TRUSTEES' REPORT For the year ended 31 March 2024

CHAIRPERSON'S STATEMENT

The past year has seen us continue to deliver the existing services that have been going well, both at Brunner Hall and in the community with positive feedback from clients. It has been great to see the team bring in some new activities for Brunner Hall clients that provide the opportunity to develop new skills.

A particular highlight of the year has been the increase in community events that allow us to raise the profile of the impact of brain injury and the experiences of our clients to existing supporters and new connections. The art exhibitions in Henley and Reading provided the opportunity to showcase artwork inspired by the nature and impact of brain injury and also the support provided by Headway Thames Valley. We also were hosted by a local film society for a showing of a film related to brain injury accompanied by clients describing their own experience and the chance for attendees to ask questions.

We have continued to operate thanks to continued support from our fundraisers and successful grant and trust applications. As a result we go into this year with the ability to consider where we can expand services in order to support more people impacted by brain injury in our area.

Huge thanks to all our supporters and those working and volunteering for Headway Thames Valley.

Tom Satterthwaite
Chair to the Board of Trustees

GENERAL MANAGER'S REPORT

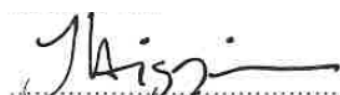

Stability has been our primary focus over the previous couple of years but over the last 12 months it has been nice to reengage with the community a bit more and expand our services.

Our 'Living with Brain Injury' exhibition has undoubtedly been one of our highlights of the year. Clients, carers and professionals working in neuro-rehab created sculptures, paintings and poetry illustrating brain injury. Held over a four week period at a local gallery, hundreds of members of the general public witnessed the incredible art while also learning a great deal about brain injury and Headway Thames Valley. Our clients, in particular, were very proud to receive some amazing feedback on their pieces.

Introducing new skills to some of our longer serving clients can often be challenging but after a number of consultation sessions, we have been able to expand our offering at our Centre in Henley. Our cooking course and drama workshop in particular, were very well received. Not only did we see new skills develop but perhaps more importantly, we saw a huge boost in our client's confidence.

We haven't deviated from our main goal of supporting as many families impacted by brain injury as we possibly can while being financially prudent. I'm extremely proud that we have seen steady growth in referral numbers and have finished the year breaking even, ensuring that we go into next year with strong foundations.

A heartfelt thanks to everyone who continues to support Headway Thames Valley each year, including our amazing staff, trustees, volunteers, clients, and supporters.

TRUSTEES' REPORT (*cont'd*) For the year ended 31 March 2024

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The organisation is a charitable company, limited by guarantee, incorporated on 8th June 1990 and registered as a charity on 12th July 1990. The charitable company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association.

Directors/Trustees Induction and Training

Most directors/trustees are already familiar with the practical work of the charity, having either a personal involvement or a long-time investment in what it does. Additionally, new directors/trustees are invited and encouraged to attend training sessions offered to familiarise themselves with the charity and how it operates.

Organisational Structure

Headway Thames Valley has a Management Committee which meets at least 8 times a year and is responsible for the strategic direction and policy of the charity. During the year there were 6 Trustees from a variety of backgrounds relevant to the work of the charitable company. A scheme of delegation is in place, and day to day responsibility for the provision of the services at the Resource Centre rests with the General Manager.

Key Management Personnel

Key management personnel consists of the General Manager, Jamie Higgins, who is responsible for the operations of the Charity, reports regularly to the Chairperson Tom Satterthwaite and attends trustee meetings. Key management personnel are remunerated at appropriate levels and are reviewed on an annual basis by the Trustees.

Network

Headway Thames Valley is affiliated to Headway UK which was formed in 1979. A steering committee was set up and registered Headway National Head Injuries Association as a charitable trust in 1980. In 1989 they became a company limited by Guarantee.

In 1999, Headway UK changed its name from Headway National Head Injuries Association to Headway - the brain injury association. Since 1979 the organisation has increased from one steering committee to over 120 groups and branches throughout the UK. Headway UK is run by its members headed by a Board of Trustees and staff at a Nottingham office and a London office.

Although affiliated to Headway UK and required to pay an affiliation fee, Headway Thames Valley is run entirely independently of Headway UK. However, through the various departments which make up the organisation, Headway Thames Valley gains valuable support and assistance (though not financial) from the national organisation.

Risk Assessment

The directors have considered the major risks which the charitable company faces and confirm that systems have been established to ensure that the necessary actions may be taken.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

For the year ended 31 March 2024

1 ACCOUNTING POLICIES

a) Basis of Accounting

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Headway Thames Valley Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

b) Company status

The company is a company limited by guarantee. The members of the company are the Trustees named on page. In the event of the company being wound up, the liability in respect of the guarantee is limited to £1 per member of the company.

c) Income

All income is recognised once the Company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

The following specific policies are applied to particular categories of income:

- Voluntary income is received by way of donations and gifts and is included in full in the statement of financial activities when receivable.
- Donated services and facilities are included at the value to the charitable company where this can be quantified. The value of services provided by volunteers has not been included in these financial statements as it is too difficult to quantify this value with reasonable accuracy.
- Investment income is included when receivable.
- Income from charitable activities relate to grants, these are recorded when the charitable company becomes unconditionally entitled to the grant.

d) Expenditure

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

- (i) Expenditure on raising funds comprise the costs associated with attracting voluntary income and the costs of fundraising activities.
- (ii) Charitable expenditure comprises those costs incurred by the charitable company in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- (iii) All costs are allocated between the expenditure categories in the statement of financial activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis.

Support costs are those costs incurred directly in support of expenditure on the objects of the company and include project management carried out at Headquarters.

Charitable activities and Governance costs are costs incurred on the company's operations, including support costs and costs relating to the governance of the company apportioned to charitable activities.

1 ACCOUNTING POLICIES (CONTINUED)

e) **Tangible Fixed Assets**

Fixed assets for charity use are capitalised at cost, when acquired, or market value as determined by the directors/trustees where donated. They are stated in the financial statements at original cost/value less depreciation. Fixed assets are not capitalised if the cost is less than £500.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives.

Depreciation is provided on the following bases:

Leasehold improvements	- 25% reducing balance
Minibus	- 25% reducing balance
Fixtures and fittings	- 20% reducing balance
Computer equipment	- 3 years straight line

f) **Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the company; this is normally upon notification of the interest paid or payable by the Bank.

g) **Operating leases**

Rentals under operating leases are charged to the Statement of Financial Activities incorporating Income and Expenditure Account on a straight line basis over the lease term.

h) **Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

i) **Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

j) **Liabilities and provisions**

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

k) **Pensions**

The company operates a defined contribution pension scheme and the pension charge represents the amounts payable by the company to the fund in respect of the year.
