PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

TRUSTEES REPORT

Background

The Public Health Medicine Education Trust Fund was formed on 1st December, 1983. The Fund's principal purpose is to provide undergraduate and post-graduate funding for the study of Community and Public Health Medicine. Historically, the Fund received donations from Doctors who were paid fees by Belfast City Council in respect of the completion of cremation certificates. These donations ceased in 2005 and the Fund's only income now arises from its sole investment.

The Fund has an investment with the Northern Ireland Health and Personal Social Services Charitable Fund Committee ("CIF"). CIF is a pooled charity trust established by an Order dated 30th March, 1995, made by the Department of Health and Social Services under Section 25 of the Charities Act (Northern Ireland) 1964, with the objective to hold and to manage charitable funds for the benefit of the participating bodies in connection with the provision of health and social services in Northern Ireland. The Fund is allocated a share of the CIF's quarterly dividend income, unrealized gains/losses and realized gains/losses in respect of its investment in CIF.

Under the Health and Personal Social Services (Northern Ireland) Order 1972, (as amended by Article 6 of the Audit and Accountability (Northern Ireland) Order 2003), the Department of Health, Social Services and Public Safety (DHSSPS) has directed the Public Health Medicine Education Trust Fund to prepare a statement of accounts in respect of endowments and other property held on trust by it in a form determined by the Department of Health, Social Services and Public Safety. The financial statements are prepared as an accrual basis and must provide a true and fair view.

Public Benefit Statement

The trustees have had regard to the Charity Commission's Public benefit requirement statutory guidance

The purpose of the Public Health Medicine Education Trust is the advancement of education in Public Health Medicine resulting in improved health of the public in Northern Ireland.

The direct benefit which flows from this purpose is improved knowledge of undergraduate and post-graduate medical students in order that Public Health Medicine can improve the community's health, well-being and health protection as well as reduce health inequalities through the organized efforts of society in Northern Ireland.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

TRUSTEES REPORT

Public Benefit Statement

This benefit is demonstrated through feedback from the undergraduate and post-graduate medical students of improved knowledge and through the monitoring of Public Health by healthcare professionals.

This purpose does not lead to harm.

The Charity's beneficiaries are undergraduate and post-graduate medical students involved in the study of Public Health Medicine in Northern Ireland and there is no private benefit to trustees.

Activities Funded in year

The PHMT has continued to support individuals to attend courses that would help them enhance key skills required to fulfil a Consultants role effectively. During the year specialty registrars were funded to attend a Leadership Course to ensure the continuous development and up to date knowledge of their teams as well as promoting their wellbeing. A Consultant was also funded to present at a conference focusing on leadership/feedback/coaching in the context of recent challenges within training identified in relation to low trainee morale, staffing/workload pressures and organisational change. The Stephenson Prize Event was again funded which is an annual activity organised for specialty registrars (StRs) undertaking Public Health training in the Northern Ireland Deanery. The purpose of the event is to allow StRs an opportunity to present work they have undertaken to their peers, supervisors and colleagues, thereby sharing the learning achieved and allowing StRs to develop and improve their presentation skills and enhance their confidence in delivering to a Public Health audience.

Reserve Policy

The Trusts Reserve Policy is that unrestricted funds not committed or invested in tangible fixed assets should be between 3 and 6 months of unrestricted expenditure.

Financial Position

The Trust remains in a healthy financial position and aims to continue to help post graduate students.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

TRUSTEES REPORT

Trustees' Responsibilities

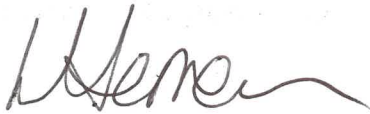

In preparing the financial statements the Trustees are required to;

- Observe the accounts direction issued by the Department of Health, including relevant accounting and disclosure requirements, and apply suitable accounting policies on a consistent basis;
- Make judgments and estimates on a reasonable basis;
- State whether applicable accounting standards as set out in SORP 2005 have been followed and disclose and explain any material departures in the financial statements;
- Keep proper accounting records; and
- Ensure an effective system of internal control and establish arrangements for the prevention and detection of fraud and corruption.

Statement of Disclosure to the Independent Examiner

- So far as the Trustees are aware, there are no relevant audit information of which the Fund's auditor is aware; and
- The Trustees have taken all the steps that they ought to have taken as trustees in order to make themselves aware of any relevant audit information and to establish that the Fund's auditor is aware of that information.

Signed on behalf of the Trustees:

Dr Louise Herron

Date 15th October 2025

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

REPORT OF THE INDEPENDENT EXAMINER

Independent examiner's report to the trustees of the Public Health Medicine Education Trust Fund

I have prepared and reported on the accounts of the Trust for the Year Ended 31 March 2025, which are set out on pages 6 to 16, I can confirm that I have not been involved in the day-to-day running/book-keeping of the Common Investment Fund and do not hold a trustee position.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year and that an independent examination is needed as agreed with the Charity Commission of Northern Ireland within the terms stated above.

It is my responsibility to examine and prepare the accounts and to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Common Investment Fund administrators and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) Which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records; and
- to prepare accounts which accord with the accounting records have not been met; or

(2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Lyn Benson, FCCA, BA

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

Accounts for the Year Ended 31 March 2025

NOTES TO THE ACCOUNTS

1. Accounting Policies

1(a) Basis of Preparation

The financial statements have been prepared in accordance with 'Accounting and Reporting by Charities' The Statement of Recommended Practice issued in March 2005 and with relevant guidance issued by the DHSSPS.

1(b) Incoming Resources

All incoming resources are included in full in the statement of financial activities as soon as the following three factors have been met:

- 1) *Entitlement – arises when a particular resource is receivable or the charity's right becomes legally enforceable;*
- 2) *Certainty – where there is reasonable certainty that the incoming resource will be received;*
- 3) *Measurement – when the monetary value of the incoming resources can be measured with sufficient reliability.*

1(c) Incoming Resources from Legacies

All incoming resources are recognized once the charity has entitlement to the resources, it is certain that the resources will be received and the monetary value of incoming resources can be measured with sufficient reliability.

1(d) Gifts in Kind

- 1) Assets given for distribution by the charity are included in the Statement of Financial Activities only when distributed.
- 2) Assets given for use by the charity (e.g. Property for its own occupation) are included in the Statement of Financial Activities as incoming resources when receivable.
- 3) Gifts made in kind but on trust for conversion into cash and subsequent application by the charity are included in the accounting period in which the gift is sold.

