Chair's report

On behalf of the Board of Directors I can report that this past year has been another good year for U3A Foyle.

Despite some challenges faced by rising costs we delivered a full prospectus of activities to our members and raised our membership to 977 members.

We successfully installed a full new heating system in the building with the handover in September 2024 and we hope to reap the financial savings going forward.

A number of remedial works and decorating were also completed in this financial year.

Fundraising & Funding

Members continued to carry out substantial fundraising throughout the year. There was a huge effort & support by all members and this is hugely appreciated.

We received continued funding from WHSCT for Active Living delivery as well as Funding Awards from National Lottery's Awards for All, from PHA's Clear Project and from Power NI's Energy Saving Programme.

Review of Activities

We delivered all our Core Activities this year with good numbers in all our groups especially in the Physical Activity classes, the Language Groups & our Local History Group.

New Classes and Groups this year included a Tai Swing class, Walking Cricket, Wood Turning & Wood Carving classes and a Strength & Cardio Class.

We linked in with the University of Ulster again this year and had 35 members benefit from their Fitness Workshops. Specsavers also provided two workshops for us and over 60 members engaged with their hearing workshops.

We continue to cement the profile of U3A Foyle within the community and going forward we will work with any agencies to continue to enhance the lives and experiences of our members.

We had a number of external visits this year with some trips out with the Local History Group; the Ukulele Group the D'Ukes of Gransha continued to be hugely popular and played in a number of events; a member received an EPIC Volunteering Award from the Mayor of Derry & Strabane for completing over 500+ hours; ALL our volunteers received certificates for their individual volunteering hours at a wonderful Volunteer Lunch we had in June 2024; and we had a wonderful Art & Craft Showcase for a week in the building with over 100 submissions by members.

U3A Board

I must pay thanks to the U3A Foyle Board Members who give their time and expertise willingly through the year to ensure that the organisation meets the needs of the U3A members and meets all our statutory regulations.

Board Members met every month for a full Board Meeting and then also for further individual committee meetings as well.

We produce and work to an annual Operational Plan each year derived from our 5-year Strategic Plan. To help deliver on these plans there are several committees in place, each chaired by a Board member.

Staff

Thanks again this year for the enormous contribution made by our small number of permanent staff. Christine, Angelina and Mervyn have once again this year worked hard to keep the U3A members informed and connected, busy and engaged, fit and healthy.

We thank them most sincerely all for their hard work and the extra miles they go for us every year.

Our thanks also go out to all our wonderful Tutors, Facilitators, visiting Lecturers and Group Leaders who also deliver a first-class service to U3A Foyle members.

Trustees' Annual Report for the Year Ended 31 March 2025

Our Purposes and Activities

The purpose of U3A Foyle is to encourage older people in the city and district and surrounding areas, who are no longer in full time employment, to engage in lifelong learning. We offer accessible and first-class activities and continuous learning opportunities.

Our mission is to encourage members to enjoy a fuller life in retirement by embracing Active Living - this encompasses educational programmes; languages; recreation and sporting activities; social events and health projects; lectures & talks.

Each year over three terms and a Summer Programme we compile a comprehensive prospectus detailing various classes, courses and activities. This prospectus focuses very much on supporting our members to keep active, engaged, fit and healthy in their later years through enjoying lifelong learning and activity.

The emphasis within U3A is on inclusion and on enjoyment. Wider research has shown that members reported major benefits from being part of a U3A Community in terms of confidence, feeling supported, learning new skills, combatting loneliness, and feeling valued and enjoying life.

People in later life are particularly vulnerable to loneliness which can reduce quality of life and well-being. Keeping connected with others and especially one's peers has also personal benefit as people in strong social relationships are more likely to remain healthy and independent.

In shaping our objectives for the year and planning our activities, the directors have considered the Charity Commission's guidance on public benefit requirement (PBR1). We endeavour to encourage a wide range of retirees to take advantage of our expertise and encourage all retirees within our community to make use of our services.

Our Volunteers

To keep U3A Foyle vibrant and strong it is particularly important that members are deeply involved, not only as the participants in classes and activities, but also by using their experience and talents to give something back to the organisation.

This could be in the form of ideas for new activities, by leading groups, joining committees, volunteering for office work, or helping with the many tasks which are necessary to keep our U3A running smoothly.

We have so many members - over 100 - who work tirelessly for the benefit of the organisation and its development and we are extremely grateful for all their hard work and thank them most sincerely. However, we always require more. Ultimately it is your organisation and participation and input from all members is necessary to allow us to continue to run our groups and courses and to continue to plan many more.

Achievements and performance

Our records of attendance for the past year are as follows:

From April 2024 to March 2025 there were 104,269 recorded hours of service provision provided for members with 9,500 actual participant places recorded.

U3A Foyle

Trustees' Annual Report for the Year Ended 31 March 2025

Financial review

During the year income of £256,086 was received. Total costs for the year were £251,306 including depreciation of £52,796. Costs excluding depreciation were £198,510. This resulted in a cash surplus for the year of £57,576 which was used to finance capital additions of £46,330.

