

James McCord Charity

Charity Commission No 100877

Annual Reporting Period to 5th April 2025

Trustees Report

During the 2024/25 year a number of additional trustees were appointed to augment the existing trustee number and bring additional skills and ideas in furtherance of the trust's aims and objectives around education in arts and crafts.

During the period the Charity's investment fund continued to operate with professional investment managers under the same performance mandate as previous year. The total investment fund and cash balance at 5th April 2025 was £147k reflecting acceptable growth in the period.
