### **Mission, Objectives and Strategy**

#### **Mission Statement**

Ballygawley Early Years provides pre-school education, play and learning experiences to children aged 3 and 4 in the Ballygawley area. Children attend playgroup every day for one of either 2 sessions which both last 2 hours 30 minutes.

#### Charitable purpose

Ballygawley Early Years Limited's purpose is to promote play based learning environments for all children under statutory school age in Ballygawley and the surrounding environs in County Tyrone without distinction of age, gender, marital status, disability, sexual orientation, nationality, ethnic identity, political or religious opinion, by associating the statutory authorities, community and voluntary organisations and the inhabitants in a common effort to advance education, and in particular:

- (a) To advance the education of the beneficiaries by the provision of safe and satisfying group play, with the rights of parents/carers to take responsibility for and to promote the preservation of health to the beneficiaries.
- (b) To support the vision and values of Early Years
- (c) To advance any other exclusively charitable purpose as the directors may, from time to time, decide in accordance with the law of charity

#### Public benefit

The trustees believe that both elements of the public benefit requirement are satisfied. The direct benefit flowing from this purpose is that children at this stage have a safe, healthy and stimulating environment in which they can learn through play and each child will be helped to develop their own unique set of qualities and talents to their full potential. These benefits can be evidenced by feedback from the parents, by detailed observations and assessments carried out by staff and by external inspections from the education department and social services. The purpose of the playgroup is beneficial and there is no harm flowing from the purpose. The beneficiaries of the purpose are the children who attend the playgroup.

#### Preservation of health

The beneficiaries receive a health snack during their session which encourages healthy eating at a young age, parents/carers are informed of any health-related information relevant to children at this stage and the playgroup liaises with social services and other health officials in regard to making the health and development of children a priority. These benefits can be evidenced by feedback from parents, records kept of the children and also by external inspections by social services and other health officials.

#### Benefits to trustees

A private benefit to trustees and staff may arise from training in good governance, finance, child protection, first aid, etc. Through this training, skills and experience are acquired which are transferrable to other settings. These benefits are incidental and necessary, because to ensure standards of care are achieved the training must be fulfilled. Certificates received upon completion are put on public display.

We have examined the financial statements of the company for the financial year ended 31 March 2025, which comprise the Statement of Financial Activities (incorporating an Income and Expenditure Account), the Balance Sheet and the related notes.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our work has been undertaken so that we might compile the financial statements that we have been engaged to compile, report to the Board of Directors that we have done so, and state those matters that we have agreed to state to them in this report and for no other purpose. An examination includes a review of the accounting records kept by the company and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements and seeking explanations from the directors concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

In connection with our examination, no matter has come to our attention which gives us cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006
- the financial statements do not accord with those accounting records
- the financial statements have not been prepared in accordance with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102)

**Ballygawley Early Years Ltd**  
(A company limited by guarantee, not having a share capital)  
**NOTES TO THE FINANCIAL STATEMENTS**  
for the financial year ended 31 March 2025

**1. GENERAL INFORMATION**

Ballygawley Early Years Ltd is a company limited by guarantee incorporated in Northern Ireland. The registered office of the company is Fairfield House, Main Street, Ballygawley, Co. Tyrone, BT70 2HD, Northern Ireland which is also the principal place of business of the company. The financial statements have been presented in Pound (£) which is also the functional currency of the company.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the charity's financial statements.

**Basis of preparation**

The financial statements have been prepared on the going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland FRS 102", applying Section 1A of that Standard.

As permitted by the Companies Act 2006, the company has varied the standard formats in that act for the Statement of Financial Activities and the Balance Sheet. Departures from the standard formats are to comply with the requirements of the Charities SORP and are in compliance with section 4.7, 10.6 and 15.2 of that SORP.

**Statement of compliance**

**Incoming Resources**

Voluntary income or capital is included in the Statement of Financial Activities when the company is legally entitled to it, its financial value can be quantified with reasonable certainty and there is reasonable certainty of its ultimate receipt. Income received in advance of due performance under a contract is accounted for as deferred income until earned. Grants for activities are recognised as income when the related conditions for legal entitlement have been met. All other income is accounted for on an accruals basis.

