TRUSTEES ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2025

ACTIVITIES / ACHIEVEMENTS / CHANGES / COMMENTARY FOR 2024 / 2025

Scouting

It is pleasing to report a successful Scouting year despite continuing concerns over the lack of new volunteer Leaders. Our membership numbers have shown a healthy recovery with our youth members standing at 134 plus 16 in our affiliated Explorer Unit and 25 Leaders. Waiting lists are still healthy and further expansion is only restricted by the lack of new willing volunteer Leaders. Indeed, we may have to review the continued provision of some Scouting if we cannot resolve this issue.

Despite Leadership challenges our volunteers Leader team has been able to provide a full and varied programme for all across our various sections. Beavers have enjoyed a varied programme including craft, outdoor cooking and local environment projects. A sleepover at our HQ was held in the summer term. Similarly, our Cub Packs have undertaken a full programme including sleepovers at the hall, visits to a mosque, synagogue and local church for their Faith badges, and a big Winter Camp at Youlbury Scout Camp where archery and air rifle shooting were amongst a wide range of activities. Our Scout Troops held a summer camp in the Brecon Beacons National Park in the heart of the Black Mountains with varied activities including kayaking, caving mixed with the more traditional Scouting camping skills. It was a similar story with our affiliated Explorer Scout Unit who joined the Scouts at their Summer camp as well as undertaking other activities that included skiing, go-karting, mini golf and a three week Explorer Belt expedition to Poland.

Finances

The Group Committee have continued to maintain the fabric of our meeting hall and facilities. To further futureproof our HQ, the outside of our smaller hall has been newly rendered and painted. The Group Committee continues to manage the group's finances efficiently, but we must endeavour to recruit some new members to keep it fresh and invigorated. Similarly, the recruitment of new young Leaders is crucial to continuing our success story. Only with the continued support of all our volunteers can we continue to thrive as a Group.

Other work will be undertaken subject to adequate funding

The Trustees are constantly reviewing the risks to which they believe the Group may be exposed; systems and training processes are being put into place to mitigate risks, major or otherwise.

The objects of the Group are the Promotion of Scouting.

The Group is a Trust established under the rules which are common to all Groups/districts.

Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association

TRUSTEES ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2024

ACTIVITIES / ACHIEVEMENTS / CHANGES / COMMENTARY FOR 2023 / 2024

Scouting

It is pleasing to report a successful Scouting year in which we have continued our

Group consolidation since the upheavals of the Covid pandemic. Our membership

numbers have shown a healthy recovery with our youth members standing at 142

plus 18 in our affiliated Explorer Unit and 26 Leaders. Waiting lists are still healthy

and further expansion is only restricted by the lack of new willing volunteer Leaders.

Despite Leadership challenges our volunteers Leader team has been able to provide

a full and varied programme for all across our various sections. Beavers have

enjoyed a varied programme including craft, outdoor cooking and local environment

projects. A sleepover at our HQ was held in the summer term. Similarly, our Cub

Packs have undertaken a full programme including sleepovers at the hall, visits to a

mosque, synagogue and local church for their Faith badges, a narrowboat weekend

on the Grand Union Canal and a big Winter Camp at Woodhouse Park Scout Camp

where archery and air rifle shooting were amongst a wide range of activities. Our

Scout Troops held a summer camp in Crickhowell in the heart of the Black

Mountains with varied activities including gorge scrambling, caving and also the

more traditional Scouting camping skills. It was a similar story with our affiliated

Explorer Scout Unit who joined the Scouts at their Summer camp as well as

undertaking other activities that included skiing, go karting and mini golf.

The Group Committee have continued to maintain the fabric of our meeting hall and

facilities. Increasing fuel bills have led to the provision of more insulation and new

windows as well as the replacement of worn out guttering and the updating of

lighting. A new minibus has been purchased for the Group so that all Sections can

benefit in the provision of activities away from our Headquarters.

Finances

The Group Committee continues to manage the group's finances efficiently, but we must

endeavour to recruit some new members to keep it fresh and invigorated. Similarly,

the recruitment of new young Leaders is crucial to continuing our success story. Only

with the continued support of all our volunteers can we continue to thrive as a Group

Other work will be undertaken subject to adequate funding

TRUSTEES ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2023

ACTIVITIES / ACHIEVEMENTS / CHANGES / COMMENTARY FOR 2022 / 2023

Scouting

It is pleasing to report that following the disruption of the Covid pandemic this year has seen a return to somewhere near normality in the provision of our Scouting. Our membership numbers have shown a healthy recovery with our youth members standing at 125 plus 16 in our affiliated Explorer Unit and 27 Leaders. Waiting lists are still healthy so we should see a gradual return to our pre pandemic levels.

Activities by all Sections have reflected this return to normality. Beavers have enjoyed a varied programme including craft, outdoor cooking and local environment projects. A sleepover at the hall is taking place in the near future. Similarly, our Cub Packs have undertaken a full programme including sleepovers at the hall, visits to a mosque, synagogue and local church for their Faith badges, a narrowboat weekend on the Grand Union Canal and a big Winter Camp at Cranham Scout Centre where archery and air rifle shooting were amongst a wide range of activities. Our Scout Troops concentrated on craft and projects for the local community culminating in a weekend camp where the main activity was the construction of a bench beside the Cotswold Way overlooking Cheltenham replacing one that fallen into disrepair. It was a similar story with our affiliated Explorer Scout Unit as they undertook activities that included skiing, go-karting and a summer camp in Kinross, Scotland.

Finances

The Group Committee have continued to maintain the fabric of our meeting hall and facilities. Increasing fuel bills have led to the provision of more insulation and new windows as well as the replacement of worn out guttering and the updating of lighting. The Group Committee continues to manage the group's finances efficiently, but we must endeavour to recruit some new members to keep it fresh and invigorated. Similarly, the recruitment of new young Leaders is crucial to continuing our success story. Only with the continued support of all our volunteers can we continue to thrive as a Group. We must not forget the past and it was with great pleasure to all that our longest serving member Ted , a Scout and Leaders with us for 80 years, agreed to become our Group President so that he can oversee the next 80 years of our Group!

Other work will be undertaken subject to adequate funding

The Trustees are constantly reviewing the risks to which they believe the Group may be exposed; systems and training processes are being put into place to mitigate risks, major or otherwise.
