Trustees' Annual Report

For the year ended 5 April 2025

1. Objectives and Activities

The charity's object is to promote the development of young people in achieving their full physical, intellectual, social and spiritual potential as individuals, as responsible citizens, and as members of their local, national and international communities.

The 46th Rotherham Scout Group operates under the policies and principles of The Scout Association and delivers a balanced programme of Scouting activities for young people aged 4 to 14 years. Activities are designed to develop teamwork, confidence, leadership and practical skills through meetings, camps and community involvement.

2. Public Benefit Statement

The trustees confirm that they have had regard to the Charity Commission's guidance on public benefit when reviewing the charity's aims and planning its future activities.

The group provides an inclusive programme open to all young people regardless of faith, background or ability, offering clear public benefit through skill development, citizenship and community service.

3. Achievements and Performance

During the year the group successfully delivered its full Scouting programme, maintaining weekly meetings and providing outdoor activities and camps.

Membership has continued to grow, reflecting the commitment of leaders and volunteers to provide a varied and high-quality programme.

Significant progress was also made in improving the group's headquarters building, ensuring the facility remains safe, functional and welcoming for all users.

Hall hire to community groups provided both income and engagement with the wider local area.

4. Financial Review

Total income for the financial year ended 5 April 2025 was **£33,895.36**, primarily from subscriptions, fundraising, donations, and hall hire.

Total expenditure amounted to **£27,316.11**, including costs associated with building improvements, activity expenses, insurance, utilities and general running costs.

The resulting year-end balance was **£16,561.15**, which the trustees consider satisfactory and sufficient to support continued operations and planned future projects.

5. Reserves Policy

The trustees aim to maintain unrestricted reserves at a level sufficient to cover approximately six months of normal operating costs and to provide a contingency fund for emergency repairs or unexpected events.

At 5 April 2025, reserves were within this target range, reflecting prudent financial management.

6. Structure, Governance and Management

The charity is an unincorporated association governed by the standard constitution of The Scout Association.

Trustees are appointed annually at the Annual General Meeting in accordance with that constitution. Day-to-day management of Scouting activities is delegated to the Group Lead Volunteer and section team leaders, under the overall supervision of the trustees.

7. Risk Management

The trustees regularly review the major risks to which the charity is exposed, with particular attention to child safeguarding, health and safety, and financial control.

Appropriate procedures are in place to manage these risks, including adherence to The Scout Association's safeguarding policy, volunteer training requirements and regular safety checks of the premises.

8. Future Plans

The trustees' priorities for the coming year include:

- Continuing to grow youth membership across all sections.
 - Further development and improvement of the group's building and facilities.

Financial Report 2024 – 2025

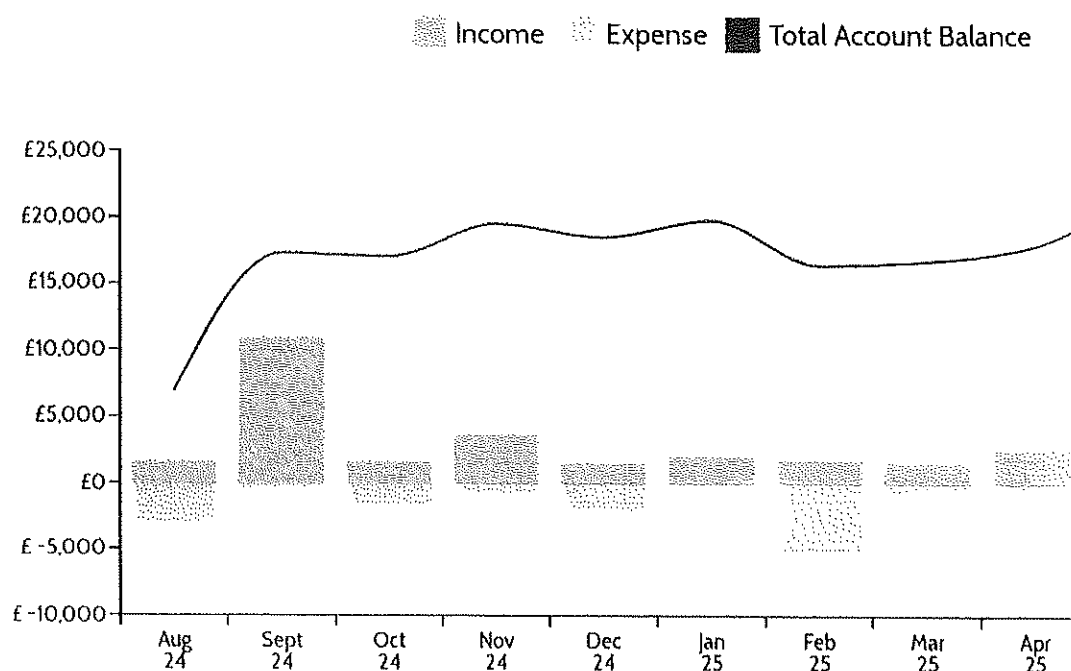

Introduction

The groups finances have significantly been transformed over the last financial period, outstanding subs have been reduced and payments are now tracked using an online system (OSM), the decision has been made to deploy the Expense cards to all sectional and facilities leads to ensure they have the funds available to support programme and facilities as they see necessary, this also goes to show the level of engagement we have in our leadership base.

This report and the associated journals act as a representation of the group's financial position as of the close of the 24/ 25 financial year and we as the trustee board would like these to be reviewed and approved prior to presentation to the Charity commission,
