

# Seagoe Football Club Annual Report

Charity Number NIC 101547

Seagoe Football Club is a community based football club established in 1979 and granted charity status in 2015. The club is based at Tarsan Lane Portadown. We have two senior football teams both competing in the Mid Ulster Football League at Intermediate Level and Junior Level.

Our membership has increased to over 250 members, due to the expansion of the clubs Grassroots Development Teams, which has also seen 35 girls starting to play football, we have also developed a preschool group call Seagoe Cubs with over 35 children attending from 4 to 5 years old. The club is managed by a committee elected at the clubs annual general meeting yearly, with the officers being elected every three years in line with the clubs constitution.

The four elected officers, Chair, Vice Chair, Treasurer, and Secretary fulfill the role of the Charity's trustees.

The club is governed by its constitution, and model guidance documents listed below and these are reviewed annually ensuring that the club is compliant.

Committee meetings are held every third Monday of the month where the committee deals with club business.

In addition to the committee we have increased our volunteers from 15 to 60 many helping with youth coaching, and others who help around the club with organising events and general maintenance and cleaning.

In keeping with the objectives of the charity we continue to provide activities which embrace public benefit, activities that have taken place are listed below

Football Training Sessions twice weekly for seniors and juniors

Competitive matches for senior two teams and two junior teams every Saturday and mid-week

Coach and player development courses Safeguarding, Access NI, NCC Level1, Introduction to grassroots

Quiz Nights

Dance Classes

Seagoe Retired Members Arts and Crafts Club

IFA referees meetings, training and learning

Birthday parties

Community events

Provision of a defibrillator

Charity events

## Further Development

Planning applications and a business plan have been developed and submitted for replacement changing rooms, and a 4G training pitch with floodlights we are currently seeking funding opportunities to progress the project.
