c) STRUCTURE, GOVERNANCE AND MANAGEMENT

d) Constitution

THE ROTARY CLUB OF READING ABBEY TRUST FUND is registered as a charity registered in England and Wales under the number 900389. The charity is constituted under a Trust Deed dated 7th December 1989. Under the constitution the Rotary Club of Reading Abbey has the power to appoint Trustees.

e) Related Party Relationships

The Charity has no related party relationships.

f) Risk Management

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the Charity and are satisfied that systems and procedures are in place to mitigate exposure to the major risks. Public fundraising events are subject to risk assessments that are reviewed by the Trustees.

g) CHARITY ACTIVITIES AND OBJECTIVES

a) Aims and Objectives

The Charity works with its Rotary club membership of 21 Rotarians and other volunteers to provide charitable support and funding to support a wide range of charities and individuals both locally and in some cases internationally. It engages with local community groups, the general public and employers to generate charitable donations to support those in need.

Business Objectives of the charity are:

- To provide a high level of community service through projects and initiatives associated with the ideals of Rotary
- To support a wide range of requests for funding to support community organisations and individuals who are experiencing financial pressures
- To create a modest surplus within the financial plan from annual income streams, providing the Charity and its Rotary club members with financial resources for subsequent years' activities
- The Trustees give due consideration to general guidance published by the Charity Commission relating to public benefit and to its supplementary public benefit guidance.

b) Strategies for achieving objectives

1. To provide a balanced activity programme for all our beneficiaries areas of the Charity.

2. To provide a range of fundraising activities to support local projects and individual requests for support
3. To provide a safe, supportive, and caring environment for all projects and activities
4. To promote to the public an open and transparent policy of accepting requests for support from all individuals, which celebrates their diversity.

c) ACHIEVEMENTS AND PERFORMANCE

a) Review of activities

The Charity has slightly increased donations during the period. Since the unusually high level of fundraising in 2022-2023 due primarily to the number of global disasters in that period, there has been a return to a more typical program of activities for the past two years. The most significant fundraising is the work done on behalf of Children in Need, followed by the charity golf day. A Duck Race, hosted in partnership with The Oracle shopping centre, is now in its second year and was widely supported by the Reading community with funds raised increasing to £4.4k from £1.5k for the inaugural event last year. The Duck Race looks set to become an annual event and both the Rotary Club of Reading Abbey and the management team of the The Oracle are keen to expand the event in coming years. The Duck Race engages more of the public than other events historically hosted by the Club, it increases footfall at The Oracle and has a growing social media presence and influence.

Membership of the Rotary Club of Reading Abbey has increased to 21 from 19 since the last year. The club has benefited from younger members joining and increased diversity and experience entering the club. It is hoped that this will positively influence the charitable program in the coming years.

Honorary membership has stayed steady at 3 members. Honorary membership was introduced in the 2023-2024 period for the more senior past members, to recognise their contributions and retain their engagement.

Corporate membership was introduced in the 2023-2024 period and allows employers to have an association with Rotary. The Oracle continues to make use of this membership route and their staff have joined and participated in a number of Rotary events, meetings and socials. The Oracle have been large supporters of the Duck Race, with high profile marketing of the event, sourcing of prizes and assistance on the day.

During the year the charity supported 18 requests for charitable support and donations, the total charitable giving was £22,173.

The charity also contributed to the sponsorship and support of a Rotary Scholar. A program whereby young people are provided the opportunity to study abroad.

Principally, funded by Rotary International the Reading Abbey Trust Fund provided some additional subsistence costs.

b) Financial Review

The Trust had a surplus for 2024/25 of £4,055 and closed the period with funds of £15,367. Of this, £4,277 is a special reserve, from a prior bequest, to assist the development of future charitable programs. The balance represents a general reserve of £11,090

The charity aims to hold a small reserve at year end to allow donations early in the following year in advance of major fundraising events. The reserve has increased in recent years with fundraising exceeding charitable giving and the charity will aim to increase donations and reduce the reserve in the coming period.

