INTERDENOMINATIONAL DIVINE HEALING MINISTRIES

TRUSTEES REPORT

FOR THE YEAR ENDED 30 SEPTEMBER 2024

The Trustees present their annual report and financial statements for the year ended 30 September 2024.

The accounts have been prepared in accordance with the accounting policies set out in note to the accounts and comply with the charity's constitution, the Charities Act (NI) 2008 and the Statement of Recommended Practice, The Charities (Accounting and Reports) Regulation (NI) 2015.

Objectives and activities

The charity's objectives are to offer members of the public prayer for healing together with the laying on of hands and anointing/blessing with oil at regular weekly services in the Greater Belfast area and, by invitation, throughout Northern Ireland. Also to be praying for the land and praying in unity.

The policies adopted in furtherance of these objects are to have regular prayer groups to support the various areas of activity, to hold regular Healing Team meetings and Committee meetings and there has been no change in these during the year.

Objectives

To continue the work of the charity the Trustees lead by the Director Fergus McMorrow have been engaged in a 5 year plan covering 2025 – 2030. The objectives of this plan have been set as follows:

1. Renewal of Trustees and Committee.
2. Organise prayer support for the whole ministry.
3. Increase the number of individuals, churches and communities reached by Divine Healing Ministries. Weekly and monthly healing services including St. Patrick's Ballymacarrett, Shankill Methodist Church, Hope Centre, Berry Street, Larne Churches, parishes across N. Ireland and Rep. of Ireland.
4. Strengthen the interdenominational aspect of the ministry with new healing services at Catholic parishes.
5. Developing online downloadable resources, both free and paid for booklets, audio and video recordings.
6. Developing phone ministry provision with a new VOIP phone system which allows team members to answer phone calls from people requesting prayer.
7. Developing the online ministry which has expanded significantly.
8. Developing further links with South America in partnership and existing reciprocal mission trips with pastors in Colombia.
9. Developing youth outreach within the ministry in partnership with the Summer Madness Youth Festival, the Hub Church of Ireland/Methodist Chaplaincy at Queen's University, and other youth ministries/agencies.
10. Developing monthly satellite healing services in Larne, Holywood and Lisburn and in other towns.
11. "Days of Prayer for the Land" in towns across N. Ireland and Republic of Ireland.
12. Online and in person training in prayer ministry for new team members and advanced training for existing team.
13. Pastoral Care development.

Compliance with Public Benefit

The Trustees have paid due regard to guidance issued by the Charity Commission for Northern Ireland to ensure the activities entered into during the year have helped to achieve the organisations objectives in providing a public benefit.

Financial review

At the reporting date of 30 September 2024, the following is an overview of the charity's position.

The accounts documented an overall net deficit of £12,763 (2023 deficit: £31,715).

The ministry continued to receive donations and combined with funds held on account, the ministry was able to pay for all operational expenses. The ministry continues to focus on increasing donations received to reduce the reliance on cash resources held on account.

Net assets held by the charity at the year end were £143,141 (2023: £155,904). Of this the Ulster Bank account had a closing balance of £107,005 (2023: £20,515). The charity investment increased in value by £5,023 (2023: £2,057) during the year.

Going Concern

Considering the above and current year budgets the Committee is satisfied that there are adequate funds in place to ensure that the charity can continue its activities and the financial statements for the year ended 30 September 2024 can be approved as a going concern.

The Trustees has assessed the major risks to which the charity is exposed and are satisfied that systems are in place to mitigate exposure to the major risks.

Plans for the future (from 2025-2030 Strategic Plan)

Below is our vision and strategic plan for the future. It reflects Divine Healing Ministries' commitment to fostering healing and spiritual growth, grounded in faith and inclusivity.

VISION

The vision of Divine Healing Ministries is for the growth of God's kingdom through prayer for healing in our land and its people as an integral part of the ministry of every church.

MISSION

The mission of Divine Healing Ministries is to pray for the healing of individuals and reconciliation in our land.

STRATEGIC AIMS

Prayer:	To pray and equip others to pray for healing, reconciliation and restoration.
Development:	To continue to develop and grow interdenominational and intergenerational teams.
Growth:	To increase the number of individuals, churches and communities reached by the ministry.
Governance:	To provide good governance, leadership and accountability.

