The Scotbelge Charitable Trust

Report of the Trustees **for the Year Ended 5th April 2024**

The trustees present their report with the financial statements of the charity for the year ended 5th April 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The trustees shall pay or apply the income and such part of the capital as they think fit to or for such charitable purposes and in such shares and manner in every respect as the trustees shall in their absolute discretion from time to time think fit.

Significant activities

The principal activities of the trust are to hold investments and make charitable donations out of income.

Grant applications are reviewed by the trustees on a regular basis and upon approval the appropriate payment is made.

Details of the charity's income and expenditure in the period are given in the statement of financial activities on page 4. The charity's financial position at 5th April 2024 is set out in the balance sheet on page 5. The charity's funds are wholly unrestricted.

Public benefit

The charity aims to make grants to local institutions and consider them on a case by case basis.

Grantmaking

The grants awarded are listed in note 4 of the financial statements.

FINANCIAL REVIEW

Reserves policy

It is the policy of the charity to hold reserves which have not yet been committed or designated for any particular purpose. The trustees have set aside these reserves in order to protect the future operations of the charity from the effects of any unforeseen variations in its income streams as part of a policy of good financial management practice. The trustees have set the level of these reserves after undertaking a thorough assessment of the charity's needs. At 5th April 2024 the amount of these reserves amounted to £1,230,520 (2023 - £1,766,356).

Going concern

The trustees are satisfied that there are no material uncertainties facing the charity and that it is a going concern.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

Recruitment and appointment of new trustees

Were there a requirement for new trustees, these would be identified and appointed by the principal trustee in consultation with the other trustees.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The trustees feel that the major risk the charity faces is the reduction of investment income. If this were to happen, some capital would be sold and cashed in to meet any liabilities.

Independent Examiner's Report to the Trustees of
The Scotbelge Charitable Trust

Independent examiner's report to the trustees of The Scotbelge Charitable Trust

I report to the charity trustees on my examination of the accounts of The Scotbelge Charitable Trust (the Trust) for the year ended 5th April 2024.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the Year Ended 5th April 2024

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes. The charity held no restricted funds in the year under review.

Investments

Investments are included in the balance sheet at market value. Unrealised gains or losses on revaluation are taken to the Statement of Financial Activities in each appropriate year. Gains or losses on disposal during the year period are separately identified within the Statement of Financial Activities.