**Income from charitable activities**

Income from charitable activities include income earned from the supply of services under contractual arrangements and from performance related grants which have conditions that specify the provision of particular services to be provided by the company. Income from government and other co-funders is recognised when the company is legally entitled to the income because it is fulfilling the conditions contained in the related funding agreements. Where a grant is received in advance, its recognition is deferred and included in creditors. Where entitlement occurs before income is received, it is accrued in debtors.

Grants from governments and other co-funders typically include one of the following types of conditions:

- Performance based conditions: whereby the company is contractually entitled to funding only to the extent that the core objectives of the grant agreement are achieved. Where the company is meeting the core objectives of a grant agreement, it recognises the related expenditure, to the extent that it is reimbursable by the donor, as income.
- Time based conditions: whereby the company is contractually entitled to funding on the condition that it is utilised in a particular period. In these cases the company recognises the income to the extent it is utilised within the period specified in the agreement.

In the absence of such conditions, assuming that receipt is probable and the amount can be reliably measured, grant income is recognised once the company is notified of entitlement.

Grants received towards capital expenditure are credited to the Statement of Financial Activities when received or receivable, whichever is earlier.

**Ballygawley Early Years Ltd**  
(A company limited by guarantee, not having a share capital)  
**NOTES TO THE FINANCIAL STATEMENTS**  
for the financial year ended 31 March 2025

**Resources Expended**

All resources expended are accounted for on an accruals basis. Charitable activities include costs of services and grants, support costs and depreciation on related assets. Costs of generating funds similarly include fundraising activities. Non-staff costs not attributed to one category of activity are allocated or apportioned pro-rata to the staffing of the relevant service. Finance, HR, IT and administrative staff costs are directly attributable to individual activities by objective. Governance costs are those associated with constitutional and statutory requirements.

**Tangible fixed assets and depreciation**

Tangible fixed assets are stated at cost or at valuation, less accumulated depreciation. The charge to depreciation is calculated to write off the original cost or valuation of tangible fixed assets, less their estimated residual value, over their expected useful lives as follows:

Office equipment	-	20% Straight line
Fixtures, fittings and equipment	-	25% Straight line
Play equipment	-	25% Straight line

**Debtors**

Debtors are recognised at the settlement amount due after any discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due. Income recognised by the company from government agencies and other co-funders, but not yet received at financial year end, is included in debtors.

**Cash at bank and in hand**

Cash at bank and in hand comprises cash on deposit at banks requiring less than three months notice of withdrawal.

**Taxation**

No current or deferred taxation arises as the company has been granted charitable exemption. Irrecoverable valued added tax is expensed as incurred.

The charity is exempt from tax on income and gains falling within section 505 of the Taxes Act 1988 or section 252 of the Taxation of Chargeable Gains Act 1992.

### Mission, Objectives and Strategy

#### Mission Statement

Ballygawley Early Years provides pre-school education, play and learning experiences to children aged 3 and 4 in the Ballygawley area. Children attend playgroup every day for one of either 2 sessions which both last 2 hours 30 minutes.

#### Charitable purpose

Ballygawley Early Years Limited's purpose is to promote play based learning environments for all children under statutory school age in Ballygawley and the surrounding environs in County Tyrone without distinction of age, gender, marital status, disability, sexual orientation, nationality, ethnic identity, political or religious opinion, by associating the statutory authorities, community and voluntary organisations and the inhabitants in a common effort to advance education, and in particular:

- (a) To advance the education of the beneficiaries by the provision of safe and satisfying group play, with the rights of parents/carers to take responsibility for and to promote the preservation of health to the beneficiaries.
- (b) To support the vision and values of Early Years
- (c) To advance any other exclusively charitable purpose as the directors may, from time to time, decide in accordance with the law of charity

#### Public benefit

The trustees believe that both elements of the public benefit requirement are satisfied. The direct benefit flowing from this purpose is that children at this stage have a safe, healthy and stimulating environment in which they can learn through play and each child will be helped to develop their own unique set of qualities and talents to their full potential. These benefits can be evidenced by feedback from the parents, by detailed observations and assessments carried out by staff and by external inspections from the education department and social services. The purpose of the playgroup is beneficial and there is no harm flowing from the purpose. The beneficiaries of the purpose are the children who attend the playgroup.