STRATEGIC OBJECTIVES 2025-30

1. To develop and encourage personal and communal prayer times across Divine Healing Ministries.
2. To increase the number of individuals, churches and communities reached by the ministry.
3. To strengthen the interdenominational nature of the ministry.
4. To increase the number of young people involved in the ministry.
5. To provide regular Healing Services.
6. To contribute to prayer for healing ministries in other countries.
7. To develop the most appropriate and effective governance and leadership to sustain the ministry.

To bring the strategic objectives of Divine Healing Ministries to life, our strategic plan has been broken down into focused activities designed to translate vision into action. These activities outline practical steps and initiatives that align with the ministry's commitment to Unity in Christ, prayer, individual wholeness and healing, community reconciliation, and growth of the ministry. While some tasks within the plan are ambitious, they remain achievable through dedication, faith, and reliance on God's guidance. By working together with a spirit of collaboration and determination, these initiatives will help the ministry realize its goals, extend its impact, and deepen its mission of healing and reconciliation. Divine Healing Ministries believes that these efforts will bear fruit, advancing God's kingdom and bringing restoration to individuals, communities, and beyond.

- Monthly Youth Services.
- Speaking at Youth Fellowships, schools.
- Young adults speaking at services and on team
- Mentoring young people on team
- Development of resources on prayer and healing for young people.
- Working with DHM team members who are coordinating areas of the ministry: Pastoral Care, youth, publicity, training, outreach, intercessors, finances.
- Continuation of "Going Deeper" Days of reflection and training for the team. Development of team through gatherings and ongoing training and increased opportunities for prayer at Townsend Street and other locations.
- Development of the prayer ministry training.
- Developing the interdenominational and intergenerational aspects of the ministry. Develop links with Down and Connor Diocese, Archdiocese of Armagh, and the other Catholic Dioceses. Interdenominational Divine Healing services in Catholic parishes.
- Planning further mission trips to South America.
- Developing partnerships with other ministries for example Summer Madness, 24/7, Transformations, YWAM, Crown Jesus, Ministries, Healing the Land, The Hub Church of Ireland/Methodist Chaplaincy.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF INTERDENOMINATIONAL DIVINE HEALING MINISTRIES

I report to the Trustees on my examination of the financial statements of Interdenominational Divine Healing Ministries (the charity) for the year ended 30 September 2024.

Responsibilities and basis of report

As the Trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act (Northern Ireland) 2008 (the 2008 Act).

I report in respect of my examination of the charity's financial statements carried out under section 65 of the 2008 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission Northern Ireland under section 65(9)(b) of the Charities Act 2008.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 63 of the 2008 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 SEPTEMBER 2024

1 Accounting policies

Charity information

Interdenominational Divine Healing Ministries is a non incorporated entity.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's [governing document], the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Software 33% straight line

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Computers 33% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.8 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.10 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.11 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.12 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

INTERDENOMINATIONAL DIVINE HEALING MINISTRIES

TRUSTEES REPORT

FOR THE YEAR ENDED 30 SEPTEMBER 2023

The Trustees present their annual report and financial statements for the year ended 30 September 2023.

The accounts have been prepared in accordance with the accounting policies set out in note to the accounts and comply with the charity's constitution, the Charities Act (NI) 2008 and the Statement of Recommended Practice, The Charities (Accounting and Reports) Regulation (NI) 2015.

Objectives and activities

The charity's objectives are to offer members of the public prayer for healing together with the laying on of hands and anointing/blessing with oil at regular weekly services in the Greater Belfast area and, by invitation, throughout Northern Ireland. Also to be praying for the land and praying in unity.

The policies adopted in furtherance of these objects are to have regular prayer groups to support the various areas of activity, to hold regular Healing Team meetings and Committee meetings and there has been no change in these during the year.