In all cases the amount at which the gifts in kind are brought into account is either a reasonable estimate of their value to the charity or the amount actually realized. The basis of the valuation is disclosed in the Trustees Report.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

Accounts for the Year Ended 31 March 2025

NOTES TO THE ACCOUNTS

1. Accounting Policies – Continued...

1(e) Intangible Income

Intangible income (e.g. the provision of free accommodation) is included in the accounts with an equivalent amount in the outgoing resources, if there is a financial cost borne by another party. The value placed on such income is the financial cost of the third party providing the resources.

1(f) Resources Expended and Irrecoverable VAT

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. All expenditure is recognized once there is a legal or constructive obligation committing the charity to the expenditure. Irrecoverable Vat is charged against the category of resources expended for which it was incurred.

1(g) Allocation of Support Costs and Overheads

Support costs and overheads have been allocated to Governance Costs. The analysis of support costs and the bases of apportionment applied are shown in Note 5.

1(h) Charitable Activities

Costs of charitable activities comprise all costs incurred in the pursuit of the charitable objects of the charity. These costs comprise direct costs and an apportionment of overhead and support costs as shown in Note 5.

1(i) Governance Costs

Governance costs comprise all costs incurred in the governance of the charity. These costs include costs related to the preparation of the Accounts together with an apportionment of overhead and support costs.

1(j) Fixed Assets

There are no fixed assets held by the Fund.

1(k) Donated Assets

There are no donated assets held by the Fund.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

Accounts for the Year Ended 31 March 2025

NOTES TO THE ACCOUNTS

1. Accounting Policies – Continued

1(l) Investment Fixed Assets

Investment fixed assets are shown at market value as at the balance sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year.

1(m) Realised Gains and Losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sale proceeds and opening market value (purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and opening market value (or purchase date if later).

1(n) Funds Structure

Where there is a legal restriction on the purposes to which a fund may be put, the fund is classified in the accounts as a restricted fund. Funds where the capital is held to generate income for charitable purposes and cannot itself be spent are accounted for as endowment fund. Other funds are classified as unrestricted funds. Funds which are not legally restricted but which the Trustees have chosen to earmark for set purposes are classified as designated funds.

1 (o) Pension

The fund has no employees.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

TRUSTEES REPORT

Background

The Public Health Medicine Education Trust Fund was formed on 1st December, 1983. The Fund's principal purpose is to provide undergraduate and post-graduate funding for the study of Community and Public Health Medicine. Historically, the Fund received donations from Doctors who were paid fees by Belfast City Council in respect of the completion of cremation certificates. These donations ceased in 2005 and the Fund's only income now arises from its sole investment.

The Fund has an investment with the Northern Ireland Health and Personal Social Services Charitable Fund Committee ("CIF"). CIF is a pooled charity trust established by an Order dated 30th March, 1995, made by the Department of Health and Social Services under Section 25 of the Charities Act (Northern Ireland) 1964, with the objective to hold and to manage charitable funds for the benefit of the participating bodies in connection with the provision of health and social services in Northern Ireland. The Fund is allocated a share of the CIF's quarterly dividend income, unrealized gains/losses and realized gains/losses in respect of its investment in CIF.

Under the Health and Personal Social Services (Northern Ireland) Order 1972, (as amended by Article 6 of the Audit and Accountability (Northern Ireland) Order 2003), the Department of Health, Social Services and Public Safety (DHSSPS) has directed the Public Health Medicine Education Trust Fund to prepare a statement of accounts in respect of endowments and other property held on trust by it in a form determined by the Department of Health, Social Services and Public Safety. The financial statements are prepared as an accrual basis and must provide a true and fair view.

Public Benefit Statement

The trustees have had regard to the Charity Commission's Public benefit requirement statutory guidance

The purpose of the Public Health Medicine Education Trust is the advancement of education in Public Health Medicine resulting in improved health of the public in Northern Ireland.

The direct benefit which flows from this purpose is improved knowledge of undergraduate and post-graduate medical students in order that Public Health Medicine can improve the community's health, well-being and health protection as well as reduce health inequalities through the organized efforts of society in Northern Ireland.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

TRUSTEES REPORT

Public Benefit Statement

This benefit is demonstrated through feedback from the undergraduate and post-graduate medical students of improved knowledge and through the monitoring of Public Health by healthcare professionals.

This purpose does not lead to harm.

The Charity's beneficiaries are undergraduate and post-graduate medical students involved in the study of Public Health Medicine in Northern Ireland and there is no private benefit to trustees.

Retirement and Appointment of Trustees

This year saw the retirement of Philip Veal as Chair and Trustee as well as the retirement of Joanne McClean. We thank them for their service and support throughout the years. Louise Herron was appointed a Trustee and Chair and Paul McGurnaghan as a Trustee.

Activities Funded in year

The PHMT has continued to support individuals to attend courses that would help them enhance key skills required to fulfil a Consultants role effectively. During the year an event was supported that allowed Specialty Registrars to present a piece of service/academic work addressing a question of relevance to public health policy, practice or research in Northern Ireland. This varied from being a completed project, an on-going project or a proposed project. Each registrar gave a presentation on an area of their choice. This contributed to the learning outcomes on presentations, oral skills and displaying data that can enhance the knowledge and skills of the Public Health community for the benefit of the public.

Reserve Policy

The Trusts Reserve Policy is that unrestricted funds not committed or invested in tangible fixed assets should be between 3 and 6 months of unrestricted expenditure.

Financial Position

The Trust remains in a healthy financial position and aims to continue to help post graduate students.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

TRUSTEES REPORT

Trustees' Responsibilities

In preparing the financial statements the Trustees are required to;

- Observe the accounts direction issued by the Department of Health, including relevant accounting and disclosure requirements, and apply suitable accounting policies on a consistent basis;
- Make judgments and estimates on a reasonable basis;
- State whether applicable accounting standards as set out in SORP 2005 have been followed and disclose and explain any material departures in the financial statements;
- Keep proper accounting records; and
- Ensure an effective system of internal control and establish arrangements for the prevention and detection of fraud and corruption.