At the year end net current assets were £138,965. The unrestricted net current assets at the year-end were £124,354 including reserves which the directors have ring fenced for future designated capital spending. The directors are happy with the results of the year.

Reserves policy and going concern

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency costs. Due to the nature of the activities of the Charity no material unplanned costs are expected. The major costs are wages and programme costs but funding is in place to cover most of these costs. The Directors consider that a satisfactory level of unrestricted reserves is six months administration costs and salaries which would currently be in the region of £62,500.

The financial review above shows unrestricted reserves of £124,354 including reserves the directors have ring fenced reserves for future designated capital spending. The Directors have reviewed the circumstances of the Charity and consider that these reserves are adequate to fund activities for the foreseeable future. The directors are of the view that the Charity is a going concern.

Plans for future periods

Our plans for 2025-2026 are to continue to deliver a first-class service of classes, courses and activities and deliver on our core mission statement.

We hope to continue to recruit new members, encourage our members to partake in lifelong learning and activity and to ultimately remain the premier centre for older people in the city & district.

We will encourage continued fundraising and volunteering within the membership and continue as a Board to apply for any relevant funding.

We hope to expand our links with other agencies including Third Age Trust, other neighbouring U3A's, University of Ulster, Derry City & Strabane District Council, Learning City & Region and other Age Agencies.

Trustees' Annual Report for the Year Ended 31 March 2025

Statement of Trustees' Responsibilities

The Charity Trustees (who are also the directors of the U3A Foyle for the purposes of company law) are responsible for preparing a Trustees' Annual Report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the profit or loss of the company for that year.

In preparing these the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The report has been prepared in accordance with the special provisions for small companies under part 15 of the Companies Act 2006.

The report was approved by the board on 22 May 2025 and signed on its behalf by

Independent Examiner's report to the Charity Trustees of U3A Foyle
Year ended 31 March 2025

I report solely to the Charity Trustees on my examination of the accounts for the year ended 31 March 2025. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than U3A Foyle and its Trustees as a body for my work or for this report. As a practising member of the Chartered Association Of Certified Accountants I am subject to its ethical and other professional requirements which are detailed at www.accaglobal.com.

Respective responsibilities of charity trustees and examiner

As the Charity Trustees (and also the directors of the company for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 and the Charities Act (Northern Ireland) 2008. Having satisfied myself that the charity is not subject to an audit under company law, and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 65 of the Charities Act.
- follow the procedures laid down in general directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act.
- state whether particular matters have come to my attention.

Basis of independent examiner's report

I have examined your charity accounts as required under section 65 of the Charities Act and my examination was carried out in accordance with the general directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act. The examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as charity trustees concerning any such matters.

My role is to state whether any material matters have come to my attention giving me concern to believe:

1. that accounting records were not kept as required by with section 386 of the Companies Act 2006 and section 63 of the Charities Act;
2. that the accounts do not accord with those accounting records;
3. that the accounts do not comply with the accounting requirements of section 396 of the Companies Act 2006, the Charities Act and with methods and principles of the Charities Statement of Recommended Practise applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic Of Ireland.
4. that there is further information needed for a proper understanding of the accounts to be reached.

Independent examiner's statement

I have completed my examination and have no concerns in respect of the matters (1) to (4) above and, in connection with following the directions of the Charity Commission for Northern Ireland, I have found no matters that require drawing to your attention.

Notes to the financial statements
Year ended 31 March 2025

1. General information

The Charity is a charitable private company limited by guarantee, registered in Northern Ireland. The address of the registered office is Pascal McDonald House, Gransha Park, Derry.

2. Accounting policies

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

U3A Foyle meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

Turnover

Turnover represents the total value of grants received and receivable as well as other income arising from other operating and fundraising activities during the year. Grants are recognised in the Profit and Loss account when the conditions for their receipt have been complied with and there is reasonable assurance that the grant will be received.

Tangible assets

Tangible assets are initially recorded at cost, and are subsequently stated at cost less any accumulated depreciation and impairment losses.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold property	- 4%	straight line
Plant and machinery	- 20%	reducing balance
Fittings fixtures and equipment	- 20%	reducing balance

U3A Foyle
Company limited by guarantee

Notes to the financial statements (continued)
Year ended 31 March 2025

Financial instruments

A financial asset or a financial liability is recognised only when the company becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Debt instruments are subsequently measured at amortised cost.

Where investments in non-convertible preference shares and non-puttable ordinary shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in profit or loss. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in profit or loss, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised in profit or loss immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

3. Funds

Unrestricted Revenue Funds - comprise those revenue funds which the management committee are free to use in accordance with the company objectives.

Restricted Revenue Funds - comprise those revenue funds which have been given for particular purposes and projects.