Objectives

To continue the work of the charity the Trustees lead by the Director Fergus McMorrow have been engaged in a 5 year plan covering 2020 – 2025. The objectives of this plan have been set as follows:

1. Renewal of Trustees and Committee.
2. Organise prayer support for the whole ministry.
3. Increase the number of individuals, churches and communities reached by Divine Healing Ministries. Weekly and monthly healing services including St. Patrick's Ballymacarrett, Shankill Methodist Church, Hope Centre, Berry Street, Larne Churches, parishes across N. Ireland and Rep. of Ireland.
4. Strengthen the interdenominational aspect of the ministry with new healing services at Catholic parishes.
5. Developing online downloadable resources, both free and paid for booklets, audio and video recordings.
6. Developing phone ministry provision with a new VOIP phone system which allows team members to answer phone calls from people requesting prayer.
7. Developing the online ministry which has expanded significantly.
8. Developing further links with South America in partnership and existing reciprocal mission trips with pastors in Colombia and Bolivia.
9. Developing youth outreach within the ministry in partnership with the Summer Madness Youth Festival, the Hub Church of Ireland/Methodist Chaplaincy at Queen's University, and other youth ministries/agencies.
10. Developing monthly satellite healing services in Larne, Holywood and Lisburn and in other towns.
11. "Days of Prayer for the Land" in towns across N. Ireland and Republic of Ireland.
12. Online and in person training in prayer ministry for new team members and advanced training for existing team.

Compliance with Public Benefit

The Trustees have paid due regard to guidance issued by the Charity Commission for Northern Ireland to ensure the activities entered into during the year have helped to achieve the organisations objectives in providing a public benefit.

Financial review

At the reporting date of 30 September 2023, the following is an overview of the charity's position.

The accounts documented an overall net deficit of £31,715 (2022 deficit: £80,373).

Restricted fund donations regarding Colombia and Bolivia, remained the same during the year; 2023: £180 (2022: £180). Income from general donations was allocated to this fund in order to continue the success achieved to date and cover necessary expenditure.

Net assets held by the charity at the year end were £155,904, (2022: £187,619). Of this the Ulster Bank account had a closing balance of £20,515 (2022: £59,939). The charity investment increased in value by £2,057 (2022: £5,797 decreased) during the year.

Going Concern

Considering the above and current year budgets the Committee is satisfied that there are adequate funds in place to ensure that the charity can continue its activities and the financial statements for the year ended 30 September 2023 can be approved as a going concern.

The Trustees has assessed the major risks to which the charity is exposed and are satisfied that systems are in place to mitigate exposure to the major risks.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF INTERDENOMINATIONAL DIVINE HEALING MINISTRIES

I report to the Trustees on my examination of the financial statements of Interdenominational Divine Healing Ministries (the charity) for the year ended 30 September 2023.

Responsibilities and basis of report

As the Trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act (Northern Ireland) 2008 (the 2008 Act).

I report in respect of my examination of the charity's financial statements carried out under section 65 of the 2008 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission Northern Ireland under section 65(9)(b) of the Charities Act 2008.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 63 of the 2008 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

Interdenominational Divine Healing Ministries is a non incorporated entity.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's [governing document], the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Software 33% straight line

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Computers 33% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.8 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.10 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.11 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.12 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

INTERDENOMINATIONAL DIVINE HEALING MINISTRIES

TRUSTEES REPORT

FOR THE YEAR ENDED 30 SEPTEMBER 2023

The Trustees present their annual report and financial statements for the year ended 30 September 2023.

The accounts have been prepared in accordance with the accounting policies set out in note to the accounts and comply with the charity's constitution, the Charities Act (NI) 2008 and the Statement of Recommended Practice, The Charities (Accounting and Reports) Regulation (NI) 2015.

Objectives and activities

The charity's objectives are to offer members of the public prayer for healing together with the laying on of hands and anointing/blessing with oil at regular weekly services in the Greater Belfast area and, by invitation, throughout Northern Ireland. Also to be praying for the land and praying in unity.

The policies adopted in furtherance of these objects are to have regular prayer groups to support the various areas of activity, to hold regular Healing Team meetings and Committee meetings and there has been no change in these during the year.

Objectives

To continue the work of the charity the Trustees lead by the Director Fergus McMorrow have been engaged in a 5 year plan covering 2020 – 2025. The objectives of this plan have been set as follows:

1. Renewal of Trustees and Committee.
2. Organise prayer support for the whole ministry.
3. Increase the number of individuals, churches and communities reached by Divine Healing Ministries. Weekly and monthly healing services including St. Patrick's Ballymacarrett, Shankill Methodist Church, Hope Centre, Berry Street, Larne Churches, parishes across N. Ireland and Rep. of Ireland.
4. Strengthen the interdenominational aspect of the ministry with new healing services at Catholic parishes.
5. Developing online downloadable resources, both free and paid for booklets, audio and video recordings.
6. Developing phone ministry provision with a new VOIP phone system which allows team members to answer phone calls from people requesting prayer.
7. Developing the online ministry which has expanded significantly.
8. Developing further links with South America in partnership and existing reciprocal mission trips with pastors in Colombia and Bolivia.
9. Developing youth outreach within the ministry in partnership with the Summer Madness Youth Festival, the Hub Church of Ireland/Methodist Chaplaincy at Queen's University, and other youth ministries/agencies.
10. Developing monthly satellite healing services in Larne, Holywood and Lisburn and in other towns.
11. "Days of Prayer for the Land" in towns across N. Ireland and Republic of Ireland.
12. Online and in person training in prayer ministry for new team members and advanced training for existing team.

Compliance with Public Benefit

The Trustees have paid due regard to guidance issued by the Charity Commission for Northern Ireland to ensure the activities entered into during the year have helped to achieve the organisations objectives in providing a public benefit.

Financial review

At the reporting date of 30 September 2023, the following is an overview of the charity's position.

The accounts documented an overall net deficit of £31,715 (2022 deficit: £80,373).

Restricted fund donations regarding Colombia and Bolivia, remained the same during the year; 2023: £180 (2022: £180). Income from general donations was allocated to this fund in order to continue the success achieved to date and cover necessary expenditure.

Net assets held by the charity at the year end were £155,904, (2022: £187,619). Of this the Ulster Bank account had a closing balance of £20,515 (2022: £59,939). The charity investment increased in value by £2,057 (2022: £5,797 decreased) during the year.

Going Concern

Considering the above and current year budgets the Committee is satisfied that there are adequate funds in place to ensure that the charity can continue its activities and the financial statements for the year ended 30 September 2023 can be approved as a going concern.

The Trustees has assessed the major risks to which the charity is exposed and are satisfied that systems are in place to mitigate exposure to the major risks.

Organisational structure

The charity is managed and administered by the committee of Trustees. The Committee of Trustees must have a minimum of three members termed as Officers consisting of a Director, an Honorary Secretary and an Honorary Treasurer. The Trustees from within themselves will elect these officers. The committee has no maximum threshold of Trustees who can serve the charity.

The charity's organisational structure is outlined in this diagram:

INTERDENOMINATIONAL DIVINE HEALING MINISTRIES

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF INTERDENOMINATIONAL DIVINE HEALING MINISTRIES

I report to the Trustees on my examination of the financial statements of Interdenominational Divine Healing Ministries (the charity) for the year ended 30 September 2023.

Responsibilities and basis of report

As the Trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act (Northern Ireland) 2008 (the 2008 Act).

I report in respect of my examination of the charity's financial statements carried out under section 65 of the 2008 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission Northern Ireland under section 65(9)(b) of the Charities Act 2008.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 63 of the 2008 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 SEPTEMBER 2023

1 Accounting policies

Charity information

Interdenominational Divine Healing Ministries is a non incorporated entity.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's [governing document], the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Software 33% straight line

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Computers 33% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.8 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.10 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.11 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.12 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

INTERDENOMINATIONAL DIVINE HEALING MINISTRIES

TRUSTEES REPORT

FOR THE YEAR ENDED 30 SEPTEMBER 2023

The Trustees present their annual report and financial statements for the year ended 30 September 2023.

The accounts have been prepared in accordance with the accounting policies set out in note to the accounts and comply with the charity's constitution, the Charities Act (NI) 2008 and the Statement of Recommended Practice, The Charities (Accounting and Reports) Regulation (NI) 2015.

Objectives and activities

The charity's objectives are to offer members of the public prayer for healing together with the laying on of hands and anointing/blessing with oil at regular weekly services in the Greater Belfast area and, by invitation, throughout Northern Ireland. Also to be praying for the land and praying in unity.

The policies adopted in furtherance of these objects are to have regular prayer groups to support the various areas of activity, to hold regular Healing Team meetings and Committee meetings and there has been no change in these during the year.