Statement of Disclosure to the Independent Examiner

- So far as the Trustees are aware, there are no relevant audit information of which the Fund's auditor is aware; and
- The Trustees have taken all the steps that they ought to have taken as trustees in order to make themselves aware of any relevant audit information and to establish that the Fund's auditor is aware of that information.

Signed on behalf of the Trustees:

Dr Louise Herron

Date 15 October 2024.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

REPORT OF THE INDEPENDENT EXAMINER

Independent examiner's report to the trustees of the Public Health Medicine Education Trust Fund

I have prepared and reported on the accounts of the Trust for the Year Ended 31 March 2024, which are set out on pages 6 to 16, I can confirm that I have not been involved in the day-to-day running/book-keeping of the Common Investment Fund and do not hold a trustee position.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year and that an independent examination is needed as agreed with the Charity Commission of Northern Ireland within the terms stated above.

It is my responsibility to examine and prepare the accounts and to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Common Investment Fund administrators and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) Which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records; and
- to prepare accounts which accord with the accounting records have not been met; or

(2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

Accounts for the Year Ended 31 March 2024

NOTES TO THE ACCOUNTS

1. Accounting Policies

1(a) Basis of Preparation

The financial statements have been prepared in accordance with 'Accounting and Reporting by Charities' The Statement of Recommended Practice issued in March 2005 and with relevant guidance issued by the DHSSPS.

1(b) Incoming Resources

All incoming resources are included in full in the statement of financial activities as soon as the following three factors have been met:

- 1) *Entitlement – arises when a particular resource is receivable or the charity's right becomes legally enforceable;*
- 2) *Certainty – where there is reasonable certainty that the incoming resource will be received;*
- 3) *Measurement – when the monetary value of the incoming resources can be measured with sufficient reliability.*

1(c) Incoming Resources from Legacies

All incoming resources are recognized once the charity has entitlement to the resources, it is certain that the resources will be received and the monetary value of incoming resources can be measured with sufficient reliability.

1(d) Gifts in Kind

- 1) Assets given for distribution by the charity are included in the Statement of Financial Activities only when distributed.
- 2) Assets given for use by the charity (e.g. Property for its own occupation) are included in the Statement of Financial Activities as incoming resources when receivable.
- 3) Gifts made in kind but on trust for conversion into cash and subsequent application by the charity are included in the accounting period in which the gift is sold.

In all cases the amount at which the gifts in kind are brought into account is either a reasonable estimate of their value to the charity or the amount actually realized. The basis of the valuation is disclosed in the Trustees Report.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

Accounts for the Year Ended 31 March 2024

NOTES TO THE ACCOUNTS

1. Accounting Policies – Continued...

1(e) Intangible Income

Intangible income (e.g. the provision of free accommodation) is included in the accounts with an equivalent amount in the outgoing resources, if there is a financial cost borne by another party. The value placed on such income is the financial cost of the third party providing the resources.

1(f) Resources Expended and Irrecoverable VAT

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. All expenditure is recognized once there is a legal or constructive obligation committing the charity to the expenditure. Irrecoverable Vat is charged against the category of resources expended for which it was incurred.

1(g) Allocation of Support Costs and Overheads

Support costs and overheads have been allocated to Governance Costs. The analysis of support costs and the bases of apportionment applied are shown in Note 5.

1(h) Charitable Activities

Costs of charitable activities comprise all costs incurred in the pursuit of the charitable objects of the charity. These costs comprise direct costs and an apportionment of overhead and support costs as shown in Note 5.

1(i) Governance Costs

Governance costs comprise all costs incurred in the governance of the charity. These costs include costs related to the preparation of the Accounts together with an apportionment of overhead and support costs.

1(j) Fixed Assets

There are no fixed assets held by the Fund.

1(k) Donated Assets

There are no donated assets held by the Fund.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

Accounts for the Year Ended 31 March 2024

NOTES TO THE ACCOUNTS

1. Accounting Policies – Continued

1(l) Investment Fixed Assets

Investment fixed assets are shown at market value as at the balance sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year.

1(m) Realised Gains and Losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sale proceeds and opening market value (purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and opening market value (or purchase date if later).

1(n) Funds Structure

Where there is a legal restriction on the purposes to which a fund may be put, the fund is classified in the accounts as a restricted fund. Funds where the capital is held to generate income for charitable purposes and cannot itself be spent are accounted for as endowment fund. Other funds are classified as unrestricted funds. Funds which are not legally restricted but which the Trustees have chosen to earmark for set purposes are classified as designated funds.

1 (o) Pension

The fund has no employees.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

TRUSTEES REPORT

Background

The Public Health Medicine Education Trust Fund was formed on 1st December, 1983. The Fund's principal purpose is to provide undergraduate and post-graduate funding for the study of Community and Public Health Medicine. Historically, the Fund received donations from Doctors who were paid fees by Belfast City Council in respect of the completion of cremation certificates. These donations ceased in 2005 and the Fund's only income now arises from its sole investment.

The Fund has an investment with the Northern Ireland Health and Personal Social Services Charitable Fund Committee ("CIF"). CIF is a pooled charity trust established by an Order dated 30th March, 1995, made by the Department of Health and Social Services under Section 25 of the Charities Act (Northern Ireland) 1964, with the objective to hold and to manage charitable funds for the benefit of the participating bodies in connection with the provision of health and social services in Northern Ireland. The Fund is allocated a share of the CIF's quarterly dividend income, unrealized gains/losses and realized gains/losses in respect of its investment in CIF.

Under the Health and Personal Social Services (Northern Ireland) Order 1972, (as amended by Article 6 of the Audit and Accountability (Northern Ireland) Order 2003), the Department of Health, Social Services and Public Safety (DHSSPS) has directed the Public Health Medicine Education Trust Fund to prepare a statement of accounts in respect of endowments and other property held on trust by it in a form determined by the Department of Health, Social Services and Public Safety. The financial statements are prepared as an accrual basis and must provide a true and fair view.

Public Benefit Statement

The trustees have had regard to the Charity Commission's Public benefit requirement statutory guidance

The purpose of the Public Health Medicine Education Trust is the advancement of education in Public Health Medicine resulting in improved health of the public in Northern Ireland.

