Rainbow Daycare (Eglish) Ltd (Charitable Company Limited by Guarantee)

DIRECTORS' REPORT For the year ended 30 June 2024

Rainbow Daycare (Eglish) Ltd currently offers a combined capacity of 151 registered places, 51 for playgroup, 60 for out of school and 40 for daycare.

The centre has been designed to meet the highest childcare standards, meeting with the trust's regulations and the environmental health standards stipulated for a day care provider. All necessary registrations are held and are reviewed on a regular basis by the regulatory bodies to ensure the highest standards are being maintained.

With a high standard of staff training and experience, the centre is providing an opportunity for others to learn and become trained in childcare, both as workers and volunteers in a rural area.

The centre supports the cross community requirements of the charity given its neutral location in the community. As is the case with many other rural communities in Northern Ireland, these children are dominated by one tradition that experiences little contact with similar groups from other traditions. This can limit their ability to address conflict and division, and can also hinder regeneration or development in that locality. The centre helps address this imbalance.

The playgroup provides pre-school services to children aged 3 - 4 years. The Playgroup implements 'High/Scope' for 3 - 4 year olds. This is a quality approach to early childhood care and education and a recognised standard with Early Years and Social Services. 'High/Scope' identifies and builds on children's strengths, interests and abilities and was adapted by educators to meet the needs of local communities. 'High/Scope' has been shaped and developed by research over many years and is used internationally in a variety of settings including daycare, playgroups, nurseries and primary schools. This best practice approach 'High/Scope' is also being implemented for the babies and toddlers who attend full daycare.

The playgroup places are funded through the PEGS programme.

Out of School Club commenced in September 2012, which operates from 2.00pm to 6.00pm during term time and caters for children from 4 to 12 years of age. The out of school club operates from 9.00am – 6.00pm during school holidays.

The Out of School Club provides a range of activities which encourage active play, exercise and development of hobbies and sports.

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other Information

The directors are responsible for the other information. The other information comprises the information included in the Directors' Report, other than the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemption in preparing the Directors' Report.

Responsibilities of Directors

As explained more fully in the Directors' Responsibilities Statement, the directors (who are also the trustees of the charitable company for the purpose of charity law), are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intends to liquidate the charitable company or to cease operations, or has no realistic alternative but to do so.

(Eglish) Ltd for the year ended 30 June 2024**

Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. The objectives of our audit in respect of fraud are to assess the risk of material misstatement due to fraud, design and implement appropriate responses to those assessed risks and to respond appropriately to instances of fraud or suspected fraud identified during the course of our audit. However, the primary responsibility for the prevention and detection of fraud rests with management and those charged with governance of the charitable company.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, our procedures included the following:

- We obtained understanding of the legal and regulatory requirements applicable to the charitable company's financial statements and considered the most significant are the Companies Act 2006, Financial Reporting Standards (FRS102), grant funding bodies regulation and UK taxation legislation;
- We have assessed the risk of material misstatement of the financial statements, including risk of material misstatement due to fraud and how it might occur by holding discussions with management and those charged with governance;
- We enquired of management and those charged with governance as to any known instances of non-compliance or suspected non-compliance with laws and regulations;
- certain disclosures of directors' remuneration specified by law are not made; or
- Understanding the internal controls established to mitigate risks related to fraud or non-compliance with laws and regulations; and
- Discussions amongst the audit engagement team regarding how fraud might occur in the financial statements and any potential indicators of fraud. As part of this discussion we identified the following potential areas where fraud may occur: timing of revenue recognition, recognition of grant income and management override.

The audit response to risks identified included:

- Reviewing the financial statements disclosures and testing to supporting documentation to assess compliance with the relevant laws and regulations above;
- Performing analytical procedures to identify any unusual or unexpected relationships that may indicate risk of material misstatement due to fraud;
- In addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments, assessing whether the judgements made in making accounting estimates are reasonable and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business. A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' Report.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Notes to the Financial Statements
For the year ended 30 June 2024

2.11 Financial instruments

(i) Financial assets

Basic financial assets, including trade and other receivables, cash and bank balances and amounts owed by related parties and are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Such assets are subsequently carried at amortised cost using the effective interest method.

At the end of each reporting period financial assets measured at amortised cost are assessed for objective evidence of impairment. If an asset is impaired the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in the Statement of Financial Activities.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been had the impairment not previously been recognised. The impairment reversal is recognised in the Statement of Financial Activities.

Financial assets are derecognised when (a) the contractual rights to the cash flows from the asset expire or are settled, or (b) substantially all the risks and rewards of the ownership of the asset are transferred to another party or (c) despite having retained some significant risks and rewards of ownership, control of the asset has been transferred to another party who has the practical ability to unilaterally sell the asset to an unrelated third party without imposing additional restrictions.

(ii) Financial liabilities

Basic financial liabilities, including trade and other payables, bank loans and overdrafts and amounts owed to related parties are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest. Debt instruments are subsequently carried at amortised cost, using the effective interest rate method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw-down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a pre-payment for liquidity services and amortised over the period of the facility to which it relates.

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade payables are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Financial liabilities are derecognised when the liability is extinguished, that is when the contractual obligation is discharged, cancelled or expires.

2.12 Pension and other post retirement obligations

The charity operates a defined contribution pension scheme which is a pension plan under which fixed contributions are paid into a pension fund and the charity has no legal or constructive obligation to pay further contributions even if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

Contributions to defined contribution plans are recognised in the Statement of Financial Activities when they are due. If contribution payments exceed the contribution due for the service, the excess is recognised as a prepayment.
