Report to the board of directors on the preparation of the
unaudited statutory financial statements of KIDS KABIN DRUMAROAD LIMITED
Year Ended 31st August 2021

I report on the accounts of Kids Kabin Drumaroad Ltd for the Year Ended 31st August 2021.

Respective responsibilities of Trustees and Independent Examiner

The charity's trustees are responsible for the preparation of the accounts. It is my responsibility to state, on the basis of my examination, whether particular matters have come to my attention.

Basis of Independent Examiner's Statement

My examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

(i) which gives me reasonable cause to believe that in any material respect the trustees have not met the requirements to ensure that:

- proper books of account are kept in accordance with section 27 of the Charities Act (Northern Ireland) 1964; and
- accounts are prepared which agree with the books of account and comply with the accounting requirements of the Act; or

(ii) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The company is a private company limited by guarantee, registered in Northern Ireland.

KIDS KABIN DRUMAROAD LIMITED
Company Limited by Guarantee

Notes to the Financial Statements (continued)
Year Ended 31st August 2021

1. General Information

The company is a Private Company Limited by Guarantee, registered in Northern Ireland, and the address of the registered office is 21 Chapel Lane, Drumaroad, Castlewellan, Co Down, BT31 9PJ.

2. Statement of Compliance

These financial statements have been prepared in compliance with the provisions of FRS 102, Section 1A, 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

3. Accounting Policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss. The financial statements are prepared in sterling, which is the functional currency of the entity.

Transition to FRS 102

The entity transitioned from previous UK GAAP to FRS 102 as at 1 September 2014. Details of how FRS 102 has affected the reported financial position and financial performance is given in note 9.

Turnover

Turnover is measured at the fair value of the consideration received or receivable for goods supplied and services rendered, net of discounts and Value Added Tax. Revenue from the sale of goods is recognised when the significant risks and rewards of ownership have transferred to the buyer, usually on despatch of the goods; the amount of revenue can be measured reliably; it is probable that the associated economic benefits will flow to the entity and the costs incurred or to be incurred in respect of the transactions can be measured reliably.

Taxation

The taxation expense represents the aggregate amount of current and deferred tax recognised in the reporting period. Tax is recognised in the statement of comprehensive income, except to the extent that it relates to items recognised in other comprehensive income or directly in capital and reserves. In this case, tax is recognised in other comprehensive income or directly in capital and reserves, respectively. Current tax is recognised on taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

Deferred tax is recognised in respect of all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

KIDS KABIN DRUMAROAD LIMITED
Company Limited by Guarantee

Notes to the Financial Statements (continued)
Year Ended 31st August 2021

Tangible Assets

Tangible assets are initially recorded at cost, and are subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other comprehensive income and accumulated in capital and reserves, except to the extent it reverses a revaluation decrease of the same asset previously recognised in profit or loss. A decrease in the carrying amount of an asset as a result of revaluation is recognised in other comprehensive income to the extent of any previously recognised revaluation increase accumulated in capital and reserves in respect of that asset. Where revaluation decrease exceeds the accumulated revaluation gains accumulated in capital & reserves in respect of that asset, the excess being recognised in profit or loss.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

If there is an indication that there has been a significant change in depreciation rate, useful life or residual value of tangible assets, the depreciation is revised prospectively to reflect the new estimates.

Impairment

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stocks to their present location and condition.

Government grants

Government grants are recognised at the fair value of the asset received or receivable. Grants are not recognised until there is reasonable assurance that the company will comply with the conditions attaching to them and the grants will be received.

Government grants are recognised using the accrual model and the performance model.

Under the accrual model, government grants relating to revenue are recognised on a systematic basis over the periods in which the company recognises the related costs for which the grant is intended to compensate. Grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the entity with no future related costs are recognised in income in the period in which it becomes receivable.

Grants relating to assets are recognised in income on a systematic basis over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income and not deducted from the carrying amount of the asset.