The direct benefit which flows from this purpose is improved knowledge of undergraduate and post-graduate medical students in order that Public Health Medicine can improve the community's health, well-being and health protection as well as reduce health inequalities through the organized efforts of society in Northern Ireland.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

TRUSTEES REPORT

Public Benefit Statement

This benefit is demonstrated through feedback from the undergraduate and post-graduate medical students of improved knowledge and through the monitoring of Public Health by healthcare professionals.

This purpose does not lead to harm.

The Charity's beneficiaries are undergraduate and post-graduate medical students involved in the study of Public Health Medicine in Northern Ireland and there is no private benefit to trustees.

Retirement and Appointment of Trustees

This year saw the retirement of Philip Veal as Chair and Trustee as well as the retirement of Joanne McClean. We thank them for their service and support throughout the years. Louise Herron was appointed a Trustee and Chair and Paul McGurnaghan as a Trustee.

Activities Funded in year

The PHMT has continued to support individuals to attend courses that would help them enhance key skills required to fulfil a Consultants role effectively. During the year an event was supported that allowed Specialty Registrars to present a piece of service/academic work addressing a question of relevance to public health policy, practice or research in Northern Ireland. This varied from being a completed project, an on-going project or a proposed project. Each registrar gave a presentation on an area of their choice. This contributed to the learning outcomes on presentations, oral skills and displaying data that can enhance the knowledge and skills of the Public Health community for the benefit of the public.

Reserve Policy

The Trusts Reserve Policy is that unrestricted funds not committed or invested in tangible fixed assets should be between 3 and 6 months of unrestricted expenditure.

Financial Position

The Trust remains in a healthy financial position and aims to continue to help post graduate students.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

TRUSTEES REPORT

Trustees' Responsibilities

In preparing the financial statements the Trustees are required to;

- Observe the accounts direction issued by the Department of Health, including relevant accounting and disclosure requirements, and apply suitable accounting policies on a consistent basis;
- Make judgments and estimates on a reasonable basis;
- State whether applicable accounting standards as set out in SORP 2005 have been followed and disclose and explain any material departures in the financial statements;
- Keep proper accounting records; and
- Ensure an effective system of internal control and establish arrangements for the prevention and detection of fraud and corruption.

Statement of Disclosure to the Independent Examiner

- So far as the Trustees are aware, there are no relevant audit information of which the Fund's auditor is aware; and
- The Trustees have taken all the steps that they ought to have taken as trustees in order to make themselves aware of any relevant audit information and to establish that the Fund's auditor is aware of that information.

Signed on behalf of the Trustees:

Dr Louise Herron

Date 15 October 2024.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

REPORT OF THE INDEPENDENT EXAMINER

Independent examiner's report to the trustees of the Public Health Medicine Education Trust Fund

I have prepared and reported on the accounts of the Trust for the Year Ended 31 March 2024, which are set out on pages 6 to 16, I can confirm that I have not been involved in the day-to-day running/book-keeping of the Common Investment Fund and do not hold a trustee position.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year and that an independent examination is needed as agreed with the Charity Commission of Northern Ireland within the terms stated above.

It is my responsibility to examine and prepare the accounts and to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Common Investment Fund administrators and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) Which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records; and
- to prepare accounts which accord with the accounting records have not been met; or

(2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Lyn Benson, FCCA, BA

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

TRUSTEES REPORT

Background

The Public Health Medicine Education Trust Fund was formed on 1st December, 1983. The Fund's principal purpose is to provide undergraduate and post-graduate funding for the study of Community and Public Health Medicine. Historically, the Fund received donations from Doctors who were paid fees by Belfast City Council in respect of the completion of cremation certificates. These donations ceased in 2005 and the Fund's only income now arises from its sole investment.

The Fund has an investment with the Northern Ireland Health and Personal Social Services Charitable Fund Committee ("CIF"). CIF is a pooled charity trust established by an Order dated 30th March, 1995, made by the Department of Health and Social Services under Section 25 of the Charities Act (Northern Ireland) 1964, with the objective to hold and to manage charitable funds for the benefit of the participating bodies in connection with the provision of health and social services in Northern Ireland. The Fund is allocated a share of the CIF's quarterly dividend income, unrealized gains/losses and realized gains/losses in respect of its investment in CIF.

Under the Health and Personal Social Services (Northern Ireland) Order 1972, (as amended by Article 6 of the Audit and Accountability (Northern Ireland) Order 2003), the Department of Health, Social Services and Public Safety (DHSSPS) has directed the Public Health Medicine Education Trust Fund to prepare a statement of accounts in respect of endowments and other property held on trust by it in a form determined by the Department of Health, Social Services and Public Safety. The financial statements are prepared as an accrual basis and must provide a true and fair view.

Public Benefit Statement

The trustees have had regard to the Charity Commission's Public benefit requirement statutory guidance

The purpose of the Public Health Medicine Education Trust is the advancement of education in Public Health Medicine resulting in improved health of the public in Northern Ireland.

The direct benefit which flows from this purpose is improved knowledge of undergraduate and post-graduate medical students in order that Public Health Medicine can improve the community's health, well-being and health protection as well as reduce health inequalities through the organized efforts of society in Northern Ireland.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

TRUSTEES REPORT

Public Benefit Statement

This benefit is demonstrated through feedback from the undergraduate and post-graduate medical students of improved knowledge and through the monitoring of Public Health by healthcare professionals.

This purpose does not lead to harm.

The Charity's beneficiaries are undergraduate and post-graduate medical students involved in the study of Public Health Medicine in Northern Ireland and there is no private benefit to trustees.

Retirement and Appointment of Trustees

This year saw the retirement of Philip Veal as Chair and Trustee as well as the retirement of Joanne McClean. We thank them for their service and support throughout the years. Louise Herron was appointed a Trustee and Chair and Paul McGurnaghan as a Trustee.

Activities Funded in year

The PHMT has continued to support individuals to attend courses that would help them enhance key skills required to fulfil a Consultants role effectively. During the year an event was supported that allowed Specialty Registrars to present a piece of service/academic work addressing a question of relevance to public health policy, practice or research in Northern Ireland. This varied from being a completed project, an on-going project or a proposed project. Each registrar gave a presentation on an area of their choice. This contributed to the learning outcomes on presentations, oral skills and displaying data that can enhance the knowledge and skills of the Public Health community for the benefit of the public.

Reserve Policy

The Trusts Reserve Policy is that unrestricted funds not committed or invested in tangible fixed assets should be between 3 and 6 months of unrestricted expenditure.

