Structure, governance and management

Constitution

Streatham Choral Society is a registered charity governed by a constitution adopted on 20 March 1989, as amended 28 February 2000, 11 November 2002 and 9 May 2018.

Elections and Committee

The trustees of the Society are a Committee elected annually by members of the Society at their annual General Meeting. The Committee holds several meetings a year and is responsible for deciding what bank and building society accounts the Society should hold, and for approving levels of expenditure and reserves.

Objectives and activities

Objects

The objects of the Society are to "promote, improve, develop and maintain public education in and appreciation of the art and science of music in all its aspects by the presentation of public concerts and recitals and by such other ways as the Society through its committee may decide from time to time".

In planning our activities the Committee have considered the Charity Commission's guidance on Public Benefit including the guidance on public benefit and fee charging. The Society relies on income from ticket sales and subscriptions to cover its running costs. In setting the level of ticket sales, membership subscriptions and the concessionary rates, the Committee gives careful consideration to those on low incomes.

Accessibility to our concerts is important to us and is reflected in our pricing structure set out in the notes.

Annual Report for the year to 31 July 2024 (continued)

Objectives and activities (continued)

We aim to promote and foster knowledge of and appreciation of the arts by putting on Concerts. By this we contribute to the quality of life of the people of Streatham and its environs through the provision of high quality musical events. The Society runs a website and continues to seek other publicity opportunities ensuring that concert details are promoted in the locality. The Society is on Twitter, Facebook and Instagram.

Achievements and performance

During the year to 31 July 2024 the Society performed four concerts. These were:

11 November 2023: Rossini - Petite Messe Solennelle
16 December 2023: Carols, Songs and Readings including Howard Goodall's By-by, Lullaby, By-by
6 April 2024: Mozart - Requiem, Haydn - Insanae et Vanae Curae
29 June 2024: Magnificat! - works by Rutter, Zelenka and Forbes L'Estrange

This year's music began with Rossini's operatic Petite Messe Solennelle followed by two very popular Christmas concerts which raised £990.07 for Streatham Youth & Community Trust. This enhanced publicity both for the Society and for the charity.

There was also a successful all day 'Come & Sing' in January 2024 working with vocal coaches and culminating in a performance of Fauré's Requiem.

The year's highlight was the performance of Mozart's Requiem at the Cadogan Hall which was very well received. After the Summer concert, the choir rounded off the year with its third tour, this time to Bristol, with 65 singing members going.

Membership numbers began exceedingly well at 159, peaked at 170 in the Spring term and then, as is traditional during the Summer term, tailed off a little to end with 154 members. These high numbers have led to a halt in recruitment, except for tenors.

This leaves us well placed well for the coming 2024/25 season.

Financial review

The Society's main source of funds is the income raised by membership subscriptions and ticket sales. Subscriptions are bundled so that they include two free tickets for each concert.

The chief item of expenditure is the cost of hiring musicians for concerts followed by the cost of rehearsals. The Society aims to cover its costs each year and adjusts prices as necessary.

Subscription income and ticket sales, particularly for the Mozart concert, were good which meant a budgeted loss of £11k became a deficit of just £1k despite over £40k being spent on concerts.

The overall unrestricted deficit was £1,025 (2023 - surplus £5,224) taking unrestricted reserves down to £34,671. Total unrestricted income amounted to £57,164 (2023 - £44,593) against unrestricted expenditure of £58,021 (2023 - £39,369).

Notes to the accounts

Accounting policies

(a) Basis of preparation

The accounts have been prepared under the historical cost convention and in accordance with applicable accounting standards, Charities Acts and the Statement of Recommended Practice - Accounting and Reporting by Charities - applicable to charities preparing their accounts in accordance with the Financial Reporting Standard for Smaller Entities (effective 1 January 2015).

(b) Income and expenditure

Total income as shown in the Statement of Financial Activities is the turnover of the charity. It represents the value of concert ticket sales, members' subscriptions and donations receivable in the ordinary course of activities.

Voluntary income received by way of donations and gifts to the charity is included in full in the Statement of Financial Activities when received.

Costs of raising funds comprise those operational costs directly attributable to promotional activities and the running of raffles and refreshments.

Charitable activities include the costs of termly rehearsals, the staging of concerts and termly events.

Governance costs are those incurred in connection with the running of the Society as opposed to its charitable activity.

(c) Concerts and other fund-raising events

Each event is separately identified and all relevant income and expenditure allocated thereto.

(d) Restricted and unrestricted Funds

Restricted funds are to be used for specific purposes as laid down by the donors. Expenditure which meets this criterion is allocated to a restricted fund.

Unrestricted funds are donations and other income received or raised for the charity's purposes.

2013/14	£47	£26	£125	£62.50

We also offer concessionary rates to members of the same family.

Membership numbers fluctuate - the winter terms normally attract more singers than the summer term, and the nature of the programme can also have an impact on how many attend rehearsals.

Committee members' expenses

Committee members are not paid. Members are reimbursed for expenses they properly incur on behalf of the Society.

Taxation

All the Society's trading activities are exercised in carrying out its primary charitable purposes, and any resulting profits are applied for these purposes. Accordingly these profits are exempt from taxation under Section 505 of the Income and Corporation Taxes Act 1988.

Related party transactions

The trustees confirm that as far as they are aware, having made due enquiry, there have been no related party transactions during the year which would require disclosure under FRS102.