#### Preservation of health

The beneficiaries receive a health snack during their session which encourages healthy eating at a young age, parents/carers are informed of any health-related information relevant to children at this stage and the playgroup liaises with social services and other health officials in regard to making the health and development of children a priority. These benefits can be evidenced by feedback from parents, records kept of the children and also by external inspections by social services and other health officials.

#### Benefits to trustees

A private benefit to trustees and staff may arise from training in good governance, finance, child protection, first aid, etc. Through this training, skills and experience are acquired which are transferrable to other settings. These benefits are incidental and necessary, because to ensure standards of care are achieved the training must be fulfilled. Certificates received upon completion are put on public display.

## NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 March 2024

### 1. GENERAL INFORMATION

Ballygawley Early Years Ltd is a company limited by guarantee incorporated in Northern Ireland. The registered office of the company is Fairfield House, Main Street, Ballygawley, Co. Tyrone, BT70 2HD, Northern Ireland which is also the principal place of business of the company. The financial statements have been presented in Pound (£) which is also the functional currency of the company.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the charity's financial statements.

#### **Basis of preparation**

The financial statements have been prepared on the going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland FRS 102", applying Section 1A of that Standard.

As permitted by the Companies Act 2006, the company has varied the standard formats in that act for the Statement of Financial Activities and the Balance Sheet. Departures from the standard formats are to comply with the requirements of the Charities SORP and are in compliance with section 4.7, 10.6 and 15.2 of that SORP.

#### **Statement of compliance**

#### **Incoming Resources**

Voluntary income or capital is included in the Statement of Financial Activities when the company is legally entitled to it, its financial value can be quantified with reasonable certainty and there is reasonable certainty of its ultimate receipt. Income received in advance of due performance under a contract is accounted for as deferred income until earned. Grants for activities are recognised as income when the related conditions for legal entitlement have been met. All other income is accounted for on an accruals basis.

#### **Income from charitable activities**

Income from charitable activities include income earned from the supply of services under contractual arrangements and from performance related grants which have conditions that specify the provision of particular services to be provided by the company. Income from government and other co-funders is recognised when the company is legally entitled to the income because it is fulfilling the conditions contained in the related funding agreements. Where a grant is received in advance, its recognition is deferred and included in creditors. Where entitlement occurs before income is received, it is accrued in debtors.

Grants from governments and other co-funders typically include one of the following types of conditions:

- Performance based conditions: whereby the company is contractually entitled to funding only to the extent that the core objectives of the grant agreement are achieved. Where the company is meeting the core objectives of a grant agreement, it recognises the related expenditure, to the extent that it is reimbursable by the donor, as income.
- Time based conditions: whereby the company is contractually entitled to funding on the condition that it is utilised in a particular period. In these cases the company recognises the income to the extent it is utilised within the period specified in the agreement.

In the absence of such conditions, assuming that receipt is probable and the amount can be reliably measured, grant income is recognised once the company is notified of entitlement.

Grants received towards capital expenditure are credited to the Statement of Financial Activities when received or receivable, whichever is earlier.

#### **Resources Expended**

All resources expended are accounted for on an accruals basis. Charitable activities include costs of services and grants, support costs and depreciation on related assets. Costs of generating funds similarly include fundraising activities. Non-staff costs not attributed to one category of activity are allocated or apportioned pro-rata to the staffing of the relevant service. Finance, HR, IT and administrative staff costs are directly attributable to individual activities by objective. Governance costs are those associated with constitutional and statutory requirements.

### Mission, Objectives and Strategy

#### Mission Statement

Ballygawley Early Years provides pre-school education, play and learning experiences to children aged 3 and 4 in the Ballygawley area. Children attend playgroup every day for one of either 2 sessions which both last 2 hours 30 minutes.

