The financial year the report relates to 04 November 2022 to 03 November 2023.

A summary of the charity's main activities and purpose is to further its purposes for public benefit.

Springwell Running Club is an inclusive sports club which aims to increase participation in running from adults of all ages, genders and abilities. The club operates in Coleraine, Ballymoney, Limavady and Garvagh, with coaching and training sessions across the four locations and varying times throughout the week, twelve months of the year.

The club hosts a number of running events from 5k up to 10 miles, and also collaborates with the local council and other organisations supporting events which they run. The club is not for profit.

The Charity/Club is constituted in line with the Club Constitution which is available to view on the club website.

In reviewing the activities for the year, and the club accounts, the trustees have had regard to the Commission's Public Benefit requirement and statutory guidance in respect of the same.

A review of the charity's financial position at the end of the year has been included and there are no debts held by the charity. The only reserves are the club's bank account and Paypal account, and the balances are shown in the attached financial statement and in the Income and Expenditure Statement.

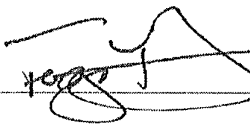

No fund held by the charity was materially in deficit at the end of the year and therefore no steps are required to be taken by the charity trustees to eliminate any deficit funds. No funds are held by the charity as a custodian trustee.
