

2023 Trustee Report

We had another very quiet year on the fundraising front. It has been impossible to get any new recruits, and events are only really getting back to normal after the Pandemic.

In March / April, we managed to get some painting done in the Walled Garden.

In August, we again contributed to the Summer Event, covering the cost of the Balloons, the Chip Van and the Icecream Van. This was a brilliant event with lots to do for people living with Autism.