Objectives

To continue the work of the charity the Trustees lead by the Director Fergus McMorrow have been engaged in a 5 year plan covering 2020 – 2025. The objectives of this plan have been set as follows:

1. Renewal of Trustees and Committee.
2. Organise prayer support for the whole ministry.
3. Increase the number of individuals, churches and communities reached by Divine Healing Ministries. Weekly and monthly healing services including St. Patrick's Ballymacarrett, Shankill Methodist Church, Hope Centre, Berry Street, Larne Churches, parishes across N. Ireland and Rep. of Ireland.
4. Strengthen the interdenominational aspect of the ministry with new healing services at Catholic parishes.
5. Developing online downloadable resources, both free and paid for booklets, audio and video recordings.
6. Developing phone ministry provision with a new VOIP phone system which allows team members to answer phone calls from people requesting prayer.
7. Developing the online ministry which has expanded significantly.
8. Developing further links with South America in partnership and existing reciprocal mission trips with pastors in Colombia and Bolivia.
9. Developing youth outreach within the ministry in partnership with the Summer Madness Youth Festival, the Hub Church of Ireland/Methodist Chaplaincy at Queen's University, and other youth ministries/agencies.
10. Developing monthly satellite healing services in Larne, Holywood and Lisburn and in other towns.
11. "Days of Prayer for the Land" in towns across N. Ireland and Republic of Ireland.
12. Online and in person training in prayer ministry for new team members and advanced training for existing team.

Compliance with Public Benefit

The Trustees have paid due regard to guidance issued by the Charity Commission for Northern Ireland to ensure the activities entered into during the year have helped to achieve the organisations objectives in providing a public benefit.

Financial review

At the reporting date of 30 September 2023, the following is an overview of the charity's position.

The accounts documented an overall net deficit of £31,715 (2022 deficit: £80,373).

Restricted fund donations regarding Colombia and Bolivia, remained the same during the year; 2023: £180 (2022: £180). Income from general donations was allocated to this fund in order to continue the success achieved to date and cover necessary expenditure.

Net assets held by the charity at the year end were £155,904, (2022: £187,619). Of this the Ulster Bank account had a closing balance of £20,515 (2022: £59,939). The charity investment increased in value by £2,057 (2022: £5,797 decreased) during the year.

Going Concern

Considering the above and current year budgets the Committee is satisfied that there are adequate funds in place to ensure that the charity can continue its activities and the financial statements for the year ended 30 September 2023 can be approved as a going concern.

The Trustees has assessed the major risks to which the charity is exposed and are satisfied that systems are in place to mitigate exposure to the major risks.

INTERDENOMINATIONAL DIVINE HEALING MINISTRIES

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF INTERDENOMINATIONAL DIVINE HEALING MINISTRIES

I report to the Trustees on my examination of the financial statements of Interdenominational Divine Healing Ministries (the charity) for the year ended 30 September 2023.

Responsibilities and basis of report

As the Trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act (Northern Ireland) 2008 (the 2008 Act).

I report in respect of my examination of the charity's financial statements carried out under section 65 of the 2008 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission Northern Ireland under section 65(9)(b) of the Charities Act 2008.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 63 of the 2008 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 SEPTEMBER 2023

1 Accounting policies

Charity information

Interdenominational Divine Healing Ministries is a non incorporated entity.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's [governing document], the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Software 33% straight line

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Computers 33% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.8 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.10 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.11 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.12 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

FOR THE YEAR ENDED 30 SEPTEMBER 2022

The Trustees present their annual report and financial statements for the year ended 30 September 2022.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's constitution, the Charities Act (NI) 2008 and the Statement of Recommended Practice, The Charities (Accounting and Reports) Regulation (NI) 2015.

Objectives and activities

The charity's objects are to offer members of the public prayer for healing together with the laying on of hands and anointing/ blessing with oil at regular weekly services in the Greater Belfast area and, by invitation, throughout Northern Ireland.

The policies adopted in furtherance of these objects are to have regular prayer groups to support the various areas of activity, to hold regular Healing Team meetings and Committee meetings and there has been no change in these during the year.

Objectives

To continue the work of the charity the Trustees lead by the Director Fergus McMorro have been engaged in a 5 year plan covering 2020 – 2025. The objectives of this plan have been set as follows:

