## **REPORT OF THE TRUSTEES for the Year Ended 31 July 2025**

---

The trustees present their report with the financial statements of the charity for the year ended 31 July 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

### **OBJECTIVES AND ACTIVITIES**

#### **Objectives and aims**

The objectives, for which the Association is formed, are to provide, further and assist in the provision of training and education for persons employed or intending to be employed in road transport related employment or such other activities as may benefit from the training services provided by the Association, and generally to supervise and further the industrial training of such persons.

#### **Significant activities**

The major part of the GTA's activities is the recruitment, selection and training of young people wishing to enter the motor industry as a career.

The management committee are mindful of the 'public benefit' guidance issued by the Charity Commission. They consider that there is significant public benefit in the activities of the Association, for instance in:

- Taking young people off the NEET (Not in Education, Employment and Training) register;
  - Giving them economically beneficial skills;
  - Training young people throughout an apprenticeship and on to a career;
  - Supporting and developing local business with recruitment, training and health & safety guidance;
  - Working with local schools, broadening their curriculum offer with vocational qualifications;
  - Linking school pupils with local employers for work experience; and
  - Working with Special Education Needs Schools to broaden the curriculum, give the students life skills and experience of the working environment.
- In addition
- Upskilling the current motor vehicle technicians with new technological training and development
  - Supporting local schools and local councils with careers advice and guidance

All apprentices are employed by member and associate companies, and assessment and monitoring of their progress is carried out by GTA staff.

The GTA is a Training Centre Regulated by OFSTED and listed on the ESFA Register of Approved Apprenticeship Providers.

We are an assessment and training centre approved by the Institute of the Motor Industry Awards Limited (IMI Awards Ltd) and the Skills and Education Group Awards. Off the job training for standards is delivered by the GTA. Apprentices are trained as technicians for Level 3 Automotive Retail Motor Vehicle Service and Maintenance Technician (light vehicles) as well as the Level 2 Auto-care technician standard..

The GTA continues to expand its training offer for the industry along with study programmes, functional skills and skills bootcamps. This is delivered entirely by the GTA with elements of work experience, hopefully leading to a full apprenticeship on successful completion. Although the majority of delivery is completed with the Institute of the Motor Industry Awarding Body and the Skills and Education Group we deliver the Apprenticeship standard via Autoexcel. We also deliver GCSE English and Maths to Study Programme students who require a level 2 and did not achieve a grade 4 at school.

**ACHIEVEMENTS AND PERFORMANCE**

**Charitable activities**

The number of Apprentices on the books, currently stands at 37 level 3 and 27 level 2. Total 64 compared to 78 last year.

This year, the Government QAR rates standing at:

67.7% Achievement rate

67.7% Retention rates

100% Pass rate.

We continue to develop and improve our delivery and service to enable successful delivery of our mission statement. Our study programme achievement improved from 2023/24 60% to 2024/25 75%.

Accepting invitations to attend careers events continue to be a high priority.

The GTA website continues to be a valuable source of information to career advisors and schools and is currently being updated and given a complete overhaul. In association with Hull Training, Connexions and the Consortium for Learning, the GTA actively operates the online application process.

We continue to be inspected by all Awarding Bodies and we have no actions identified which is an excellent outcome and demonstrates the quality of delivery across all our training and qualifications.

The Study Programme provision was part of the Hull Training provision graded as good by OFSTED in February 2022 and the GTAs Apprenticeship provision was graded good by OFSTED in November 2021 (the GTA is now scope for an Ofstead inspection).

**Internal and external factors**

Savings continue to be made by finding alternative contract work and diversifying delivery. In addition, significant staff changes have been made. Staffing levels (13) are now at a minimum to cope with current work levels.

**FINANCIAL REVIEW**

**Financial position**

The results for the year ended 31st July 2025 show a net surplus of £22,543 (2024: £23,171).

The total funds at the balance sheet date, all of which are unrestricted, are £1,051,861 (2024: £1,029,318).

**Principal funding sources**

As noted under 'significant activities', the main source of funding continues to be from the Skills Funding Agency for our Apprenticeship programme, Hull Training for our Study programme and Skills Bootcamp, as well as Winifred Holtby School and through private contracts.

**FINANCIAL REVIEW**

**Investment policy and objectives**

The trustees' investment powers are governed by the Constitution, which permits the Charity's funds to be invested. The Charity's investments have continued to be managed in conformity with our policy and the Constitution.

**Factors that could affect the financial performance and position going forward**

- Loss of sub contract due to poor performance or poor delivery
- Loss of direct contract due to poor performance or poor delivery
- Poor OFSTED Inspection resulting in an inadequate grade
- Poor reports from Awarding Body EQAs, due to poor practice resulting in serious sanctions
- Inability to recruit appropriate students
- Lack of employment opportunities for future Apprentices

No such occurrences have happened in 2024/2025 or expected in 2025/2026

**Reserves policy**

The committee believes that the appropriate level of free reserves which are not invested in tangible fixed assets should be an amount representing approximately 12 weeks' expenditure.

At the balance sheet date, this would equate to around £157,000 (2024: £115,000)

Using the strict interpretation of 'free reserves', the charity's level of free reserves is not meeting this target at the balance sheet date, standing at (£21,349) (2024: £6,890).

