Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To rescue greyhounds, abandoned or other. Keeping them in a safe environment at our kennels. Giving them veterinary care whenever needed. Our outcome is to rehome our greyhounds into family homes ensuring that all checks are fully carried out by our trustees, such as fencing, garden etc. Also checks with the family vet & the family working hours and so on. We take a serious look at everything in the new home & make sure that the dogs are going to a safe responsible loving home. We then help our new owners with any advice they may need on their new dog. We educate the general public on what happens to many of these dogs and indeed how easy they are to care for, quickly adapting to new scenarios as they are not demanding dogs and make wonderful pets.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Greyhounds are rescued from trainers, vets, police etc. They are rehomed into family homes where we know they will be properly cared for & safe after our checks have been carried out. These dogs would otherwise be facing being destroyed or passed into unsuitable hands. All dogs are neutered/spayed.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	Our trustees educate within the general public what these dogs can face at a very young age being destroyed or worse etc. We educate on the ease of ownership of a greyhound, their personalities and routine behaviour. This is done with regard of the Charity Commissions guidelines on public benefit.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The rescue is still very much in demand with dogs needing care so we continue to take them from trainers, police, vets & families who cannot cope anymore. Rehabilitation has been a major job this year in particular two greyhounds that have had abuse in their past, they are both now in loving homes, so the hard work has been worthwhile. We have rehomed greyhounds whose family circumstances have changed. This year there has been a rise with this dilemma in fact it has almost doubled.

Achievements against objectives set	Para 1.41	Our only objectives are to rescue dogs in need and rehome them successfully & safely into the right family. This year our adoption scheme has been as good as previous years. Although as mentioned dogs from families have had to take priority and be rehomed before kennel dogs.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	Even though the financial environment is a massive challenge, we are still running as normal.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	Our reserves are to secure the future of the rescue and to cover any unexpected costs, of which has been the case this year.
Amount of reserves held	Para 1.22	142,717.54
Reasons for holding zero reserves	Para 1.22	N/A
Details of fund materially in deficit	Para 1.24	N/A
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	N/A

Additional information (optional)

You may choose to include further statements where relevant about:

The charity's principal sources of funds (including any fundraising)	Para 1.47	Fundraising has not been very successful as there are still illnesses with some of our trustees and our main financial help has been through the kindness of legacies and grants.
Investment policy and objectives including any social investment policy adopted	Para 1.46	Trustees, volunteers, new owners all work hard to maintain this rescue.
A description of the principal risks facing the charity	Para 1.46	Still the rising cost of feed, heating, vets etc is a massive hit to charities and we are no different. This is the main reason why families who already have a greyhound are struggling financially and we have to step in to help. We imagine these circumstances will only get worse as rising costs affect our own suppliers and the general public. Even our own premises, keeping it going, has become expensive due to cost of materials etc. So, no matter what you have to do, prices are all affected, which is a big hit for everyone.

Trustees Annual Report

YEAR 2021 - 2022

This year has been financially such a savior for this charity. After the year before where all charities struggled due to covid, it certainly struck us extremely hard. Overnight we lost our main supporters and our own efforts made for fundraising were impossible, things were indeed very bleak. We have to thank our supporters this year for donations, for thinking of Greyhound Rescue where legacies are concerned and thank individual trusts for their kind grants as they have financially backed us with for everyday running costs, feed, veterinary care, heating costs etc.

Re-homing

During the last 2 years we have managed to re-home many greyhounds. It was hard at the beginning as everything had to be done under different rules, also due to covid. None of our rescues were re-homed to individuals on the furlo scheme as the fear was that these people would be going back to their work and suddenly of course, the dog would be left more hours than we allow meaning problems would occur.

Careful re-homing has always been and will continue to be our policy.

Trustee meetings

We are thankful that Trustees meetings are again on schedule, as the year before was terrible to plan, although thankfully we had Zoom and Facetime etc. Our meeting now give better results and are more productive.

Due to our main fundraising being lost or at least become very unstable, we have decided to get involved with craft products which we feel will sell. All trustees are in agreement that this may be the way to go because covid has made such a difference to fundraising at certain events and indeed our supporters fundraising efforts - most of our fundraisers still prefer outdoors events etc.

We can sell our own crafts at events but also through online platforms.

We still feel that the future is very unsure because of covid rising and the restrictions this may cause.

Of course we are also facing the cost of living crisis which is yet another blow to our finances, therefore we are always looking at new ways of saving on costs but obviously this is becoming even more difficult. We are hoping for better times.

2021-2022 financially, has helped Greyhound Rescue truthfully survive and as it is with a massive thank you to every one of our supporters for their wonderful help and we look forward to your continued support.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. Delete [] if not applicable.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