1. Renewal of Trustees and Committee.
2. Organise prayer support for the whole ministry.
3. Increase the number of individuals, churches and communities reached by Divine Healing Ministries. Weekly and monthly healing services including St. Patrick's Ballymacarrett, Shankill Methodist Church, Larne Churches, Lisburn Churches, Knockbridge and Kalkerley Parishes in Dundalk.
4. Strengthen the interdenominational aspect of the ministry with new healing services at Catholic parishes including Holy Family Parish, St. John's Parish, Belfast.
5. Developing online downloadable resources, both free and paid for booklets, audio and video recordings.
6. Developing phone ministry provision with a new VOIP phone system which allows team members to answer phone calls from people requesting prayer.
7. Developing the online ministry which has expanded significantly.
8. Developing further links with South America in partnership and existing reciprocal mission trips with pastors in Colombia and Bolivia.
9. Developing youth outreach within the ministry in partnership with the Summer Madness Youth Festival, the Hub Church of Ireland/Methodist Chaplaincy at Queen's University, and other youth ministries/agencies.
10. Developing monthly satellite healing services in Larne, Holywood and Lisburn and in other towns.
11. "Days of Prayer for the Land" in towns across N. Ireland and Republic of Ireland.
12. Online and in person training in prayer ministry for new team members and advanced training for existing team.

Compliance with Public Benefit

The Trustees have paid due regard to guidance issued by the Charity Commission for Northern Ireland to ensure the activities entered into during the year have helped to achieve the organisations objectives in providing a public benefit.

Financial review

At the reporting date of 30 September 2022, the following is an overview of the charity's position.

The accounts documented an overall net deficit of £80,373 (2021 deficit: £109,498).

Restricted fund donations regarding Colombia and Bolivia, decreased during the year; 2020: Nil (2021: £180). Income from general donations was allocated to this fund in order to continue the success achieved to date and cover necessary expenditure.

Net assets held by the charity at the year end were £187,619, (2021: £267,992). Of this the Ulster Bank account had a closing balance of £59,939 (2021: £260,559). The charity invested £130,000 during the year.

Going Concern

Considering the above and current year budgets the Committee is satisfied that there are adequate funds in place to ensure that the charity can continue its activities and the financial statements for the year ended 30 September 2022 can be approved as a going concern.

The Trustees has assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

INTERDENOMINATIONAL DIVINE HEALING MINISTRIES

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF INTERDENOMINATIONAL DIVINE HEALING MINISTRIES

I report to the Trustees on my examination of the financial statements of Interdenominational Divine Healing Ministries (the charity) for the year ended 30 September 2022.

Responsibilities and basis of report

As the Trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act (Northern Ireland) 2008 (the 2008 Act).

I report in respect of my examination of the charity's financial statements carried out under section 65 of the 2008 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission Northern Ireland under section 65(9)(b) of the Charities Act 2008.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 63 of the 2008 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 SEPTEMBER 2022

1 Accounting policies

Charity information

Interdenominational Divine Healing Ministries is a non incorporated entity.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's [governing document], the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

(Continued)

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

1.6 Intangible fixed assets other than goodwill

Intangible assets acquired separately from a business are recognised at cost and are subsequently measured at cost less accumulated amortisation and accumulated impairment losses.

Intangible assets acquired on business combinations are recognised separately from goodwill at the acquisition date where it is probable that the expected future economic benefits that are attributable to the asset will flow to the entity and the fair value of the asset can be measured reliably; the intangible asset arises from contractual or other legal rights; and the intangible asset is separable from the entity.

Amortisation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Software	33% straight line
----------	-------------------

1.7 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Computers	33% straight line
-----------	-------------------

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.8 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.9 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.10 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.11 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1 Accounting policies (Continued)

1.12 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.13 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

INTERDENOMINATIONAL DIVINE HEALING MINISTRIES

TRUSTEES REPORT

FOR THE YEAR ENDED 30 SEPTEMBER 2022

The Trustees present their annual report and financial statements for the year ended 30 September 2022.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's constitution, the Charities Act (NI) 2008 and the Statement of Recommended Practice, The Charities (Accounting and Reports) Regulation (NI) 2015.

Objectives and activities

The charity's objects are to offer members of the public prayer for healing together with the laying on of hands and anointing/ blessing with oil at regular weekly services in the Greater Belfast area and, by invitation, throughout Northern Ireland.

The policies adopted in furtherance of these objects are to have regular prayer groups to support the various areas of activity, to hold regular Healing Team meetings and Committee meetings and there has been no change in these during the year.

