General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes.

General funds may be transferred to designate funds where Trustees wish to use these funds for a specific purpose. Such funds may be transferred back to general funds once the criteria for the designation have been met or are no longer applicable.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of restricted funds is set out in the notes to the financial statements.