Under the performance model, where the grant does not impose specified future performance-related conditions on the recipient, it is recognised in income when the grant proceeds are received or receivable. Where the grant does impose specified future performance-related conditions on the recipient, it is recognised in income only when the performance-related conditions have been met. Where grants received are prior to satisfying the revenue recognition criteria, they are recognised as a liability.

Company Limited by Guarantee

Notes to the Financial Statements (continued)
Year Ended 31st August 2021

Financial instruments

A financial asset or a financial liability is recognised only when the company becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Debt instruments are subsequently measured at amortised cost.

Where investments in non-convertible preference shares and non-puttable ordinary shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in profit or loss. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in profit or loss, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised in profit or loss immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

In respect of intangible assets other than goodwill, the aggregate cost, amortisation and the comparable carrying amount that would have been recognised if the assets had been carried under the historical cost model are as follows:

4. Limited by Guarantee

This Company is a "Company Limited by Guarantee" and is also a "Registered Charity (Registration Number 112233).

5. Staff Costs

The average number of persons employed by the company during the year, including the directors was 3 (2020: 3)

Objectives and Activities

Kidskabin Ltd main purpose is to advance the education of pre-school children, in Drumaroad and the surrounding area. The company's objectives are to enhance the development and education of children under statutory school age by encouraging parents/guardians to understand and provide for the needs of their children by offering appropriate play facilities, with the right of parents/carers to take responsibility for and to become involved in the activities of the Company, ensuring that the Company offers opportunities for all children, regardless of religion, culture, race or means. Also encouraging the study of the needs of such children and their families and promoting public interest in and recognition of such needs of such children and their families in the local areas while at all times supporting the values and principles of NIPPA.

The Kidskabin playgroup activities provide an establishment where children can learn and develop through play and a curriculum tailored to each child. It provides a warm, safe and welcoming environment where children are happy and can develop independence and social skills.

Achievements and Performance

During the year ended 31 August 2019 the Kidskabin playgroup has continued to provide excellent early years education, in partnership with the Education Authority. In excess of 15 children attended the playgroup during the academic year. Feedback from parents, carers and the children has been very positive. In keeping with the ethos of fostering good relationships within the local community, the children visited local shops and were visited by parent experts. Fundraising events have also provided opportunities to engage with the local community, as well as raising essential funds for the continuing operations of the nursery.

Independent Examiner's Report to the Trustees on the
unaudited Statutory Financial Statements of KIDS KABIN DRUMAROAD LIMITED for the
Year Ended 31st August 2020

I report on the accounts of Kids Kabin Drumaroad Ltd for the Year Ended 31st August 2020.

Respective responsibilities of Trustees and Independent Examiner

The charity's trustees are responsible for the preparation of the accounts. It is my responsibility to state, on the basis of my examination, whether particular matters have come to my attention.

Basis of Independent Examiner's Statement

My examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

(i) which gives me reasonable cause to believe that in any material respect the trustees have not met the requirements to ensure that:

- proper books of account are kept in accordance with section 27 of the Charities Act (Northern Ireland) 1964; and
- accounts are prepared which agree with the books of account and comply with the accounting requirements of the Act; or

(ii) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

KIDS KABIN DRUMAROAD LIMITED
Company Limited by Guarantee

Notes to the Financial Statements (continued)
Year Ended 31st August 2019

1. General Information

The company is a Private Company Limited by Guarantee, registered in Northern Ireland, and the address of the registered office is 21 Chapel Lane, Drumaroad, Castlewellan, Co Down, BT31 9PJ.

2. Statement of Compliance

These financial statements have been prepared in compliance with the provisions of FRS 102, Section 1A, 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

3. Accounting Policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss. The financial statements are prepared in sterling, which is the functional currency of the entity.

Transition to FRS 102

The entity transitioned from previous UK GAAP to FRS 102 as at 1 September 2014. Details of how FRS 102 has affected the reported financial position and financial performance is given in note 9.

