

# Trustees Annual Report

## **YEAR 2021 - 2022**

---

This year has been financially such a savior for this charity.

After the year before where all charities struggled due to covid, it certainly struck us extremely hard. Overnight we lost our main supporters and our own efforts made for fundraising were impossible, things were indeed very bleak.

We have to thank our supporters this year for donations, for thinking of Greyhound Rescue where legacies are concerned and thank individual trusts for their kind grants as they have financially backed us with for everyday running costs, feed, veterinary care, heating costs etc.

### **Re-homing**

During the last 2 years we have managed to re-home many greyhounds. It was hard at the beginning as everything had to be done under different rules, also due to covid. None of our rescues were re-homed to individuals on the furlo scheme as the fear was that these people would be going back to their work and suddenly of course, the dog would be left more hours than we allow meaning problems would occur.

Careful re-homing has always been and will continue to be our policy.

### **Trustee meetings**

We are thankful that Trustees meetings are again on schedule, as the year before was terrible to plan, although thankfully we had Zoom and Facetime etc. Our meeting now give better results and are more productive.

Due to our main fundraising being lost or at least become very unstable, we have decided to get involved with craft products which we feel will sell. All trustees are in agreement that this may be the way to go because covid has made such a difference to fundraising at certain events and indeed our supporters fundraising efforts - most of our fundraisers still prefer outdoors events etc.

We can sell our own crafts at events but also through online platforms.

We still feel that the future is very unsure because of covid rising and the restrictions this may cause.

Of course we are also facing the cost of living crisis which is yet another blow to our finances, therefore we are always looking at new ways of saving on costs but obviously this is becoming even more difficult. We are hoping for better times.

2021-2022 financially, has helped Greyhound Rescue truthfully survive and as it is with a massive thank you to every one of our supporters for their wonderful help and we look forward to your continued support.