4. Limited by guarantee

Chair's report

On behalf of the Board of Directors I can report that this past year has been another good year for U3A Foyle but we have had some challenges with the financial impacts of rising costs.

This did not stop us from delivering a full prospectus of activities to members and succeeding in raising our membership numbers from 848 last year to 927 this year.

Fundraising & Funding

Members carried out fundraising to help with soaring utility costs in the building and raised in the order of £12,780 through Donations and Fundraising activities.

This was a huge effort by all members and is hugely appreciated.

U3A Foyle

Trustees' Annual Report for the Year Ended 31 March 2024

Review of Activities

We delivered all our Core Activities this year with good numbers in all groups especially in our Physical Activity and Language classes. We added Archery sessions, Stretch Classes, Danderball & Walking Cricket to the Physical Activities on offer. We also offered a new monthly Storytelling group this year bringing renowned Storytellers from all over Ireland to the group.

Our Ukulele Group - The D'Ukes of Gransha - hit the Regional news when it became the sound of the 'Chat Tea Train Outings' in conjunction with WHSCT encouraging older people to get out onto the trains, meet new people and have some fun and music. The Ukes also played at the Summer Walled City Market & some of the Folk Club members played at the Annual Craft Fair in the Guildhall.

We worked closely with the University of Ulster this year with several lectures and events. Twenty students from their Sports Science Department delivered a Fitness Trial Session to 28 members, working with them on their present fitness and giving guidelines on possible improvements. This event will be embedded into future delivery as it was recorded as very beneficial for both members and the students.

Our Manager, Christine addressed two events this year keeping the profile of U3A Foyle high. One event was in Ulster University as an expert in her field who champions the Older People's demographic across Northern Ireland. The second event was representing U3A Foyle in Cork as part of an International Learning Cities Event sharing best practice.

Going forward, we will continue to work with all agencies that enhance the lives and experiences of our members.

U3A Board

I must pay thanks to the U3A Foyle Board Members who give their time and expertise willingly through the year to ensure that the organisation meets the needs of the U3A members and meets all our statutory regulations.

Board Members met every month for a full Board Meeting and then also for further individual committee meetings as well.

We produce and work to an annual Operational Plan each year derived from our 5-year Strategic Plan. To help deliver on these plans there are several committees in place, each chaired by a Board member.

Staff

Thanks again this year for the enormous contribution made by our small number of permanent staff. Christine, Angelina and Mervyn have once again this year worked hard to keep the U3A members informed and connected, busy and engaged, fit and healthy.

We thank them most sincerely all for their hard work and the extra miles they go for us every year.

Our thanks also go out to all our wonderful Tutors, Facilitators, visiting Lecturers and Group Leaders who also deliver a first-class service to U3A Foyle members.

Our Purposes and Activities

The purpose of U3A Foyle is to encourage older people in the city and district and surrounding areas, who are no longer in full time employment, to engage in lifelong learning. We offer accessible and first-class activities and continuous learning opportunities.

Our mission is to encourage members to enjoy a fuller life in retirement by embracing Active Living - this encompasses educational programmes; languages; recreation and sporting activities; social events and health projects; lectures & talks.

Each year over three terms and throughout the summer months, we compile a comprehensive prospectus detailing various classes, courses and activities. This prospectus focuses very much on supporting our members to keep active, engaged, fit and healthy in their later years.

The emphasis within U3A is on inclusion and on enjoyment. Wider research has shown that members reported major benefits from being part of a U3A Community in terms of confidence, feeling supported, learning new skills, combatting loneliness, and feeling valued and enjoying life.

People in later life are particularly vulnerable to loneliness which can reduce quality of life and well-being. Keeping connected with others and especially one's peers has also personal benefit as people in strong social relationships are more likely to remain healthy and independent.

In shaping our objectives for the year and planning our activities, the directors have considered the Charity Commission's guidance on public benefit requirement (PBR1). We endeavour to encourage a wide range of retirees to take advantage of our expertise and encourage all retirees within our community to make use of our services.

Our Volunteers

To keep our U3A vibrant and strong it is particularly important that members are involved - not only as the participants in classes and activities - but also by using their experience and talents to give something back to the organisation.

This could be in the form of ideas for new activities, by leading groups, joining committees, volunteering for office work, or helping with the many tasks which are necessary to keep our U3A running smoothly.

We have so many members who work tirelessly in volunteer roles for the benefit of the organisation and its development, and we are extremely grateful for all their hard work and thank them most sincerely.

Achievements and performance

This past financial year (April 2023 to March 2024) saw us back to full time in the building after a staggered end to the previous year.

Our records of attendance for the past year are as follows:

From April 2023 to March 2024 there were 104,258 hours of service provision provided for members with 8,761 actual participant places recorded.

U3A Foyle

Trustees' Annual Report for the Year Ended 31 March 2024

Financial review

During the year income of £211,036 was received. Total costs for the year were £237,231 including depreciation of £45,893. Costs excluding depreciation were £191,338. This resulted in a cash surplus for the year of £19,698.