However, adjusting the 'free reserves' by the mortgage that is secured against the property, the level of free reserves at the balance sheet date is £112,869 (2024: £159,373).

We continue to invest in new equipment and our facilities to increase business and the professional image of the Association, our focus in the medium term is to bring the reserves of the charity back to the appropriate level by means of annual operating surpluses, judicious management of investment assets, and by investigating alternative organisational arrangements, which would have a beneficial effect on the generation of funds. This appears to have been effective as demonstrated in this years accounts compared to 5 years ago.

The accounting policy in respect of fund accounting is given in Note 2 to the financial statements.

Note 19 to the financial statements shows the net movements for the year on the general fund. No other funds existed during the year.

### **FUTURE DEVELOPMENTS**

In line with the government's new funding arrangements and our business plan, the GTA delivers all apprenticeships directly to employers and has become a well established assessment centre for the delivery of the synoptic end point assessments required for the new Apprenticeship Standards. As planned, this has improved the pass rate to 100%.

We continue to plan to deliver more privately funded and skill boot camp related programmes alongside our traditional apprenticeship and advanced apprenticeship offers.

We continue to focus on developing direct delivery relationships with local schools, delivering our wide range of vocational qualifications as part of their curriculum offers.

We continue with our policy to reduce borrowing. This reduced significantly from £360,000 in 2009 to £134,217 in July 2025 (2024: £152,483). Although, we subsequently needed to borrow a further £60,000 from Nat West Bank via the CIBLS scheme in 2020 to secure the Association due to the impact of the COVID Pandemic. In 2020/21 we paid £10,000 off the CIBLS loan and converted this to a Bounce Back loan (BBL), with lower interest charges, in 2025 this stands at £12,421 (2024: 22,343). Total borrowing is now down to £146,638 from £174,826.

Although still working under tremendous external pressures, the GTA has made significant improvements to its operating structure, financial position and assets over the past year.

### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

#### **Governing document**

The Association is an unincorporated charity, registered in England, governed by a constitution adopted on 1st May 1972 (as amended on 26th April 1990, 3rd December 2008, 11th September 2013 and 14th October 2015 and 28th November 2019).

As an unincorporated charity, contracts are delivered on behalf of the Trustees by the GTA and similarly staff are employed by the Trustees on behalf of the GTA.

#### **Recruitment and appointment of new trustees**

New trustees of the Association are appointed by the management committee and duly inducted into the roles and responsibilities of a trustee.

#### **Organisational structure**

The management committee is the governing body of the Association, and consists of one representative appointed annually by each member.

Members of the Association are local organisations who provide apprenticeships to trainees.

Trustees delegate day to day management to the Director of Training and Director of Teaching and Learning.

---

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Risk management**

The trustees regularly review risks to which the charity is exposed to and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

**Current risks:**

- Loss of sub contract due to poor performance or poor delivery
- Loss of direct contract due to poor performance or poor delivery
- Poor OFSTED Inspection resulting in an inadequate grade
- Poor reports from Awarding Body EQAs, due to poor practice resulting in serious sanctions
- Inability to recruit appropriate students
- Lack of employment opportunities for future Apprentices
- Change in government policy
- Inability to replace current staff
- Inability to replace trustees

Part of the strategy to reduce risk is to continue to increase the range and volume of the delivery of full cost Adult Education courses.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF  
NORTH HUMBERSIDE MOTOR TRADES GROUP  
TRAINING ASSOCIATION**

**Independent examiner's report to the trustees of North Humberside Motor Trades Group Training Association**  
I report to the charity trustees on my examination of the accounts of North Humberside Motor Trades Group Training Association (the Trust) for the year ended 31 July 2025.

**Responsibilities and basis of report**

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

**Independent examiner's statement**

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**1. CHARITY INFORMATION**

North Humberside Motor Trades Group Training Association is a registered charity. Its charity number is 702894 and the principal address is 12 Henry Boot Way, Priory Park East, Hull, HU4 7DY.

**2. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investment properties as explained below.

The presentation currency of the financial statements is the Pound Sterling (£).

Having regard to liquidity risk, current market conditions and other factors affecting the charity, the use of the going concern basis of accounting is appropriate as, in the opinion of the trustees, there are no material uncertainties related to events or conditions that may cast significant doubt about the ability of the charity to continue as a going concern.

**Legal Form**

The charity is an unincorporated entity, registered with the Charity Commission.

**Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

**Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

**Allocation and apportionment of costs**

Governance staff costs are apportioned at 5% of support staff costs.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- 2% on cost excluding land
Fixtures and fittings	- 10% on cost
Motor vehicles	- 25% on cost
Computer equipment	- 25% on cost

**Taxation**

The charity is exempt from tax on its charitable activities.

**22. CONTINGENT LIABILITIES**

Upon any sale of the freehold property, the charity would be liable to pay Hull City Council a proportion of the proceeds of the sale.

This agreement was based on the original property, and would amount to 44% of the proceeds of sale of that property.

If the property were sold for proceeds equal to its carrying value in the accounts, this would crystallise a liability to Hull City Council of £440,000.

As there is currently no intention to sell the property, this liability has not been recognised in these financial accounts.