Objectives

To continue the work of the charity the Trustees lead by the Director Fergus McMorro have been engaged in a 5 year plan covering 2020 – 2025. The objectives of this plan have been set as follows:

1. Renewal of Trustees and Committee.
2. Organise prayer support for the whole ministry.
3. Increase the number of individuals, churches and communities reached by Divine Healing Ministries. Weekly and monthly healing services including St. Patrick's Ballymacarrett, Shankill Methodist Church, Larne Churches, Lisburn Churches, Knockbridge and Kalkerley Parishes in Dundalk.
4. Strengthen the interdenominational aspect of the ministry with new healing services at Catholic parishes including Holy Family Parish, St. John's Parish, Belfast.
5. Developing online downloadable resources, both free and paid for booklets, audio and video recordings.
6. Developing phone ministry provision with a new VOIP phone system which allows team members to answer phone calls from people requesting prayer.
7. Developing the online ministry which has expanded significantly.
8. Developing further links with South America in partnership and existing reciprocal mission trips with pastors in Colombia and Bolivia.
9. Developing youth outreach within the ministry in partnership with the Summer Madness Youth Festival, the Hub Church of Ireland/Methodist Chaplaincy at Queen's University, and other youth ministries/agencies.
10. Developing monthly satellite healing services in Larne, Holywood and Lisburn and in other towns.
11. "Days of Prayer for the Land" in towns across N. Ireland and Republic of Ireland.
12. Online and in person training in prayer ministry for new team members and advanced training for existing team.

Compliance with Public Benefit

The Trustees have paid due regard to guidance issued by the Charity Commission for Northern Ireland to ensure the activities entered into during the year have helped to achieve the organisations objectives in providing a public benefit.

Financial review

At the reporting date of 30 September 2022, the following is an overview of the charity's position.

The accounts documented an overall net deficit of £80,373 (2021 deficit: £109,498).

Restricted fund donations regarding Colombia and Bolivia, decreased during the year; 2020: Nil (2021: £180). Income from general donations was allocated to this fund in order to continue the success achieved to date and cover necessary expenditure.

Net assets held by the charity at the year end were £187,619, (2021: £267,992). Of this the Ulster Bank account had a closing balance of £59,939 (2021: £260,559). The charity invested £130,000 during the year.

Going Concern

Considering the above and current year budgets the Committee is satisfied that there are adequate funds in place to ensure that the charity can continue its activities and the financial statements for the year ended 30 September 2022 can be approved as a going concern.

The Trustees has assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

INTERDENOMINATIONAL DIVINE HEALING MINISTRIES

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF INTERDENOMINATIONAL DIVINE HEALING MINISTRIES

I report to the Trustees on my examination of the financial statements of Interdenominational Divine Healing Ministries (the charity) for the year ended 30 September 2022.

Responsibilities and basis of report

As the Trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act (Northern Ireland) 2008 (the 2008 Act).

I report in respect of my examination of the charity's financial statements carried out under section 65 of the 2008 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission Northern Ireland under section 65(9)(b) of the Charities Act 2008.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 63 of the 2008 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 SEPTEMBER 2022

1 Accounting policies

Charity information

Interdenominational Divine Healing Ministries is a non incorporated entity.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's [governing document], the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

FOR THE YEAR ENDED 30 SEPTEMBER 2022

1 Accounting policies

(Continued)

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

1.6 Intangible fixed assets other than goodwill

Intangible assets acquired separately from a business are recognised at cost and are subsequently measured at cost less accumulated amortisation and accumulated impairment losses.

Intangible assets acquired on business combinations are recognised separately from goodwill at the acquisition date where it is probable that the expected future economic benefits that are attributable to the asset will flow to the entity and the fair value of the asset can be measured reliably; the intangible asset arises from contractual or other legal rights; and the intangible asset is separable from the entity.

Amortisation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Software	33% straight line
----------	-------------------

1.7 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Computers	33% straight line
-----------	-------------------

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.8 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.9 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.10 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.11 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1 Accounting policies (Continued)

1.12 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.13 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

INTERDENOMINATIONAL DIVINE HEALING MINISTRIES

TRUSTEES REPORT

FOR THE YEAR ENDED 30 SEPTEMBER 2022

The Trustees present their annual report and financial statements for the year ended 30 September 2022.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's constitution, the Charities Act (NI) 2008 and the Statement of Recommended Practice, The Charities (Accounting and Reports) Regulation (NI) 2015.

Objectives and activities

The charity's objects are to offer members of the public prayer for healing together with the laying on of hands and anointing/ blessing with oil at regular weekly services in the Greater Belfast area and, by invitation, throughout Northern Ireland.