Turnover

Turnover is measured at the fair value of the consideration received or receivable for goods supplied and services rendered, net of discounts and Value Added Tax. Revenue from the sale of goods is recognised when the significant risks and rewards of ownership have transferred to the buyer, usually on despatch of the goods; the amount of revenue can be measured reliably; it is probable that the associated economic benefits will flow to the entity and the costs incurred or to be incurred in respect of the transactions can be measured reliably.

Taxation

The taxation expense represents the aggregate amount of current and deferred tax recognised in the reporting period. Tax is recognised in the statement of comprehensive income, except to the extent that it relates to items recognised in other comprehensive income or directly in capital and reserves. In this case, tax is recognised in other comprehensive income or directly in capital and reserves, respectively.

Current tax is recognised on taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

Deferred tax is recognised in respect of all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

KIDS KABIN DRUMAROAD LIMITED
Company Limited by Guarantee

Notes to the Financial Statements (continued)
Year Ended 31st August 2019

Tangible Assets

Tangible assets are initially recorded at cost, and are subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other comprehensive income and accumulated in capital and reserves, except to the extent it reverses a revaluation decrease of the same asset previously recognised in profit or loss. A decrease in the carrying amount of an asset as a result of revaluation is recognised in other comprehensive income to the extent of any previously recognised revaluation increase accumulated in capital and reserves in respect of that asset. Where revaluation decrease exceeds the accumulated revaluation gains accumulated in capital & reserves in respect of that asset, the excess being recognised in profit or loss.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

If there is an indication that there has been a significant change in depreciation rate, useful life or residual value of tangible assets, the depreciation is revised prospectively to reflect the new estimates.

Impairment

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stocks to their present location and condition.

Government grants

Government grants are recognised at the fair value of the asset received or receivable. Grants are not recognised until there is reasonable assurance that the company will comply with the conditions attaching to them and the grants will be received.

Government grants are recognised using the accrual model and the performance model.

Under the accrual model, government grants relating to revenue are recognised on a systematic basis over the periods in which the company recognises the related costs for which the grant is intended to compensate. Grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the entity with no future related costs are recognised in income in the period in which it becomes receivable.

Grants relating to assets are recognised in income on a systematic basis over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income and not deducted from the carrying amount of the asset.

Under the performance model, where the grant does not impose specified future performance-related conditions on the recipient, it is recognised in income when the grant proceeds are received or receivable. Where the grant does impose specified future performance-related conditions on the recipient, it is recognised in income only when the performance-related conditions have been met. Where grants received are prior to satisfying the revenue recognition criteria, they are recognised as a liability.

KIDS KABIN DRUMAROAD LIMITED
Company Limited by Guarantee

Notes to the Financial Statements (continued)
Year Ended 31st August 2019

Financial instruments

A financial asset or a financial liability is recognised only when the company becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Debt instruments are subsequently measured at amortised cost.

Where investments in non-convertible preference shares and non-puttable ordinary shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in profit or loss. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in profit or loss, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised in profit or loss immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

In respect of intangible assets other than goodwill, the aggregate cost, amortisation and the comparable carrying amount that would have been recognised if the assets had been carried under the historical cost model are as follows:

4. Limited by Guarantee

This Company is a "Company Limited by Guarantee" and is also a "Registered Charity (Registration Number 112233).

**Independent Examiner's Report to the Trustees on the
Unaudited Financial Statements of Kids Kabin Drumaroad Ltd.**

I report on the accounts of Kids Kabin Drumaroad Ltd for the Year Ended 31st August 2019.

Respective responsibilities of Trustees and Independent Examiner

The charity's trustees are responsible for the preparation of the accounts. It is my responsibility to state, on the basis of my examination, whether particular matters have come to my attention.

Basis of Independent Examiner's Statement

My examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

(i) which gives me reasonable cause to believe that in any material respect the trustees have not met the requirements to ensure that:

- proper books of account are kept in accordance with section 27 of the Charities Act (Northern Ireland) 1964; and
- accounts are prepared which agree with the books of account and comply with the accounting requirements of the Act; or

(ii) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
