Trustees' Report

The Trustees present their report and financial statements for the year ended 31 December 2025. The Trustees confirm that the financial statements of the charity comply with the current statutory minimum requirements for charities to prepare receipts and payments accounts in accordance with the Charities Act (Northern Ireland) 2008.

Public benefits

The direct benefits of the Charities purposes are to improve the musical skills of the young and promising musicians defined as those showing from an early age the possibility of achieving excellence in advancing their musical talents. Any private benefits that might arise, for example the benefit orchestras might gain from having the improved musician in their number would be incidental to the carrying out of the purposes of the Charity, but this would be offset by the wider and indirect benefit to the community at large who would be able to share in the musicians improved skills through public performance.