At the year end net current assets increased to £127,719. The unrestricted net current assets at the year-end increased to £127,918 including reserves which the directors have ring fenced for future designated capital spending. The directors had looked at ways of increasing income sources and the members fundraised to an exceptional level this year and as such they are happy with the results of the year.

Reserves policy and going concern

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency costs. Due to the nature of the activities of the Charity no material unplanned costs are expected. The major costs are wages and programme costs but funding is in place to cover most of these costs. The Directors consider that a satisfactory level of unrestricted reserves is six months administration costs and salaries which would currently be in the region of £62,500.

The financial review above shows unrestricted reserves of £127,918 including reserves the directors have ring fenced reserves for future designated capital spending. The Directors have reviewed the circumstances of the Charity and consider that these reserves are adequate to fund activities for the foreseeable future. The directors are of the view that the Charity is a going concern.

Plans for future periods

Our future plans for 2024 and beyond are to continue to plan for new activities, classes & courses. We hope to continue to recruit new members and remain a strong centre for Older people in the City & District encouraging lifelong learning and activity. We will encourage continued fundraising within the membership and continue as a Board to apply for any relevant funding.

Statement of Trustees' Responsibilities

The Charity Trustees (who are also the directors of the U3A Foyle for the purposes of company law) are responsible for preparing a Trustees' Annual Report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the profit or loss of the company for that year.

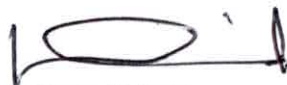

In preparing these the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The report has been prepared in accordance with the special provisions for small companies under part 15 of the Companies Act 2006.

The report was approved by the board on 14 May 2024 and signed on its behalf by

Independent Examiner's report to the Charity Trustees of U3A Foyle
Year ended 31 March 2024

We report solely to the Charity Trustees on our examination of the accounts for the year ended 31 March 2024. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than U3A Foyle and its Trustees as a body for our work or for this report. As a practising member firm of Chartered Accountants Ireland, we are subject to its ethical and other professional requirements which are detailed at www.charteredaccountants.ie.

Respective responsibilities of charity trustees and examiner

As the charity trustees (and also the directors of the company for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 and the Charities Act (Northern Ireland) 2008. Having satisfied ourselves that the charity is not subject to an audit under company law, and is eligible for independent examination, it is our responsibility to:

- examine the accounts under section 65 of the Charities Act.
- follow the procedures laid down in general directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act.
- state whether particular matters have come to our attention.

Basis of independent examiner's report

We have examined your Charity accounts as required under section 65 of the Charities Act and our examination was carried out in accordance with the general directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act. The examination included a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Charity Trustees concerning any such matters.

Our role is to state whether any material matters have come to our attention giving us concern to believe:

1. that accounting records were not kept as required by with section 386 of the Companies Act 2006 and section 63 of the Charities Act;
2. that the accounts do not accord with those accounting records;
3. that the accounts do not comply with the accounting requirements of section 396 of the Companies Act 2006, the Charities Act and with methods and principles of the Charities Statement of Recommended Practise applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic Of Ireland.
4. that there is further information needed for a proper understanding of the accounts to be reached.

Independent examiner's statement

We have completed our examination and have no concerns in respect of the matters (1) to (4) above and, in connection with following the directions of the Charity Commission for Northern Ireland, we have found no matters that require drawing to your attention.

Notes to the financial statements
Year ended 31 March 2024

1. General information

The Charity is a charitable private company limited by guarantee, registered in Northern Ireland. The address of the registered office is Pascal McDonald House, Gransha Park, Derry.

2. Accounting policies

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

U3A Foyle meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

Turnover

Turnover represents the total value of grants received and receivable as well as other income arising from other operating and fundraising activities during the year. Grants are recognised in the Profit and Loss account when the conditions for their receipt have been complied with and there is reasonable assurance that the grant will be received.

Tangible assets

Tangible assets are initially recorded at cost, and are subsequently stated at cost less any accumulated depreciation and impairment losses.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold property	- 4%	straight line
Plant and machinery	- 20%	reducing balance
Fittings fixtures and equipment	- 20%	reducing balance

U3A Foyle
Company limited by guarantee

Notes to the financial statements (continued)
Year ended 31 March 2024

Financial instruments

A financial asset or a financial liability is recognised only when the company becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Debt instruments are subsequently measured at amortised cost.

Where investments in non-convertible preference shares and non-puttable ordinary shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in profit or loss. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in profit or loss, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised in profit or loss immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

3. Funds

Unrestricted Revenue Funds - comprise those revenue funds which the management committee are free to use in accordance with the company objectives.

Restricted Revenue Funds - comprise those revenue funds which have been given for particular purposes and projects.

4. Limited by guarantee

Report of the trustees for the year ending 31 March 2024

The Directors are pleased to present their annual report together with the financial statements of the Charity for the year ended 31 March 2024 which are also prepared to meet the requirements for a Directors' report and accounts for Companies Act purposes.

