Summary of Main Activities

- 6 days/week opening at the Visitor Centre for 6 months, April to end September, then retain admin person on 2 days/week over the winter months.
- Jan 2023 – liaison with Council and success in DAERA grant application for 50% of the cost of new windows and window grills at visitor centre, to enable windows to open to be able to serve visitors through the window. Improvements made to the building: canopy and visitor signage. These have improved the 'first impression' of our Glenarm Visitor Centre. Working conditions for staff have also benefited to some extent. Given the visibility of the marina building to through traffic and the accessible parking, our footfall and tourism figures could benefit from more prominent signage. A topic for further discussion with Council.
- April 2023 - Change of Admin staff at the Visitor Centre – more experienced project manager to drive grant applications and improve administration. Developed a live financial account tracking spreadsheet.
- May 2023 - Recruitment of one new Trustee.
- June - September 2023 – development of the proposal and Application for a National Lottery Heritage Grant to refurbish Glenarm Old Factory heritage steam boiler to form the centrepiece of an industrial heritage display, preserving the boiler and the old factory heritage as a new visitor attraction. Liaison with the local community, Glenarm Village Committee and Seaview Integrated Primary School to gain support. Liaison with local photographer for development of display options to bring the boiler to life. Chair met Council officers regarding the possible display of the restored boiler in the Eglinton Yard and the response was favourable. Chair gave thanks to MM and KR for processing the project.
- Promoted local events and items of interest through window displays at Visitor Centre.
- Supported Glenarm Japanese Knotweed Group by enabling Administrator time to create information leaflets and posters and facilitate funding applications.
- Sep 2023 - WC has decided to step down from GBPT having given years of essential support and advice to the Trust. We extend our thanks and wish him all the best and we will keep in touch of course.
- Thanks to all Trustees for their input and support and cheerful conversation! Thanks also to KR and again to MM and PM for keeping us on the rails.

Summary of Main Activities

- Chair declared the past year coming out of COVID restrictions has been a challenging one with visitor numbers still not recovering to anything like pre-COVID, but that was also partly due to end of Game of Thrones televised series which reduced the coach traffic large and small.
- Trust had continued to employ a member of staff 16hrs/week over 4 days and were grateful for volunteers, particularly one, a German lady who wanted to learn tourism and assisted on 1 day/wk. While restricted access, hand sanitisation, extra cleaning and record keeping increase the workload for staff and volunteers, village business indicated that they were busier when the office was open. Chair said she wanted to personally thank visitor centre staff and volunteers who took some personal risks health-wise but were willing to continue to service visitors and help rebuild the economy.
- Chair explained that when she accepted the position of leadership, her business experience told her the village had too many voluntary groups working separately at regeneration. She had been asked by Council officer to become a member of the Council lead Steering Group trying to progress the Masterplan for Glenarm Harbour and Eglinton Yard areas, which included the Tourist Office and Harbour Masters Building. Being aware that 2 Trustees were also members of a very successful Community Property Company she had suggested closer relations so that finances could be made available from these to support Village Committee efforts to retain and upgrade the sports field for all users. Accordingly, meetings were held with Property Group which had made short term loans in 2014 to GBPT to meet a shortfall in finishing the building, which had been fully repaid. In April 2021, Trustees paid for architects engaged by the Village Committee to draft plans for a multi-use sports field, which would include a private investor running a caravan and glamping business. In June 2021 the Property Company provided £10k to Village Committee to drain the sports field in part and provide lighting and moveable goal posts. Chair of Village Committee had written thanking the Property Company and GBPT members for finances to support other projects.
- Chair initiated discussion with Council about a possible site or building on the harbour for our re-located Visitor Centre.

Glenarm Buildings Preservation Trust - Annual Report Oct 2020 - Sep 2021

- Chair expressed much satisfaction that Trustees were willing to get involved in supporting wider regeneration while accepting that some Trustees did not like the style of buildings proposed in the Masterplan, or the finishes proposed.

Glenarm Visitor Centre – Visitor Numbers

- 2018 High Visitor numbers: European, American N&S, Australian, UK. Glenarm walking festival and NI Opera attracted local visitors.
- 2019 Brexit impact. Less Europeans. Rise in visitors from England and ROI.