Financial Position

The Trust remains in a healthy financial position and aims to continue to help post graduate students.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

TRUSTEES REPORT

Trustees' Responsibilities

In preparing the financial statements the Trustees are required to;

- Observe the accounts direction issued by the Department of Health, including relevant accounting and disclosure requirements, and apply suitable accounting policies on a consistent basis;
- Make judgments and estimates on a reasonable basis;
- State whether applicable accounting standards as set out in SORP 2005 have been followed and disclose and explain any material departures in the financial statements;
- Keep proper accounting records; and
- Ensure an effective system of internal control and establish arrangements for the prevention and detection of fraud and corruption.

Statement of Disclosure to the Independent Examiner

- So far as the Trustees are aware, there are no relevant audit information of which the Fund's auditor is aware; and
- The Trustees have taken all the steps that they ought to have taken as trustees in order to make themselves aware of any relevant audit information and to establish that the Fund's auditor is aware of that information.

Signed on behalf of the Trustees:

Dr Louise Herron

Date 15 October 2024.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

REPORT OF THE INDEPENDENT EXAMINER

Independent examiner's report to the trustees of the Public Health Medicine Education Trust Fund

I have prepared and reported on the accounts of the Trust for the Year Ended 31 March 2024, which are set out on pages 6 to 16, I can confirm that I have not been involved in the day-to-day running/book-keeping of the Common Investment Fund and do not hold a trustee position.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year and that an independent examination is needed as agreed with the Charity Commission of Northern Ireland within the terms stated above.

It is my responsibility to examine and prepare the accounts and to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Common Investment Fund administrators and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) Which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records; and
- to prepare accounts which accord with the accounting records have not been met; or

(2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

Accounts for the Year Ended 31 March 2024

NOTES TO THE ACCOUNTS

1. Accounting Policies

1(a) Basis of Preparation

The financial statements have been prepared in accordance with 'Accounting and Reporting by Charities' The Statement of Recommended Practice issued in March 2005 and with relevant guidance issued by the DHSSPS.

1(b) Incoming Resources

All incoming resources are included in full in the statement of financial activities as soon as the following three factors have been met:

- 1) *Entitlement – arises when a particular resource is receivable or the charity's right becomes legally enforceable;*
- 2) *Certainty – where there is reasonable certainty that the incoming resource will be received;*
- 3) *Measurement – when the monetary value of the incoming resources can be measured with sufficient reliability.*

1(c) Incoming Resources from Legacies

All incoming resources are recognized once the charity has entitlement to the resources, it is certain that the resources will be received and the monetary value of incoming resources can be measured with sufficient reliability.

1(d) Gifts in Kind

- 1) Assets given for distribution by the charity are included in the Statement of Financial Activities only when distributed.
- 2) Assets given for use by the charity (e.g. Property for its own occupation) are included in the Statement of Financial Activities as incoming resources when receivable.
- 3) Gifts made in kind but on trust for conversion into cash and subsequent application by the charity are included in the accounting period in which the gift is sold.

In all cases the amount at which the gifts in kind are brought into account is either a reasonable estimate of their value to the charity or the amount actually realized. The basis of the valuation is disclosed in the Trustees Report.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

Accounts for the Year Ended 31 March 2024

NOTES TO THE ACCOUNTS

1. Accounting Policies – Continued...

1(e) Intangible Income

Intangible income (e.g. the provision of free accommodation) is included in the accounts with an equivalent amount in the outgoing resources, if there is a financial cost borne by another party. The value placed on such income is the financial cost of the third party providing the resources.

1(f) Resources Expended and Irrecoverable VAT

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. All expenditure is recognized once there is a legal or constructive obligation committing the charity to the expenditure. Irrecoverable Vat is charged against the category of resources expended for which it was incurred.

1(g) Allocation of Support Costs and Overheads

Support costs and overheads have been allocated to Governance Costs. The analysis of support costs and the bases of apportionment applied are shown in Note 5.

1(h) Charitable Activities

Costs of charitable activities comprise all costs incurred in the pursuit of the charitable objects of the charity. These costs comprise direct costs and an apportionment of overhead and support costs as shown in Note 5.

1(i) Governance Costs

Governance costs comprise all costs incurred in the governance of the charity. These costs include costs related to the preparation of the Accounts together with an apportionment of overhead and support costs.

1(j) Fixed Assets

There are no fixed assets held by the Fund.

1(k) Donated Assets

There are no donated assets held by the Fund.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

Accounts for the Year Ended 31 March 2024

NOTES TO THE ACCOUNTS

1. Accounting Policies – Continued

1(l) Investment Fixed Assets

Investment fixed assets are shown at market value as at the balance sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year.

1(m) Realised Gains and Losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sale proceeds and opening market value (purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and opening market value (or purchase date if later).

1(n) Funds Structure

Where there is a legal restriction on the purposes to which a fund may be put, the fund is classified in the accounts as a restricted fund. Funds where the capital is held to generate income for charitable purposes and cannot itself be spent are accounted for as endowment fund. Other funds are classified as unrestricted funds. Funds which are not legally restricted but which the Trustees have chosen to earmark for set purposes are classified as designated funds.

1 (o) Pension

The fund has no employees.

Date: 3rd July 2023

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

Accounts for the Year Ended 31 March 2023

NOTES TO THE ACCOUNTS

1. Accounting Policies

1(a) Basis of Preparation

The financial statements have been prepared in accordance with 'Accounting and Reporting by Charities' The Statement of Recommended Practice issued in March 2005 and with relevant guidance issued by the DHSSPS.

1(b) Incoming Resources

All incoming resources are included in full in the statement of financial activities as soon as the following three factors have been met:

- 1) *Entitlement* – arises when a particular resource is receivable or the charity's right becomes legally enforceable;
- 2) *Certainty* – where there is reasonable certainty that the incoming resource will be received;
- 3) *Measurement* – when the monetary value of the incoming resources can be measured with sufficient reliability.

1(c) Incoming Resources from Legacies

All incoming resources are recognized once the charity has entitlement to the resources, it is certain that the resources will be received and the monetary value of incoming resources can be measured with sufficient reliability.