#### Charitable purpose

Ballygawley Early Years Limited's purpose is to promote play based learning environments for all children under statutory school age in Ballygawley and the surrounding environs in County Tyrone without distinction of age, gender, marital status, disability, sexual orientation, nationality, ethnic identity, political or religious opinion, by associating the statutory authorities, community and voluntary organisations and the inhabitants in a common effort to advance education, and in particular:

- (a) To advance the education of the beneficiaries by the provision of safe and satisfying group play, with the rights of parents/carers to take responsibility for and to promote the preservation of health to the beneficiaries.
- (b) To support the vision and values of Early Years
- (c) To advance any other exclusively charitable purpose as the directors may, from time to time, decide in accordance with the law of charity

#### Public benefit

The trustees believe that both elements of the public benefit requirement are satisfied. The direct benefit flowing from this purpose is that children at this stage have a safe, healthy and stimulating environment in which they can learn through play and each child will be helped to develop their own unique set of qualities and talents to their full potential. These benefits can be evidenced by feedback from the parents, by detailed observations and assessments carried out by staff and by external inspections from the education department and social services. The purpose of the playgroup is beneficial and there is no harm flowing from the purpose. The beneficiaries of the purpose are the children who attend the playgroup.

#### Preservation of health

The beneficiaries receive a health snack during their session which encourages healthy eating at a young age, parents/carers are informed of any health-related information relevant to children at this stage and the playgroup liaises with social services and other health officials in regard to making the health and development of children a priority. These benefits can be evidenced by feedback from parents, records kept of the children and also by external inspections by social services and other health officials.

#### Benefits to trustees

A private benefit to trustees and staff may arise from training in good governance, finance, child protection, first aid, etc. Through this training, skills and experience are acquired which are transferrable to other settings. These benefits are incidental and necessary, because to ensure standards of care are achieved the training must be fulfilled. Certificates received upon completion are put on public display.

#### Financial Review

During the year ended 31 March 2024, Ballygawley Early Years Limited produced a deficit of £14,890 (2023 - £737).

At the year end, Ballygawley Early Years Limited had total funds of £69,504 (2023: £84,394).

(A company limited by guarantee, not having a share capital)  
**NOTES TO THE FINANCIAL STATEMENTS**

for the financial year ended 31 March 2023

**1. GENERAL INFORMATION**

Ballygawley Early Years Ltd is a company limited by guarantee incorporated in Northern Ireland. The registered office of the company is Fairfield House, Main Street, Ballygawley, Co. Tyrone, BT70 2HD, Northern Ireland which is also the principal place of business of the company. The financial statements have been presented in Pound Sterling (£) which is also the functional currency of the company.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the charity's financial statements.

**Basis of preparation**

The financial statements have been prepared on the going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland FRS 102", applying Section 1A of that Standard.

As permitted by the Companies Act 2006, the company has varied the standard formats in that act for the Statement of Financial Activities and the Balance Sheet. Departures from the standard formats are to comply with the requirements of the Charities SORP and are in compliance with section 4.7, 10.6 and 15.2 of that SORP.

**Statement of compliance**

**Incoming Resources**

Voluntary income or capital is included in the Statement of Financial Activities when the company is legally entitled to it, its financial value can be quantified with reasonable certainty and there is reasonable certainty of its ultimate receipt. Income received in advance of due performance under a contract is accounted for as deferred income until earned. Grants for activities are recognised as income when the related conditions for legal entitlement have been met. All other income is accounted for on an accruals basis.

**Income from charitable activities**

Income from charitable activities include income earned from the supply of services under contractual arrangements and from performance related grants which have conditions that specify the provision of particular services to be provided by the company. Income from government and other co-funders is recognised when the company is legally entitled to the income because it is fulfilling the conditions contained in the related funding agreements. Where a grant is received in advance, its recognition is deferred and included in creditors. Where entitlement occurs before income is received, it is accrued in debtors.

