Notes to the Financial Statements

Year ended 31 March 2022

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in N. Ireland and a registered charity in Northern Ireland. The address of the registered office is 8 Point Road, BALLYKINLAR, Downpatrick, County Down, BT30 8AS.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Disclosure exemptions

No transactions occurred requiring disclosure under the financial instruments legislation.

Judgements and key sources of estimation uncertainty

There were no items of uncertainty requiring the exercise of judgement.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

3. Accounting policies *(continued)*

Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Buildings	- 4% straight line
Fixtures & fittings	- 15% straight line
	- 15% straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Buildings	- 4% straight line
Fixtures & fittings	- 15% straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

Objectives and activities

The company is established to:

- Provide a wide range of developmental and educative opportunities for 3-4 year olds through indoor and outdoor play - Provide a safe place for the children to develop and learn through play activities that address the six areas of the preschool curriculum
- Build on the knowledge and experiences children have gained at home
- Increase community and parental participation in all our work
- Include children with special needs and their families within the group

We achieve this by:

- Providing a safe and stimulating environment for children to attend
- Increasing each child's understanding of their relationships with peers and adults through use of respecting difference media initiative and learning about feelings
- Encouraging children to respect adults and each other
- Developing a wide range of personal, social and general skills
- Enhancing the confidence and self-esteem of the children through listening to their views and giving positive reinforcement
- Ensuring that the individuality of each child is valued and responded to - Encouraging the children to be responsible for their own actions- Providing new experiences for the children - Providing appropriate activities for all the children and addressing additional needs through individual educational plans when needed - Working closely with any professionals linked to individual children and following programmes set for the children - Working closely with parents/carers exchanging information/advice necessary for the progress of the child - Providing opportunities for parents to participate in the work we do with the children so that through parents guidance and our help the children will grow and develop into confident, eager and enthusiastic young learners.

Public benefit statement

The trustees confirm that they have complied with their duty under section 4(b) of the Charities Act(Northern Ireland) 2008 to have regard to the Charity Commission for Northern Ireland's guidance on the public benefit and that the public benefit requirement has informed the activities of the charitable company in the year ended 31st March 2021

Achievements and performance

Ballykinlar Cross Community Playgroup is extremely pleased with the progression made over the past year while continuing to meet its key objectives. It is registered for 24 children with the Department of Health and Social Services and is now currently funded by the Department of Education for Northern Ireland for 13 pre-school children. There are currently 20 children enrolled in the group, 13 of whom are in pre - school year and 7 in their pre preschool year. There are 4 members of staff 2 of which are permanent. While there has been a reduction in current intake the committee is confident that this will be temporary. The playgroup remains on a sound financial footing, a great reflection of the hard work and achievements of the staff and committee throughout the year and a demonstration of the high esteem in which the organization is held within the local community. The association has excelled in all external inspections.

We are currently members of Early Years - the organisation for young children and underpin their values.

Financial review

The charity's incoming resources for the year ended 31/03/2021 amounted to £64,381 (2020:£51,619). Total funds at 31.03.21 amounted to £68,673 (2020 £67,140). The company remains financially sound despite the pressures on funding and the number of pupils is encouraging which secures the financial position of the company. The directors are satisfied with the financial position and are hopeful that the company will continue to flourish with the support of the local community.

Reserves Policy

The charity does not have a formal reserves policy. The trustees believe that due to the recurring nature of the income received by the charity it holds sufficient reserves to meet its requirement for the short to medium term.

Plans for future periods

The group is satisfied that the arrangements are in place for it to cater adequately for the present numbers and to cope with any future expansion. The company continue to seek funding from all available sources in order to continue to enhance the quality of service that it provides.

The trustees' annual report and the strategic report were approved on 17 December 2021 and signed on behalf of the board of trustees by:

Independent Examiner's Report to the Trustees of Ballykinlar Cross Community Pre-School Playgroup Limited

Year ended 31 March 2021

I report to the trustees on my examination of the financial statements of Ballykinlar Cross Community Pre-School Playgroup Limited ('the charity') for the year ended 31 March 2021.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of Charities Act (Northern Ireland) 2008 (the '2008 Act') and the Companies Act 2006 ('the 2006 Act'). You are satisfied that the accounts of the company are not required by charity or company law to be audited and have chosen instead to have an independent examination.

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements as carried out under section 65 of the 2008 Act. In carrying out my examination I have followed the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the 2008 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with my examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I confirm that there are no other matters to which your attention should be drawn to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

Year ended 31 March 2020

1. General information

The charity is a private company limited by guarantee, registered in N. Ireland and a registered charity in Northern Ireland. The address of the registered office is 8 Point Road, BALLYKINLAR, Downpatrick, County Down, BT30 8AS.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act (Northern Ireland) 2008.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Disclosure exemptions

No transactions occurred requiring disclosure under the financial instruments legislation.