1(d) Gifts in Kind

- 1) Assets given for distribution by the charity are included in the Statement of Financial Activities only when distributed.
- 2) Assets given for use by the charity (e.g. Property for its own occupation) are included in the Statement of Financial Activities as incoming resources when receivable.
- 3) Gifts made in kind but on trust for conversion into cash and subsequent application by the charity are included in the accounting period in which the gift is sold.

In all cases the amount at which the gifts in kind are brought into account is either a reasonable estimate of their value to the charity or the amount actually realized. The basis of the valuation is disclosed in the Trustees Report.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

Accounts for the Year Ended 31 March 2023

NOTES TO THE ACCOUNTS

1. Accounting Policies – Continued...

1(e) Intangible Income

Intangible income (e.g. the provision of free accommodation) is included in the accounts with an equivalent amount in the outgoing resources, if there is a financial cost borne by another party. The value placed on such income is the financial cost of the third party providing the resources.

1(f) Resources Expended and Irrecoverable VAT

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. All expenditure is recognized once there is a legal or constructive obligation committing the charity to the expenditure. Irrecoverable Vat is charged against the category of resources expended for which it was incurred.

1(g) Allocation of Support Costs and Overheads

Support costs and overheads have been allocated to Governance Costs. The analysis of support costs and the bases of apportionment applied are shown in Note 5.

1(h) Charitable Activities

Costs of charitable activities comprise all costs incurred in the pursuit of the charitable objects of the charity. These costs comprise direct costs and an apportionment of overhead and support costs as shown in Note 5.

1(i) Governance Costs

Governance costs comprise all costs incurred in the governance of the charity. These costs include costs related to the preparation of the Accounts together with an apportionment of overhead and support costs.

1(j) Fixed Assets

There are no fixed assets held by the Fund.

1(k) Donated Assets

There are no donated assets held by the Fund.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

Accounts for the Year Ended 31 March 2023

NOTES TO THE ACCOUNTS

1. Accounting Policies – Continued...

1(l) Investment Fixed Assets

Investment fixed assets are shown at market value as at the balance sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year.

1(m) Realised Gains and Losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sale proceeds and opening market value (purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and opening market value (or purchase date if later).

1(n) Funds Structure

Where there is a legal restriction on the purposes to which a fund may be put, the fund is classified in the accounts as a restricted fund. Funds where the capital is held to generate income for charitable purposes and cannot itself be spent are accounted for as endowment fund. Other funds are classified as unrestricted funds. Funds which are not legally restricted but which the Trustees have chosen to earmark for set purposes are classified as designated funds.

1 (o) Pension

The fund has no employees.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

TRUSTEES REPORT

Background

The Public Health Medicine Education Trust Fund was formed on 1st December, 1983. The Fund's principal purpose is to provide undergraduate and post-graduate funding for the study of Community and Public Health Medicine. Historically, the Fund received donations from Doctors who were paid fees by Belfast City Council in respect of the completion of cremation certificates. These donations ceased in 2005 and the Fund's only income now arises from its sole investment.

The Fund has an investment with the Northern Ireland Health and Personal Social Services Charitable Fund Committee ("CIF"). CIF is a pooled charity trust established by an Order dated 30th March, 1995, made by the Department of Health and Social Services under Section 25 of the Charities Act (Northern Ireland) 1964, with the objective to hold and to manage charitable funds for the benefit of the participating bodies in connection with the provision of health and social services in Northern Ireland. The Fund is allocated a share of the CIF's quarterly dividend income, unrealized gains/losses and realized gains/losses in respect of its investment in CIF.

Under the Health and Personal Social Services (Northern Ireland) Order 1972, (as amended by Article 6 of the Audit and Accountability (Northern Ireland) Order 2003), the Department of Health, Social Services and Public Safety (DHSSPS) has directed the Public Health Medicine Education Trust Fund to prepare a statement of accounts in respect of endowments and other property held on trust by it in a form determined by the Department of Health, Social Services and Public Safety. The financial statements are prepared as an accrual basis and must provide a true and fair view.

Public Benefit Statement

The trustees have had regard to the Charity Commission's Public benefit requirement statutory guidance

The purpose of the Public Health Medicine Education Trust is the advancement of education in Public Health Medicine resulting in improved health of the public in Northern Ireland.

The direct benefit which flows from this purpose is improved knowledge of undergraduate and post-graduate medical students in order that Public Health Medicine can improve the community's health, well-being and health protection as well as reduce health inequalities through the organized efforts of society in Northern Ireland.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

TRUSTEES REPORT

Public Benefit Statement

This benefit is demonstrated through feedback from the undergraduate and post-graduate medical students of improved knowledge and through the monitoring of Public Health by healthcare professionals.

This purpose does not lead to harm.

The Charity's beneficiaries are undergraduate and post-graduate medical students involved in the study of Public Health Medicine in Northern Ireland and there is no private benefit to trustees.

Activities Funded in year

The PHMT has continued to support individuals to attend courses that would help them enhance key skills required to fulfil a Consultants role effectively. We hope to increase support for post-graduate students in the next financial year by supporting face to face training in this post pandemic era.

Reserve Policy

The Trusts Reserve Policy is that unrestricted funds not committed or invested in tangible fixed assets should be between 3 and 6 months of unrestricted expenditure.

Financial Position

The Trust remains in a healthy financial position and aims to continue to help post graduate students.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

TRUSTEES REPORT

Trustees' Responsibilities

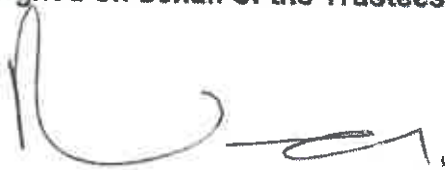

In preparing the financial statements the Trustees are required to;

- Observe the accounts direction issued by the Department of Health, including relevant accounting and disclosure requirements, and apply suitable accounting policies on a consistent basis;
- Make judgments and estimates on a reasonable basis;
- State whether applicable accounting standards as set out in SORP 2005 have been followed and disclose and explain any material departures in the financial statements;
- Keep proper accounting records; and
- Ensure an effective system of internal control and establish arrangements for the prevention and detection of fraud and corruption.

Statement of Disclosure to the Independent Examiner

- So far as the Trustees are aware, there are no relevant audit information of which the Fund's auditor is aware; and
- The Trustees have taken all the steps that they ought to have taken as trustees in order to make themselves aware of any relevant audit information and to establish that the Fund's auditor is aware of that information.

