TRUSTEES' REPORT
FOR THE YEAR ENDED 30 SEPTEMBER 2021

The trustees and directors present their trustees report for the year ended 30 September 2021.

ADS did not deliver any services during the year commencing 1 October 2020.

All ADS service delivery contracts had ended by 31 March 2020 and all premises owned by ADS had been disposed of by December 2020. Staff still in ADS's employment on 1 October 2020 left by 31 July 2021 except for those retained on an ad-hoc basis to complete the winding-down process and to service the board of trustees.

Against this background, it remained for trustees to consider whether or not to dissolve the charity. As the Covid pandemic was on-going, trustee meetings were held "virtually" on-line via "Zoom". At the board meeting held (on-line) on 19 March 2021, it was decided not to dissolve the charity but to refocus it to provide localised, place-based, community support to those affected by alcohol and drug misuse initially within the Greater Manchester conurbation. Four trustees, who did not support the refocussing proposal resigned from the board by 23 March 2021. Lady Rhona Bradley, ADS's former chief executive, was appointed as a trustee with effect from 1 August 2021 and plans were made for the recruitment of additional trustees in the future.

Two former staff members were recruited on a self-employed part-time basis with effect from 1 August 2021 to develop the refocussed ADS.

The year closed with ADS having total funds carried forward of £208,681, which trustees consider sufficient to develop the refocussing of the charity.

Governance

The body responsible for the overall governance of the Charity is the Board of Trustees. Trustees are appointed by ordinary resolution of the Board of Trustees.

Normally the Board meets at least four times a year for its ordinary meetings.

New trustees are given a comprehensive induction programme by the Chief Executive that includes background on the history and aims and objectives of the Charity, along with clear guidance on the roles and responsibilities of trustees. At the end of the induction period, new trustees are given a Governance Handbook that clearly sets out their roles and responsibilities.

The Board strives to maintain an appropriate mix of skills and experience within its membership and has the power to co-opt additional trustees for a period of up to one year. The number of co-opted trustees cannot exceed one third of the normal board membership. Due to the current status of the Charity, the Board is meeting on an ad-hoc basis as necessary.

Responsibilities of the Board of Trustees Regarding the Financial Statements

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with charity and company law.

Company law requires the Trustees to prepare financial statements for each financial period. Under that law the Trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of its income and expenditure for that period. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 SEPTEMBER 2021

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees also confirm that as far as they are aware, there is no relevant audit information of which the Charity's auditor is unaware and they have taken all steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the Charity's auditor is aware of that information.

INDEPENDENT EXAMINER'S REPORT
FOR THE YEAR ENDED 30 SEPTEMBER 2021

Independent Examiner's Report to the Trustees of ADS (Addiction Dependency Solutions) ('the Company')

I report to the charity Trustees on my examination of the accounts of the Company for the year ended 30 September 2021.

Responsibilities and Basis of Report

As the Trustees of the Company (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Company's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Company's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Company's Trustees those matters I am required to state to them in an Independent Examiner's Report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Company and the Company's Trustees as a body, for my work or for this report.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2021

1. General information

The entity is a private company limited by guarantee without share capital and was incorporated within the United Kingdom.

The registered office address is 21 Range Road, Manchester, England, M16 8FS.

The accounts are prepared in GBP (Sterling).

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The financial statements have been prepared under the historical cost convention and incorporate the results of the principal activity which is described in the directors' and trustees' report and which is continuing.

Addiction Dependency Solutions meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note. The financial statements have been prepared in Pound Sterling as this is the currency of the primary economic environment in which the company operates.

2.2 Going concern

The sale of 87 Oldham Street in December 2020 generated a surplus of £101,275 which, once added to other cash reserves, enabled the charity to commence the 2020/2021 financial year with cash at bank in excess of £200,000. This accorded with the financial forecasts made by the board previously. The board decided on 23 March 2021 to refocus ADS to provide community based services outside the framework of formal contract-based local authority services. Trustees considered an indicative budget of circa £50,000 for getting the refocussed service up and running and its subsequent running costs for its initial couple of years. It is hoped that the service will eventually attract grant funding and donations to support and develop it further. Two part time staff were appointed to lead and develop the refocussing and have made, at the time of signing this report, considerable progress in doing so.

On the basis of the above, and considering the cash and reserves position of the charity, the trustees are satisfied that the charity can meet its liabilities as they fall due for a period of at least twelve months from the date of approval of these financial statements. The trustees are of the view that it is appropriate to adopt a Going Concern basis for the preparation of the financial statements.

2.3 Income

Income credited to the financial statements represents those amounts receivable during the accounting year.

2. Accounting policies (continued)

2.4 Expenditure

Expenditure charged to the financial statements represents amounts incurred during the financial Year including value added tax.

Direct charitable expenditure comprises services supplied and activities undertaken which are identifiable wholly or mainly in support of the Charity's activities. Support costs represent costs such as finance, HR, training, IT support, estate and property management and general administration.

Cost of generating voluntary income is attributed to the salary cost of staff involved directly in fundraising activities. Governance costs comprise legal and professional fees for advice and support in relation to the corporate governance of the Charity.

All costs include an appropriate proportion of general overheads and staff costs directly attributable to the activity. Where costs cannot be directly attributed they have been allocated to activities on a basis consistent with the use of resources, principally staff numbers.

Redundancy and Termination costs are recognised at the point at which an obligating event occurs. All amounts are contractual.

2.5 Fixed assets

Fixed assets are stated at cost or valuation less accumulated depreciation. Fixed asset expenditure on an item of £1,000 or less is written off in the year in which it is incurred.

Investment in Bespoke Software is classified as Intangible Assets.

Improvements to leasehold buildings other than regular maintenance will be classified as Leasehold Improvements and included as Fixed Assets.

Depreciation is provided to write off the cost of fixed assets over their estimated useful economic lives, on a straight line basis, at the following annual rates:-

- Freehold Premises: No depreciation on land
- Buildings: No depreciation in year of acquisition then 2% on deemed cost or valuation
- Leasehold Improvements: 33%

2.6 Pension contributions

The Charity contributes to defined contribution personal pension schemes on behalf of its employees. The assets of these schemes are held separately from the Charity in independently administered funds. The Charity also contributes to the pension schemes of staff TUPE transferred. 2.9 Lease and rental payments

2.10 Expenditure Apportionment

Expenditure is allocated to the particular activity where the cost relates directly to that activity. However, the overall direction and administration on each activity, comprising the salary and overhead costs of the central function, is apportioned on the basis of the number of full time equivalent staff delivering the activity as a percentage of the total full time equivalent service delivery staff.

Due to the inherent subjectivity involved in making such judgements, estimates and assumptions, the actual results and outcomes may differ.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, if the revision affects only that period, or in the period of the revision and future periods, if the revision affects both current and future periods.
