Chairperson's Address. Read by Gerry McCracken

Rev. Father, Ladies and Gentlemen I want to welcome you to the tenth AGM of Lissan Leisure Club. I would also like to welcome our special guest from CWSAN, Mr Gerry Lynch.

This was another brilliant year for the club. All our activities went ahead, uninterrupted for the whole year and everyone who attended enjoyed them immensely. Again Mid Ulster Council helped us in many ways. They sponsored the Festive Lights Ceremony again this year with the whole project being very successful.

I would like to take this opportunity to thank our members and our volunteers who work for the good of the club on all occasions and do their very best to project the club in our community in every aspect of their work. I especially want to thank Peter Muldoon for his work as Chairperson for the last few years.

Finally, I would like to offer my condolences, on behalf of the club to all our members who have lost loved ones since this time last year. Could I please have a moment's silence in their memory? Thank You.

Gerry McCracken