Signed on behalf of the Trustees:

Dr Philip Veal

Date 3rd July 2023.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

REPORT OF THE INDEPENDENT EXAMINER

Independent examiner's report to the trustees of the Public Health Medicine Education Trust Fund

I have prepared and reported on the accounts of the Trust for the Year Ended 31 March 2023, which are set out on pages 6 to 16, I can confirm that I have not been involved in the day-to-day running/book-keeping of the Common Investment Fund and do not hold a trustee position.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year and that an independent examination is needed as agreed with the Charity Commission of Northern Ireland within the terms stated above.

It is my responsibility to examine and prepare the accounts and to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Common Investment Fund administrators and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) Which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records; and
 - to prepare accounts which accord with the accounting records have not been met; or

(2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Lyn Benson, FCCA, BA

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

Accounts for the Year Ended 31 March 2023

NOTES TO THE ACCOUNTS

1. Accounting Policies

1(a) Basis of Preparation

The financial statements have been prepared in accordance with 'Accounting and Reporting by Charities' The Statement of Recommended Practice issued in March 2005 and with relevant guidance issued by the DHSSPS.

1(b) Incoming Resources

All incoming resources are included in full in the statement of financial activities as soon as the following three factors have been met:

- 1) *Entitlement* – arises when a particular resource is receivable or the charity's right becomes legally enforceable;
- 2) *Certainty* – where there is reasonable certainty that the incoming resource will be received;
- 3) *Measurement* – when the monetary value of the incoming resources can be measured with sufficient reliability.

1(c) Incoming Resources from Legacies

All incoming resources are recognized once the charity has entitlement to the resources, it is certain that the resources will be received and the monetary value of incoming resources can be measured with sufficient reliability.

1(d) Gifts in Kind

- 1) Assets given for distribution by the charity are included in the Statement of Financial Activities only when distributed.
- 2) Assets given for use by the charity (e.g. Property for its own occupation) are included in the Statement of Financial Activities as incoming resources when receivable.
- 3) Gifts made in kind but on trust for conversion into cash and subsequent application by the charity are included in the accounting period in which the gift is sold.

In all cases the amount at which the gifts in kind are brought into account is either a reasonable estimate of their value to the charity or the amount actually realized. The basis of the valuation is disclosed in the Trustees Report.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

Accounts for the Year Ended 31 March 2023

NOTES TO THE ACCOUNTS

1. Accounting Policies – Continued...

1(e) Intangible Income

Intangible income (e.g. the provision of free accommodation) is included in the accounts with an equivalent amount in the outgoing resources, if there is a financial cost borne by another party. The value placed on such income is the financial cost of the third party providing the resources.

1(f) Resources Expended and Irrecoverable VAT

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. All expenditure is recognized once there is a legal or constructive obligation committing the charity to the expenditure. Irrecoverable Vat is charged against the category of resources expended for which it was incurred.

1(g) Allocation of Support Costs and Overheads

Support costs and overheads have been allocated to Governance Costs. The analysis of support costs and the bases of apportionment applied are shown in Note 5.

1(h) Charitable Activities

Costs of charitable activities comprise all costs incurred in the pursuit of the charitable objects of the charity. These costs comprise direct costs and an apportionment of overhead and support costs as shown in Note 5.

1(i) Governance Costs

Governance costs comprise all costs incurred in the governance of the charity. These costs include costs related to the preparation of the Accounts together with an apportionment of overhead and support costs.

1(j) Fixed Assets

There are no fixed assets held by the Fund.

1(k) Donated Assets

There are no donated assets held by the Fund.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

Accounts for the Year Ended 31 March 2023

NOTES TO THE ACCOUNTS

1. Accounting Policies – Continued...

1(l) Investment Fixed Assets

Investment fixed assets are shown at market value as at the balance sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year.

1(m) Realised Gains and Losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sale proceeds and opening market value (purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and opening market value (or purchase date if later).

1(n) Funds Structure

Where there is a legal restriction on the purposes to which a fund may be put, the fund is classified in the accounts as a restricted fund. Funds where the capital is held to generate income for charitable purposes and cannot itself be spent are accounted for as endowment fund. Other funds are classified as unrestricted funds. Funds which are not legally restricted but which the Trustees have chosen to earmark for set purposes are classified as designated funds.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

TRUSTEES REPORT

Background

The Public Health Medicine Education Trust Fund was formed on 1st December, 1983. The Fund's principal purpose is to provide undergraduate and post-graduate funding for the study of Community and Public Health Medicine. Historically, the Fund received donations from Doctors who were paid fees by Belfast City Council in respect of the completion of cremation certificates. These donations ceased in 2005 and the Fund's only income now arises from its sole investment.

The Fund has an investment with the Northern Ireland Health and Personal Social Services Charitable Fund Committee ("CIF"). CIF is a pooled charity trust established by an Order dated 30th March, 1995, made by the Department of Health and Social Services under Section 25 of the Charities Act (Northern Ireland) 1964, with the objective to hold and to manage charitable funds for the benefit of the participating bodies in connection with the provision of health and social services in Northern Ireland. The Fund is allocated a share of the CIF's quarterly dividend income, unrealized gains/losses and realized gains/losses in respect of its investment in CIF.

Under the Health and Personal Social Services (Northern Ireland) Order 1972, (as amended by Article 6 of the Audit and Accountability (Northern Ireland) Order 2003), the Department of Health, Social Services and Public Safety (DHSSPS) has directed the Public Health Medicine Education Trust Fund to prepare a statement of accounts in respect of endowments and other property held on trust by it in a form determined by the Department of Health, Social Services and Public Safety. The financial statements are prepared as an accrual basis and must provide a true and fair view.

Public Benefit Statement

The trustees have had regard to the Charity Commission's Public benefit requirement statutory guidance

The purpose of the Public Health Medicine Education Trust is the advancement of education in Public Health Medicine resulting in improved health of the public in Northern Ireland.

The direct benefit which flows from this purpose is improved knowledge of undergraduate and post-graduate medical students in order that Public Health Medicine can improve the community's health, well-being and health protection as well as reduce health inequalities through the organized efforts of society in Northern Ireland.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

TRUSTEES REPORT

Public Benefit Statement

This benefit is demonstrated through feedback from the undergraduate and post-graduate medical students of improved knowledge and through the monitoring of Public Health by healthcare professionals.