The financial statements comply with the the Charities Act (NI) 2022, Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019.)

The company is governed by a Memorandum and Articles of Association dated 08/08/01. The company number is NI 41287 and the registered office is Pascal McDonald House, Gransha Park, Derry, BT47 6TG. The company is a registered Northern Ireland charity - reference NIC 100018.

Directors and trustees

The directors of the charitable company (the Charity) are the trustees for the purpose of Charity Law. The Directors during the year end at the 31 March 2024 were as follows:

Tommy Dunbar (Chairperson)	Richard Smith
Martin McDaid	Niall Smyth
Geraldine Kelley (Secretary)	Michael McDaid
Gail Hutchman	Avril Alexander
David Hill	Rose Marie Bradley
Orla Quigley	Helen McNicholl (Resigned 25/03/2023)

Chair's report

On behalf of the Board of Directors I can report that this past year has been another good year for U3A Foyle but we have had some challenges with the financial impacts of rising costs.

This did not stop us from delivering a full prospectus of activities to members and succeeding in raising our membership numbers from 848 last year to 927 this year.

Fundraising & Funding

Members carried out fundraising to help with soaring utility costs in the building and raised in the order of £12,780 through Donations and Fundraising activities.

This was a huge effort by all members and is hugely appreciated.

U3A Foyle -

Trustees' Annual Report for the Year Ended 31 March 2024

Review of Activities

We delivered all our Core Activities this year with good numbers in all groups especially in our Physical Activity and Language classes. We added Archery sessions, Stretch Classes, Danderball & Walking Cricket to the Physical Activities on offer. We also offered a new monthly Storytelling group this year bringing renowned Storytellers from all over Ireland to the group.

Our Ukulele Group - The D'Ukes of Gransha - hit the Regional news when it became the sound of the 'Chat Tea Train Outings' in conjunction with WHSCT encouraging older people to get out onto the trains, meet new people and have some fun and music. The Ukes also played at the Summer Walled City Market & some of the Folk Club members played at the Annual Craft Fair in the Guildhall.

We worked closely with the University of Ulster this year with several lectures and events. Twenty students from their Sports Science Department delivered a Fitness Trial Session to 28 members, working with them on their present fitness and giving guidelines on possible improvements. This event will be embedded into future delivery as it was recorded as very beneficial for both members and the students.

Our Manager, Christine addressed two events this year keeping the profile of U3A Foyle high. One event was in Ulster University as an expert in her field who champions the Older People's demographic across Northern Ireland. The second event was representing U3A Foyle in Cork as part of an International Learning Cities Event sharing best practice.

Going forward, we will continue to work with all agencies that enhance the lives and experiences of our members.

U3A Board

I must pay thanks to the U3A Foyle Board Members who give their time and expertise willingly through the year to ensure that the organisation meets the needs of the U3A members and meets all our statutory regulations.

Board Members met every month for a full Board Meeting and then also for further individual committee meetings as well.

We produce and work to an annual Operational Plan each year derived from our 5-year Strategic Plan. To help deliver on these plans there are several committees in place, each chaired by a Board member.

Staff

Thanks again this year for the enormous contribution made by our small number of permanent staff. Christine, Angelina and Mervyn have once again this year worked hard to keep the U3A members informed and connected, busy and engaged, fit and healthy.

We thank them most sincerely all for their hard work and the extra miles they go for us every year.

Our thanks also go out to all our wonderful Tutors, Facilitators, visiting Lecturers and Group Leaders who also deliver a first-class service to U3A Foyle members.

U3A Foyle

Trustees' Annual Report for the Year Ended 31 March 2024

Our Purposes and Activities

The purpose of U3A Foyle is to encourage older people in the city and district and surrounding areas, who are no longer in full time employment, to engage in lifelong learning. We offer accessible and first-class activities and continuous learning opportunities.

Our mission is to encourage members to enjoy a fuller life in retirement by embracing Active Living - this encompasses educational programmes; languages; recreation and sporting activities; social events and health projects; lectures & talks.

Each year over three terms and throughout the summer months, we compile a comprehensive prospectus detailing various classes, courses and activities. This prospectus focuses very much on supporting our members to keep active, engaged, fit and healthy in their later years.

The emphasis within U3A is on inclusion and on enjoyment. Wider research has shown that members reported major benefits from being part of a U3A Community in terms of confidence, feeling supported, learning new skills, combatting loneliness, and feeling valued and enjoying life.

People in later life are particularly vulnerable to loneliness which can reduce quality of life and well-being. Keeping connected with others and especially one's peers has also personal benefit as people in strong social relationships are more likely to remain healthy and independent.

In shaping our objectives for the year and planning our activities, the directors have considered the Charity Commission's guidance on public benefit requirement (PBR1). We endeavour to encourage a wide range of retirees to take advantage of our expertise and encourage all retirees within our community to make use of our services.

