HILDA FLORENCE HOLMES TRUST

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 5 APRIL 2021

The trustees present their report with the financial statements of the charity for the year ended 5 April 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

The trust is established for the purpose of relieving the suffering of ponies and horses that are in need of care and protection by the provision of financial or other support to charitable organisations devoted to the care and protection of ponies or horses.

The Trustees confirm that they have complied with the duty in section 17(5) of the 2011 Charities Act to have due regard to guidance published by the Charity Commission in relation to public benefit. The charity provides a public benefit through its donations to the charities listed below to continue to meet its objectives as listed above.

ACHIEVEMENT AND PERFORMANCE

During the year the charity made the following donations to horse and pony welfare charities:

Mane Chance Sanctuary - £17,500 (2020: £15,000)
Bodmin Moorland Pony Rehabilitation - £17,000 (2020: £6,000)
Saving Abandoned Fly-Grazing Equines - £14,500 (2020: £1,000)
Lluest Horse and Pony Trust - £17,500 (2020: £15,000)

The trustees agreed to increase the donations in the year to help alleviate the problems caused as a result of the Covid-19 pandemic.

In addition, the charity continued to pay for the upkeep of horses that it was unable to home upon leaving Oaklands, owing to their age and infirmity. The cost of providing livery and veterinary fees for these horses amounted to £9,337 (2020: £10,618).

FINANCIAL REVIEW

The investments have continued to be managed by Brewin Dolphin Limited under their Discretionary Management Service.

The increase in value, excluding additions and disposals, represented 27.3% of the value held at 5 April 2020. This compares with an increase of 34.1% in the FTSE All-Share Index during the year to 5 April 2021. The increase is in line with the recovery in global markets following the Covid-19 pandemic.

Over the two years ended 5 April 2021, the fall in the stock market as a consequence of Covid-19, and subsequent recovery, together with an increased amount of donations, have resulted in reserves remaining at a level consistent with 5 April 2019.

RESERVES POLICY

The trustees' previous aim was to spend approximately £50,000 per annum on donations to relevant similar charities for the furtherance of its objectives and livery costs for horses that needed homing with individuals following the closure of Oaklands. As mentioned above, during the year the trustees increased the donations to £66,500 as a consequence of the effects of Covid-19. In view of the increase in the stock market over the year, the trustees now aim to make annual donations of approximately £100,000 with the aim of reducing the charity's reserves over a period of time in furtherance of its objectives. The trustees have agreed to support a further two charities in the forthcoming financial year, and are seeking additional charities to support which have similar objectives.