The principal funding sources for the Charity are the charitable donations and activities managed by Rotary club membership through the following projects

- Charity Golf day
- Duck Race
- Public fundraising collections
- Raffles
- Personal donations
- Christmas Greeting cards
- Plant sales
- Children in Need collections

Much of the fundraising relies on Rotarians and willing volunteers.

c) GOING CONCERN AND RESERVES POLICY

a) Going Concern

Given the level of reserves held, the Trustees believe they have sufficient liquidity to meet the Charity's liabilities for the next 12 months and that the preparation of the financial statements on a going concern basis remains appropriate as the company expects to be able to meet its obligations as and when they fall due for the foreseeable future.

b) Reserves Policy

Each year the Trustees review the financial position and allocate as appropriate to surplus funds, modest reserves in accordance with the Reserves Policy.

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency repairs and other expenditure. The trustees believe that the ideal level of reserves would be no less than £2000.

c) DISCLOSURES

- Fundraising is managed by members of the Rotary Club of Reading Abbey through club activities and public events as detailed in section 5a.
- No professional fundraisers were engaged by the charity.

d) TRUSTEE RESPONSIBILITIES STATEMENT

The Trustees are responsible for preparing the charity's report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The Trustees must prepare financial statements for each financial year. Under company law trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgments and accounting estimates that are reasonable and prudent;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the trustees on 26th February 2026 and signed on their behalf by:

Independent examiner's report to the trustees of the Rotary Club of Reading Abbey Trust Fund

I report to the trustees on my examination of the accounts of the Rotary Club of Reading Abbey Trust Fund (the Trust) for the year ended 30 June 2025.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act'). I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

3. STRUCTURE, GOVERNANCE AND MANAGEMENT

a) Constitution

THE ROTARY CLUB OF READING ABBEY TRUST FUND is registered as a charity registered in England and Wales under the number 900389. The charity is constituted under a Trust Deed dated 7th December 1989. Under the constitution the Rotary Club of Reading Abbey has the power to appoint Trustees.

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the Charity, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks. Public fundraising events are subject to risk assessments that are reviewed by the Trustees.

4. CHARITY ACTIVITIES AND OBJECTIVES

a) Aims and Objectives

The Charity works with its Rotary club membership of 19 Rotarians and other volunteers to provide charitable support and funding to support a wide range of charities and individuals both locally and in some cases internationally. It engages with local community groups, the general public and employers to generate charitable donations to support those in need.

Business Objectives of the charity are:

- To provide a high level of community service through projects and initiatives associated with the ideals of Rotary
- To support a wide range of requests for funding to support community organisations and individuals who are experiencing financial pressures
- To create a modest surplus within the financial plan from annual income streams, providing the Charity and its Rotary club members with financial resources for subsequent years activities

3. To provide a safe, supportive, and caring environment for all projects and activities
4. To promote to the public an open and transparent policy of accepting requests for support from all individuals, which celebrates their diversity.

5. ACHIEVEMENTS AND PERFORMANCE

a) Review of activities

The Charity has seen a decline in donations during the period due, primarily to the number of global disasters for which the charity raised funds for in the prior year and a return to a more typical program of activities in 2023-2024. The most significant fundraising is the work done on behalf of Children in Need, followed by the charity golf day. After 15 years of organising a 10k run, the Charity took the difficult decision to close this event down. The funds raised from the 10k had decreased year on year with increasing costs to operate the event and increasing challenges to staff and manage the event. A new event was introduced this year, a Duck Race, hosted in partnership with The Oracle shopping centre. The charity believes that this could become an annual event and early indications are very positive. The Duck Race is less labour intensive to plan and organise than the 10k run, it engages more of the public, and has the potential to grow year on year. Our partners, The Oracle, are excited to develop the event with us.

Membership of the Rotary Club of Reading Abbey has decreased to 19 from 22 since the last year. However, two new classes of membership have been introduced and 3 past members are now considered Honorary members. Honorary membership has been introduced for the more senior past members, to recognise their contributions and retain their engagement.

Corporate membership has been introduced and allows employers to have an association with Rotary. The Oracle have become corporate members and their staff have joined and participated in a number of Rotary events.

During the year the charity supported 16 requests for charitable support and donations, the total charitable giving was £21,343.

b) Financial Review

The Trust had a surplus for 2023/24 of £3,349 having started the period with £7,963 in reserve which represents one third of the annual expenditure on charitable giving. The reserves are held to allow donations early in the following year in advance of major fundraising events. At the end of the year £11,312 was held in reserve.

