Achievements and performance

The association had a successful year. We had a good Founders' Day Service in March 2022 which was very well attended, that being the first face-face service after the lockdown as a result of the Covid-19 pandemic. The service comprises a church service at the Holy Redeemers Anglican Church in Exmouth Street in central London followed refreshments and our annual cement party, this was well attended and were joined by old students associations of other similar schools in Ghana.

We also had a dinner dance in collaboration with Mfantsiman Old Girls Association (MOGA) at which funds were raised for the school through special donations and auctions, we hope to be able to continue this collaboration with MOGA.

One remarkable achievement was a membership drive to get as many old boys of the school as possible who are living in the UK to join the association and to be formally registered. To facilitate this a WhatsApp platform has been set up with at least over 80 people now registered. Our target in the coming years to have at least over 100 old students formally registered and paying annual dues.

As part of activities to raise funds some members did sponsored walks.

Financial review

This was a particularly good year compared to previous years as total gross income increased by 89.3% to £46,109 (2021 - £24,361). Even though members continued to pay annual dues, this significant increase is mainly due to income generated from special requests from members to fund specific projects in the school and other activities such as a dinner dance and sponsored walks. There was a corresponding increase in total expenditure which increased by 72.8% to £36,142 (2021 - £20,920). This resulted in a net surplus of £9,967 which is a significant increase on last year's surplus of £3,341.

The trustees' annual report was approved on 30 October 2023 and signed on behalf of the board of trustees by:

Independent Examiner's Report to the Trustees of Adisadel Old Boys Educational Association

Year ended 31 December 2022

I report to the trustees on my examination of the financial statements of Adisadel Old Boys Educational Association ('the charity') for the year ended 31 December 2022.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.