Our Volunteers

To keep our U3A vibrant and strong it is particularly important that members are involved - not only as the participants in classes and activities - but also by using their experience and talents to give something back to the organisation.

This could be in the form of ideas for new activities, by leading groups, joining committees, volunteering for office work, or helping with the many tasks which are necessary to keep our U3A running smoothly.

We have so many members who work tirelessly in volunteer roles for the benefit of the organisation and its development, and we are extremely grateful for all their hard work and thank them most sincerely.

Achievements and performance

This past financial year (April 2023 to March 2024) saw us back to full time in the building after a staggered end to the previous year.

Our records of attendance for the past year are as follows:

From April 2023 to March 2024 there were 104,258 hours of service provision provided for members with 8,761 actual participant places recorded.

U3A Foyle

Trustees' Annual Report for the Year Ended 31 March 2024

Financial review

During the year income of £211,036 was received. Total costs for the year were £237,231 including depreciation of £45,893. Costs excluding depreciation were £191,338. This resulted in a cash surplus for the year of £19,698.

At the year end net current assets increased to £127,719. The unrestricted net current assets at the year-end increased to £127,918 including reserves which the directors have ring fenced for future designated capital spending. The directors had looked at ways of increasing income sources and the members fundraised to an exceptional level this year and as such they are happy with the results of the year.

Reserves policy and going concern

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency costs. Due to the nature of the activities of the Charity no material unplanned costs are expected. The major costs are wages and programme costs but funding is in place to cover most of these costs. The Directors consider that a satisfactory level of unrestricted reserves is six months administration costs and salaries which would currently be in the region of £62,500.

The financial review above shows unrestricted reserves of £127,918 including reserves the directors have ring fenced reserves for future designated capital spending. The Directors have reviewed the circumstances of the Charity and consider that these reserves are adequate to fund activities for the foreseeable future. The directors are of the view that the Charity is a going concern.

Plans for future periods

Our future plans for 2024 and beyond are to continue to plan for new activities, classes & courses. We hope to continue to recruit new members and remain a strong centre for Older people in the City & District encouraging lifelong learning and activity. We will encourage continued fundraising within the membership and continue as a Board to apply for any relevant funding.

Trustees' Annual Report for the Year Ended 31 March 2024

Statement of Trustees' Responsibilities

The Charity Trustees (who are also the directors of the U3A Foyle for the purposes of company law) are responsible for preparing a Trustees' Annual Report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the profit or loss of the company for that year.

In preparing these the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The report has been prepared in accordance with the special provisions for small companies under part 15 of the Companies Act 2006.

The report was approved by the board on 14 May 2024 and signed on its behalf by

Independent Examiner's report to the Charity Trustees of U3A Foyle
Year ended 31 March 2024

We report solely to the Charity Trustees on our examination of the accounts for the year ended 31 March 2024. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than U3A Foyle and its Trustees as a body for our work or for this report. As a practising member firm of Chartered Accountants Ireland, we are subject to its ethical and other professional requirements which are detailed at www.charteredaccountants.ie.

Respective responsibilities of charity trustees and examiner

As the charity trustees (and also the directors of the company for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 and the Charities Act (Northern Ireland) 2008. Having satisfied ourselves that the charity is not subject to an audit under company law, and is eligible for independent examination, it is our responsibility to:

- examine the accounts under section 65 of the Charities Act.
- follow the procedures laid down in general directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act.
- state whether particular matters have come to our attention.

Basis of independent examiner's report

We have examined your Charity accounts as required under section 65 of the Charities Act and our examination was carried out in accordance with the general directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act. The examination included a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Charity Trustees concerning any such matters.

Our role is to state whether any material matters have come to our attention giving us concern to believe:

1. that accounting records were not kept as required by with section 386 of the Companies Act 2006 and section 63 of the Charities Act;
2. that the accounts do not accord with those accounting records;
3. that the accounts do not comply with the accounting requirements of section 396 of the Companies Act 2006, the Charities Act and with methods and principles of the Charities Statement of Recommended Practise applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic Of Ireland.
4. that there is further information needed for a proper understanding of the accounts to be reached.

Independent examiner's statement

We have completed our examination and have no concerns in respect of the matters (1) to (4) above and, in connection with following the directions of the Charity Commission for Northern Ireland, we have found no matters that require drawing to your attention.

Chair's report

On behalf of the Board of Directors I can report that this past year has been a challenging year for U3A Foyle. We were still dealing with some limitations imposed on us by the Covid19 pandemic and also with the financial impacts of a cost-of-living crisis and soaring utility costs.

This, however, has not stopped us from providing a comprehensive range of activities to our members and delivering on a full packed schedule throughout the year.

Fundraising & Funding

Members carried out fundraising to help with soaring utility costs in the building and raised in the order of £13,200. This was a huge effort by all members and is hugely appreciated.