The principal funding sources for the Charity are the charitable donations and activities managed by Rotary club membership through the following projects

- Charity Golf day
- Duck Race
- Public fundraising collections
- Raffles
- Christmas Greeting cards
- Plant sales
- Children in Need collections

Much of the fundraising relies on Rotarians and willing volunteers.

6. GOING CONCERN AND RESERVES POLICY

a) Going Concern

Given the level of reserves held, the Trustees believe they have sufficient liquidity to meet the Charity's liabilities for the next 12 months and that the preparation of the financial statements on a going concern basis remains appropriate as the company expects to be able to meet its obligations as and when they fall due for the foreseeable future.

b) Reserves Policy

Each year the Trustees review the financial position and allocate as appropriate to surplus funds, modest reserves in accordance with the Reserves Policy.

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency repairs and other expenditure. The trustees believe that the ideal level of reserves would be no less than £2000.

7. DISCLOSURES

- Fundraising is managed by members of the Rotary Club of Reading Abbey through club activities and public events as detailed in section 5a.
- No professional fundraisers were engaged by the charity.

8. TRUSTEE RESPONSIBILITIES STATEMENT

The Trustees are responsible for preparing the charity's report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The Trustees must prepare financial statements for each financial year. Under company law trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing these financial statements, the Trustees are required to:

a) Review of activities

The Charity has seen a decline in donations during the period due, primarily to the number of global disasters for which the Charity raised funds for in the prior year and a return to a more typical program of activities in 2022-2023. The most significant fundraising is the work done on behalf of Children in Need, followed by the charity golf day and 10k run. The funds raised from the 10k run have decreased year on year with increasing costs to operate the event and increasing challenges to staff and manage the event. The event has been cancelled for the next financial year and alternative fundraising activities investigated.

It is also notable that the membership of the Rotary Club of Reading Abbey membership has declined from 30 to 22 in the period.

During the year the Charity supported 21 requests for charitable support and donations, the total charitable giving was £28,606.

b) Financial Review

The Trust had a deficit for 2022/23 of £1,817 having started the period with £9,802 in reserve which represents one third of the annual expenditure on charitable giving. The reserves are held to allow donations early in the following year in advance of major fundraising events. At the end of the year £7,985 was held in reserve.

The principal funding sources for the Charity are the charitable donations and activities managed by Rotary club membership through the following projects

- Charity Golf day
- Cross country running event (the 10k)
- Public fundraising collections
- Raffles
- Christmas Greeting cards
- Plant sales
- Children in Need collections

Much of the fundraising relies on Rotarians and willing volunteers.

6. GOING CONCERN AND RESERVES POLICY

a) Going Concern

Given the level of reserves held, the Trustees believe they have sufficient liquidity to meet the Charity's liabilities for the next 12 months and that the preparation of the financial statements on a going concern basis remains appropriate as the company expects to be able to meet its obligations as and when they fall due for the foreseeable future.

b) Reserves Policy

Each year the Trustees review the financial position and allocate as appropriate to surplus funds, modest reserves in accordance with the Reserves Policy.

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency repairs and other expenditure. The trustees believe that the ideal level of reserves would be no less than £2000.

7. DISCLOSURES

- a) Fundraising is managed by members of the Rotary Club of Reading Abbey through club activities and public events as detailed in section 5a.
- b) No professional fundraisers were engaged by the charity.

8. TRUSTEE RESPONSIBILITIES STATEMENT

The Trustees are responsible for preparing the Charity's report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The Trustees must prepare financial statements for each financial year. Under company law trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the Charity for that period. In preparing these financial statements, the Trustees are required to:

- c) Select suitable accounting policies and then apply them consistently;
- d) Observe the methods and principles in the Charity's SORP;
- e) Make judgments and accounting estimates that are reasonable and prudent;
- f) Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent examiner's report to the trustees of the Rotary Club of Reading Abbey Trust Fund

I report to the trustees on my examination of the accounts of the Rotary Club of Reading Abbey Trust Fund (the Trust) for the year ended 30 June 20223

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act'). I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

3. STRUCTURE, GOVERNANCE AND MANAGEMENT

a) Constitution

THE ROTARY CLUB OF READING ABBEY TRUST FUND is registered as a charity registered in England and Wales under the number 900389. The charity is constituted under a Trust Deed dated 7th December 1989. Under the constitution the Rotary Club of Reading Abbey has the power to appoint Trustees.

b) Related Party Relationships

The Charity has no related party relationships.

c) Risk Management

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the Charity, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks. Public fundraising events are subject to risk assessments that are reviewed by the Trustees.