The policies adopted in furtherance of these objects are to have regular prayer groups to support the various areas of activity, to hold regular Healing Team meetings and Committee meetings and there has been no change in these during the year.

Objectives

To continue the work of the charity the Trustees lead by the Director Fergus McMorro have been engaged in a 5 year plan covering 2020 – 2025. The objectives of this plan have been set as follows:

1. Renewal of Trustees and Committee.
2. Organise prayer support for the whole ministry.
3. Increase the number of individuals, churches and communities reached by Divine Healing Ministries. Weekly and monthly healing services including St. Patrick's Ballymacarrett, Shankill Methodist Church, Larne Churches, Lisburn Churches, Knockbridge and Kilkenny Parishes in Dundalk.
4. Strengthen the interdenominational aspect of the ministry with new healing services at Catholic parishes including Holy Family Parish, St. John's Parish, Belfast.
5. Developing online downloadable resources, both free and paid for booklets, audio and video recordings.
6. Developing phone ministry provision with a new VOIP phone system which allows team members to answer phone calls from people requesting prayer.
7. Developing the online ministry which has expanded significantly.
8. Developing further links with South America in partnership and existing reciprocal mission trips with pastors in Colombia and Bolivia.
9. Developing youth outreach within the ministry in partnership with the Summer Madness Youth Festival, the Hub Church of Ireland/Methodist Chaplaincy at Queen's University, and other youth ministries/agencies.
10. Developing monthly satellite healing services in Larne, Holywood and Lisburn and in other towns.
11. "Days of Prayer for the Land" in towns across N. Ireland and Republic of Ireland.
12. Online and in person training in prayer ministry for new team members and advanced training for existing team.

Compliance with Public Benefit

The Trustees have paid due regard to guidance issued by the Charity Commission for Northern Ireland to ensure the activities entered into during the year have helped to achieve the organisations objectives in providing a public benefit.

Financial review

At the reporting date of 30 September 2022, the following is an overview of the charity's position.

The accounts documented an overall net deficit of £80,373 (2021 deficit: £109,498).

Restricted fund donations regarding Colombia and Bolivia, decreased during the year; 2020: Nil (2021: £180). Income from general donations was allocated to this fund in order to continue the success achieved to date and cover necessary expenditure.

Net assets held by the charity at the year end were £187,619, (2021: £267,992). Of this the Ulster Bank account had a closing balance of £59,939 (2021: £260,559). The charity invested £130,000 during the year.

Going Concern

Considering the above and current year budgets the Committee is satisfied that there are adequate funds in place to ensure that the charity can continue its activities and the financial statements for the year ended 30 September 2022 can be approved as a going concern.

The Trustees has assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

INTERDENOMINATIONAL DIVINE HEALING MINISTRIES

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF INTERDENOMINATIONAL DIVINE HEALING MINISTRIES

I report to the Trustees on my examination of the financial statements of Interdenominational Divine Healing Ministries (the charity) for the year ended 30 September 2022.

Responsibilities and basis of report

As the Trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act (Northern Ireland) 2008 (the 2008 Act).

I report in respect of my examination of the charity's financial statements carried out under section 65 of the 2008 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission Northern Ireland under section 65(9)(b) of the Charities Act 2008.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 63 of the 2008 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

INTERDENOMINATIONAL DIVINE HEALING MINISTRIES

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 SEPTEMBER 2022

1 Accounting policies

Charity information

Interdenominational Divine Healing Ministries is a non incorporated entity.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's [governing document], the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

FOR THE YEAR ENDED 30 SEPTEMBER 2022

1 Accounting policies

(Continued)

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

1.6 Intangible fixed assets other than goodwill

Intangible assets acquired separately from a business are recognised at cost and are subsequently measured at cost less accumulated amortisation and accumulated impairment losses.

Intangible assets acquired on business combinations are recognised separately from goodwill at the acquisition date where it is probable that the expected future economic benefits that are attributable to the asset will flow to the entity and the fair value of the asset can be measured reliably; the intangible asset arises from contractual or other legal rights; and the intangible asset is separable from the entity.

Amortisation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Software	33% straight line
----------	-------------------

1.7 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Computers	33% straight line
-----------	-------------------

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.8 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.9 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.10 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.11 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.12 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.13 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
