## **Chairperson's Report**

I would like to welcome you all here to the Annual General Meeting of the Greater Glen Women's Group.

The group was formed in June 2006 and since then local women have participated in a range of courses and initiatives all delivered locally.

With continued funding from DfC (Department for Communities), Glen Development Initiative is able to continue the valued support to Greater Glen Women's Group.

We would like to thank Big Lottery Community Fund (through Glen Development Initiative) who funded our programmes through the 2023-2024 year. Without this funding we would have found it difficult to keep programmes running so that our members have a wide range of fun and educational experiences.

I would like to acknowledge the roles of the Committee for their continuing support and reiterate the importance of your roles in the promotion and function of the organisation over the last year so thank you so much for all your support because you are the backbone of our Women's Group.

Our charitable purposes include: the advancement of citizenship or community development, the relief of those in need by reason of youth, age, ill-health, disability, financial hardship or other disadvantage, the prevention or relief of poverty, the advancement of education and the advancement of health or the saving of lives.

We have now expanded our group and we have a young women's group who meet every Tuesday from 11am to 1pm.

Our group offers a wide range of activities such as flower arranging, cooking, alternative therapies, crafts and celebration events.

We would like to say a special thank you to all our members who for their help and commitment to our group, without you we would be lost.

## Future Planning

### Glen Development Initiative

Our members are involved in other activities outside of our group and this includes having representatives on the board of directors of Glen Development Initiative, the umbrella community group in Glenview Community Centre. GDI were successful in receiving a Big Lottery Grant that allows us to continue our programmes.

GDI held a Strategy Day in February 2024. As part of this we worked with our group representatives to identify the priorities for our group going forward.

The results are as follows:

### **Women's Group**

**Short Term Priorities:** Mental Health courses, group interaction, fundraising campaign, mini food bank in centre.

**Short/Medium Priorities:** Community Safety and other awareness initiatives.

**Medium Term Priorities:** More time allocated for group.

**Long Term Priorities:** Minibus, more established community relationships, new centre.

from our local area had a wonderful time feeding the animals, playing in the lagoon beach, the enchanted forest and the many play areas.

We also ran a day trip for the older members of our community. We visited Ulster American Folk Park then had dinner in a local hotel. This trip offered members of our group and various others who attend different groups within the community centre to interact, mix and share experiences.

### WHSCT

Thanks to funding from Western Health and Social Care Trust we were able to run a holistic programme for our ladies. This included alternative therapies, physical exercise, cooking, and crafts.

- What can we do – is there new programmes we should focus on that meets the needs of the local community and not only our group? How can this be achieved and what resources are need to make this happen?
- How do we sustain the funding for future programmes? Do we need to do more fundraising events? Are there other funds out there that we haven't been accessing? How can we help ourselves to grow and develop financially?
