**PARENTS & FRIENDS ASSOCIATION** Charity nr: NIC101026  
**Report at year end for 12 month period 1<sup>st</sup> August 2021 to 31<sup>st</sup> July 2022**

Although Covid regulations restricted activity this year, the Association organised a very successful Christmas Santa drive thru and as restrictions lifted an Easter Disco for the pupils and a bingo event for parents. We were delighted to support the school staff and pupils during the school show in June 2022.

The monies for these events is in the safe keeping of the school petty cash account as we research a new current account to suit our needs – the use of internet banking and debit cards for treasurer etc. The fundraising of approximately £7,000 will be accounted for in the accounts for next year along with payments to the school for expenditures of around £700 for Parentkind membership, confirmation booklets, communion photographs, pupils parties etc.

The Planned Giving Voluntary Contribution continued and we are very grateful to the many families and past pupils who contribute on a monthly basis (this initiative began in April 2016 in order to address the year on year tightening of the school budget) This year, donations amounted to £17,157.50 to be used for necessary resources and staff costs.

Bank Fees include a quarterly charge for on line banking which has proved invaluable for financial administration.
