Charity aims and purposes. Objectives and Activities.

The aim and purpose of Elmwood Asthma Action is to provide assistance to people suffering from asthma and breathing related problems, and to fund research into providing assistance to those who suffer from Asthma and breathing related problems. Our organisation raises donations by the placement of Charity collection boxes in various shops throughout Northern Ireland and the Republic of Ireland.

We also occasionally arrange charity bag packs in local supermarkets as an additional source of charity funding. With these raised funds we donate to research that is tasked with studying the effects of Asthma and breathing related difficulties so that treatment can be made devised to combat these difficulties. With raised charity donations we also fully or partially fund or donate nebulizer equipment that elevates breathing difficulties for those who suffer from Asthma and breathing related problems. With ongoing research, we hope to provide new advances in breathing related equipment as and when they are devised and have been passed by relevant bodies.

Annual Report

At our annual meeting we discussed several topics. The ongoing rise in costs involved with running the charity were discussed and a few ideas proposed as how to both save money and increase donations. These included obtaining quotes for printing services from several competing companies and choosing the quote that is best for price and quality.

The approval of a donation button on the charity's website was approved and implemented and is currently in operation. The use of social media to create awareness and to aid donations was discussed and it was decided that this should be further investigated.

A special mention was noted for a former volunteer of the charity, Brian Morgan, who sadly passed away in 2023. Brian was a proud supporter of the charity and though ill helped curbed his ability to help the charity in his later years, his help and guidance was invaluable in the early days of Elmwood Asthma Action. He will be missed.

All trustees agreed to return for the oncoming year and Yvonne Morgan was re-elected as Chairperson.

“The new design for the charity’s website was discussed and approved. This was implemented in the middle of the year and is currently online.”

Annual return

Independent Examiner's Report to the Trustees of

Elmwood Asthma Action

I report on the accounts of the company for the year ended 31 March 2024, which are set out on pages 5 to 6.

Respective responsibilities of trustees and examiner

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the Charities Act (Northern Ireland) 2008.

It is my responsibility to:

- examine the accounts under section 65 of the Charities Act
- follow the procedures laid down in the general Directions given by the Commission under section 65(9)(b) of the Charities Act
- state whether particular matters have come to my attention.

Basis of independent examiner's report

I have examined your charity accounts as required under section 65 of the Charities Act and my examination was carried out in accordance with the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act.

My examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as charity trustees concerning any such matters.

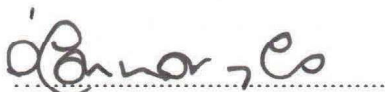

My role is to state whether any material matters have come to my attention giving me cause to believe:

1. That accounting records were not kept in accordance with section 63 of the Charities Act
2. That the accounts do not accord with those accounting records
3. That the accounts do not comply with the accounting requirements of the Charities Act
4. That there is further information needed for a proper understanding of the accounts to be reached.

Independent examiner's statement

I have completed my examination and have no concerns in respect of the matters (1) to (4) listed above and, in connection with following the Directions of the Charity Commission for Northern Ireland, I have found no matters that require drawing to your attention.

Charity aims and purposes, objectives and activities

The aim and purpose of Elmwood Asthma Action is to provide assistance to people suffering from asthma and breathing related problems, and to fund research into providing assistance to those who suffer from Asthma and breathing related problems.

Our organisation raises donations by the placement of Charity collection boxes in various shops throughout Northern Ireland. We also occasionally arrange charity bag packs in local supermarkets as an additional source of charity funding. With these raised funds we donate to research that is tasked with studying the effects of Asthma and breathing related difficulties so that treatment can be made devised to combat these difficulties.

With raised charity donations we also fully or partially fund or donate nebulizer equipment that elevates breathing difficulties for those who suffer from Asthma and breathing related problems.

With ongoing research, we hope to provide new advances in breathing-related equipment as and when they are devised and have been passed by relevant bodies.

ANNUAL REPORT

At our annual meeting we discussed many subjects. Chief amongst them was the continued knock on effect that the pandemic has had on our charity and charities in general. The ongoing cost of living crisis has also led to an increase in charity cost. This includes a rise in fuel prices, printing costs and charity box replacements. We discussed how to both increase charity funding and lower our running costs. Some of these ideas included updating the charity website to include a donation button, thus allowing people to donate online instantly. We also discussed searching more locally for charity box replacements than shopping from England, which incurs shipping fees.

We also discussed the latest information provided by various asthma research publications to keep ourselves up to date on the latest asthma and breathing related treatments and innovations. It was decided to revamp our website and to include more modern literature relating to asthma and the treatments that are available. Yvonne Morgan was re-elected chairperson and all trustees agreed to remain unchained for the oncoming year.