Grants from governments and other co-funders typically include one of the following types of conditions:

- Performance based conditions: whereby the company is contractually entitled to funding only to the extent that the core objectives of the grant agreement are achieved. Where the company is meeting the core objectives of a grant agreement, it recognises the related expenditure, to the extent that it is reimbursable by the donor, as income.

-Time based conditions: whereby the company is contractually entitled to funding on the condition that it is utilised in a particular period. In these cases the company recognises the income to the extent it is utilised within the period specified in the agreement.

In the absence of such conditions, assuming that receipt is probable and the amount can be reliably measured, grant income is recognised once the company is notified of entitlement.

Grants received towards capital expenditure are credited to the Statement of Financial Activities when received or receivable, whichever is earlier.

**Resources Expended**

All resources expended are accounted for on an accruals basis. Charitable activities include costs of services and grants, support costs and depreciation on related assets. Costs of generating funds similarly include fundraising activities. Non-staff costs not attributed to one category of activity are allocated or apportioned pro-rata to the staffing of the relevant service. Finance, HR, IT and administrative staff costs are directly attributable to individual activities by objective. Governance costs are those associated with constitutional and statutory requirements.

**Tangible fixed assets and depreciation**

Office equipment	-	20% Straight line
Fixtures, fittings and equipment	-	25% Straight line
Play equipment	-	25% Straight line

**Debtors**

Debtors are recognised at the settlement amount due after any discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due. Income recognised by the company from government agencies and other co-funders, but not yet received at financial year end, is included in debtors.

**Cash at bank and in hand**

Cash at bank and in hand comprises cash on deposit at banks requiring less than three months notice of withdrawal.

**Taxation**

No current or deferred taxation arises as the company has been granted charitable exemption. Irrecoverable valued added tax is expensed as incurred.

The charity is exempt from tax on income and gains falling within section 505 of the Taxes Act 1988 or section 252 of the Taxation of Chargeable Gains Act 1992.

### **Mission, Objectives and Strategy**

#### **Mission Statement**

Ballygawley Early Years provides pre-school education, play and learning experiences to children aged 3 and 4 in the Ballygawley area. Children attend playgroup every day for one of either 2 sessions which both last 2 hours 30 minutes.

#### Charitable purpose

Ballygawley Early Years Limited's purpose is to promote play based learning environments for all children under statutory school age in Ballygawley and the surrounding environs in County Tyrone without distinction of age, gender, marital status, disability, sexual orientation, nationality, ethnic identity, political or religious opinion, by associating the statutory authorities, community and voluntary organisations and the inhabitants in a common effort to advance education, and in particular:

- (a) To advance the education of the beneficiaries by the provision of safe and satisfying group play, with the rights of parents/carers to take responsibility for and to promote the preservation of health to the beneficiaries.
- (b) To support the vision and values of Early Years
- (c) To advance any other exclusively charitable purpose as the directors may, from time to time, decide in accordance with the law of charity

#### Public benefit

The trustees believe that both elements of the public benefit requirement are satisfied. The direct benefit flowing from this purpose is that children at this stage have a safe, healthy and stimulating environment in which they can learn through play and each child will be helped to develop their own unique set of qualities and talents to their full potential. These benefits can be evidenced by feedback from the parents, by detailed observations and assessments carried out by staff and by external inspections from the education department and social services. The purpose of the playgroup is beneficial and there is no harm flowing from the purpose. The beneficiaries of the purpose are the children who attend the playgroup.

#### Preservation of health

The beneficiaries receive a health snack during their session which encourages healthy eating at a young age, parents/carers are informed of any health-related information relevant to children at this stage and the playgroup liaises with social services and other health officials in regard to making the health and development of children a priority. These benefits can be evidenced by feedback from parents, records kept of the children and also by external inspections by social services and other health officials.

#### Benefits to trustees

A private benefit to trustees and staff may arise from training in good governance, finance, child protection, first aid, etc. Through this training, skills and experience are acquired which are transferrable to other settings. These benefits are incidental and necessary, because to ensure standards of care are achieved the training must be fulfilled. Certificates received upon completion are put on public display.
