### **TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2025**

The Managing Committee present their report and financial statements for the year ended 31 March 2025. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland effective 1<sup>st</sup> January 2019.

The Foundation administers two Charities. They operate schemes set out in the document N54 (S), Sealed on 3 March 1981. The number of the scheme is

L4  
627,703 PT. III

#### **Charity No. 1 Objectives, Organisation and Activities**

The Charity is regulated by a Scheme made by the Board of Education on 15 May 1914. It is called the Risley Educational Foundation and its objectives are to administer the properties owned by the Trust, and to administer the funds of the Trust; to make grants to individual young people, to make grants to schools for educational purposes not provided by the Local Education Authority and to make grants to Church of England Sunday Schools in the area of benefit of the Trust.

The Charity's main objectives are:-

- Promoting instruction in Church of England doctrines.
- Provision of special benefits for schools within the area of benefit.
- Provision of grants for further education, assistance in purchase of books or equipment, assistance with educational travel, help in study of music and other arts and promoting social and physical training within the civil parishes of Church Wilne with Draycott and Breaston, Stanton by Dale with Dale Abbey, Sandiacre and Risley with Hopwell.

There is one employee employed as a clerk to the Charity, Mrs E Warren who currently receives an annual stipend of £3,500 per annum. The Trustees meet at least every quarter and at such other times that their business requires it. They consider individual applications for grants and ensure that the requirements of the Charity Commission as set out in the scheme are fully met. They inspect the properties and land owned by the Trust and aim to maintain them in good order. New Trustees undergo an induction to ensure they have a good background knowledge of the charity and of the day to day procedure and that their responsibilities are clearly understood.

#### **Public Benefit**

The trustees confirm that the Charity's activities are widespread in the community and confirm they have complied with their duties under section 4 of the 2006 Charity Act with regard to public benefit.

#### **Review of Achievements and Performance**

During the past year the Trustees have made grants to the six schools in the area of benefit for the instruction of their pupils in music totalling £19,521.67 (The grant to Friesland School totalled £10,449.60, the grant to Firfield School totalled £3,444.00, the grant to Cloudside Academy totalled £2,226.00 and the other three grants were less than £2,000 each). They have made four grants to Sunday Schools in the area of benefit totalling £3,050.88 and they have made eighty-eight individual grants to young people under the age of 25 totalling £52,800.00. This year the grant to individuals was £600 each grant application.

They maintain a programme of repairs on the houses they own and through their property agents, Northwood Nottingham. Their land agents Miller & Miller (Sheffield) have made significant progress with updating and issuing new agricultural tenancies to both existing tenants and new ones due to the passing of previous tenants. They have also employed the services of a firm of solicitors, Freeths LLP to update the charity scheme and this is still awork in progress with the Charity Commission now holding the information to update the scheme. They will continue actively to increase the number of grants they make to individuals as well as to review the grants made to local schools.

### **TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2025 – CONTINUED**

#### **Financial Review**

The Trust is reliant on the income from its investments, the income of which was £85,607. This facilitated a continued level of charitable activity, with £77,803 spent on charitable activities in the form of grant funding to academic schools, Sunday schools and individual scholarships in accordance with the Constitution.

#### **Finances**

The attached financial statements show the state of finances which the Trustees consider to be sound.

#### **Grantmaking Policy**

In accordance with the Trust Scheme the Trustees can make grants to a maximum of 5% of income to Sunday Schools in the area of benefit, 25% of income to schools in the area of benefit and the balance to individuals who satisfy the criteria of the scheme, in the area of benefit. Grants have been awarded as described above.

#### **Reserves Policy**

The trust aims to hold an adequate level of reserves to enable

- 1) A programme of planned maintenance on the properties it owns.
- 2) Make necessary improvements to the properties.
- 3) Protect against declines or interruptions to income.
- 4) Provide for fluctuations in income or expenditure.

At present the level of reserves held are adequate for the purposes detailed.

#### **Investment Policy**

The land and buildings owned by permanent endowment are the Charity's major investment. The buildings are maintained to a high standard to maximise the total return on these assets.

Medium term funds are held with COIF and Charifund. These are reviewed regularly.

The objectives of the investment policy are to ensure that assets are suitably invested to sustain good returns in the current market situation. This year's performance reflected market conditions and was considered to be satisfactory by the trustees.

