Objectives and Activities

The organisation's principal activity is that of a charity. Its main aims are to:

Provide therapeutic services to people with multiple sclerosis and other neurological conditions.

Promote the MS National Therapy Centres and the MS Society through its services, website and social media network.

Provide a welcoming and supportive environment and a venue where members provide mutual support, exchange skills and "expert by experience" advice.

Activities, achievements and performance

We achieve our aims by providing therapeutic hyperbaric oxygen and the provision of day care facilities. We also provide practical support for persons suffering from multiple sclerosis, neurological disorders and other conditions including sports injuries.

Services are provided in such a way that facilitates access by people of different cultural and ethnic backgrounds and those with physical disabilities, sensory and learning disabilities.

We provide services to clients living in Kent and the South East. Our services are not available on the NHS. Our medical adviser is Professor Phillip James formerly of Dundee University, who is the widely recognised expert specialising in the High Dose Oxygen Therapy.

In order to comply with the restrictions linked to Covid19 the Centre was closed from December 2020. Upon reopening in March attendance was substantially reduced to comply with social distancing requirements.

During 2021 due to Covid19 we were only able to provide 42 weeks of service, and provided 1960 (2020-1125) individual oxygen therapy patient sessions.

In addition to oxygen therapy we continue to offer Pilates and Bowen Therapy to members and non-members.

During the year, when possible, we have continued opening four mornings a week, (13 sessions of oxygen therapy) including a popular Wednesday evening session. This has been achieved with the continual support of a loyal team of volunteer chamber operators.

Fundraising

We are grateful to the following for their support during the year ended 31 December 2021:-

Volunteer Support

The organisation operates with voluntary unpaid staff, the only paid employees during the year were Deborah Clarke, Julie Ginn (resigned), Ellen Whittaker and Lindsey Johnson. Deborah retired in March 2021 after many years of excellent service as a volunteer and Manager and we welcomed Lindsey to take up the role of running the Centre.

Many of our volunteers are drawn from relatives of multiple sclerosis sufferers and local supporters and not only help run the Centre but support in fundraising events.

The trustees would like to acknowledge the volunteer support for this year provided by: Lady Barbara Ramsey, Frank Orford, Martin and Christine Bevan, Julie Ginn, Gaynor and Steve Rogers, Sheila Sheehan, Ed and Susan Oates, Karen Wise, Deborah & Calvin Clarke, Dawn Dellow, Ellen Whittaker, Tracey Sullivan, Chris Davidge, Linda Harris, Tracy Anderson, Anne-Marie Curling, Doreen Tavener, Simon North, Eileen Saunders, Brenda Gray, Sue Rivers and Pauline Annetts.

Public Benefit

The trustees have reviewed the aims of the charity and the services it provides to ensure that they are for the public benefit. There are clear

identifiable benefits available to a section of the public i.e. services to people suffering from multiple sclerosis and related neurological conditions.

Financial Review

It is vital that we have sufficient funds to perform our duties to our members and service users. The organisation incurred a deficit of £8,876 for the year ended 31 December 2021 (2020 - £11,114 deficit). To remain a viable enterprise, to maintain our operations at their existing levels and achieve our objectives for 2022 we need to continue to act to seek new forms of income and continue our fundraising efforts.

Investment Powers and Policy

Under the Constitution, the charity has the power to invest in any way the trustees wish. However, the trustees have adopted a policy which is risk averse, but seeks to maximise investment return whilst retaining liquidity. We have higher rate instant access cash and gold accounts with CAF Bank and a 60 days' notice deposit account with Shawbrook Bank.

Reserves Policy

Given the deficit for the year ended 31 December 2021 has decreased our reserves the trustees consider that the fundraising initiatives need to be continued during 2022.

Risk Assessment

The trustees have reviewed any potential major risks and have set up systems and procedures to manage those risks. However our expenditure on services to members exceeds the fees and donations we receive towards the cost of treatment and we are therefore exposed to a financial risk if this deficit cannot be covered by additional income generated.

Trustees Responsibilities in relation to the Financial Statements

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Accountants

The directors and trustees would like to thank G.R Potton & Co for their services and retain them for the year ended 31 December 2022.

Notes on the accounts

1. Accounting Policies

a) Basis of Preparation

The financial statements have been prepared under the historic cost convention. The financial statements have been prepared in accordance with the Statement of Recommended Practice – Accounting and Reporting by Charities, Statement of Recommended Practice: Accounting and Reporting by Charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) – (Charities SORP (FRS 102)), the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The Financial Statements are prepared in Sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

Reconciliation with previous Generally Accepted Accounting Practice

In preparing the accounts, the trustees have considered whether in applying the accounting policies required by FS102 and the Charities SORP FRS 102 the restatement of comparative items may be required and concluded that no restatements were required. The transition date was 1 April 2015.

b) *Incoming Resources*

Voluntary income which includes donations and grants from charitable bodies, and income from charitable activities are recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability. Such income is only deferred when:

- The donor specifies that the grant or donation must only be used in future accounting periods; or relates to future accounting periods or
- The donor has imposed conditions, which must be met before the charity has unconditional entitlement.

Fees are charged to non-members for treatment, members contribute towards the cost of treatment by way of a donation and this is included in voluntary income.

- c) *Investment income is recognised on a received basis.*
- d) *Volunteers and Donated Services and Facilities*
The value of services provided by volunteers is not incorporated into these financial statements. Further details of the contribution made by volunteers can be found in the trustees annual report.
- e) *Resources Expended*
Expenditure is recognised when a liability is incurred.
- Costs of generating funds are those costs incurred in attracting voluntary income, and those incurred in fundraising activities.
 - Charitable activities include expenditure associated with the provision of therapeutic and advice services to people suffering from multiple sclerosis and associated neurological conditions.
 - Governance costs include those incurred in the governance of the charity and its assets and are primarily associated with constitutional statutory and regulatory requirements.
 - Support costs include central functions. These have been allocated to charitable activities.
- f) *VAT*
All resources expended are classified under activity headings that aggregate all costs related to the category. Irrecoverable VAT is charged against the category of resources expended for which it was incurred.
- g) *Lease*
The organisation leases its premises, on a 5 year lease commencing 25 March 2018. We have the right to terminate the lease on 25 March each year subject to giving 6 months' notice. Rental costs are charged evenly over the period of the lease.
- h) *Funds Structure*
The organisation has a restricted income fund to account for a situation where a donor requires that a grant or donation must be spent on a particular purpose or where funds have been raised for a specific purpose.

All other funds are unrestricted income funds.

i) *Pensions: Automatic Enrolment*

With effect from 1 July 2016 all staff were given the opportunity of automatically enrolling into a Pension Scheme provided by NEST.