Also due to the hard work of our Grants team - Christine O'Kane, Maxy McDaid, Joe Wilson and Martin McDaid, we were successful in applying for and receiving some grant funding which has ensured we have maintained some financial stability. The WHSCT have also maintained their contract contribution throughout the year for which we are very grateful

Review of Activities

This past financial year (April 2022 to March 2023) saw us back to full time in the building after a staggered end to the previous year.

As restrictions were relaxed and we were able to reopen the building and restart classes in person, our priority was making sure all members were as safe as possible.

Risk assessments were carried out for all the classes and some groups had numbers restricted.

U3A Board

Tribute must be paid to the U3A Foyle Board Members who give their time and expertise willingly through the year to ensure that the organisation meets both the needs of the U3A members and meets all our statutory regulations.

Notes to the financial statements
Year ended 31 March 2023

1. General information

The Charity is a charitable private company limited by guarantee, registered in Northern Ireland. The address of the registered office is Pascal McDonald House, Gransha Park, Derry.

2. Accounting policies

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

U3A Foyle meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

Turnover

Turnover represents the total value of grants received and receivable as well as other income arising from other operating and fundraising activities during the year. Grants are recognised in the Profit and Loss account when the conditions for their receipt have been complied with and there is reasonable assurance that the grant will be received.

Tangible assets

Tangible assets are initially recorded at cost, and are subsequently stated at cost less any accumulated depreciation and impairment losses.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold property	- 4%	straight line
Plant and machinery	- 20%	reducing balance
Fittings fixtures and equipment	- 20%	reducing balance

Year ended 31 March 2023

Financial instruments

A financial asset or a financial liability is recognised only when the company becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Debt instruments are subsequently measured at amortised cost.

Where investments in non-convertible preference shares and non-puttable ordinary shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in profit or loss. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in profit or loss, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised in profit or loss immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

3. Funds

Unrestricted Revenue Funds - comprise those revenue funds which the management committee are free to use in accordance with the company objectives.

Restricted Revenue Funds - comprise those revenue funds which have been given for particular purposes and projects.

Chair's report

On behalf of the Board of Directors I can report that this past year has been a challenging year for U3A Foyle. We were still dealing with some limitations imposed on us by the Covid19 pandemic and also with the financial impacts of a cost-of-living crisis and soaring utility costs.

This, however, has not stopped us from providing a comprehensive range of activities to our members and delivering on a full packed schedule throughout the year.

Fundraising & Funding

Members carried out fundraising to help with soaring utility costs in the building and raised in the order of £13,200. This was a huge effort by all members and is hugely appreciated.

Also due to the hard work of our Grants team - Christine O'Kane, Maxy McDaid, Joe Wilson and Martin McDaid, we were successful in applying for and receiving some grant funding which has ensured we have maintained some financial stability. The WHSCT have also maintained their contract contribution throughout the year for which we are very grateful

U3A Foyle

Trustees' Annual Report for the Year Ended 31 March 2023

Review of Activities

This past financial year (April 2022 to March 2023) saw us back to full time in the building after a staggered end to the previous year.

As restrictions were relaxed and we were able to reopen the building and restart classes in person, our priority was making sure all members were as safe as possible.

Risk assessments were carried out for all the classes and some groups had numbers restricted.

U3A Board

Tribute must be paid to the U3A Foyle Board Members who give their time and expertise willingly through the year to ensure that the organisation meets both the needs of the U3A members and meets all our statutory regulations.

We produce and work to an annual Operational Plan each year derived from our 5-year Strategic Plan. To help deliver on these plans there are several committees in place, each chaired by a Board member.

The committees currently are :-

- (1) The Programme Committee chaired by Helen McNicholl.
- (2) The Finance Committee chaired by Martin McDaid.
- (3) The Development Committee chaired by Orla Quigley.
- (4) The House & Grounds Committee chaired by Niall Smyth.
- (5) The Communications Committee chaired by David Hill.

Staff

Thanks again this year for the enormous contribution made by our small number of permanent staff. Christine, Angelina and Mervyn have once again this year worked hard to keep the U3A members informed and connected, busy and engaged, fit and healthy. We thank them most sincerely all for their hard work and good humour during the year.

Our thanks also go out to all our wonderful tutors, facilitators, visiting lecturers and group leaders who also go the extra mile to deliver a first-class service to members.

U3A Foyle

Trustees' Annual Report for the Year Ended 31 March 2023

Our Purposes and Activities

The purpose of U3A Foyle is to encourage older people in the city and district and surrounding areas, who are no longer in full time employment, to engage in lifelong learning - in whatever guise that takes for individuals.

Our mission is to encourage members to enjoy a fuller life in retirement by embracing Active Living - this encompasses educational programmes; languages; recreation and sporting activities; social events and health projects; lectures & talks.

Each year over three terms and throughout the summer months, we compile a comprehensive prospectus detailing various classes, courses and activities. This prospectus focuses very much on supporting our members to keep active, engaged, fit and healthy in their later years.

