Before the regulations were stepped up to the current level, we fitted a new pitched roof over our mess cabin, to ensure it was watertight. Along with this improvement, we also upgraded the outside area to a new concrete patio, laid by ourselves, with a wooden fence constructed around, which was also completed by our group. The cabin itself is also having a total repaint on the exterior to improve its cosmetic appearance, this work has now been left in abeyance until the covid regulations are again relaxed.

We have continued to publish our quarterly magazine for our membership throughout the pandemic.

Financial Review

The charity reports a surplus of £4,346 (2020: Surplus £689) after charging depreciation of £7,434 (2020: £285), for the year under review. Unrestricted reserves amount to £148,631 (2020: £144,285) at the year-end.

Investment powers and policy

In accordance with the charity's Memorandum and Articles of Association, the trustees have the power to borrow and invest in any way they so wish.

Reserves Policy

It is the policy of the charity to maintain unrestricted funds which are free reserves of the charity which can be used in furtherance of its objectives. This provides sufficient funds to cover the management, administration and support costs and to respond to other projects which the charity may wish to support in the future. The free reserves of the charity are its unrestricted funds excluding those in the form of fixed costs. Free reserves at 30 September 2021 were £21,003 compared to £15,080 at the end of the previous year.

Going concern

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. In view of this expectation, the trustees continue to adopt the going concern basis for preparing the financial statements.

Statement of trustees' responsibilities

The trustees (who are also directors of The South Yorkshire Railway Company Limited for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under that law the Trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
