NHSCT Contract

This partnership is working well with referrals continuing to be made for placements. Private approaches to Superstars are being passed on to the Trust for assessment. All members living in the Northern Trust area can apply to them for a free placement at any of our activities. They can also access Self Directed Support from the Trust to fund their placement.

SHSCT

Members living in the Southern Trust area are now being asked to apply to the Trust for a Direct Payment to cover the cost of attending Superstars activities. This has met with some success and helps to fund staffing costs, etc.

Table Quiz

A Table Quiz in Killymoon Golf Club was very well supported. Colin Wilson was Quizmaster with Anne as the scorekeeper. It was a great night's fun and an opportunity to socialise.

May Ball

Once again the May Ball was a great success with large numbers of members and families in attendance. We used this celebration to acknowledge over twenty year of Superstars which is a wonderful achievement. Everyone had a great time. Thanks to Greenvale for hosting.

Events, Fundraisers etc.

9 May	May Ball in Greenvale – will be a low key celebration of 20 years anniversary of Superstars.
8 June	Joseph, The Musical Show in Burnavon
22 June	Asda Door Collection
28 June	Annual Barbecue – it was agreed to change the day to a Friday this year to facilitate members of the Committee.

Auditors

McKinney & Dawson to continue as our Accountants/Auditors, proposed by May and seconded by Donna.
