Annual report

Annual Report 23/24

What a fantastic year this has been! Our families and friends in the community have helped us no end, and our fundraising has shown this in the new updates to the technology throughout the school.

Thanks to everyone's hard work and the support of the community we have purchased 5 interactive whiteboards for throughout the school, and covered the cost of the end of term school bus trips. That truly is some achievement and show just how much of a community we have.

We started our events this year with our annual Halloween Disco and a Raffle, with prizes kindly donated by local businesses. This went down a treat for all the kids in the school, and closely followed this up with our Christmas Craft Fayre, which again pulled a great ground from not only the school community but the wider community also.

Just before Easter we did some bag packing with donation buckets in Home Bargains, and collected donations. Then we did our Easter disco and Raffle, which again was hugely supported by all.

Then came Sports day, and this year we did our Spinathon with members of the local GAA and members of Staff and parents all taking turns on the bikes to raise over £2000! What a way to end the school year.

Next year we look forward to turning our attention to updating the playground toys and equipment.

We continue to hold no assets or liabilities

Annual report

Friends and Parents of Faughanvale Primary School

Annual Report 22/23

This year was great for getting to host some amazing events in the school, and receiving some lovely feedback from the parents too.

September seen the start of our events with the Golf Tournament hosted at the local golf club bringing in over £1300! It was great to have such a big start to our year, with many families enjoying the activity.

In December we hosted our annual Christmas Craft Fair, and we did our first ever Santa Trail, which was a huge success and very well supported.

In the new year we held our Bingo up at St Annes Hall, which drew a huge crowd of both families from the school, and the wider community, and we would like to note the support of the church in letting us use their hall is greatly appreciated.

Other events include our Valentines Disco, Easter Raffle and the Friday ice lolly treats for sale in the playground. At our sports day we held the Spin-athon, and the competitive nature of both our pupils and parents was no surprise. They did use proud, putting in a huge 12hour shift on the two bikes, and raising £1900.

All in all, this was a brilliant year of fun and fundraising.

With the funds raised we managed to purchase 2 interactive white boards for our classrooms, bringing the technology right up to date, and as reports go the teachers and children alike are loving them.

Hopefully another great year lies ahead of us.