### **NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2025**

#### **1. Accounting Policies**

The financial statements have been prepared in accordance with the Church Accounting Regulations 2006 together with Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) effective 1<sup>st</sup> January 2019, and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102) and Charities Act 2011. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

The charity constitutes a public benefit entity as defined by FRS102.

The Trustees' consider that there are no material uncertainties about the charity's ability to continue as a going concern.

a) **Income**

This is accounted for on a receivable purpose in the period to which it relates.

b) **Investments**

COIF income and accumulation shares are valued at the mid-price on 31 March 2025 and the Charifund Units at their bid price on 31 March 2025.

c) **Grants Payable**

Details of grants are shown in the Trustees' Report.

d) **Unrealised Gains and Losses**

Unrealised gains and losses on revaluation of investment assets are included in the Statement of Financial Activities.

e) **Interest Receivable**

Interest on funds held on deposit is included when receivable and the amount can be received reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

#### **Resources Expended**

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Support costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the audit fees and costs linked to the strategic management of the charity.
- All costs are allocated between the expenditure categories of the SOFT on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly; others are apportioned on an appropriate basis.

#### **Tangible Fixed Assets**

All fixed assets are capitalised at cost, where considered appropriate to capitalise. Those purchased by specific gifts and grants have been written off fully in the year of gift.

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Freehold Land and Building                      -                      No charge for depreciation (included as investment properties)

No depreciation is charged on land and buildings as the residual value is believed to be higher than historical cost.

## **RISLEY EDUCATIONAL FOUNDATION**

### **NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2025 - CONTINUED**

#### **Debtors**

Debtors are recognised at the settlement amount owed to the Charity or prepaid.

#### **Creditors**

Creditors and provisions are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party, and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount.

#### **Financial Instruments**

The Charity has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

#### **Investments**

Listed investments held as current assets are revalued throughout the year at mid-market value at the balance sheet date and the gain or loss on revaluation and disposals taken to the Statement of Financial Activities.

#### **Judgement and Key Sources of Estimation Uncertainty**

The preparation of accounts using generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the accounts and the reported amounts of revenues and expenses during the reporting period.

The key estimates and assumptions used in the Financial Statements are detailed in the accounting policies.

#### **2. Summary of Net Assets by Funds**

Original lands and investments endowed to the foundation are permanently endowed funds, however the income arising is unrestricted for the pursuance of the Charity's objects.

#### **3. Accountancy Charges**

Independent Examination following accounts preparation £1,500 (2024: £1,500).

4. The Charity employs one clerk who is involved in the management and administration of the Charity. Total gross stipend amounted to £3,500 (2024: £3,000). Mileage and expenses reimbursed during the year to the Clerk totalled £325 (2024: £nil). There are no employees earning more than £60,000.

#### **5. Trustee Expenses and Related Parties**

Neither Trustees nor any person connected with them has received or is due to receive any expenses or remuneration for the year either directly or indirectly from the Charity's funds.  
There are no other related party disclosures.

#### **6. Freehold Interest in Land & Buildings**

The Freehold Land and Buildings shown at the 31 March 1991 valuation of £220,250 constitute assets held by the charity to generate rental income. No value has ever been placed on land and buildings known as the English School and a building known as Latin School as their use is restricted to educational purposes and a minimal rental income is received. In any event all these assets are held as permanently endowed funds.

It is the opinion of the Trustees that the current value is in excess of that figure.

The Trustees do not consider the expense of revaluing the Freehold Land and Buildings to be justified given the restrictions on the use, and have therefore used the transitional provision of FRS102 to deem the 31 March 1991 value as cost.

**16. PRIOR YEAR ADJUSTMENT – CORRECTION OF OTHER INVESTMENTS AND CURRENT ASSETS**

During the preparation of the 2025 financial statements, it was identified that an investment of £137,244 (2024) was included in current assets rather than other investments within the balance sheet. It was also discovered that the unrealised gains of from the investment had been incorrectly classified as income.

Although these errors had no effect on total surplus, or performance of the charity, it did impact the presentation of the balance sheet and statement of financial activities. The error has now been corrected through a prior year adjustment, and the comparative figures for 2024 have been restated accordingly.