This purpose does not lead to harm.

The Charity's beneficiaries are undergraduate and post-graduate medical students involved in the study of Public Health Medicine in Northern Ireland and there is no private benefit to trustees.

Activities Funded in year

The PHMT has continued to support individuals to attend courses that would help them enhance key skills required to fulfil a Consultants role effectively. We hope to increase support for post-graduate students in the next financial year by supporting face to face training in this post pandemic era.

Reserve Policy

The Trusts Reserve Policy is that unrestricted funds not committed or invested in tangible fixed assets should be between 3 and 6 months of unrestricted expenditure.

Financial Position

The Trust remains in a healthy financial position and aims to continue to help post graduate students.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

TRUSTEES REPORT

Trustees' Responsibilities

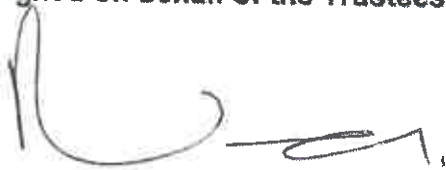

In preparing the financial statements the Trustees are required to;

- Observe the accounts direction issued by the Department of Health, including relevant accounting and disclosure requirements, and apply suitable accounting policies on a consistent basis;
- Make judgments and estimates on a reasonable basis;
- State whether applicable accounting standards as set out in SORP 2005 have been followed and disclose and explain any material departures in the financial statements;
- Keep proper accounting records; and
- Ensure an effective system of internal control and establish arrangements for the prevention and detection of fraud and corruption.

Statement of Disclosure to the Independent Examiner

- So far as the Trustees are aware, there are no relevant audit information of which the Fund's auditor is aware; and
- The Trustees have taken all the steps that they ought to have taken as trustees in order to make themselves aware of any relevant audit information and to establish that the Fund's auditor is aware of that information.

Signed on behalf of the Trustees:

Dr Philip Veal

Date 3rd July 2023.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

REPORT OF THE INDEPENDENT EXAMINER

Independent examiner's report to the trustees of the Public Health Medicine Education Trust Fund

I have prepared and reported on the accounts of the Trust for the Year Ended 31 March 2023, which are set out on pages 6 to 16, I can confirm that I have not been involved in the day-to-day running/book-keeping of the Common Investment Fund and do not hold a trustee position.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year and that an independent examination is needed as agreed with the Charity Commission of Northern Ireland within the terms stated above.

It is my responsibility to examine and prepare the accounts and to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Common Investment Fund administrators and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) Which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records; and
 - to prepare accounts which accord with the accounting records have not been met; or

(2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Lyn Benson, FCCA, BA

Date: 3rd July 2023

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

Accounts for the Year Ended 31 March 2023

NOTES TO THE ACCOUNTS

1. Accounting Policies

1(a) Basis of Preparation

The financial statements have been prepared in accordance with 'Accounting and Reporting by Charities' The Statement of Recommended Practice issued in March 2005 and with relevant guidance issued by the DHSSPS.

1(b) Incoming Resources

All incoming resources are included in full in the statement of financial activities as soon as the following three factors have been met:

- 1) *Entitlement* – arises when a particular resource is receivable or the charity's right becomes legally enforceable;
- 2) *Certainty* – where there is reasonable certainty that the incoming resource will be received;
- 3) *Measurement* – when the monetary value of the incoming resources can be measured with sufficient reliability.

1(c) Incoming Resources from Legacies

All incoming resources are recognized once the charity has entitlement to the resources, it is certain that the resources will be received and the monetary value of incoming resources can be measured with sufficient reliability.

1(d) Gifts in Kind

- 1) Assets given for distribution by the charity are included in the Statement of Financial Activities only when distributed.
- 2) Assets given for use by the charity (e.g. Property for its own occupation) are included in the Statement of Financial Activities as incoming resources when receivable.
- 3) Gifts made in kind but on trust for conversion into cash and subsequent application by the charity are included in the accounting period in which the gift is sold.

In all cases the amount at which the gifts in kind are brought into account is either a reasonable estimate of their value to the charity or the amount actually realized. The basis of the valuation is disclosed in the Trustees Report.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

Accounts for the Year Ended 31 March 2023

NOTES TO THE ACCOUNTS

1. Accounting Policies – Continued...

1(e) Intangible Income

Intangible income (e.g. the provision of free accommodation) is included in the accounts with an equivalent amount in the outgoing resources, if there is a financial cost borne by another party. The value placed on such income is the financial cost of the third party providing the resources.

1(f) Resources Expended and Irrecoverable VAT

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. All expenditure is recognized once there is a legal or constructive obligation committing the charity to the expenditure. Irrecoverable Vat is charged against the category of resources expended for which it was incurred.

1(g) Allocation of Support Costs and Overheads

Support costs and overheads have been allocated to Governance Costs. The analysis of support costs and the bases of apportionment applied are shown in Note 5.

1(h) Charitable Activities

Costs of charitable activities comprise all costs incurred in the pursuit of the charitable objects of the charity. These costs comprise direct costs and an apportionment of overhead and support costs as shown in Note 5.

1(i) Governance Costs

Governance costs comprise all costs incurred in the governance of the charity. These costs include costs related to the preparation of the Accounts together with an apportionment of overhead and support costs.

1(j) Fixed Assets

There are no fixed assets held by the Fund.

1(k) Donated Assets

There are no donated assets held by the Fund.

PUBLIC HEALTH MEDICINE EDUCATION TRUST FUND

Accounts for the Year Ended 31 March 2023

NOTES TO THE ACCOUNTS

1. Accounting Policies – Continued...

1(l) Investment Fixed Assets

Investment fixed assets are shown at market value as at the balance sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year.

1(m) Realised Gains and Losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sale proceeds and opening market value (purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and opening market value (or purchase date if later).

1(n) Funds Structure

Where there is a legal restriction on the purposes to which a fund may be put, the fund is classified in the accounts as a restricted fund. Funds where the capital is held to generate income for charitable purposes and cannot itself be spent are accounted for as endowment fund. Other funds are classified as unrestricted funds. Funds which are not legally restricted but which the Trustees have chosen to earmark for set purposes are classified as designated funds.

1 (o) Pension

The fund has no employees.