Judgements and key sources of estimation uncertainty

There were no items of uncertainty requiring the exercise of judgement.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Ballykinlar Cross Community Pre-School Playgroup Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 March 2020

3. Accounting policies *(continued)*

Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Buildings	- 4% straight line
Fixtures & fittings	- 15% straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

Structure, governance and management

Organizational structure

The company is limited by guarantee, not having a share capital.

Ballykinlar Cross Community Pre-School Playgroup Ltd is a company limited by guarantee, governed by the Memorandum and Articles of Association.

The day to day decision making is undertaken by the Development Officer under the guidance of the Board of Directors. Financial matters are addressed by the Company Treasurer in conjunction with the Development Officer.

It is the responsibility of the Board of Directors along with the Development Officer to ensure that Funders regulations are met and adhered to.

Objectives and activities

The company is established to:

- Provide a wide range of developmental and educative opportunities for 3-4 year olds through indoor and outdoor play
- Provide a safe place for the children to develop and learn through play activities that address the six areas of the preschool curriculum
- Build on the knowledge and experiences children have gained at home
- Increase community and parental participation in all our work
- Include children with special needs and their families within the group

We achieve this by:

- Providing a safe and stimulating environment for children to attend
- Increasing each child's understanding of their relationships with peers and adults through use of respecting difference media initiative and learning about feelings
- Encouraging children to respect adults and each other
- Developing a wide range of personal, social and general skills
- Enhancing the confidence and self-esteem and giving positive reinforcement
- Ensuring that the individuality of each child is valued and responded to - Encouraging the children to be responsible for their own actions- Providing new experiences for the children
- Providing appropriate activities for all the children and addressing additional needs through individual educational plans when needed - Working closely with any professionals linked to individual children and following programmes set for the children - Working closely with parents/carers exchanging information/advice necessary for the progress of the child - Providing opportunities for parents to participate in the work we do with the children so that through parents guidance and our help the children will grow and develop into confident, eager and enthusiastic young learners.

Public benefit statement

The trustees confirm that they have complied with their duty under section 4(b) of the Charities Act (Northern Ireland) 2008 to have regard to the Charity Commission for Northern Ireland's guidance on the public benefit and that the public benefit requirement has informed the activities of the charitable company in the year ended 31st March 2020

Achievements and performance

Ballykinlar Cross Community Playgroup is extremely pleased with the progression made over the past year while continuing to meet its key objectives. It is registered for 19 children with the Department of Health and Social Services and is now currently funded by the Department of Education for Northern Ireland for 19 pre-school children. There are currently 17 children enrolled in the group, 12 of whom are in pre - school year and 5 in their pre preschool year. There are 4 members of staff 2 of which are permanent. While there has been a reduction in current intake the committee is confident that this will be temporary. The playgroup remains on a sound financial footing, a great reflection of the hard work and achievements of the staff and committee throughout the year and a demonstration of the high esteem in which the organization is held within the local community. The association has excelled in all external inspections.

We are currently members of Early Years - the organisation for young children and underpin their values.

Financial review

The charity's incoming resources for the year ended 31/03/2020 amounted to £51,619 (2019:£51,801). Total funds at 31.03.20 amounted to £67,140 (2019 £76,702). The company remains financially sound despite the pressures on funding and the number of pupils is encouraging which secures the financial position of the company. The directors are satisfied with the financial position and are hopeful that the company will continue to flourish with the support of the local community.

Reserves Policy

The charity does not have a formal reserves policy. The trustees believe that due to the recurring nature of the income received by the charity it holds sufficient reserves to meet its requirement for the short to medium term.

Plans for future periods

The group is satisfied that the arrangements are in place for it to cater adequately for the present numbers and to cope with any future expansion. The company continues to seek funding from all available sources in order to continue to enhance the quality of service that it provides.

Independent Examiner's Report to the Trustees of Ballykinlar Cross Community Pre-School Playgroup Limited

Year ended 31 March 2020

I report on the financial statements for the year ended 31 March 2020, which comprise the statement of financial activities (including income and expenditure account), statement of financial position and the related notes.

Respective responsibilities of trustees and examiner

The charity's trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006. Having satisfied myself that the charity is not subject to audit under company law, and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 65 of the Charities Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

I have examined your charity accounts as required under section 65 of the Charities Act and my examination was carried out in accordance with the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act. The examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters.

My role is to state whether any material matters have come to my attention giving me cause to believe:

1. That accounting records were not kept in accordance with section 386 of the Companies Act 2006
2. That the accounts do not accord with those accounting records
3. That the accounts do not comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Charities Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland.
4. That there is further information needed for a proper understanding of the accounts to be reached.