4. CHARITY ACTIVITIES AND OBJECTIVES

a) Aims and Objectives

The Charity works with its Rotary club membership of 30 Rotarians and other volunteers to provide charitable support and funding to support a wide range of charities and individuals both locally and in some cases internationally. It engages with local community groups, the general public and employers to generate charitable donations to support those in need.

Business Objectives of the charity are:

- To provide a high level of community service through projects and initiatives associated with the ideals of Rotary
- To support a wide range of requests for funding to support community organisations and individuals who are experiencing financial pressures
- To create a modest surplus within the financial plan from annual income streams, providing the Charity and its Rotary club members with financial resources for subsequent years activities
- The Trustees give due consideration to general guidance published by the Charity Commission relating to public benefit and in particular to its supplementary public benefit guidance.

b) Strategies for achieving objectives

1. To provide a balanced activity programme for all our beneficiaries areas of the Charity.
2. To provide a range of fundraising activities to support local projects and individual requests for support

3. To provide a safe, supportive, and caring environment for all projects and activities
4. To promote to the public an open and transparent policy of accepting requests for support from all individuals, which celebrates their diversity.

5. ACHIEVEMENTS AND PERFORMANCE

a) Review of activities

The Charity has seen an increase in donations during the period due to the exit from COVID-19 restrictions on 19th July 2021 and the return to fundraising, service and social activities. Despite Plan B restrictions Dec 2021-Jan 2022, there was little additional impact to charitable activities due to the lack of planned fundraising at that time.

During the year the charity supported 19 requests for charitable support and donations, the total charitable giving was £33,518.

b) Financial Review

The Trust had a surplus for 2021/22 of £641. The principal funding sources for the Charity are the charitable donations and activities managed by Rotary club membership through the following projects

- Charity Golf day
- Cross country run event
- Public fundraising collections
- Raffles
- Christmas Greeting cards
- Plant sales
- Children in Need collections

Much of the fundraising relies on Rotarians and willing volunteers.

6. GOING CONCERN AND RESERVES POLICY

a) Going Concern

On 30th January 2020, the World Health Organization declared the outbreak of coronavirus ("COVID-19") to be a public health emergency of international concern. This coronavirus outbreak severely restricted the level of economic activity around the world. In response to this coronavirus outbreak, the governments of many countries, states, cities and other geographic regions took preventative or protective actions, such as imposing restrictions on travel and business operations and advising or requiring individuals to limit or forego their time outside of their homes.

These restrictions severely impacted operations of the Charity during 2020-21. However COVID-19 restrictions were lifted fully on 19th July 2021 and the Charity returned to fundraising, service and social activities. Despite Plan B restrictions Dec 2021-Jan 2022, there was little additional impact to charitable activities due to the lack of planned fundraising at that time.

Given the full return to activity and the level of reserves held, the Trustees believe they have sufficient liquidity to meet the Charity's liabilities for the next 12 months and that the preparation of the financial statements on a going concern basis remains appropriate as the company expects to be able to meet its obligations as and when they fall due for the foreseeable future.

b) Reserves Policy

Each year the Trustees review the financial position and allocate as appropriate to surplus funds, modest reserves in accordance with the Reserves Policy.

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency repairs and other expenditure. The trustees believe that the ideal level of reserves would be no less than £2000.

7. DISCLOSURES

- Fundraising is managed by members of the Rotary Club of Reading Abbey through club activities and public events as detailed in section 5a.
- No professional fundraisers were engaged by the charity.

8. TRUSTEE RESPONSIBILITIES STATEMENT

The Trustees are responsible for preparing the charity's report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The Trustees must prepare financial statements for each financial year. - Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgments and accounting estimates that are reasonable and prudent;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity. They are also responsible

for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
