## CHAIRMAN'S REPORT

JANUARY 2016 - DECEMBER 2016

This year was another successful year for the Charity, although the income was slightly down on the previous year.

There was only one beneficiary receiving a grant of £500.00 this year.

Telephone counselling has increased this year with several families requiring someone to talk to but did not qualify or request financial assistance.

This coming year the Charity intend to publicize its standing in the community and to engage with the local NHS Boards especially in the Brain Injury Section.

We have liaised with other Brain Injury Charities throughout the year and will endeavour to further this relationship.

William McKay, Chairman.
