TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2022

OBJECTS OF THE FUND

The Dame Margot Fonteyn Scholarship Fund (the “Fund”) was established by a Deed of Charitable Trust on 21 May 1990. It is the only charitable organisation bearing the name of Margot Fonteyn, a principal dancer with the Royal Ballet and one of the world’s most famous and iconic ballerinas, who died on 21 February 1991.

The objects of the Fund as set out in the Trust Deed are to advance the education of children, young people and students of the Royal Ballet School or any other educational institution teaching dance in the art of dance in particular by the provision of scholarships and prizes and to promote for the public benefit public education in and the appreciation of the art of Ballet. The Trust Deed gives the Trustees the power to apply the funds in such manner as they think fit for the furtherance of these objects.

Public Benefit

The Trustees have noted the principles of Public Benefit, as defined by the Charity Commission, and believe having regard to the Charity Commission’s guidance that the Dame Margot Fonteyn Scholarship Fund meets the requirements of Public Benefit.

REVIEW OF ACTIVITIES

During 2021-22, the Trustees have agreed awards to students at Central School of Ballet, English National Ballet School, Rambert School of Ballet and Contemporary Dance and the Royal Ballet School. *The Trustees welcome applications from students training at these as well as at all the UK’s leading vocational dance schools.*

Over recent years, the Fund has also provided support through bursaries to dance students participating in the Royal Academy of Dance’s Genée International Ballet Competition and through prize money presented, with the Margot Fonteyn Medal, to the Audience Choice winner chosen each year at the Genée Final. With the Competition now renamed as the Margot Fonteyn International Ballet Competition (‘the Fonteyn’), the Fund intends to continue this support.

Although outside the scope of this Report, the Trustees acknowledge with grateful thanks a grant in autumn 2022 of £5,000 from the Rick Mather David Scrase Foundation, to be used to support candidates in the Margot Fonteyn International Ballet Competition.

The Trustees also acknowledge most warmly the generosity of the late Robert Woods, who donated his estate to the Fund in recognition of his life-long admiration of Dame Margot Fonteyn. We are hugely grateful to him and the estate's executors for this most generous gift. *The Trustees would welcome approaches from anyone who might wish to consider leaving a legacy to the Fund, the only charitable organisation bearing the name of Margot Fonteyn.*

The Trustees actively assess the performance of the Investment Manager and after several years have decided to change manager. They continue to monitor the financial position closely, giving consideration to the major risks to which the charity is exposed and satisfying themselves that systems and procedures are in place to manage these risks.

MANAGEMENT AND GOVERNANCE

The Fund's Trust Deed provides for a maximum of eight Trustees. Responsibility for the identification and appointment of new Trustees lies solely with the existing Trustees. Once a potential new Trustee has agreed to serve, a memorandum of the resolution to appoint the new Trustee is signed and sealed by the person presiding at the meeting at which the resolution is made and is attested by two other persons at the meeting. The induction of a new Trustee prior to their first meeting includes awareness of a Trustee's responsibilities, as detailed by the Charity Commission, the Fund's governing document, and the history and philosophical approach of the charity.

The current Trustees of the Fund are listed on page 1. I pay tribute to Jeanetta Laurence, who stepped down from the Board in November 2021 after serving as a Trustee for six years during which time she made a significant contribution to the Fund's affairs.

The Trustees meet regularly each year to actively review and assess the performance of the Fund to ensure the funds are being managed prudently. They are particularly mindful of the financial climate in which the Fund is operating and monitor carefully all potential financial and other risks to which the Fund might be exposed, as well as ensuring that systems and procedures are in place to manage them. With that in mind, in July 2016 the Trustees adopted a Reserves Policy.

The Fund also has in place Policies on Trustees' Conflicts of Interest and on Trustees' Expenses.

FUTURE PLANS

The Trustees intend to continue their support of qualifying dance students who demonstrate clear potential in the dance profession and require assistance to further their training. ***They invite applications at any time of the year from the UK's leading vocational dance schools.***

The Trustees also plan to continue their support of the Royal Academy of Dance and of candidates who, without the Fund's help, would otherwise be unable to participate in the Margot Fonteyn International Ballet Competition, the next of which is in London in October 2023. The Trustees will also be making a second, and final, donation of £25,000 to the RAD in 2023 in support of the Competition's re-establishment as The Margot Fonteyn International Ballet Competition.