The emphasis within U3A is on inclusion and on enjoyment. Wider research has shown that members reported major benefits from being part of a U3A Community in terms of confidence, feeling supported, learning new skills, combatting loneliness, and feeling valued and enjoying life.

People in later life are particularly vulnerable to loneliness which can reduce quality of life and well-being. Keeping connected with others and especially one's peers has also personal benefit as people in strong social relationships are more likely to remain healthy and independent.

In shaping our objectives for the year and planning our activities, the directors have considered the Charity Commission's guidance on public benefit requirement (PBR1). We endeavour to encourage a wide range of retirees to take advantage of our expertise and encourage all retirees within our community to make use of our services.

Our Volunteers

To keep our U3A vibrant and strong it is particularly important that members are deeply involved, not only as the participants in classes and activities, but also by using their experience and talents to give something back. This could be in the form of ideas for new activities, by leading groups, joining committees, volunteering for office work, or helping with the many tasks which are necessary to keep our U3A running smoothly.

We have so many members who work tirelessly in volunteer roles for the benefit of the organisation and its development, and we are extremely grateful for all their hard work and thank them most sincerely.

Achievements and performance

Our membership has not fully recovered to pre Covid numbers although we have increased from 750 members in 2021-22 to 840 by March 2023. Our records of attendance for the past year are as follows:

From April 2022 to March 2023 there were 92,571 hours of service provision provided for members with 7,863 actual participant places recorded.

U3A Foyle

Trustees' Annual Report for the Year Ended 31 March 2023

Financial review

During the year income of £198,460 was received. Total costs for the year were £223,479 including depreciation of £46,618. Costs excluding depreciation were £176,860. This resulted in a cash surplus for the year of £21,599.

At the year end net current assets increased to £108,565. The unrestricted net current assets at the year-end increased to £104,549 including reserves which the directors have ring fenced for future designated capital spending. The directors had looked at ways of increasing income sources and the members fundraised to an exceptional level this year and as such they are happy with the results of the year.

Reserves policy and going concern

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency costs. Due to the nature of the activities of the Charity no material unplanned costs are expected. The major costs are wages and programme costs but funding is in place to cover most of these costs. The Directors consider that a satisfactory level of unrestricted reserves is six months administration costs and salaries which would currently be in the region of £62,500.

The financial review above shows unrestricted reserves of £104,549 including reserves the directors have ring fenced reserves for future designated capital spending. The Directors have reviewed the circumstances of the Charity and consider that these reserves are adequate to fund activities for the foreseeable future. The directors are of the view that the Charity is a going concern.

Plans for future periods

Our future plans for 2023 and beyond are to continue to plan for new activities, classes & courses. We hope to continue to recruit new members and remain a strong centre for Older people in the City & District encouraging lifelong learning and activity. We will encourage continued fundraising within the membership and continue as a Board to apply for any relevant funding.

Trustees' Annual Report for the Year Ended 31 March 2023

Statement of Trustees' Responsibilities

The Charity Trustees (who are also the directors of the U3A Foyle for the purposes of company law) are responsible for preparing a Trustees' Annual Report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the profit or loss of the company for that year.

In preparing these the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The report has been prepared in accordance with the special provisions for small companies under part 15 of the Companies Act 2006.

The report was approved by the board on 9 May 2023 and signed on its behalf by

Independent Examiner's report to the Charity Trustees of U3A Foyle
Year ended 31 March 2023

We report solely to the Charity Trustees on our examination of the accounts for the year ended 31 March 2023. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than U3A Foyle and its Trustees as a body for our work or for this report. As a practising member firm of Chartered Accountants Ireland, we are subject to its ethical and other professional requirements which are detailed at www.charteredaccountants.ie.

Respective responsibilities of charity trustees and examiner

As the charity trustees (and also the directors of the company for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 and the Charities Act (Northern Ireland) 2008. Having satisfied ourselves that the charity is not subject to an audit under company law, and is eligible for independent examination, it is our responsibility to:

- examine the accounts under section 65 of the Charities Act.
- follow the procedures laid down in general directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act.
- state whether particular matters have come to our attention.

Basis of independent examiner's report

We have examined your Charity accounts as required under section 65 of the Charities Act and our examination was carried out in accordance with the general directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act. The examination included a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Charity Trustees concerning any such matters.

Our role is to state whether any material matters have come to our attention giving us concern to believe:

1. that accounting records were not kept as required by with section 386 of the Companies Act 2006 and section 63 of the Charities Act;
2. that the accounts do not accord with those accounting records;
3. that the accounts do not comply with the accounting requirements of section 396 of the Companies Act 2006, the Charities Act and with methods and principles of the Charities Statement of Recommended Practise applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic Of Ireland.
4. that there is further information needed for a proper understanding of the accounts to be reached.

Independent examiner's statement

We have completed our examination and have no concerns in respect of the matters (1) to (4) above and, in connection with following the directions of the Charity Commission for Northern Ireland, we have found no matters that require drawing to your attention.
